

# “How To Pray”

~A.L. Moss, Sr.

## 1. Start with Thanksgiving

You never go into the courtroom of God demanding things first. Remember *Matthew 6:33*, you thank Him for what He's already done.

## 2. Begin to declare His Word

That's what He wants to hear.

## 3. Then you express promises He made.

That's your demands.

## 4. Then you wait on Him

He always wants mediation, quietness, this is your Sabbath time.

## 5. Then you speak in tongues

Conclusion: Thanksgiving, declaration, expression of promises, quietness, tongues, then petitions.
