

THE LIFE

EMBRACING THE LIFE OF A CHRIST-FOLLOWER

LESSON 44

Lesson 44

Dear Parents,

Hello! We are well on our way of our study on how disciple-making leads to multiplication. This week we evaluated Paul's wise words to a young Timothy who was just trying to find his footing in the new venture of church planting. Although Timothy was battling against false teaching in the church, he remained faithful to the call to make disciples and to pour into other church leaders.

This lesson revolved around the importance of training ourselves in godliness and how that depth in our relationship with the Lord translates to the presence of disciple-making in our own lives. This was and has always been the plan of Gospel expansion throughout the Bible.

We looked at the following Scripture passage:

- 1 Timothy 4:6-16

I encourage you to read this passage this week and meditate on it as you are able.

Next Steps . . .

During the week as you have time to talk with your teenager, remember that one way that will help him or her understand and apply what he or she has learned is to explain it to someone else. Use the following questions to guide your conversation:

- What are some ways you can train yourself in godliness?
- Do you find the prospect of making disciples a scary thing? Share your own thoughts here!
- What are some practical ways you can make an impact on those around you?

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
