

# **How to print your 4D Gospel Booklet**

**Download both PDF's "419 Gospel Cover & 419 Discipleship -The Gospel"**

**Open both documents, go to print. print landscape, double sided** (these work best on 8 1/2 x 14 paper, but it works just as well with 8 1/2 x 11 paper) **hit print.**

**Print "419 Gospel Cover" first, then print "419 Discipleship -The Gospel" next.**

**At this point all you have to do is fold all of the pages in half. You can either staple the spine of the booklet from the inside or from the outside your choice.**

**That's it! Enjoy.  
We hope this material will be a blessing.**
