## Worship Participants Feedback Form

***Take time to describe your most recent worship experience at your church by responding to the questions below. Share your insights and observations with other planning team members.***

1. What caught your attention when you entered the sanctuary for worship? What did you notice or observe before worship began? What did you see? Hear? Smell?
2. Who welcomed you to worship? Whom did you welcome? Was anything said or done that made you feel valued?
3. When were you most aware of God's presence during the worship service?
4. What do you remember from today's scripture passages or readings?
5. What do you remember most from today's sermon/homily?
6. Which prayers were particularly meaningful to you?
7. Which portions of the worship service were most meaningful to you? Why?
8. Was there anything said or done that you didn't understand or that a guest wouldn't understand?
9. In what ways did today's worship service challenge you to think, feel, or act differently in the future?
10. If you could change ONE thing about today's worship to make it more engaging and impactful for people of all ages and backgrounds, what would it be?
