

Worship & Creative Pastor

Location: Blue Springs Assembly – Blue Springs, Missouri

THE OPPORTUNITY

We're not just looking for someone to lead worship—we're looking for someone to build a worship culture.

Blue Springs Assembly is in a season of forward momentum, and we believe the next wave of growth will be carried by a strong sound of worship and a team of people passionate about hosting the presence of God. We're praying for a Worship Pastor who is a builder, a disciple-maker, and a Spirit-led leader who can help shape the sound and heart of our church for years to come.

WHO WE'RE LOOKING FOR

We're looking for a Worship & Creative Pastor who can:

- Lead with authenticity and anointing
 - Develop and disciple a team of worship leaders, musicians, and creatives
 - Steward both the platform and the presence—creating worship environments that are biblically rooted, Spirit-filled, and excellent
 - Oversee and innovate within Sunday worship, creative planning, and special services
 - Collaborate with the Lead Pastor and staff to build services that reflect the heart of the church and the move of the Spirit
-

YOU MIGHT BE A GREAT FIT IF...

- You are Spirit-led, Bible-believing, and prayer-driven
 - You're a leader of people, not just songs
 - You carry a shepherd's heart and are passionate about raising up others
 - You're equally strong in vocals and band leadership
 - You can build and develop a culture of excellence without performance
 - You're aligned with Assemblies of God doctrine
 - You have working knowledge of A/V/L systems (audio, video, lighting) and enjoy investing in tech teams and systems
-

WHAT THIS ROLE INCLUDES

- Lead and pastor the worship ministry for all Sunday and midweek services
 - Build, develop, and care for a team of vocalists, musicians, and production volunteers
 - Plan services in collaboration with the Lead Pastor and staff
 - Oversee creative elements of services including stage design, lighting, and visuals
 - Coordinate scheduling, rehearsals, and onboarding for new team members
 - Provide pastoral leadership and discipleship to team members
 - Work alongside a part-time team member already serving in the worship department, providing leadership and alignment while collaborating to grow the ministry
 - Bonus: Working knowledge of A/V/L systems (audio, video, and lighting) is a plus, especially if you enjoy investing in tech teams and ensuring systems are stewarded with excellence
-
