

THE LIFE

EMBRACING THE LIFE OF A CHRIST-FOLLOWER

LESSON 22

Dear Parents,

Hi there! We are 22 lessons into our yearlong study, entitled The LIFE. This week's lesson was all about how disciples hunger to know God. This week we looked at how imperative it is to know the Word to live the life God has set before us to accomplish. We also took some time to challenge students to make Scripture memory a spiritual discipline in their life.

This week, the lesson was entitled, "Knowing God Through the Bible, Part 2." It centered around the idea that we need to hide God's Word in our hearts in order to know Him more intimately and face the challenges of daily life.

We looked at the following Scripture passages:

- Psalm 119:11-16
- 2 Timothy 3:16-17

You'll be challenged by the Psalmist's love for God's Word in this chapter.

NEXT STEPS . . .

During the week, look for ways to encourage your teenager as he or she reflects on what they are learning. Consider using some of these prompts to start conversation.

- You discussed the importance of storing God's Word in your heart this week. How do you feel like you've done with this in the past? (Share your own struggles or victories with doing this.)
- What Scripture verse/passage are you seeking to memorize? (Share a verse or passage that you have memorized recently and how it has made an impact in your life.)
- How do you think committing to know His Word will influence you over your middle school/high school career?

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
