Dear Ones in Christ Jesus,

Mrs. Helm and I just returned from Cloverport, Ky. where we have been in services. The Lord answered prayer in a precious way. The Pastor may send me a letter about the meeting and what God did at his church. We may be able to share all or part of it later as the Lord leads.

We are to leave for Texas in a few days. We are going some 2300 miles (round trip) to speak at Bay Ridge College Institute, a school for under-privileged Negroes. This will be a time of sharing or witnessing of Christ's leading, answers to prayer, guidance of the Holy Spirit, and healings of God. The people may be able to pay a part of my travel expenses; they don't know for sure, since this is a faith project.

I received a call from a minister's wife who was sick and hurting. She was going to have to go to the hospital. She wrote the following letter after we had prayed together:

Dear Rev. Helm,

I'm praising the Lord; He heard and answered your prayer in my behalf. I started to improve at once and felt normal in two days and was able to cancel my hospital date and enjoy Christmas with my family- wasn't that wonderful? Isn't God good and I want to thank you for that wonderful prayer. I'll never forget it. I had suffered so much. My faith was so weak and I needed someone with strong faith to help me. (I don't profess to have strong faith, for I am only a servant and a very little one at that.) Thanks again.

May God bless you. Sincerely, Mrs. H.C. Schlarb

Dear Friends, I am nothing but God is everything. The Holy Spirit gave me help to pray to Jesus and God heard and gave this healing. Praise the Lord for every help and blessing. I am in debt to Jesus for all things that God has done for each of us.

In the meeting at Centerville I was led by the Holy Spirit to pray for some one with trouble in the heart area. Nights later a friend of the lady who owned the motel where we were entertained, got up and revealed that during that prayer that night a certain twisting hurt from the stomach to the back had suddenly gone from her body, to Jesus' glory. God did other precious things there also. We praise Him for it.

Thank you each one who has prayed and helped us in Revival For Our Day.

P.S. The next fellowship meeting of Revival For Our Day will be Feb. 18 at 11:00 A.M. at Parr Memorial Methodist Church, Kokomo, Ind.

At the Elkhart meeting several asked for a copy of the poem read by Rev. Iona Lloyd.

Count your blessings instead of your crosses,  
Count your gains instead of your losses,  
Count your joys instead of your woes,  
Count your friends instead of your foes,  
Count your smiles instead of your tears,  
Count your courage instead of your fears,  
Count your full years instead of your lean,  
Count your kind deeds instead of your mean,  
Count your health instead of your wealth...  
Count On God instead of yourself.

Dear Friends in Christ Jesus,

Greetings in the Kingdom of God. We never did get to share with you before what God did at Wilshire, Ohio last August. I believe the Lord will have me share this with you now.

This was a very precious and rewarding revival with Rev. & Mrs. Everett Hogue. Rev. Hogue said to Mrs. Helm and me as we walked to the church the first evening, "I'm more excited about this revival than any I have had." It was all because of Jesus, the work of the Holy Spirit. After the service that evening he said that it was equivalent to a two weeks revival. There had been a few victories for Jesus' glory and honor.

On Wed. evening Jesus gave a very precious time, souls were saved and sanctified. Praise the Lord. Then on Fri. evening God gave a service almost like 3 weeks' revival in soul victories and healings. One was healed in the back of an ailment of 10 years. God revealed a cancer to me and showed me the direction it was from us. This dear sister lived a few miles away. Her mother said to me later that she had had her arms around her daughter when God led me to pray. She said that she could feel the power of the Holy Spirit going into her body. She came to the altar in that same service for the Lord was dealing with her considerably.

We prayed one night with a dear brother and the next night he told me that he had had a heart skip for about three years. Since prayer together that evening he had not had any of the trouble. It was gone. Praise the Lord. He told me later in the presence of Bro. Dick Moore, that he got more out of this revival than the previous 10 years of church attendance. This was all because of the work of the precious Holy Spirit.

At Rev. & Mrs. Hogue's home the Lord revealed to me that one of his sons had been called to preach for almost 6 years. As I shared this with him that evening I asked him if he could get the witness of it and he replied yes. When I told the older brother, Oliver, of this brother's call, he said, "Bro. Helm that goes all thru me." This was very encouraging to me. Rev. Oliver Hogue drove every night from Anderson, Ind. to Wilshire, Ohio to lead the music for this revival. His wife came every night but one. She was healed on Wed. the 24th of Aug. as Mrs. Helm and I prayed for her after church at the parsonage. This was very important what God did for Barbara that night. It was worth the world.

The Lord told me to have Bro. Oliver lead the singing in a revival the preceding month at Parr Memorial Methodist Church in Kokomo, Ind. Barbara came to that meeting and as a result of the work of the Holy Spirit she was converted. This was an answer to many of her family's prayers for some time. Barbara did not want to be a pastor's wife but before the meeting was 2/3 over at Wilshire she could hardly wait to enter the pastorate. This was an up-to-date miracle. The Lord witnessed that they were to go right into the pastorate as soon as possible. They are now having a wonderful time at St. Paris, Ohio. Praise the Lord. This meeting at Wilshire was so important.

One night at the parsonage the Lord came upon us in the dining room and God healed a few things in bodies. Also He answered prayer for one's father who was many miles away. This man's daughter, who was in the prayer group, said that she felt the power of the Lord within her as I prayed. It was precious when she got the report later from her father who was in a western state when we had prayed. Praise the Lord for this revelation and victory.

Also one night God revealed to me that death was coming at the edge of Wilshire and it would be terrible. I told Rev. Hogue he would really know when this happened. Sixteen days later two cars with young men crashed and some of them were killed. They were reported to have been playing "chicken" which is driving in the middle of the road. When they met neither driver would pull over so they met head-on. Bro. Hogue remembered it was the very direction and position that the Holy Spirit had told me it would be. Oh that men would obey and fear the Lord. Please pray much for us.

Dearly Beloved in the Lord Jesus Christ,

Twenty-five years ago today the Lord sent me to the hills and mts. of Tenn. I thought I would die many times, but mile after mile the Lord gave me strength, help, encouragement and assurance. It was most precious how He did it. After going about 400 miles, He turned me to the right and told me this is the place. I saw there a little Methodist Church. We had a real experience on that circuit with Rev. J.W. Dew and his people. We met there Mr. & Mrs. Clifford Nickols who invited us to stay with them. We were perfect strangers to them and all the people, but they knew us by the help of the Holy Spirit. Praise the Lord! We have never forgotten their fine hospitality. The Lord would pour down His Holy Spirit on us four night after night in family worship. Our friendship has been precious in Jesus. Mrs. Helm and I are indebted to Jesus and all His people. We were really needed at Rev. Dew's church for those two weeks of meetings. We missed only one or two nights, the Lord helping.

We are greeting you today from the home of Mrs. T.W. Wood here in Fla. It is so enjoyable to be here and we are deeply grateful for the privilege of these nice accommodations. The weather has been so beautiful. They said on the radio an hour and a half ago that it was 24 degrees in Ft. Wayne, Ind. This morning while I write this letter in my car I'm perspiring. From where I am now I can lift my eyes and see God's hand made ocean in all directions. It is gorgeous indeed; oh how great is our God. His faithfulness is endless and reaches to the end of eternity. Praise the Lord.

On our way south I was able to witness to a number of persons, one day to eleven and a few each day. After we arrived I wanted to go deep sea fishing. The man at one place asked me to go with him the next day. I told him I would not go because that is the Lord's day and I would be in God's house. As I left the Lord told me I could not go on that boat nor in that area. So I went a few miles south to another place. There I met Capt. Bob and told him I would be there Mon. morning. On Tues. after we were out a while I prayed to the Lord, "Father you did not will for us to be here in Jan., Feb. or March, when Mrs. Helm and I thought maybe thee might lead us. But thee had us in one revival after another. We are here now and not on the other boat a few miles north, but on this one. Would thee let me catch a nice fish?" I don't remember whether I said a large sail or a big one but in just two minutes a fish hit my line. I had a tussel for 20 minutes getting him in. After getting him near the boat 3 times and each time he would dive again, I prayed Lord help me and give me strength. I had not had so great a physical strain for years. When we landed it was a bull dolphin, 50 inches long and 32 lbs. Bull dolphins are rarely caught; it is usually females. One man on the boat said they had not had a fish caught on their boat that large for months. All the men on the boat got a real thrill out of that and I was privileged to witness to them about Jesus. I was also able to witness to a graduate of Emory Univ. and to a wealthy man from Seattle, Wash. I shared with the latter man how we need to know Jesus in our heart. When we reached the dock a fine looking man 45 to 50 said that if he could catch one like that he would be happy. I was able to witness to some there; and tell them it was all because of Jesus.

We need your prayers so much. I had quite a meeting here in a fruit market. I told the manager that I could have taken my orange juice and gone, but I would have missed the opportunity. He said that if I had he would not have been enriched. It was an enjoyable time. Praise the Lord. So you see we are able to deal with souls while being on a vacation.

We are to be at Prairie Grove Church 2 miles north and 2 miles west of Gaston, Ind. beginning May 9th. Then we go to Roan MT. Tenn. on May 24th. Thank you for your prayers and help. The Lord reveals that only a few persons have the burden for the finances of Revival For Our Day, Inc. For all that has been done we are in debt to God for it. Oh! for a revival, an outpouring of the blessed Holy Spirit in the Church for Jesus and souls' sake. It is the only solution to all our ills and troubles of our very lost world and sick church. The trouble is all because men will not obey and yield to God. Thanks to God for watch between us while we are absent one from the other. Please pray for us. Thanks to the directors and treasurer's assistant.

(Three days later) I went fishing again today with 20 otherd on the same boat. They wanted me to put money in a pool and the one who caught the biggest fish would win. I told them no, I am a minister of the Gospel and witnessed to them about Jesus. After fishing for hours and catching nothing, I suggested to the Capt. to go south. In a little while I had a fish on my line. It was a kingfish. When we finally landed it and later quit for the day it was the largest fish on the boat. So I was able to witness again for Jesus. If I had joined the pool I would have won. This gave me another opportunity to talk to them about God.

Dear Ones in Christ Jesus,

We are in a wonderful meeting in Ansonia, Ohio. The Lord witnessed in my heart He would be with me there on June 29 to July 8. When I called the pastor a few weeks ago to relate this revelation, he was pleased. His people wondered at this time over the 4th of July, how it would work out. The Lord gave 7 to 9 victories the first service, the next evening 2 or 3. Last Mon., 3rd, we prayed with 31 all together for various needs. Tuesday evening, the 4th, was a very precious service. One of the finest of the older men of the church came to the pulpit to speak to me. He said, "This service was like when Jesus was on earth, God was leading and helping the people in a wonderful way." Praise the Lord.

One woman had had trouble with varicose veins for years. When Jesus touched her by the Holy Spirit it felt as though to her that weights fell off her limbs. A young man had had a 900 pound block of cement fall on his leg, just above the knee, last Thursday. It had never stopped hurting. He said that he had to drag it as he walked to the front of the church. Prayer was made and all pain was gone. In a happy voice he said, "The pain is gone." He went to his seat and walked well. Praise the Lord for His healing power.

A number of young men and women have come to Christ in these services, because of the Holy Spirit's drawing and power. We cannot praise the Lord enough for God's working in these days.

We were at Roan Mt, Tenn. in services May 24 - June 11. God gave victories for Jesus' glory and honor. One man was sanctified and the Lord delivered him from tobacco. He had used it for over 30 years. Another dear brother was prayed for that he might be delivered from smoking. He took Mrs. Helm and me for a drive thru the mts. (120 miles) the next day. I saw him reach for cigarettes and I said, "God is able to remove this from your sub-conscious mind." He has not reached for any since. Praise the Lord for deliverance.

The Lord, by the Holy Spirit, revealed in the third or fourth service at Roan Mt. that some one had a blood infection. We prayed to God in Jesus' Name. One dear sister said that the power of God hit her like a bolt of lightning. She said, "Lord if that were for me touch me again." She jumped to her feet in tears, oh how happy she was. A number of boils on her right hand and arm were dried up by the next morning. She had had a blood infection for about 27 years. Praise the Lord for guidance and healing. Without Him we will never know anything else.

Another lady had pain and trouble in her stomach. Prayer was made for her at the door. She was healed and had no more pain, she told me later. One lady came who had ulcers and God healed her. He revealed to me that He would heal stomach trouble and she was the one. She said, "I haven't needed my medicine since." At first she did not realize she was the one who was healed (for I did not know who God was having me pray for). When she noticed that the trouble and pain had left she knew she was the one. She was thankful to Jesus and was really happy about this deliverance.

I want to relate that while we were in Fla. last April, we desired to go to Key West. Day after day when I asked the Lord about it, He would not give us the leading to go. After ten days He let us go. On the way I stopped for gas south of Miami. A young man was converted. He was happy and I was too. I said to Mrs. Helm, "This was worth more than the trip; it is valued more than the World itself." Praise the Lord. Days later as we were coming thru Ga., I stopped for a map. As I went thru the door I said to all 10 or 12 men, "Jesus is Lord," and preached a while to them. They looked surprised and amazed. It seemed that my heart shook because of their attitudes. When I got in the car the Lord revealed that 8 of those men had been called to preach, from 5 to 35 years ago. I had to tell them of Jesus. When I stopped I had no idea that was going to happen, but God had me there on time. I had a meeting in a barbershop in Virginia. I spoke in Knoxville, Tenn. at Rev. Field's church. The people were so hospitable and kind to us. We went on to near Washington D.C. and preached at the church where my brother Edward attends and directs the choir. Rev. Oliver is the pastor.

I might also say thanks to Rev. Reece and Rev. Moore for coming to get my car when we started to Roan Mt. It got so hot it would not run very good. Rev. Reece loaned me his car so we could go on to Roan Mt. Our car has been re-conditioned for the third time. The Lord has been so wonderful. Thanks to the 12 who have the real burden for the finances of Revival For Our Day.

P.S. 11:25 P.M. I wrote the above letter this morning and we have just returned from Ansonia, Ohio. The service lasted until almost 11:00 E.D.T. The meeting was very precious. One of the older men said he had not seen anything in that church like this for 25 years. A number more young men and women came to Christ. Several testified as many as 5 or 6 times during the service. They were so filled with joy they couldn't sit still. Some were healed also. The meeting was in the realm of preciousness again to-night. Praise the Lord for all He has done.

Dear Christian Followers,

Greetings in Jesus' Holy Name. We were in a meeting at Edwards Chapel near Clymer, N.Y. from July 12 to 23. The meeting was rather difficult but the Lord helped me preach each service. For this I am thankful.

In most churches I know of or have been in, each one of them has some confessions needed before a mighty and lasting revival can be experienced in that church. We prayed with a few souls at Edwards Chapel for soul and physical needs. One young man was so happy when Jesus came into his heart. Another young man had had a soul burden for him for his salvation. This is unusual, for very few young people ever have soul burdens. Another young man said that he thought he had been saved last year. After prayer he said, "Now I know I have it." He was so blessed. When I gave him the card with the 4 essentials on it, he said, "I will keep this forever." A precious young woman found Jesus one evening as her personal Savior.

A few of the people of the church said that the Lord had sent us there for them. We had some very precious times of fellowship in homes. I remember as we shared answers to prayer and victories in Jesus in one home, I noticed the husband of the home was weeping and tears were running down his cheeks. He was so appreciative and understanding. God really blessed all of us as we sat together in heavenly places. The Pastor said at the close of the meeting, "The only regret I have is that we did not get to have enough hours of fellowship together." We were in fellowship the first night until 1:00 A.M. talking about various things of the Kingdom of God. We were together in homes and twice on a camp ground, so we had several hours in fellowship.

After the meeting closed we went on to New York City. There we were privileged to see a man repent of his sins and accept Jesus as his Savior. Praise the Lord, that was worth more than gold. Mr. & Mrs. Moore were with us for about 12 days in New York state. The Lord blessed our fellowship so much. We were so glad to have them with us. They are so understanding and helpful to us.

Three weeks ago yesterday the Lord was with me as I traveled over 100 miles for prayer, one way. When I arrived it was 5:30 P.M. and time for my friends to do their milking. The man on whom I was calling has been a dear brother in Christ for many years. We shared answers to prayer, guidances of the Holy Spirit, and revelations for over two hours. We began a season of prayer and after a little while I asked the 18 year old son if Christ had ever come into his heart. His reply was no. I asked if God by the Holy Spirit had ever called him in his heart and he answered that as far as he knew He never had. This young man had been in the church all his life. I asked him if I might take his hand and call to God and ask for the Holy Spirit to come and call him. He said, "It is alright with me." He was brightly converted in 10-15 minutes. Praise the Lord! His father said that it was important that I came to be with them that evening. God revealed an infection in the father's body and its location. I believe God healed him in 3 minutes after prayer began. Praise the Lord.

Please pray for me for I have had a real test in my body the last 4 weeks and 5 days. I want to thank the few families who are carrying the real financial burden for Revival For Our Day. Thanks also to others who are helping. Again I want to express my personal appreciation to our secretary and his wife, our Treasurer, and John & Jane Langdon for all their labor, bookkeeping, and sending of letters and receipts. These persons have given many hours to this work, thank you.

Mrs. Helm and I are grateful to every one of you who are praying for spiritual victories. May you be encouraged and strengthened by the Holy Spirit in the inner man. (This really got in my heart as I wrote it; some one will be blessed.) These are trying times; we must pray much, obey, and be faithful in every way. Don't try so hard to get answers as you endeavor to trust. Let TRUST be uppermost. Look ahead to Jesus, never back to anything. Hebrews 10:35,36 gives a condition of claiming a promise of God. He revealed this to me Aug. 28th. Praise the Lord.

Oh how I appreciate Mrs. Helm and what she has meant to me. We go next to Camp Emmanuel, 3 miles east of Bunker Hill, Ind. on s.r. 218. The dates are Sept. 1-11. Then we go to St. Paris, Ohio, Sept. 14 - 22? Then to Vienna, Va. Oct. 3-10. Then to Ponca City, Okla. Oct. 18-28. This will all be by God's grace, protection, help, and guidance.

Most sincerely yours,

Loran W. Helm

Dear Ones in Jesus' Service,

We are trusting and praising the Lord Jesus for all His many precious blessings to us. Thank God to be able to be in the work of the Kingdom of God. May I express my deep appreciation for all your prayers for our health. Our need has been so great in these last weeks.

We were in services with Brother & Sister Floyd Lacy at the Emmanuel Church near Bunker Hill, Ind. from Sept. 1 - 11. The Lord revealed to me at the beginning of the meeting that some one present had just a short time to live and be saved and ready to meet Jesus. One of our friends called me from Ohio a few days after the meeting closed to tell me that one of the men who took up the offering one night at Bunker Hill had died suddenly. He was about 57 years old. One man about 75 from the Emmanuel Church said to me, "If I could have heard preaching like this 50 to 55 years ago, my life would have been different." I replied that we owe all to Jesus for without Him I can do nothing.

Our being at St. Paris, Ohio from Sept. 14 - 22 was a precious privilege. We were so free to obey the Lord there. The pastor and his wife made us feel so welcome. We are so thankful to God for the opportunity Mrs. Helm and I had in being with Rev. and Mrs. Oliver Hogue and their dear people. They were so helpful and appreciative and responsive.

The Holy Spirit worked in this meeting in a wonderful way. He revealed to me one night that some one needed healing in the chest area. It was mother Yoder and oh how happy she was for God's making her well. She said that her family didn't know how she had been. She had not mentioned it to them.

The last night of the meeting the church was filled with people. There were 33 who came from Springfield, O. that evening. There were 29 from Ansonia, O. the first Sat. night and 22 the last service. Some of our friends came from Willshire, O. on four different nights. A number came from Urbana and some from Piqua. One came from Port Jefferson. Others came from other places in Ohio and Indiana.

We prayed the second night of this meeting for some person suffering with stomach trouble. It was a dear sister in Christ from Springfield. She was so happy and thankful to Jesus for healing her. On Sunday morning we prayed with quite a number of souls. Jesus was precious to meet these needs. Praise the Lord. One night the Holy Spirit told me that 8 should be sanctified. Only one came to the Altar. The next morning at 6:30 a lady called the pastor and related that God had sanctified her in the night and she was over-joyed. This thrilled the pastor's heart to hear a dear one praise the Lord and rejoice in Jesus' victory. The town marshall who was on night duty was really ailing. The Lord healed him for the glory of God on Sunday morning. That evening when he came to church he took me by the hand and said, "I feel wonderful" This was precious indeed.

We go next to Vienna, Va. near Washington D.C. for services Oct. 3 - 10. Then we go to Ponca City, Okla. to be with Rev. Forrest Richey at the Church of God. Thank you for your prayer and help. Pending verification from the pastor, we will be near Redkey, Ind. at New Mt. Pleasant Methodist Church beginning Nov. 6th for a few days. After this we are to be at McNatts, Ind. in the Methodist Church beginning Nov. 17th.

In Jesus' Name,

Dear Beloved in the Lord Jesus,

Thank you for your prayers and help. Please pray much for us in the next 8 to 10 months. In this letter I am going to share with you what God did in a recent revival meeting. All of the letter will be directed toward this meeting.

The Lord witnessed that He would be with me at Dunn Loring Methodist Church on Oct. 3 to 10. They had not had a revival there for many years. One of the main officers in the church said, "Revival, why do we need a revival?" She did not oppose it but came and was appreciative of the revival.

The Lord worked and the Holy Spirit drew souls to Jesus our Lord and Savior. The Pastor was so thoughtful of every need.. If he left anything out, I don't know what it could have been. He spoke to me before the meeting began and said, "I usually have a lot to say, but the Holy Spirit has revealed to me that I am to be still and allow the Holy Spirit to work thru the evangelist." He said very little during the opening of the services, mainly making announcements and receiving the offering. He gave us full liberty in the services as the Holy Spirit lead and directed me. My brother, Edward, led the singing for the meeting.

About the third service there were three at the altar. From then on God gave victories in most every service. My nephew went with me to mail some letters. I started preaching and sharing experiences with him. I was very blessed and anointed. (My wish and desire is that I could have such unction come on me in the churches as God came on me in the car with Timothy Joseph.) I was privileged to see him brightly converted as we were in the car together. He said to me, "I believe God is calling me to preach." I told him that I believed so too because I had the witness of it in my heart.

While souls were finding Christ at the altar one night, a young woman was converted as she sat on the front pew. Praise the Lord for every victory.

One evening after the service was over and most of the people had gone, I was talking to two young men. As we conversed, I said, "If you will go with me to the altar, Christ could save you to-night." They responded and had an experience with Jesus. One of the boy's father was converted. After Christ had come into his heart, he was so happy. He said, "Here I am over 40 years of age and have never been able to find this life before." We were guests in his home once and what a good, helpful prayer he did pray to God as he prayed at the table before we enjoyed the fine meal that evening.

One fine looking man about 50 and his wife were saved. As he testified it was in my heart. Another man about 45 found Christ. As he stood to speak, I saw a light on his face. A plumber who has two or three men working for him said to me the second night, "You were begging to get to me." The Holy Spirit sent precious conviction on his heart on Sat. evening. He told me later that after he took the first step toward the altar he couldn't remember how he had walked to the altar. One person said that it looked as if he were walking on springs. Another said it seemed he were walking on rubber cushions. His wife said on Monday following that she prayed aloud for the first time with her family and she had such a wonderful feeling in her heart. When she had finished speaking, one of their daughters expressed to me how wonderful their home was after her parents had come to Christ. She was so happy about it. I told her that we owe everything to Jesus.

The dear brother who met everyone at the door and greeted them was saved the last night. He said that that had been the longest, most horrible day of his life because conviction was so great upon him. He was so different and happy after his conversion. He also could not recall how he felt as he came down the aisle to the altar after he took the first step.

The last night a lady said, "I was the one that should have come to-night, but maybe I can come when you return." I said, "If you are willing to wait I will hurry and shake hands with the people and we will talk together." She went to the alt. altar and what a bright experience God gave her. It was truly wonderful!! My brother, Edward, said that he saw such a light on her face when she came to the back of the church. She was the postmaster of the town.

Thanks to everyone and most of all thanks and praise to God for all that was done thru Jesus our Lord.

Sincerely,

Loran & Florence Helm

P.S. May I express our appreciation to God and you for all that has been done for us thru Revival For Our Day. We are thankful to the 8 families who have the burden in their hearts which God has tried to give to 61 families in the U.S. We are grateful to Rev. & Mrs. Emory Reece, Mrs. John Langdon, and Rev. Paul Hill for their untiring efforts in all the writing and record keeping. May the Lord give them help and blessing for their labors. We are unworthy of it all and can do nothing, except thru the Lord Jesus Christ.
