

Activity Pages

2-3 Graders

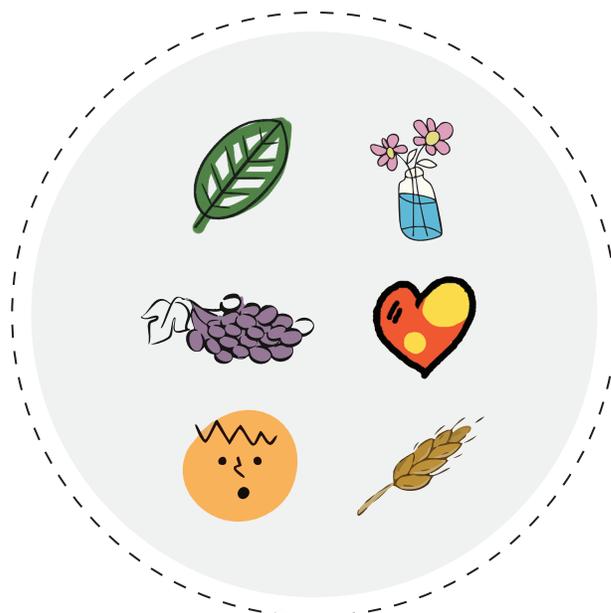

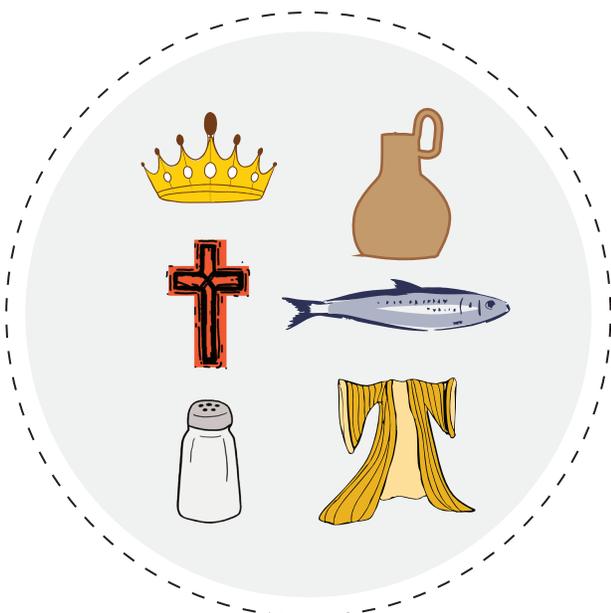

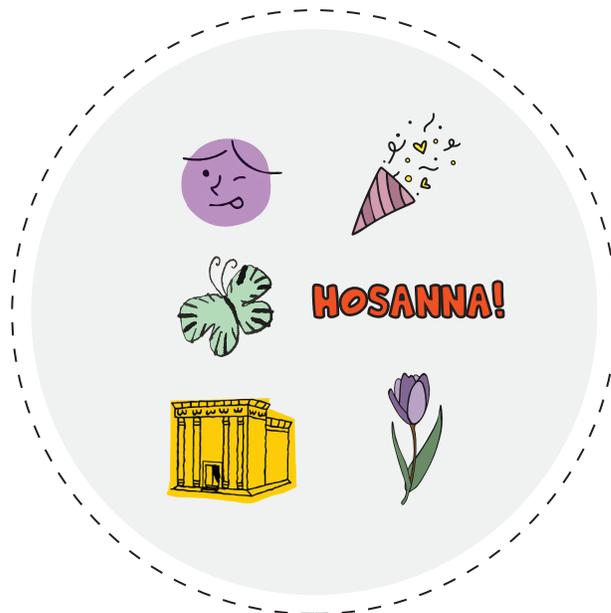

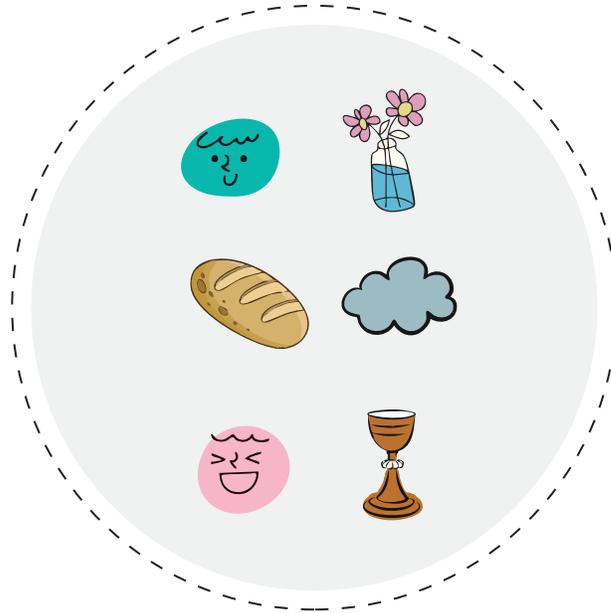

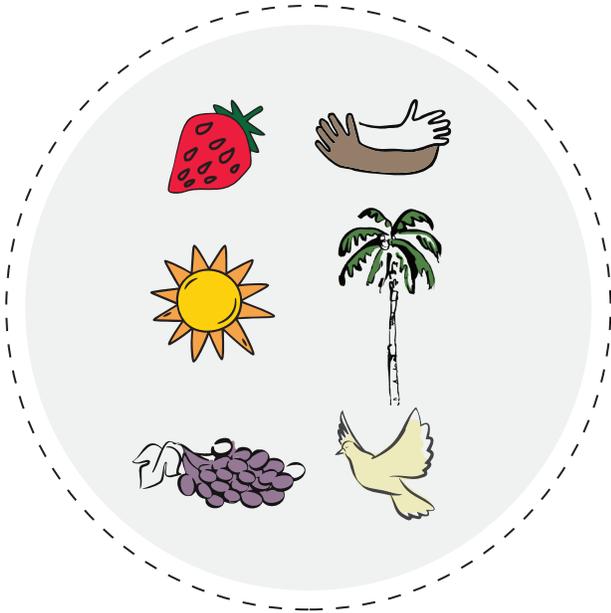

Activity Pages are created to extend each week's planned activities, helping leaders intentionally reinforce the week's Bible Story, Bottom Line, or Memory Verse. Each page uses the monthly story images and key applications to spark engagement through games, puzzles, and hands-on creativity making learning God's Word fun, memorable, and meaningful for every kid.

Give each player a card and place the deck face down. Count to three and turn the top card of the deck over. The goal is to be the first to find and name the matching picture on each card. If you do, you win the card. The player with the most cards at the end of the game wins the round. Shuffle and play again.
