COMMUNITY CHURCH

## **Overview/Thought:**

We have made house churches the primary thing to allow us to more effectively carry out the “one another’s.” Everybody’s learning to hear God’s voice together. It is okay if house church models look different, as long as what we are doing cultivates what Jesus wanted His church to look like.

## **Questions:**

What does it mean to live out the “one anothers?” Do a quick search for “one another” statements in the Bible and be honest with yourself about how many of them you have experienced.

What are the biggest questions you have about being a part of a house church? What encourages you? Do you have fears or concerns?

## **Verses:**

*John 13:34 (NLT)*

“So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other.”

*Galatians 6:1-5 (NLT)*

“Dear brothers and sisters, if another believer is overcome by some sin, you who are godly should gently and humbly help that person back onto the right path. And be careful not to fall into the same temptation yourself. Share each other’s burdens, and in this way obey the law of Christ. If you think you are too important to help someone, you are only fooling yourself. You are not that important. Pay careful attention to your own work, for then you will get the satisfaction of a job well done, and you won’t need to compare yourself to anyone else. For we are each responsible for our own conduct.
