## Our Spotlight is on... St. John Builders

A Ministry of St. John Lutheran Church, 1100 N. Main, Celina, OH  
<https://www.purpledoorchurch.org/st-johns-Builders>

This ministry of St. John Lutheran Church (The Purple Door Church) exists to help those in need by providing low-income housing and/or modifications to existing residences, such as wheelchair ramps. Their projects vary according to the needs. But their beginnings were varied and a true service to others!

### HOW DID THE ST. JOHN BUILDERS GET STARTED?

About 1989, Paul Stein, Bob Chaney, Jerry Weisman and Pastor Doug Meyer made several trips to Lima Habitat to help build 3-4 houses. Then they traveled to Evansville, Indiana and worked to finish 4 houses.

After these projects, these 4 men met and decided that they could serve our area in the same way. St. John Builders, a group of volunteers with a desire to help others, was formed.

To build their first house, they needed to raise funds and locate a building lot. Ralph Heffner, a late member of St. John Lutheran, donated a 5-acre lot in Neptune. In the ensuing years, they worked to raise funds for building materials, re-roofing local homes, making birdhouse kits for sale, whatever it took to raise funds to start building a house in Neptune for a family in need. An anonymous member of the church offered to finance needed funds, interest-free, to build a second house in Neptune. The Builders repaid that loan.

### WHAT HAVE THEY ACCOMPLISHED?

It's amazing how much the Builders and other volunteers have accomplished and how many lives they have impacted.

- In 1990, they, along with approximately 50 other church members and friends traveled to Cross, South Carolina to build a house after Hurricane Hugo did its damage.
- During the years 2006-2008, the Builders and other churches traveled to Mississippi several times to build or repair homes affected by Hurricane Katrina.
- Fifteen families have been blessed with homes in our local area.
- They built the House of Hope and 2 cabins in the Hand-Up Village, both in Celina.
- They have also built or worked on homes in St. Anthony and Spencerville.

- CALL Food Pantry was remodeled as was the Choosing Life Pregnancy Center in Celina.
- For the church, the Builders created the maintenance building (due to the addition of the Family Life Center) and their own storage and workshop building.
- Several wheelchair ramps have been made and installed for local families.
- Each summer, Builders travel to a variety of church camps and spend 2-3 weeks working at the camps.
- See the trees around the church? They weren't always there! The Builders started a tree garden on the church property and sold enough trees to others to pay to have several trees moved and placed around the church!

### IN 2023 ALONE, THE BUILDERS

- ✓ built a new home for a family, repurposed a SJB home after the owner passed away,
- ✓ built 12 wheelchair ramps and removed 2 ramps that were no longer needed,
- ✓ held a 127 garage sale event and hosted the annual ice cream social,
- ✓ picked up furniture and other items donated by families in various communities at least 19 times, which the Builders could sell at the 127 garage sale or to other interested persons.

**AN APPLICATION PROCESS** is designed to find families who qualify to purchase a Builders' home. Applications are reviewed by a committee of several community members and shared with the Builders. Recipient families are expected to put in some man-hours as the house is being built.

The Builders operate with donations, grants, fundraising events and house payments from the families who purchased a SJB home.

### WHAT CAN YOU DO?

***Volunteers are always welcome!*** If you cannot help on projects or attend a SJB meeting, volunteers are always welcome and needed for our annual fundraising events.

Bring your family and friends to our **annual ice cream social in July each year!** In early August, check out our **127 Garage Sale**. We might have something you need as we sell excess building materials and/or donated items.

Thanks to our St. John Lutheran Church family and other community churches, businesses and friends for their on-going support. Without you, we could not do what we do!

Questions? For more information, contact St. John Lutheran Church!

**CARE-NET**

I'd like to offer a new mission to our congregation. As we get older, we will need help in our homes, so we are able to stay independent as long as we are able. I'd like to start a volunteer group (including men and women) through text message or phone using my phone number: **419-790-5584** using the heading – Care-Net to provide a couple of hours at a time of helping with:

- ✝ Visits so family members can get out to get groceries etc.
- ✝ Help with making lunch (does not include providing food)
- ✝ Help with basic chores such as getting to the bathroom or getting dressed or undressed for bed.
- ✝ Driving to doctor appointments.

**This list will be strictly a list for names of volunteers.**

It's easy and fun!

I'm open to any feedback or suggestions. My email is: [saddlers@bright.net](mailto:saddlers@bright.net)

St. John is a generous contributor to the C.A.L.L. Food and Clothing Pantry. It is often asked “What should I give?” or “What is needed?” In response, we are doing an “Item of the Month” donation. Although any item is greatly appreciated, the “Item of the Month” reflects those items that are not discounted. This is one great way that St. John is Making the Love of Christ Known.

Donations can be dropped off in the grocery cart in the Narthex or the Box in the Family Life Center.
