## Can I Get a Witness?

This year's Lenten season was incredible, and the Easter season has been fantastic so far! Beginning with worship on Palm Sunday morning, flowing through our Maundy Thursday and Good Friday offerings, extending to our Easter Egg Hunt & Lunch with the Easter Bunny event, and culminating with the worship services on Resurrection Sunday, I sensed a sweetness in the Lord's presence unlike any I have ever experienced in a communal setting. As always, the Lord's timing is perfect. You see, from Sunday morning, March 24, to Sunday morning, March 31, we had a combined attendance of 811 people here at Midway Locust Grove! Pause for a moment and let that sink in. We are witnessing a move of the Spirit that is more significant than any of us, and it is incredibly humbling to be a part of it. Many thanks to all of you who made last week possible with your prayers, presence, gifts, service, and witness.

Speaking of witnesses, what do you think our response should be to the Lord moving in the ways he is? Let's go and share of God's goodness and faithfulness. Simply put, witnesses witness to others. With this in mind, our next series is called "You Will Be My Witnesses." In this four-week series, we will examine the big idea of being witnesses for Christ. We will unpack Acts 1 and see the call for all believers to witness and testify about the good news of Jesus Christ by the empowerment of the Holy Spirit. Throughout this series, we will look at how we can witness as individuals by living life every day, and we will also look at the importance of the church's corporate witness to the world. I can't think of a better time than now for us to be intentional to invite family, friends, and neighbors to come along to worship! So what do you think? Can I get a witness?

Peace,  
*Ben*

# TREASURY NOTES

*By Nedra Moreau*

March has been a good month for giving. Our regular offering was \$23,000+, and we collected \$10,207 for Firm Foundation. Along with memorials and other giving, we did very well.

Thanks to everyone for your support!

Ellie Lichte, granddaughter of Clete and Kathy Koehler, is in the 7<sup>th</sup> grade at Lexington (MO) Middle School and had her first track meet of the season recently. She set the school record in the 1600 meter with a time of 5:41. She also tied the school record for the 800 meter at 2:37. Kathy reports that Lexington has a great track team and an outstanding cross country team. Kudos to Ellie for her great performances.

## Prayer Ministry Group to meet twice monthly

The Prayer Ministry group has had its first two meetings.

The 1<sup>st</sup> meeting we went over the different kinds of prayer. We will be studying more about each type of prayer at each meeting. We asked what people wanted to learn from these meetings and received some amazing answers.

The 2<sup>nd</sup> meeting, Catherine Shanahan, Margaret Preus, and Karla Sommer talked about prayer of adoration. We learned all the different names of God and what attribute each name described. We had time

for individual prayer or group prayers the last half of our time.

From what we have heard from participants, they feel it is time well spent. We will be praying for the spiritual growth and needs of our church body, praying with each other for each other, and for unity and peace of our congregation. Our main goal is that the Holy Spirit will be the guiding force in this time together.

Anyone who would like to join us is always welcome. April 9<sup>th</sup> and 23<sup>rd</sup> at 1:30pm will be the meeting times this month.

Lynda Baumgartner discusses missionary opportunities at lunch

Midway Locust Grove Church aspires to provide awareness, education, and service opportunities within the following service areas: Local, Regional, and International for members of our church.

The program presented by Lynda Baumgartner at the Second Tuesday Lunch March 12, provided a brief review of organizations and activities that Church members are currently participating in.

## *Easter Sunrise Service celebrates the ‘Son’s rise’*

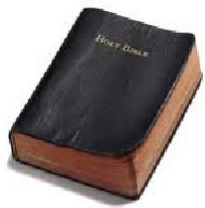

About 60 members of our congregation gathered at 6:45 Easter morning to worship the Resurrection of Jesus from the dead, which occurred on the third day of his burial following his crucifixion by the Romans at Calvary about 30 AD.

Rev. Ben was joined by Teagan Groh, whose vocals complemented his message for the resurrection and wiping away of our sins. In addition to the sunrise service, the regular service was held in the sanctuary at its regular time.

# Holy Week

*The somber Maundy Thursday service told the story of the crucifixion of Jesus, followed by communion in commemoration of the Last Supper.*

*Palm Sunday was greeted with the traditional march of the palms by the choir and Midway Kids.*

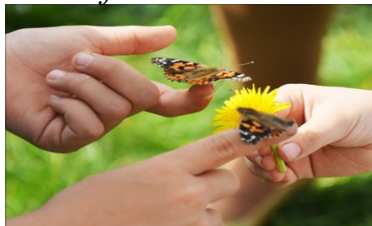

*Christmas Day had a sunrise service (See Page 7 for that story) and a regular service in the nearly full Sanctuary and Fellowship Hall. Note a portion of the 21 Easter Lilies that were given in memory or in honor of a loved one to decorate the altar for the service.*

*Following the service the congregation gathered on the front lawn for the release of the butterflies which had been distributed to the congregation as larvae, to be returned on Palm Sunday for release on Easter. The traditional flowering cross was available again for family photos.*

*Rev. Ben released the butterflies into the freedom of nature.*

# *The Flashlight*

*By Catherine Shanahan*

Once when I was on a nighttime flight we flew over Kansas and the view out of my window was almost complete darkness. Only a very few lights could be seen on the ground below. Then, as we flew on, we reached an area where there were more lights, then more lights closer together, then a lit-up city. As I peered out of my window the Holy Spirit began speaking to me. The following is the analogy that I received.

Imagine God looking down upon the earth. He sees almost complete blackness covering the earth; our world being covered by sin and spiritual darkness. Through the darkness He sees small beams of light shooting up. Some beams are quite spread out, some are closer together, and some join together to form larger beams of light that light up entire areas. These lights represent our prayers shooting up to heaven.

We, down here, are walking around in darkness. When we accept Christ, we are given the light of God; let's call this our flashlight. Now, a flashlight gives us the power to cut through the darkness, but it can only do that if we first put good batteries in it and then turn it on. We can stand there with a flashlight in our hand and still be in as much darkness as the person next to us.

What are the batteries for a Christian's flashlight? Faith, Hope, and Love. How do we charge our batteries? By taking in the Word of God. We read, listen to, and meditate on the Word of God.

What is the on/off button? Prayer. Prayer takes our faith, our hope, and our love, and turns them on.

When a Christian prays, the beam of their flashlight pierces the darkness. And when our prayers are directed to our Father, and according to the Father's will, that beam goes straight up to His throne. Imagine God, on His throne, His eyes searching the blackness of earth, and He sees your little light. He sees that you are calling out to Him. That is powerful.

What is even more powerful is when we pray with

others. When we pray together, we unite our beams of light. Now imagine God looking down and seeing all of these beams of light joining together to break through the darkness. This moves His heart more than we can imagine.

When one prays, it is powerful. When two or three join together, the beam is bigger and brighter. When one-hundred, or one-thousand, lift up their beams it is amazing. And when there is worldwide prayer, the darkness cannot contain it! This is why we need to not only pray alone but, gather with others to pray.

We can join in prayer with someone from a different city, state, or country. Imagine two people, each with a flashlight, aiming their beams at one point in heaven. The beams may start off far apart, but as they go higher and higher they blend together until they are one.

We have been given, by the sacrifice of Jesus Christ, the power to reach God. He gave us the right to, and instructed us to, pray straight to God. Your prayers matter. Your prayers catch the watching eye of God.

We must pray according to God's will to be assured that He will act. What is God's will? We find His will in His Word. We can always be assured that in His heart He wants all people to come to His son for salvation. He wants all people to show mercy, kindness, and love. He wants us to love not only our brothers and sisters, but our enemies. He wants all people to trust in Jesus for all things. He wants all nations to look to Jesus for direction. He wants Israel to welcome Jesus as Messiah and King. He wants evil to be overcome. He wants His children's spirits, souls, and bodies to prosper according to His plan for them. He wants His children to long to know Him more. He wants our praise and thanksgiving for His loving-kindness. As we pray for the things on God's heart, our beams grow brighter and brighter.

So don't stand there in the darkness with dead batteries. Don't stand there and not turn your flashlight on. Pray. Pray at all times. Pray in your heart. Whisper your prayers. Shout your prayers. Sing your prayers. Join with others and pray. You have the power to break through the darkness of this world and reach the only One to whom we should be grateful and the only One who can change things. Pray.

### **The Back Row** **By Gene Baumann**

I've been doing some searching through our church history the past few weeks, and have run across some interesting things. One of them is shared below, I don't know its origin or if it was ever published in Locust Leaves. I hope you will try the test.

There are names of 16 books of the Bible mentioned in the paragraph below. See how many you can find. A minister found 15 books in 20 minutes. But it took him weeks to find the sixteenth one. Let's see how much time it takes you.

"I once made a remark about the hidden books of the Bible. It was a lulu; kept people looking so hard for facts and for others it was a revelation. Some were in a jam, especially since the names of the Bible

were not capitalized. But the truth finally struck home to numbers of our readers. To others it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be some really easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them, and there will be loud lamentations when it is found. A lady says she brews a cup of tea so she can concentrate better. See how well you can compete. Relax now, for there really are sixteen names of books of the Bible in this paragraph."

Let me know if you find all 16 of them; we'll try to come up with an appropriate prize for the first one to do so, or have a drawing from all who find them. While I do trust you, I will need proof, so circle the names as you find them. Good luck!
