EMBRACING THE LIFE OF A CHRIST-FOLLOWER

LESSON 12

Dear Parents,

Hi there! We are closing in on the end of the first unit of our yearlong study on what it means to be a disciple of Jesus. This week was both a refreshing and challenging discussion as we considered who God is and who He has called us to be.

This week, the lesson was entitled, "Disciples Help Others Know Christ More." It focused on the idea that to be a disciple means to teach and instruct others how to follow God.

We looked at the following Scripture passages:

- Matthew 28:18-20
- Acts 1:8

You'll be challenged by these words of Jesus and His plan to use us to impact the world in His name.

NEXT STEPS . . .

During the next week as you have time to talk with your teenager, consider asking the following questions:

- You talked a lot this week about the things that resemble a sold out follower of Christ. How does it make you feel that He wants to use you to accomplish His plan? (Share your own thoughts. Don't be afraid to share any reservations you may have.)
- Do you feel like you can teach others how to follow God? (Use this as an encouragement to them. Consider using an example of a time in which you've discipled someone.)
- What do you think is the next step you need to take in this call to disciple others? Is there any way I can help you do that?

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
