INTERNATIONAL

Moundou Chad, West Africa

Dear Chad Support Team,

To: Mr. David Ballard, Coordinator of the Bear Valley Bible Institute MOUNDOU-CHAD,

Subject: End of month report for September 2024

I greet you, dear brother Coordinator! Send my friendships to your lovely wife, your biological family, and all the saints of the United States that you are in contact with. May the eternal blessing of God remain in you! I believe that this little report will find its rightful owner in good health.

Indeed, Mr. Coordinator, the Bear Valley Bible Institute Moundou – Chad, of the Churches of Christ, which you have the great honor of coordinating, through my writing, wishes to inform you of the situation of its activities for the month of September 2024. In this report, we will talk about the activities of the students during the holidays (August - September), the resumption of classes for the last quarter, and finally the preparations for the graduation ceremony for the graduating students.

Speaking of the vacations, the Lord protected the student brothers during their holidays. Everyone returned to the Center safely. We thank God for this. During their stay in their respective localities, they continued with the same zeal that they had from the beginning of our activities, in the work of evangelization. This does not mean that there is an absence of difficulties.

The heavy rains and intense rural activities made evangelization difficult, however, the Lord who is head of the mission, is in control of their activities. As for the resumption of classes for the last quarter, glory to God, everything, so that it is going very well. Classes are proceeding normally and we hope to complete the program by the grace of God this December. For this, we ask for many prayers, so that the end is a happy one.

As for the preparations for the graduation ceremony for the evangelists, and the registration of the new students, let us pray without ceasing. We would like to thank, in particular, the congregation of Creekside who allowed us to have the robes for this modest ceremony. We hope that these robes will be delivered very soon by the one who makes them. We continue to pray for the other aspects of the preparation. We pray for the coordinator's trip to Chad, his stay in Africa, and his return to the United States.

We believe in the power of the Lord, who opened the doors of this school to us, in Moundou, Chad.

Mr. Coordinator, you will find attached to this report, the photo of the students who are present at the Center for the last quarter. We pray that each of these will successfully reach the end.

May God bless us all for his work in Chad!

Moundou, October 2, 2024

Fraternally in Christ, Datoudji.
