

# SURFACE TO SOUL

Live Well | Lead Well | Coach Well

## List Next Steps for Forming Faith

Leaders of lifelong faith need to model the way for others and experience first-hand what they're inviting others to do. Think about the impact that people, places, and faith processes/practices can have your ongoing spiritual vitality. Explore ways to build on what you're already doing and what's working. Discuss what might help or hinder people's capacity to take the next step in their faith journey with other leaders.
