Dear Christian Friends,

Greetings to you in Jesus' Name of the Kingdom of God. The pastor of the Wesleyan Methodist Church at Logansport, Ind. asked me to pray about coming to his church about a year ago. When I prayed I sent him word that the church was not ready for revival yet. This stirred the church, Mr. Bishop related to me later. Then some months later I wrote and declared that the Lord has witnessed to me He would be with us on Dec. 4, 1964 at their church in revival. Praise the Lord. He was.

The weather was bad the first night, but Jesus was precious. The second night at the close of the service a dear brother asked me to pray for his condition when we had time. So I suggested that we sit down and learn his location in the soul. The Lord immediately revealed where he was and sent the power of the Holy Spirit and brought him to quick, sweet victory in the Kingdom of God. The Lord also then revealed to me he had nerve trouble and infection in the right side of his body. The Lord was so dear and precious and privileged prayer for these needs and they were met just at that instant.

I called for the Pastor and Mr. & Mrs. Bishop to come into the main part of the church where we were. They were surprised for they knew the case to be a very difficult one as Mr. Bishop later said. Jesus had given our brother real victory and healing. It showed on his face as people said it was all over his countenance.

We then related some answers to prayer and said, "It is late, I guess I should start for home." The Lord immediately said stop. As I shared what had just so suddenly happened, one person said, "I told the Lord to show me something right now also if these things be true." He said, "I told Him to do it, I told Him to do it." He repeated this 3 or 4 times. So I stood still for a while. Then again I began to talk of the Kingdom of God and answers to prayer, also revelations to Jesus' glory.

We didn't leave the church until about 11:30 P.M. In about 2 hours the Lord revealed to me that I was to be at the church for Sun. School the next morning. I usually do not go to S.S. when I am to preach also. When I arrived at 9:30 A.M. I asked the Pastor where the young people's class met, as this is where the Lord wanted me. When I walked into the class you don't know how surprised I was to see the dear brother in the Lord, that had a few hours before asked God to show him something. I learned later that he had asked God to send the evangelist to the class to speak to the young people who were not used to staying

for Sunday morning worship. So he said, "I am not surprised to see you." Praise the Lord.

As Mr. Bishop gave the lesson the Lord had laid on his heart, I sat there and rejoiced, it was so wonderful to hear. I thought he made a magnificent presentation. Then he asked me to share what ever was on my heart. The Lord revealed that he was calling two of the class members to Christ right then. One of the youth, a fine young man, found Christ the next Wed. evening. It was wonderful. Praise the Lord.

In that same Sunday morning worship service the Holy Spirit drew and two precious young women were saved. Then God began to work on a senior high-school boy. We nor any one there had ever seen any thing to equal this in all our lives. Words could never describe what took place. This precious young man who was under such great conviction, cried out in a loud voice in such a way as you probably never heard. It takes God to work like this, for the devil was opposing furiously. A 350 pound man, a brother in the Lord was standing just behind this boy. This Brother was really responsible for getting the young people to the service. Our Brother told me later, "I confess I'm not afraid of any thing on earth except snakes, but what happened here scared me until I saw that the Lord had given you calmness and assurance in your eyes. Then I was no longer frightened." Praise the Lord for undertaking and the senior boy was converted after some 20-30 minutes.

There were 20 or more victories during those enjoyable days with Rev. & Mrs. Robert Daughenbaugh and their dear people. A number were healed in the realm of the wonderful. The Lord revealed in the 8th to 10th minute of the sermon one evening to pray for persons with back trouble. Two women were healed in that minute. One had the trouble for 20 years and the other a few days less than 30 years. They and a few of us praised God for this answer to prayer.

I wish I could relate many other things the Lord did. One night a pastor and his wife from a neighboring city were in the service. She had been bed fast for 11 weeks. Many of the church people where they were serving told the pastor to let her go, his prayers were holding her from going to be with the Lord. The Lord sent Rev. Daughenbaugh and me to see them one day. God led us to pray. It was an ordeal but God answered. She was able to go Christmas shopping the next day, by God's grace. She also went that same evening to prayer meeting and it stirred the church there at Wabash. Praise the Lord for what He did for Jesus' sake.

As you see I have just written about one meeting and I have many more things I could tell you about this meeting, to Jesus' glory. We have been in meetings since the one related above. At the writing of this letter we are in a meeting at Bradford Park Church west of Muncie.

Don't think every thing has been roses, because we have had trials and afflictions. Satan has fought hard against us. Last Sun., Feb. 7th as we were on the way to service, two women ran a stop sign and I skidded 50 feet on wet pavement before we met. I could have killed them and the baby with them if I had not seen them in time to bring my car almost to a stop before we hit. Our car was damaged some \$426.00. We are now without a car for I don't know how long. Please pray for help and deliverance. May the Lord bless this report to your heart.

In His Service,

Loran W. Helm

## NOTES OF PRAISE

Parker, Indiana

April 5, 1965

Dear Followers of Christ Jesus,

It has been several weeks since we last met you in a report to Revival For Our Day, Inc. The Lord has been very precious to us in the midst of trials and struggles of this Journey of Life.

Since the meeting at Logansport last December, a few have grown cold. A number still are trusting and rejoicing, as I have been told. Praise the Lord for each one that is faithful to God.

The meeting at New Castle, Ind. United Brethren Church followed the meeting at Logansport. The Lord really worked and blessed. God was so faithful in every way. Some persons in pain and sickness were healed by Christ the first night of the meeting. During the services hearts were drawn by God to Christ Jesus. A number were cleansed and lifted. We owe everything to Jesus. Praise His Name!

At the Rural Friends church near Winchester, the Lord did not pass by. He was so wonderful there also. After a week and a day the song leader was taking me home with him for lunch. He said, "Rural has had a revival this week." In my heart I was saying a deep thank thee to Jesus. We owe all to Jesus.

When we began this meeting on Sat. night, Jan. 23rd, the Lord in the person of the Holy Spirit was present. Bro. Ralph Shively went with me. He said, "I tell you the Lord was in the meeting." He felt God help me in the service. Since that time Bro. Ralph has gone to Heaven to be with Jesus and is shouting on the streets of gold.

The following evening at Rural (Jan. 24th) the Lord worked wonderfully. One came to the altar, then another, and another. Some said they were surprised, but we were believing for it and thankful to God. It was beyond the expectation of a number there, so some stated. For this we owe all to Jesus. Aren't we unworthy of all His many blessings and victories. Praise the Lord oh my soul. Amen.

The pastors and families were so kind and appreciative in each of these three meetings. It was true that Peaceful Valley Church was revived also in the Rural meeting. Their dear pastor and family and a few of their people really enjoyed and took some of the fire back to Peaceful Valley with them in the next services at Rural. Many of our friends came in from 9 different communities to help and pray for us. They also enjoyed the presence of God.

I received a long distance call about midnight some 4 weeks ago. The person asked me if we could help a friend of theirs who had some problems. We were glad to do all that we possibly could indeed. They arrived at 12:30 and we heard their problems and gave them God's solution, "What you need is Jesus Christ as your Savior; He is the only one that can deliver you to victory." We knelt in our front room and prayed to God to send the power of the Holy Spirit to draw Him to Jesus. He came upon this dear brother and he followed me to Calvary to the place of repentance and confessed all his sin and Jesus came and lifted all his load. Praise the Lord. He said, "It is gone!" I gave him the instruction on how to keep the essentials of the Christian life. I trust he will be very courageous in this sacred journey with God. May he be strengthened in the inner man by Christ Jesus.

I have a great need. Would you join in prayer with wife and me, that we might be able to pay back a dear friend quite a considerable sum which was loaned to us on our home? Thank you for your prayers, interest, and fellowship, and help on our way while here below. May the Lord be praised for Victory.

Sincerely,

Loran W. Helm

To All in Christ Jesus,

Greetings in the Kingdom of God. The Lord has been so very precious and wonderful, in many ways since we last wrote to you.

The meeting at Peaceful Valley Friends Church, near Winchester, Ind. was a time when the church experienced a revival. The Pastor told me, again the other evening he felt the church has been revived. Praise the Lord, for it came from God and we owe all to Him, indeed.

The first one saved in this meeting was a precious boy. Oh how happy he was. He said, "I'll never forget it, how it was when Jesus came to me." The last Sunday I was there, this boy came down the aisle, as I remember with his father helping him. He wasn't bearing any weight on one foot. I noticed it was swollen considerably. His mother informed me that he had not slept the night before because of pain and distress. I had not observed him during the service to see this until he was near me at the door and ready to leave for home with his father and mother. My heart went out to him immediately. I placed my hands on his head and began to call to God in Jesus' name asking for healing for His glory and honor. Praise the Lord, He sent it. I wish you could have been present. I am sure you would have remembered it, because it was wonderful to see him put his weight on the foot and walk down the aisle and back and go on home. He rested and slept that afternoon. Also his parents told us the infection ran out of his foot later that day.

One man came to the altar and said, "I think I am dying." I prayed in the Name of the Lord and enquired about what his burden was. It was a burden for a woman who was dying 260 miles away. This brother had been giving the burden to pray for her condition. So we prayed to God for her and the burden lifted right out of his heart. We surely praised the Lord. A woman came back to Jesus one evening. A few nights later she and her companion were cleansed. In one of the services a number had precious personal victory in heart purity.

A young man came to Jesus on a Sunday evening. I felt his wife should have come also. I felt this very strongly. I knew if she did not come with him, it would be very difficult for him to keep the victory. So I did something I very rarely ever do. I went to her, as the Lord led me, and spoke kindly to her. It took some time and much power of the Holy Spirit to convince her. She came after a while and received a precious experience also. Praise the Lord. They were so happy. Also their oldest child came to Jesus that night. She came last week to the meeting at White River Friends and oh how happy her face showed her to be. Her pastor related how she had helped to win her first soul to the Christ. This was another young mother. Oh how encouraging this is to all the church and those in the Kingdom of God.

A week ago last Thursday, I went to purchase a new hat. My wife felt that since my other hat had worn out and had a hole in the top of it, I should get a new one; for a man of God needs to look his best in serving Him. While I was at Ball Store in Muncie, I prayed about where I should get the hat. I thought I would get it there, but the Lord said, "No." in my heart. I thought of Sears and Stillmans, and it was No. So I said to my wife, "I'll go to Pennys." While trying on a few hats, I heard the main man on the floor say to the saleslady, "Are you in pain?" She said that she was. I looked at her and saw her eyes were filled with tears. I asked her what had taken place. She told me of her fall and showed me her swollen wrist. I said let us pray. So we asked God to heal for Jesus glory, and He did. I wish you could have seen her face. "It doesn't hurt now, look, I can use it," she exclaimed. Praise the Lord I say.

In His Service,

Dear Friends,

Greetings in the Name of Jesus our wonderful Lord and Saviour. He who hath saved us with His own precious blood and hath given me the Holy Spirit, whereof I am glad and thankful to God.

Jesus never fails. For He is faithful, who hath promised, who also will do it. Praise the Lord.

The meetings at Pleasant Ridge were encouraging. Four young women came to Jesus on Sunday morning. I especially preached to the young people that morning. I felt it was so important that they find Christ while they are in their tender years; and then allow Him to guide all their lives. I said if they would do this, and pray faithfully and read God's Word and be willing to witness at each opportunity and always obey the Holy Spirit they would avert so much trouble and many pitfalls.

That was a precious morning. While we were rejoicing an older man going on 92 years of age came down the aisle and exhorted near the altar where the girls were kneeling. It was wonderful and he stated that night in the service that he thought he was the happiest he had ever been in his life that morning when the girls gave their hearts to Jesus. Praise the Lord.

I overheard one of the girls tell her mother that she was in pain. I learned that two years before she had caught her toe in a railroad tie and tore it up. It had hurt her since that time. I prayed, the Lord helping me, to God for her healing. To Jesus' glory, she looked up and said, "It doesn't hurt." We were so thankful to God for answering.

At another service, a young man of 18 years was one of four being called to Christ by God. He was the only one that came of those called Joy came and filled his heart and the tears were so wonderful to him at the blessing of Christ.

Just about 72 hours before the tornado struck in Ind., God began to burden me terribly hard. There was a lot of death in the burden. I cried and cried to the Lord for deliverance and prayed that He would undertake for the situation. I told our Sunday School Supt. at Parker, as I went in the door of our church that Thursday night, about my revelation which God had given me some 130 feet from the corner where the church is located. I told him that God had spoken to me of an awful thing that was coming. I told Rev. Gail Price and a few others also. I called Rev. Reece and wanted him and his wife to pray with me. I asked Rev. Paul Hill on Fri. night at 7:20 to pray with us for God to protect and take care. He said to me on Monday morning following the tornado, "What if the Holy Spirit had not been able to give us the message and the burden so prayer could be made?" We prayed and God revealed a precious thing to us, that a number of people were spared from death and injuries because of the power of God intervening in answer to the prayers of His children. Praise the Lord for all help, salvation of souls, protection, healing, provision, and revelations of the Holy Spirit. For without Jesus we can do nothing, with Him all things are possible for His glory.

Please pray for us as our need is so great. Thank you for every thing you have done to make this burden and responsibility a little lighter. Please read Proverbs 3:19-27.

Your Servant in Christ,

Loran W. Helm

Dear Hearing Hearts that love Jesus,

Greetings in the Holy Ghost, the Kingdom of God. I greet you from Michigan, where God has glorified His Son Jesus in this beautiful little United Missionary Church.

It would take a number of pages to tell you what has taken place here, for Jesus'sake. I shall not at this time tell you of them for there are many others to tell you about from prior meetings. Praise the Lord.

When Mrs. Helm and I were privileged to be at the E.U.B. Church at Pendleton, Ind., the pastor related the fact that he had a bleeding ulcer. He had had this for 6 to 7 months. He had lost 47 pounds. When we went to the table for lunch, I was asked to pray. The Holy Spirit brought his condition to my attention part way through the grace. So I asked Jesus to heal him. Next evening at Mr. Aults' the pastor said, "Praise be to God; and Bro. Helm will be glad to know that this food tastes so good." He had to force himself to eat for all those months, because he did not want to eat. Rev. Jackson told us a few times in the two weeks how good the food was. Also he was healed on Monday of the second week of a serious infection that God revealed to me he had had since he was six years old. This had made a deposit at the center of tissue and the marrow of the bones. Prayer was made in Jesus' name and it was wonderful what God did for Brother. Praise the Lord. He and Mrs. Jackson had been in an accident some 7 to 8 years ago and he had not been without pain most of that time. The x-rays showed 3 different things wrong. The Lord came with power and healed him for His glory. I wish you could have heard him tell the church and people what God had done for him.

God drew a dear man and his daughter to Jesus in one of the services. This man's wife was so happy that it was beyond words to tell you. Oh how changed their home was. If they have been faithful it will be wonderful what God will do for them.

The telephone was ringing at Bro. & Sister Redding's when I got there one Sat. night of the meeting. When I answered it was a sister who said my heart is crushed, it's about to break. I said follow me in a prayer and we will journey to Calvary. She was wonderfully saved right there on the phone. She was waiting at the car lot back of the church as Mrs. Helm and I drove up the next morning (Sunday). She said, "The Lord has been so wonderful; I am over-joyed and must tell the church what Jesus has done for me." I was thrilled with her testimony about her own obedience. It was one of the most wonderful that I nearly had ever heard. The Church was moved. If only a few could mind God like that there would be a mighty awakening.

After the sermon that Sunday morning the altar was almost full of seekers, because of the work of the Holy Spirit, for Jesus' and souls' sake. The choir director who had been leading the singing for the revival came and his wife also and they found Christ as their personal Saviour and Lord. They were so happy. He said, "When Bro. Fraizer came the other evening, I knew I needed Jesus in my heart. Although I have been faithful to attend and work in the church for years, yet I could see I needed to be saved." He said that we had really preached to him every night. I did not know this. After his conversion he said, "He is letting me alone now." Their home was so happy. His wife's face was now so bright; before it had been so gloomy.

A number of souls sought the Lord during this meeting. We are so thankful to Jesus for what God did for His glory during those days. If you could know all the things that Jesus did for the church, you would surely be shouting happy. I was told about these things.

Thank you for your prayers and fellowship. Also thanks to you who are faithful to support this ministry of Revival For Our Day, Inc.

Please pray for us each day, will you?

In Jesus' Holy Service,

Loran W. Helm

Just a note from the Board of Directors. We owe everything to you and to Jesus for the success of Revival For Our Day, Inc. Your prayers and gifts help us to move forward as God leads.

Our fiscal year ends Oct. 31st. Will you do your best under God to help us meet all our financial obligations? The Lord has led some of us to begin praying that He would send in \$10,000.00 soon. This could be done easily, if everyone would mind God.

Yours for souls,

Emory Reece, Sec.

To the Interested Ones  
of Revival For Our Day, Inc.

Greetings in the Kingdom of God, which is not meat and drink but righteousness and peace and joy in the Holy Ghost. Praise the Lord oh my soul and all that is within me Praise and Bless His Holy Name. Hallelujah.

I have much to be thankful for: the witness of the Holy Spirit, the abiding of Jesus the Christ who will never leave nor forsake me, the Word of God, the constant guidance of the precious Holy Spirit, all my loved ones of my family, all my brothers and sisters in King Jesus, an open door before us which no man can shut, our home and health, and finally, the privilege of being intrusted with the Gospel of our Lord and working with precious souls everywhere and praying for every need as the Holy Spirit leads us to pray.

In one of the meetings recently, I prayed with some young people and on the way home two sisters said to their mother, "We have gone to the altar a number of times, but to-night we could tell that Jesus really came into our hearts." That was worth more than words can tell. Praise the Lord. One night when I prayed following the sermon, the Lord revealed that He would heal the sick. I became very quiet and then began to pray as the Holy Spirit led and helped us to believe for those to be well. Praise the Lord, there were a number healed. A father came up to me and told me of his precious little daughter who was healed. The Pastor felt healing in his stomach. A dear friend who lived 40 miles away was healed of a severe pain that had been in his head for 3 weeks, I believe he said that long. One man that lived a few miles from Royal Center was healed in the intestines. There were a few others who experienced God's touch in that revival. One little 4 year old boy had come to the altar 3 nights in succession. His father wondered about this so he inquired as they drove home, "Ricky, why did you go again to-night?" He replied, "Daddy, you asked about those cookies and I told you I didn't know about them, but I lied, Daddy, I ate them, so my heart was black and I had to go and pray to Jesus." If only God could get adults to be as honest with Him as that little boy we could see a sudden sweep of the Holy Spirit in a revival that could last until Jesus comes!

For several years we have owed a dear friend a large amount of money. He had been so thoughtful and kind to lend us this. We have been praying, and others with us, that God would make a way for us to repay this as soon as possible. The Supt. of Schools at Parker called and asked if Mrs. Helm would be interested in teaching music at Parker-Farmland. She accepted. The other evening as Mrs. Helm and I came out of the restaurant at Windsor, children from the ages of 6 to 12 came running from different directions saying, "Mrs. Helm, Mrs. Helm." They gathered around her in such a precious way to greet her. They didn't see anyone but their teacher. I was thankful for the experience. When I went to pay the water bill, Shirley Wright said, "Loran, my children just love Florence's teaching and her music." She has had other priceless experiences at school. With her salary from teaching, we will not get all the amount we owe paid this year, unless God undertakes some way. Our expenses are so great.

I praise the Lord for all the faithful and true souls who pray and want to do God's perfect, holy Will by doing all possible while it is yet day. You remember the fields are white to harvest, but the laborers are few.

I witnessed yesterday to three men. Two of them needed to be saved quickly. One of them had back trouble last winter when I stopped in the filling station and talked to him and one of the others. At that time I learned of the pain he had. So I said, "let us pray about this." Jesus came and took it all away. Praise His holy Name. He said yesterday he had had no more trouble since the Lord touched him. He had been bothered with this most of his life up to that day. He is over 80 years of age. To Jesus' glory, I have a number of other things to share when He leads and permits. We need your prayers and help more than you know, unless you pray enough that God could reveal our need to you.

May you be faithful to God and be led of Him. Thank you for every thing. We appreciate your prayers very much.

In Jesus' Name,

Loran W. Helm

Dear Ones in the Kingdom of God,

Greetings in Jesus Christ our Wonderful Saviour and Lord. Praise His Holy Name for all the faithful and true followers of Christ, for whom He shed His precious blood to redeem.

I have just finished two wonderful meetings because of Jesus and the sacred work of the Holy Spirit.

Some time ago Mrs. Helm and I were at a Christian Ashram in the southern part of Ind. This is what I feel I should tell you about in this letter. There is never time nor space to tell all that God is doing for Jesus' sake. On Tues. of the week at the Ashram, as I started thru the parsonage gate where we were staying, Jesus spoke and said, "Go to the book store." I went in and said to a minister, "Bro. Procell, Jesus has told me to come in." I paid him for some books my wife had had laid away and started to leave. Jesus said, "No." I prayed and He revealed to me that there was a struggle among us. There were 4 persons in the store. So I prayed for whoever it was. That evening the young lady, one of the four, was at the altar. I went up and was observing. I soon saw the struggle in operation. Everyone knew, that had any experience with soul burdens, that here was one for sure. After a few minutes, I asked if it would be alright for me to lead her in a little prayer. She said yes; it was precious how the Lord Jesus thru the Holy Spirit gave the victory. Praise the Lord.

The next day this young lady sang a solo. Praise God, it was really anointed of the Holy Spirit. She said to me, "I don't remember singing under quite this anointing before." Jesus is wonderful.

Wednesday morning before 5:00 I went to the Chapel for prayer. When I came out after 6:00, Loren Dyke was standing outside in fellowship with the Lord. I stood a few feet away and meditated. A burden came to me from him. The Lord showed me it was for his sister that was to have trial in certain time to come. The other part of the burden was for Loren's wife's brother. God revealed that He had laid His hand on him many years ago. The Lord had me to eat at table no. 1 that morning and share these precious things with our Bro. and Sister Dyke. They were so appreciative and understanding.

When I walked in the dining room for lunch Wed. I asked the Lord which table He wanted me at. The Holy Spirit witnessed that I was to go to table no. 3. The devil said, "No, you don't want to go over there; the young people are seated there and they would not appreciate your presence." But I said get behind me satan and pressed over to sit with them. After grace I was soon under an anointing of the Holy Spirit. A doctor's son from Ill. and a young woman became interested. In a little while they gave their lives to Jesus. Oh how I did Praise the Lord for His precious presence.

I said to Rev. VanNess Chappell, pastor of Center Methodist Church Indianapolis, "It was worth the whole Ashram here, today at this table, just for the privilege of leading these dear ones to Jesus." This faithful pastor said to me as tears filled his eyes, "This witnesses in my heart." Praise the Lord.

I thank each of you who have been faithful to pray and send in tithe and gifts to Revival For Our Day. I will be at New Paris, Ind. in the Methodist Church beginning Dec. 5th for 10 days or two weeks as the Lord leads. Please pray for us. Thank you all for your thoughtfulness and help. Ezekiel 22:30.

In Jesus' Name,

Loran W. Helm

Dear Praying Friends,

Instead of our writing a separate letter this month we will just put a P.S. to Bro. Loran's letter.

We of Revival For Our Day, Inc. are most thankful to all of you for your prayerful help. We definitely feel that we are not an organization you support but we are all a fellowship of Christian believers and persons interested in the ministry of Bro. Loran Helm. Without your prayers and gifts we could not possibly continue.

Several of you who receive this letter are hearing from us for the first time. For your benefit and to remind all the others, Rev. Helm is an employee of the Corporation and is paid a salary by the Corp. All gifts from individuals and offerings from revivals go into the Corp. and are used by the Corp. Bro. Helm's support is the main item of the budget. But we do have mailing and other administrative expenses, which usually total about \$500.00 each year. None of the Board of Directors receive anything except nominal travel expense for Corp. meetings. All gifts from you are tax deductible, for this is a recognized non-profit corporation by the Internal Revenue Service.

Can we count on a gift from each of you? The Christmas season has been a financially difficult time for us in the past. We are depending on your love gifts.

In Christ,

J. R. Boggs, Jr.
