

**Sports Week**

**January 8, 2026**

The Annual Sports Week competitions were a great success. The staff and students were all divided into four teams but this time the teams were named after female characters from the Bible: Hannah's Fighters, Ruth's Nobles, Esther's Royals, and Deborah's Judges.

Rev. Bereel, one of our former students was the guest of honor for the inauguration of the sports week.

He was accompanied by a few of our board members who attended the opening ceremony to support us. He encouraged the students to play with the right attitude as it is on the playground that you exhibit your true character and attitude towards each other especially when you do not win.

The teams played a number of group games such as Cricket, Volleyball, Kho-Kho as well as individual competitions such as relay racing, 200 meters running for girls and 400 meters running for boys.

We also had a three-legged race and a sack race.

Every day we enjoyed evening snacks together. PBI hostel monitor Ishwar also came forward and provided candies for the students from his side one evening.

The cook ladies and the RGI girls helped with arranging the snacks for the staff and students.

This year we also conducted a Bible Quiz based on Christmas from the book of Luke chapters 1 to 4. The quiz was conducted by Nupi and Mr. Khadse Sir was the timekeeper for it.

We also had a Bible Knowledge Test based on the four characters after whom the teams were named. This test was a pen and paper test in which we gave all the students objective type questions such as fill in the blanks, name the following, true or false. It was taken from the books of Judges, Ruth, 1 Samuel and Esther.

On the last day of the sports week, the staff and the students enjoyed a fellowship lunch together. We had chicken biryani and everyone enjoyed it to their fullest.

This time was so helpful in building the bonding between the staff and students.
