

The word Gospel means **Good News**. Here are four reasons this news is good for you:

- 1) It gets our problem right.** The Bible shows the main problem isn't outside us, but in our hearts. Led by the desires within us, we harm ourselves, hurt others, and offend God. We cannot stop sinning.
- 2) It offers an effective solution.** God sent his Son, Jesus, to live the life we were meant to live, showing perfect love and obedience. He willingly died on the cross, taking the punishment for our sins so we could be forgiven. Three days later, Jesus rose, defeating death and making a way to restore our relationship with God.
- 3) It offers an accessible invitation.** Romans 10:9 says, if you believe Jesus is who the Bible says he is, you can turn to him—confess your sins, ask forgiveness, and trust Him as Lord and Savior. The prayer doesn't save you; faith in Jesus does. This invitation is open to you *right now*.
- 4) It provides a path to true living.** Following Jesus doesn't mean life is easy, but it leads to real flourishing now and forever. Jesus transforms our hearts so that we seek God's pleasure over our own. We are also included in God's family, the Church, a community of faith and love. **This is Good News for you!**
