

# THE LIFE

## EMBRACING THE LIFE OF A CHRIST-FOLLOWER

### LESSON 7

Dear Parents,

Thank you for connecting with your student in spiritual conversation each week through the content provided here! We just kicked off a three-week study on discipleship and imitation. Hopefully, your student had fun while they examined what the Scriptures have to say about this important topic.

This week the lesson was entitled, "Imitating God" and it focused on helping students consider practical ways they can imitate God in their daily interactions with others.

#### We looked at the following Scripture passages:

- Ephesians 5:1-2
- Galatians 4:4-7
- John 13:34-35

You'll enjoy reading these passages that help us understand our calling to imitate God, God's love for us as His children, and how we can walk in love.

#### NEXT STEPS . . .

During the next week as you have time to talk with your teenager, remember that one way that will help him or her to understand and apply what he or she has learned is to explain it to someone else. Use the following questions to guide your conversation:

- Who do you think has the most influence in your life? How does your life resemble that person?
- Talk about how you grew to imitate God in a particular characteristic in your life. Then ask your student, "How are you allowing God to influence your life so you can imitate Him?"
- How do you think our family imitates God in our relationships with each other? Are there things that we could do better to imitate God more to one another?

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
