

December 2025

Dear,

**Seasonal Greetings** and a **Merry Christmas** to you! My family and I are in the throes of the holiday season, all of our halls (*well, the one*) have been decked *and I for one still have some last minute shopping to do.* **We are all looking forward to having some time off to spend with the family and celebrate the birth of our Savior together.**

As we move into the Christmas season, we have been sharing the Christmas story with our kids, the real **“reason for the season”**. During the Christmas season, we can get caught up in the rush and bustle of life and forget why we have a reason to celebrate, something I am often guilty of. Emmanuel, God With Us, quietly entered the world on a mission to rescue his lost children. He forged the chasm between us that we dug ourselves, so that he could be reunited with us. **God loved us so much, he gave his only Son, so**

**that we could have life everlasting (John 3:16).** As Linus from the Charlie Brown Christmas special once said, *“That’s what Christmas is all about.”* Glory to God in the highest for his immeasurable love and compassion towards us.

**As we enter into the Christmas season, please consider making a special gift on behalf of our kids this month.** Keep myself and my staff in your prayers as we continue to work the field that God has given us. *Pray that the seeds that we have planted with our kids would come to fruition and that they might one recognize Christ as their own personal Savior.* And **thank you**, as always,

for continuing to partner with us in your prayers and your financial giving. **May Christ reign in your hearts this Christmas season and may you be blessed with the knowledge of God’s incredible love for you.**  
***In Christ’s Love,***
