

The background of the image is a wide-angle, aerial photograph of a vast, terraced rice field. The fields are arranged in a grid pattern, creating a series of nested, greenish-blue rectangles that descend towards the horizon. In the upper right corner, there is a dense cluster of tropical trees and foliage. The overall scene is one of natural beauty and agricultural productivity.

HOW DO I MAKE A COMMITMENT TO BE A KINGDOM BUILDER?

PLAN

First, make a plan to give. When you have plans that are diligent, it leads to plenty (Proverbs 21:5). Whatever the amount is—put a plan in place, work the plan and be obedient with it. Start there.

MY PLAN:

VISION

Next, ask God to give you a vision for what He could do through you with His help. This is beyond what you think you can do and requires you to take a step of faith. Habakkuk 2:2 tells us to write that vision down and pray about it! God will supply all your needs according to His riches in Christ Jesus (Philippians 4:19). Step out in faith and see what God does through you!

MY VISION:

DREAM

Lastly, what would be a dream amount you could give? Hold on to it. This number is only between you and God. Watch as each step of faith you take, God moves you closer to that dream. God can do exceedingly abundantly more than all we can ask for or imagine (Ephesians 3:20).

MY DREAM:

Create a plan, ask God for a vision and hold on to the dream of what God will do as you step out in faith this year!
