LESSON 20

Dear Parents,

Hello! We had another great week in Bible study as we discussed priorities and where we place them.

The lesson this week highlighted Paul's perspective on the offerings of this world in comparison to his faith in Christ. He counted everything as a loss and rubbish in comparison to faith in Christ. Our students were challenged to look at where they place their priorities, and they were told to examine what stands between them and Jesus.

We looked at the following Scripture passage:

- Philippians 3:8-10

If you get a chance to read this passage, I hope that you are also impacted by the challenge that we received!

NEXT STEPS . . .

During the week, look for ways to encourage your teenager as he or she reflects on what they are learning. Consider using some of these prompts to start conversation.

- In class, you talked about how everything was rubbish compared to faith in Christ. Has this changed how you view anything else daily?
- Jesus should be the top priority in our lives, and yet there are often plenty of distractions from that. What are some of the distractions that you think pop up? (Share your thoughts as well.)
- We can lean into the comfort of God because we spend time learning about God. What is something that you have learned about Him/a passage that you read that you had not read before? Is there anything new that you are learning about God right now? (Share what you are learning in your personal quiet times to break the ice.)

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
