I will head to the lake with a local fellowship from June 30 - July 4. This summer camp is one of their main outreaches for the year. It has very similar intentions as Falls Creek. We will have teaching every morning, lake activities in the afternoon, cultural events in the evenings and conversations long into the night.

Please pray for me as I memorize a Gospel presentation in my language, for non-believing students to have their hearts open to the Gospel, for believing students to be bold in their sharing, for our translators to process and understand what they are translating and learn to serve Him, for local elders who are leading the teaching sessions in the mornings, for energy for the events and conversations that will last into the night.

Thank you for joining me in my work!

Graham Taylor
