LIVE IT

For families to do together

Although we don't know which tasty fruit Adam and Eve ate off the tree in the middle of the garden, it is often pictured in art as an apple. Make an apple pie to enjoy together. Talk about this story as you eat it.

For younger kids

Wash some fruit so it is ready to eat whenever someone in your family wants a piece.

For older kids

Search the internet, go to the library, or to an art museum to find some paintings of this story. What part of the story does the picture tell? How would you paint it?
