## New Curriculum

This January we started a new curriculum in our Elementary hallway. Your kids are not only learning what's IN the Bible, but also ABOUT the Bible's context, history, etc. We would love your feedback as a parent about this new curriculum. Are the take-home cards helpful? Can your child recall what they learned about? Let us know!

## Acts and intro to the Epistles

This month your children are learning about the power, work, and person of the Holy Spirit! This goes along with what we have been studying in the main service as we go through Acts. Talk with your children about what **YOU** are learning in Acts, and ask them what they have learned. Talk about the 3rd person of the Trinity, the Holy Spirit. How have you seen the Spirit in your lives? Pray and ask for more of the Spirit, both His presence and power in your lives.

### Discuss these questions with your family:

Jesus said it was better for Him to go so that the helper (Holy Spirit) could come. Do you believe this?

What do you believe the role of the Holy Spirit is?

What are your spiritual gifts?

What spiritual gifts would you like to have? Pray for them together as a family.
