## You Asked For It!

the sermon series you designed

This month we continue our message series responding to the questions you have! We've already covered a lot of ground in April and will tackle three more questions in May. Invite a friend to join you as we wrestle with each topic from a biblical perspective!

### **May 5 – Why does God sanction killing in the Old Testament?**

Many people are turned off by the violence sanctioned by God and carried out by God's people in the Old Testament. This week we will seek to understand part of Israel's role in the Old Testament and how Jesus' death on the cross changes everything!

### **May 12 – How is it okay for women to be pastors?**

Our Methodist doctrine supports women in ordained roles, but not every faith tradition believes the same. Each side uses Scripture as their basis. Who's right? This week we will investigate some of the Scriptures in question and share our church's stance!

### **May 19 – Why do bad things happen to good people?**

How can God be good if there is so much pain in the world? Sadly, wrestling with these questions has led people to abandon their faith and turn their backs on God. This week we will briefly reflect on our theological understanding of the problem of evil, but more importantly we will spend extended time in prayer and worship – turning to the only one who can bring healing and hope to our pain.

# A MESSAGE FROM PASTOR ANDY

## WHAT IS PENTECOST AND WHY SHOULD WE CARE?

Pentecost is one of the many feasts and festivals prescribed in the Old Testament Law for the people of God to observe annually. Specifically, it commemorates the beginning of the early wheat harvest and was a time of thanking God for his provision. In Judaism it is sometimes referred to as the “Feast of Harvest” or the “Feast of Weeks” because it occurs seven weeks (a week of weeks) after the Passover celebration which coincides with Christianity’s observance of Jesus’ death and resurrection. Therefore, Christians observe Pentecost (the Greek name for this Jewish feast) seven weeks after Easter Sunday. This year that falls on May 19!

But Pentecost isn’t celebrated by Christians because God provides through a bountiful harvest. No, Christians celebrate Pentecost because God provides his followers the Holy Spirit! You see, it was when the Jewish believers were gathered in Jerusalem, celebrating the Pentecost Feast of Harvest with Jews from many other places that God’s Spirit descended upon them. They supernaturally spoke each other’s languages and Peter, filled with the Spirit, shared the gospel with all of them and, as Acts chapter 2 describes, over 3,000 were baptized into the faith. This marked the birth of God’s new people, the Church!

The Holy Spirit, or the Spirit of Jesus, is the third person of the Godhead along with God the Father and God the Son. The Holy Spirit is the very presence of God dwelling in his holy temples – people who have been cleansed and purified by the atoning blood of Jesus Christ. We have been forgiven and made new through Christ are therefore able to be filled with the power and presence of Jesus. It is the Holy Spirit in us who convicts us of sin and leads us to ongoing repentance as we continue to be transformed into the image of Christ. It is also through the power of the Holy Spirit in us that we can live holy lives and boldly serve as Jesus’ representatives in this world.

Sadly, the Holy Spirit is often overlooked in the Church or simply ignored. But our Methodist heritage is rich in its understanding of the ministry of the Holy Spirit. This September we will be doing a five-week, six-Sunday church-wide discovery of this Third Person of the Trinity because we want to be a people who live in the ongoing presence and power of the Holy Spirit!

This Pentecost, May 19, 2024, as we conclude our series *You Asked For It*, we will spend extra time in prayer and ministry to one another through the power of the Holy Spirit. It is only God’s presence with us that can minister to and heal us from the brokenness and pains of this world. Would you join me in praying now for God to show up and minister to our church community this month? I can’t wait for us to experience our own outpouring of God’s Spirit!

Faithfully,

A handwritten signature of the name "Andy" in black ink.

### UPWARD – MINISTRY IMPACT REPORT

Now that the Upward Basketball and Cheerleading season is over and as we look forward to preparing for a new season in the next few months, it's a good time to evaluate the impact of this important ministry outreach of our church!

Here are some significant statistics. Of the 237 participating athletes, 130 were first time participants in our program. Furthermore 53% (125) come from a family with no church home! That represents nearly 6,000 touchpoints of ministry to people without church homes which our Upward program and our faithful volunteers made possible. Thank you for investing in such a great ministry outreach!

If you are interested in serving in some capacity in our 2024-25 season, contact Tyson Graham at [t\\_graham\\_13@att.net](mailto:t_graham_13@att.net)

# TROY METHODIST KIDS

## IT WAS A "GLOWING" SUCCESS!

Nearly 40 children and 15 volunteers enthusiastically took part in the Glow - One Day Easter Event! This event was centered around the truth that Jesus is the light of the world. All the activities and games were designed to help the children understand and appreciate this message. Through storytelling, arts, crafts, and games, the children were taught about the life, death, and resurrection of Jesus, and how He is the ultimate light that guides us through life. We ended our event with a fun glow-in-the-dark Easter egg hunt!

We extend our heartfelt appreciation to all the volunteers for their unwavering dedication and effort in ensuring that the event was extraordinary and unforgettable for all of our kids!

### TWEEN TIMES

The Tweens group is a wonderful initiative led by Jennifer Zahn. It's always great to see someone taking the time to invest in our youth and help them grow in their faith. It's inspiring to hear that Jennifer has created a safe space for tween girls to meet and enjoy activities centered around the Word of God. Kudos to Jennifer for her dedication and commitment to making a positive impact in the lives of these young girls. She is a wonderful example of discipleship.

#### *A note from Jennifer:*

*Hello to Tween's participants and parents. What a wonderful experience our couple of months together have been for me! Right now we're winding down our spring meetings and our last will be April 24. I'm thinking of doing another series later in the summer or fall depending on interest and availability. Spending time with your girls has been a special blessing for me and I appreciate your commitment to faithfully bring them each week. Contact me with any questions at [tiergirl@gmail.com](mailto:tiergirl@gmail.com)*

### HARVEST: ON A MISSION CONFERENCE

The Harvest Conference held in Marion, IL was a transformative event that left a lasting impression on fifteen children and three leaders. From the moment of arrival, we were captivated by the engaging activities, which included powerful worship sessions, insightful Bible time, fun recreational games, a delightful puppet show, and meaningful reflection and prayer time. We were able to reflect on the message that we are all called to share the gospel and proclaim the Good News of Jesus Christ. The palpable energy and enthusiasm of the kids was truly inspiring. This experience will continue to have a positive and profound impact for years to come on the lives of those who attended.

## PRAISE GOD FOR THE CONFIRMANDS

By Wenifer Greer

The word of God tells us to "Train children up in the way they should go; and when they are old, they will not depart from it." Prov. 22:6. So we have done. And the journey begins. Praise the Lord!

I hope that each of you had an opportunity to share in the confirmation ceremony of the ten amazing students on Sunday, April 7. If not, please take a moment to view it on the church website. Five young men and five young women celebrated the culmination of their confirmation class that started this past fall. They invested months of their time and energy to learn and grow and understand how to move forward in their faith. Their beautiful journey began on Sunday by serving. Did not all our hearts burst with joy to see these young people serve? Communion never felt so good!

We, the church, gave birth on that glorious Sunday as the confirmands pledged their vows to the Lord and became members of the church. **Let us rejoice! Let us celebrate! Let us encourage!** Also, let us pray for these students as we continue to "train them up."

Again their names are: Callum Rose, Emmett Buck, Cache Warner, Quinn Stopka, Kane Stopka, Makayla Hout, Annaliese Skouby, Kallea Berg, Averie Stolle, and Brynna Cushing.

As the Lord prompts you, please call out these students by name, and let us pray.

### CALLING ALL MUSICIANS!

*By Rebecca Koebbe*

Whichever service you usually attend on Sunday mornings, you are welcome to participate in special music at the 9:00 a.m. traditional services this summer!

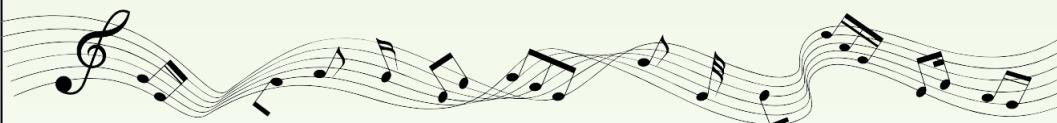

I will soon be putting together small ensembles for this summer's services. Last year's vocal ensembles were a success, so I'll be taking a similar approach with men's and women's vocal ensembles this year. It has also come to my attention throughout the past many months that there are several flutists who are interested in participating in a flute ensemble, so I'm working toward that as well. If you're a vocalist, flutist, potential bell player, or any other type of instrumentalist, please reach out at your earliest convenience so I can try to involve you in our special music this summer. It's always delightful to get to know one another at rehearsals as well as explore the possibilities of small and mid-sized ensembles.

One other fun ensemble I'm planning for later this summer is a parent-child bell ensemble. The target is primarily middle school and above, and the parent needs to be capable of playing bells, too, so basic music reading skills are helpful — or at least a willingness to learn!

Additionally, mark your calendars for our kick-off events in August:  
**Bell Choir Boot Camp** is August 3, 10:00 a.m. - 3:00 p.m.  
**Chancel Choir Kickoff** is August 10, 10:00 a.m. -3:00 p.m.

Feel free to email me with any questions at: [rebecca@troymc.org](mailto:rebecca@troymc.org)

Thanks so much, and I'm looking forward to hearing from you!
