YES, I would like to sponsor-a-child/children with a one-time gift of...

- \$4.00** (provides a sack for one weekend)
- \$16.00** (provides a sack each weekend for one month)
- \$156.00** (provides a sack each weekend for one school year)
- Other Donation \$** _____

MISSION STATEMENT

The Sack Pack Program seeks to connect needs and resources to decrease childhood hunger by providing supplemental food for children to take home on the weekends.

Area schools are noticing that there are more families struggling to pay for hot lunch bills and the need continues to grow. Thirty-five percent of the elementary and thirty-three percent of the middle school students receive free or reduced priced lunches. ****For the 2020-2021 school year, hot lunch meals are being served at no cost to families****

All students are eligible for this program. A form must be filled out, signed by a parent or legal guardian, and returned to the school or P.O. Box in order for a student to participate.

There is no cost for the school or family. The Sack Pack Program is free to the school and families of children in need. The program is supported by donations from the community.

SACK PACK PROGRAM ORANGE CITY

*"For I was hungry and you gave me food.
I was thirsty and you gave me something
to drink..." – Matthew 25:35*

In Iowa, one in eight people struggles with hunger.

In Sioux County, around 1,200 children are food insecure.

Food insecurity is harmful to all people, but it is particularly devastating to children. Proper nutrition is critical to a child's development. The future of America lies in our children. When hunger threatens the future of a child, it threatens the future of our nation as well.

Helping children with a small amount of food on the weekend gives these kids encouragement and faith that someone, somewhere BELIEVES in them and they can be a SUCCESS!
