

SMALL GROUP LEADER'S PLAN FOR RUSH 1.29.25

PLEASE NOTE:

- *Remind your students to use the bathroom before 7PM (they will be sitting for approximately 75-90 minutes)*
 - *Please spread out and sit amongst your students and do NOT let your students get up once the program has begun.*
- *We do not anticipate that we will have small group breakout time on this night; we believe (based on previous years) that we will have students sharing until we cut it off at 8:20PM and invite the worship team up to close out our night with a worship song.*
- *If we do find that we are ending earlier than anticipated, we will dismiss everyone and let students hang out until it is time for parent pick-up.*
- *There is NOTHING that small group leaders need to do to prepare for this night.*
