

## **Welcome to DNow 2026!**

Disciple Now (DNow) is a great mid-year dive into a teenager's faith walk. They spend a few days diving deep, building new friendships and having a blast! In preparation for the weekend, we believe God wants to begin moving in the hearts and minds of our youth. Whether you're a participant, a camp volunteer or a parent/guardian, pray alongside us, that...

- Teenagers would invite friends to join them.
- Teenagers would invest in their own faith walk in a life-defining way..
- God would move powerfully in the lives of our youth in ways we could never ask, think or imagine.

We're buttoning up logistics, praying that God would move in every moment - planned and unplanned - and this memory-making event would be pivotal in the life of every teenager and volunteer who participates!

We know leading your teenager is a sacred trust - we treat it with high regard! Thank you for allowing us to be a small part in your family's faith story!
