

## Putting off Sin (Part 3)

### Colossians 3:5-11

Pastor Wes – February 15, 2026

**Main Idea: If we want to live for our glorious Savior—we must violently, thoroughly, and consistently put off sin.**

- I. You Must Put Sin to Death (vv. 5–7)
- II. You Must Lay Sin Aside (vv. 8–11)
  - A. What sin must we lay aside?
    1. All Sinful Attitudes – anger, wrath, malice
    2. All Sinful Speech – slander, abusive speech, lying

#### Extending the Impact:

1. A person who experiences significant weight gain or loss will likely need to acquire some new clothes. What spiritual principles might be illustrated by this physical situation?
  
  
  
  
  
  
  
  
  
  
2. In verse 8, Paul tells us to put them ALL aside. What can we learn from that statement? Why is it important to not allow ourselves any “pet” sins?
  
  
  
  
  
  
  
  
  
  
3. What is a common characteristic of the sins mentioned in verses 8 and 9? (Hint: think about those sins in action in daily life situations.)
