

Bible Study Resources - Women of Grace

Web-based

Resource	publisher	Description	Comments
Bible Project.com	https://bibleproject.com/	Free - Many different resources on the books of the Bible and topical- they have videos, podcasts and classes - great for understanding scriptures in context - very user friendly for those new to the Bible and those in it for years	With the variety of media that they use and their excellent communication approaches - this is a valuable resource
Bible Study Tools	biblestudytools.com	Free - A variety of resources that include translations and study resources.	

Apps

Resource	publisher	Description	Comments
YouVersion Bible App	https://www.youversion.com/the-bible-app/	Free app - has several dozen Bible translations free; topical devotional plans, prayer journal. There's also subscription plans if you want something more.	Great to use for the many different translations - free app
Enduring Word commentary	Author is David Guzik - https://enduringword.com/bible-commentary/	Free - Commentary verse by verse - pulls in commentary from many different sources -	good for the average person who wants to gain deeper understanding and insight
Bible Gateway	https://www.biblegateway.com/	Various user-friendly commentaries and Bible dictionaries	
Logos Bible	https://www.logos.com/	Has many commentaries, devotionals, Bible dictionaries and more - all free on the app	You can search the many resources they have on the site and save them - for those who are brand new to the Bible and those who have been studying for years
Olive Tree	https://www.olivetree.com/	A digital resource that offers many helpful resources for free. However, there is a huge library of resources also available for purchase that you can then download to the app.	Pastor James recommended this one to me (Debbie). Extensive resources for everyone at different points of their faith walk and supporting excellent Bible study habits.

Books

Resource	publisher	Description	Comments
Rose Book of Bible Charts, Maps and Timelines	Rose publishing https://www.hendricksonrose.com/	Very easy to understand Charts and graphs regarding most of the major topics of the Bible - Old and New Testaments	Wonderful aid for quick reference and learning
Rose Then and Now Bible Map Atlas	Rose publishing	This is so much more than maps - it goes through most of the major characters and stories of the Bible and speaks to the events while giving maps and timelines	Easy for the novice and the person studying the Bible for years - adds to insight and understanding
