

Thank you for accessing ***THE LIFE: Embracing the Life of a Christ-Follower.*** Our prayer is that this study helps your teenagers know what it means to live as authentic followers of Jesus.

Using Your LIFE Promotional Art & PowerPoint Backgrounds

The LIFE comes with some really cool promotional art to spread the word about your study including:

- A couple of different web banners for use on your Church's site or your youth group's Facebook™ page
- A printable promotional poster to hang in your youth room or around your church
- **HELPFUL HINT:** *Consider taking the poster to a local printer and having them professionally printed.*

The LIFE comes with a set of three slide backgrounds.

- The slides were designed to allow you to craft your own PowerPoint, ProPresenter, or Keynote slideshow.
- Simply use them as the Background for your slideshow.
- Customize a slideshow to help you facilitate the lesson.
- **TIP:** Consider starting your slideshow with the lesson's Title, the lesson's Objective, and the lesson's Scripture Focus. You can copy and paste these from the Lesson Overview at the beginning of each lesson.

We thank you for choosing **YM360** to meet your youth ministry resource needs. If there's anything we can do for you, please don't hesitate to call.
