REVIVAL FOR OUR DAY, INC.  
Parker, Indiana

December 14, 1963

Dearly Beloved in Jesus Christ,

I am truly thankful to God for the privilege He has given me to labor with you in the Kingdom of God.

I desire this to be a personal word to each of you loved ones in Revival For Our Day, Inc.

My sincere thanks to Rev. & Mrs. Emory Reece for all secretarial and other work; to Rev. Paul Hill for miles driven and work of the Corporation; to Rev. Robert Boggs and Rev. Dwight Stoner for all their work and miles driven. We are grateful to Mrs. John Langdon for keeping books and sending receipts. Also thanks to Mr. Ned Harrness and Mr. Keith Frye for their part in the work of Revival For Our Day, Inc. Thanks to Mrs. Earl Yingling and others for helping with the mailing of letters.

I'm rejoicing in the fellowship of the precious sacred Trinity and the saints of God. The Lord has been so wonderful in the last 17 to 20 months. Through the work of the Holy Spirit, we have seen over 300 victories in Christ. There should be of this number 25 to answer the call to the ministry and mission field. From this number, a choice young man and his wife are now preaching at Corinth Methodist Church in Knoxville, Tenn. I was with them in a meeting in Sept. God gave one of the best meetings that had been in that church for 40 years. This young pastor was recently asked to conduct a revival in a nearby church. He called me the other night to say, "For Jesus' glory, there were 80 victories in the services."

We owe everything to God for all He has done for each of us. I have ridden 33,300 miles this year and witnessed to a few hundred souls outside of the church. A man was saved early one morning last March in a filling station in Georgia. Two men repented in my car along the road. The Lord helping, we have preached and exhorted a few hours during this month. It has been a high privilege. I have been thrilled many times with the presence of the Lord. God has given many helps and healings in hospitals. Praise the Lord! He has given some miracles for His glory in a few states.

Eighty-three persons have sent contributions to the Corporation since it started. Eleven persons sent in last month; and ten persons handed me money which I turned over to the Treasurer. Five have sent contributions to the Corp. this month. Please know that I appreciate and am thankful to our Saviour Jesus for each one who prays for and helps us in any way.

Will Jesus receive His gift this Christmas? May your Yuletide season be filled with joy. May the Lord grant a blessing to each one who considers this letter.

Yours for souls in Christ Jesus,

Loran W. Helm
