Issue No. 6

A message from Ben Cole, Senior Minister

It's hard to believe that June is already here, and even harder to believe that we just spent four weeks studying one sermon (Stephen's) in Acts chapter 7. Which means we are wrapping up our sermon series, Unity in Community: Impacting Your Jerusalem. As you've heard me say countless times, impacting the community in which God has placed you.

As we've seen through Scripture, the early church was not only committed to unity but also to living out their faith in real, tangible ways. With that in mind, I want to take a moment to thank God for placing **I.D.E.S. (International Disaster Emergency Service)** in our community.

As you know, many people were devastated by Hurricane Helene back in September, losing everything. I attended a meeting in December about the work I.D.E.S. was doing in our area. What impressed me the most was their focus: not only rebuilding people's physical homes but encouraging the local church to come alongside them and pour into families' spiritual needs. (Special shoutout to Justin Davis, Union Campus Minister, who has been leading that charge, along with many in our congregation who have poured countless hours into restoring lives.)

It truly blessed my heart to poke my head into a Bible study at the church the other day with some men involved in this work. Their conversations were not about sheetrock, flooring, windows, or doors, the things they had been working on but instead about people's souls. Their salvation. They were praying that those they are helping would open their hearts to the saving power of Christ, and that those who already know Him would be strengthened and comforted through this season of rebuilding. I could not help but think, *Wow! You are truly impacting your Jerusalem, your community, just like the first Church did.*

Currently, I.D.E.S. is working on eleven houses! That means eleven families are seeing the hands and feet of Christ at work, both physically and spiritually. For the past month, all the volunteers have been living in the youth building at our main campus. And when I say *all volunteers*, I mean both I.D.E.S. workers and church groups from different parts of the country. I've met people from Knoxville, Kentucky, Indiana, and Florida. People who have come to give a week of their life to help build and rebuild these homes. Each group, ranging from 15 to 25 people, has had one thing in common, they have all sung the praises of our church for the generous hospitality shown during their stay.

So many of you have already provided meals, and many more are signed up to serve in the weeks ahead as new groups continue to come.

I've said a lot to get to this one word as to what I have seen take place: **UNITY**.

I'm reminded of the Apostle Paul's words in 1 Corinthians 3: "I planted the seed, Apollos watered it, but God has been making it grow." Maybe you've driven a nail. Maybe you've provided a meal. Maybe you've poured into the spiritual needs of these families. Wherever your role falls, find peace, rest, and comfort in the fact that God will make it grow.

There's so much happening around the church this summer, and everything is listed inside this newsletter. We will be kicking off a brand-new sermon series on June 13th, going through the book of James and exploring what it looks like when faith and life intersect.

God bless you all,

Ben

Summer Small Groups

This summer we will be taking a 6-week journey into the prayers of the Apostle Paul. We will not pray in a way that is familiar to us in that the focus will be on what God has done through Jesus Christ for us and for others.

At the end of our 6-sessions there will be a meal pack, August 1st-2nd, at BCCC in the gym. This is for your small group to come together and help “feed the least of these.” (Also, it is open to anyone who wants to participate.)

Signing-up for a group and materials will be on Sundays, June 1, 8, 15.

This journey begins the week of June 15th. If you have any questions, please contact Heath Schnelle at schnelle3@charter.net or 423-895-4090

BCCC Bicentennial Minute

As part of our 200th Anniversary Celebration, here is this month's 'Look Back'. Boones Creek Christian Church has a rich history dating back to the early 19th century. The "Great Meeting on Boones Creek" led by James Miller and Jeriel Dodge was held in the summer of 1825, marking the start of BCCC. Earliest records list a membership of 134.

On August 17, 1829, Boones Creek hosted the first recorded conference of Christian churches in East Tennessee. This gathering included elders Jeriel Dodge, Robert M. Shankland, John Wallace, William Slaughter, and others, who collectively reported 472 members across East Tennessee and Southwest Virginia.

In 1834, church records show 7 Elders and 3 Deacons were chosen as BCCC church leaders. In 1841, an evangelistic revival meeting added 56 members, bringing total membership at that time to 156.

Looking for ways to make your kids' summer healthy and fun?

Summer and Health

- You can help your children prepare mentally, physically, and emotionally for the upcoming school year with healthy and fun summer activities.
- Children and adolescents need to be physically active for at least an hour everyday.
- Children and adolescents need to eat a variety of fruits, vegetables, whole grains, low-fat or non-dairy items, and proteins.

WHY IT'S IMPORTANT:

- Learning new ways to be healthy helps children:
- Handle stress well—through physical activity and taking steps to change upsetting thoughts.
- Relate to others—by encouraging positive social interactions and emotional awareness.
- Make healthy choices—about how they eat and play.

Recommendations:

Summer goals for your child

- Get 60 minutes of physical activity each day.
- Get outside when possible.
- Try new activities.
- Eat fruits and vegetables with each meal.
- Eat less sugar.
- Practice making healthy food choices as a family.
- Get plenty of sleep each day.
- Practice positive thinking.
