EMBRACING THE LIFE OF A CHRIST-FOLLOWER

LESSON 21

Dear Parents,

We are making really nice progress through our yearlong study, called The LIFE, on what it means to be a follower of Christ. This week's lesson was entitled "Knowing God Through the Bible, Part 1." It was all about teaching our students that the primary way God has chosen to make Himself known to us is through His Word. We challenged students to evaluate their practices as it pertains to regularly meeting God in the Bible.

We looked at the following Scripture passages:

- Psalm 119:1-10
- Jeremiah 29:13

I encourage you to read these passages this week and meditate on them as you are able.

NEXT STEPS . . .

During the week, look for ways to encourage your teenager as he or she reflects on what they are learning. Consider using some of these prompts to start conversation.

- This week you talked about your attitudes toward spending time with God in His Word. How would you say you're doing in this area of your life?
- Making space in our lives to consistently meet God in His Word is something that many Christians struggle with. Why do you think this is?
- What can I do as your parent to help you be more faithful in this area of your life?

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
