

Testimony / Devotional Homework

Write out your story with Jesus - Write out a few sentences for each statement

- **Your life** - Share a little bit about who you are, who your family is, what you've done in your life, and some of the brokenness you've faced - this a great transition to sharing the hope you've found in dealing with brokenness.

- **My life Before Jesus** (share a few sentences about what life was like, what challenges or difficulties you faced)

- **How I met Jesus** (What circumstances led to you trusting Jesus as your savior? What happened at your salvation experience? Why did you trust him as savior? What did you believe about Jesus - Gospel = Believed Christ died for our sins and rose from the dead).

- **My life with Jesus** (what has your life been like since you've trusted Jesus? What has Jesus changed in you? What struggles or brokenness have you faced or do you still go through? How has Jesus helped you in those struggles?)

- **Challenge for the listeners** (How can they trust Christ? Ask them what is keeping them from trusting Jesus today. Share how they can trust Jesus as savior by Admitting they are a sinner, believing in their heart that they are forgiven because Jesus died and rose again for their sins, and confessing that Jesus is the only Lord of their life).

- **What is a verse from the Bible that is very important to you?**
 - What is this verse talking about?

 - Why is it so important to your life?
