

A SPECIAL MESSAGE FROM REV. LORAN W. HELM

Dear Ones who want to follow the Lord Jesus Christ and walk in God's Holy Kingdom, His righteousness, peace, and joy in the Holy Spirit;

This message is so extraordinarily on my mind. It is with great concern and care for all those that love God and love Jesus and want to walk, by the help of the Holy Spirit—the witness of the Holy Spirit.

Jesus said, "Seek first the Kingdom of God and His righteousness. Then," He said, "All these things will be added." All the things we need will be added. Therefore, He admonishes us to only seek righteousness, peace and joy in the Holy Ghost, the Kingdom of God. There is something within the self-life that wants us to seek after signs. Jesus said that a sinful and adulteress generation seeks after signs. There are many well-meaning people, precious people, who would like to have a sign. They would like to see something that would point them to what they want to know. This gives self a certain gratification, a certain 'something' that self wants.

We, in the Church, in the Kingdom have to be very cautious and careful about many things that can get us sidetracked. We will be sidetracked and not know it. We will not be aware of it. Wonderful people, well meaning people, precious ones, in many parts of the world, seek after signs. He admonishes us not to seek after signs.

There was one man who put out a fleece, but God was in that. Because one man put out a fleece, doesn't mean that others should put out a fleece. There can be a certain incentive to put out a fleece and God may not be leading at all. Instead of going by the fleece, He wants us to go by the witness of the Holy Spirit. (That operates in my heart when I declare it.) He wants to lead us by the Holy Spirit. Now there may be some day that someone will be led to put out a fleece again, but I have not known anyone, in my own experience, that was really led. There may have been people who have tried to do it but so far as the Holy Spirit witnessing that it was 'God's will', I can't remember ever experiencing such in my experience of 50 years of walking with God. By His grace and by His Spirit could I make it from now on. Jesus has brought me thus far.

It is not wise to seek signs."A sinful, adulteress generation seeketh after signs.", Jesus said. There are those that seek after experiences. Now, precious ones, it is wonderful to have an experience but the experiences of Christ come out of not doing our own will but doing God's will, denying oneself and following Jesus. All wonderful experiences of Christ will witness to our hearts when it is coming through a life like that. Trying to get experiences and trying to see things come to pass is not wise. It is possible for us to have great experiences but let us walk after Jesus and let us be obedient to God and then the experiences we have, in Him, which He gives (we will not be expecting any of them) will be what God wants. You see when God gives a marvelous experience, we are not really expecting any of them. It is the result of obeying God. If we have experiences outside of obeying God, there is no power and it does not witness to God's people. So, let us not seek after experiences but let us seek after the will of God and seek to die out. As Jesus Went to death, we must die to follow. If we do this, then we will have precious experiences.

Let us be cautious about seeking for an experience. All of this is good, but it must be of the Holy Spirit.

We must be very cautious about seeking gifts. There are those that emphasize the fact that the eighth gift is expedient and is the only evidence of the filling

of the Holy Spirit. Jesus never taught that. Jesus never taught that we are to speak in other languages or that we are to have this experience unless God wills us to have this experience. When God gives this experience, it is marvelous. If we are not careful, Satan can substitute it. When God gives it, it is great and wonderful. We must not oppose it when God gives it, but let us not seek after it lest we be sidetracked or we get out of order. Neither can we forbid this experience. There are people in the holiness movement that forbid anyone speaking in another language but the Bible makes it clear that we are not to do that. In the Pauline Letters to the Church at Corinth, it is clear that we are not to do that. If a person does this, it is serious and dangerous and it might be that it would take our part out of the Book of Life. If we add to or take anything from God's Word, it is serious. Although Jesus did not emphasize this, we must not fight against it. We must let the Holy Spirit lead. If He gives the gift of wisdom, knowledge, faith, prophecy, miracles, or the gift of speaking in other languages, let us be sure that we are in divine order. Let us not over-emphasize or forbid. There is a balance that we must maintain. We must be careful and cautious in all of our ways. We want to be sure to not get into spiritual error. Then there is, also, a tendency (if we have really started with God and the Holy Spirit comes upon us and we are blessed) to want to come to the holy zone of holy inquiry. We want to inquire of the Lord, whether this is in order or that is in order, should we do this or should we do that. This isn't wise unless we have prayed much and obeyed continually. If we will obey continually and pray and read God's Word and do exactly what He says, then there are times when He brings us into this zone on His own. It is not our pressing into it. You see, if we have the tendency to press, the self, in us, can get us sidetracked and Satan can give us the wrong witness or revelation. If we let the Holy Spirit take us into this area, He will lead us by the holy Ghost. This is great when He leads.

If we seek holy inquiry, it is not good. I have had people want me to pray if they should do this or this or that and etc., but it isn't wise to do that unless God leads. We must be cautious of this, careful not to place any emphasis upon inquiring about doing this or that. Simply wait upon the Lord and let Him lead us to the holy zone of holy inquiry. This is a caution!

There are those who seem to have a tendency to want to see visions. It is a tremendous thing to have a vision but if we are not careful, self is gratified in a vision. Yet, without a vision, the people perish. We are not to seek after visions. We are to seek first the Kingdom of God and the vision comes automatically and spontaneously out of that life of obedience and inner-death. We have to be very careful of seeking visions. Many people write me and tell me they saw this and this and there wasn't any witness of the Holy Spirit. We have to be careful telling about visions or seeking visions. It isn't wise to do this. We must be cautious about this wonderful, wonderful experience. All of these things are wonderful experiences.

In the teachings of Jesus, there isn't anything mentioned about our talking to the dead or that we are to commune with the dead. There is a communion of saints. This comes by the inner witness of the Holy Ghost in the interior life and it witnesses to the saints when you mention about the inner communion. There isn't any teaching in Jesus' words or the Pauline Letters whereby we are told that we can and ought to commune with the dead or speak with the dead. There are not any teachings like this. We must be very careful about that. There is a false religion, a religion of error, that has this ritual. Jesus did not teach this. There are times when we have great experiences with our loved ones that have gone on before and we need to hold that to our hearts. It is not a good idea to say things so that people will think that we are going to commune or talk with the dead. It is not a good idea and is not wise. We have to be careful about gifts, signs, experiences, inquiry, visions, and communing with the dead. It is all wonderful, when God leads it, but we have to be very

careful about getting into spiritual error and not knowing it. We have to be very, very hesitant about these things.

There are those precious, dear ones who seek for revelation. They want revelation so badly because self wants to be gratified. Revelations are so wonderful, so precious, so sacred, so holy but we must be sure that we walk with God. He only gave two revelations to Noah, as far as we know. He revealed that the Flood was coming and the dimension of the Ark. He, of course, did tell him when he could leave the Ark but He gave him two major revelations.

Joseph had a revelation when he was very young. He was reprimanded by a man of God. The revelation was true. Jeremiah had a few revelations, just a few that we know about. Isaiah had a revelation of the Messiah. He had some marvelous revelations but not many that are in writing.

The caution and carefulness is that we must be sure that we are not seeking for revelation. We must not do it or we will be in spiritual error and we will get the wrong revelation. There is a lot of people saying this and this, and so forth. Some will say, "Well, did Brother Helm say that?" Some have thought I said some things but you must be very careful when you say, "Brother Helm had the revelation here or there...." You want to be sure before you ever pass it on to anyone. We can be in spiritual error so easy if that revelation isn't of Jesus, isn't of God the Holy Ghost. If the revelation be of the Holy Ghost, then it will witness to His children that are child-like and obedient to God. To press to get a revelation isn't wise, it isn't good.

Revelations come only to those that are called of God, chosen of God, obey God, and follow Jesus. Many people have walked with Jesus for years and have seldom had a revelation. Many wonderful prayer warriors occasionally have a revelation, but seldom. For us to have the tendency to press after a revelation, even though they are wonderful, could be in the self, you see. Self could be wanting to experience something. This is dangerous. We are to wait upon the Lord until He sees fit to reveal it to us.'

The other night I asked Nancy to read a letter from Roger and Virginia and in the letter they spoke about Salt Lake City and our precious pilgrims there. I have not had any revelation to go to Salt Lake City since 1980 but when she read that, it went through my heart. Jesus revealed in my heart that we were to go Salt Lake City for a meeting, April 20th to the 25th. I didn't know it was going to occur when I asked Nancy to read the letter. I wasn't expecting any revelation. Revelations of God come when we are not seeking them.

I want to impress upon us that all these things we must not seek, but we must let the Lord bring them to us as He wills. This message should be read over and over again and reviewed month after month. Certain types of persons will have the likelihood of tripping and getting into spiritual error. We, none of us, mean to do this but we can. If we appreciate this message, we have an honest heart. If we resent it, it means that we are still carnal and we are not sanctified. The sanctified heart, even though we fail, will say, "Oh thank you. I am so glad you brought this to my mind so that I will be cautious about all my ways and that I will not be tripped on any of these things so that I can make it through to the pearly white city, by the blood of Jesus, by the grace of God and the power of the Holy Ghost.

Therefore, as we give this message, this segment of truth, I trust that each of you will be encouraged to pray for me. I need it very much. There are many other lines where we should have some cautionary measures declared but I am so weak and limited. I do not know all of them, by any means, but here are a few that I cast out for your thoughts and tenderly hand them into your

spiritual mind. May you take and cultivate them and hold them fast in the library of your meditations so that..."As you walk in the light as He is in the light, you may have fellowship one with another and the blood of Jesus Christ, His Son, cleanses you from all sins. Glory be to the Father, Son, and the Holy Ghost. May all power, glory, and dominion be given unto the Son, even Jesus, the Beloved, the Lion of the tribe of Judah, the Root and offspring of David, the Bright and the Morning Star, the Everlasting Father, the Counsellor, the Mighty One Who gave His life on the Cross, spilled His blood to save me and to save you from our sins that we might be presented blameless and faultless before the throne with exceeding glory. Unto Him be the glory, the praise, and the honor now and always. Amen.

(This letter was written by a servant of God to encourage a dear soul)

"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things" (Ph. 4:8).

We know that we are to cast all of our burdens upon Jesus. We are not to dwell on any disappointments, hurts, past wounds or past negative experiences. If we dwell on any of these things, we violate the precious law of faith that God wants us to live by. 1st Peter 5:7 says, "Casting all your care upon him; for he careth for you." We must at all times resist Satan and the thoughts of failure, or what has not been that should have been, or what we thought ought to be. We are to cast that over upon the Lord. An old song says, "Take your burdens to the Lord and leave them there." If we were to take up any of these burdens--such as disappointments or hurts or self-guilt, or thinking that we can't do this or that, or we ought to do this or that--if we take any of these upon ourselves, it is devastating to the soul and to the mind, as well as being hurtful to the body. Satan tries to get us to dwell on these, but it is a trick to devastate us and to destroy us. The Lord says we are to trust in Him with all of our heart and not lean to our own understanding. If we lean to what the negative thoughts lead us to, then it brings us to nothing, to hurt, to nervous collapse, to a dark place. We must not hold on to it, but give it over to the Lord whether we can understand it or not. Satan tries to get us to dwell upon that which has not come to pass which we thought ought to be. And if the enemy can get us to dwell on that, it simply brings us to unhappiness, to sorrow and despair. But if we let loose of it and put it in the hands of the Lord by faith, in due season we will reap, if we faint not. Galatians 6:9 says, "And let us not be weary in well doing; for in due season we shall reap, if we faint not."

When our heart and mind wants to do God's will, we cannot dwell on anything that is negative, hurtful or despairing. We cannot dwell on that for even one second, because if we do, it will crush us to death. We have to let loose of it and keep our minds upon the Lord. God's Word says, "Rejoice evermore. Pray without ceasing. In every thing give thanks: for this is the will of God in Christ Jesus concerning you" (1 Th. 5:16-18). We are not to try to analyze or ask why or figure it out, but we are to commit everything over to the Lord regardless of how devastating it looks. When we cast everything upon Him, then we are released through prayer. I told Mrs. B. years ago, "If you will get into a room and just start praising the Lord and say, 'Praise the Lord, glory, hallelujah, adoration, holiness, righteousness, purity, thank You, Jesus!', then the Holy Spirit will drive the darkness and despair out of your heart and body and mind." When I returned in five or six weeks she said, "Reverend, this really works!" She had been at Taylor University where her husband had graduated, but somehow Satan had robbed her and was trying to keep her mind on the things that were defeating her. When we commit it to Jesus and take the burden to Him, we don't want to pick it up again. Our flesh wants to get hold of it, but we aren't to dwell upon that. We are to dwell upon the good things. "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee" (Is. 26:3). we are to keep our mind there at all times. Then in due season, through the faith delivered of our fathers (which God gave the saints), He is able to do exceedingly abundantly above all we can ask or think according to the power that worketh in us. The power works in us as we believe and follow Him, not allowing the devil to harass or accuse us. The Bible says he is the accuser of the brethren. We can't listen to him, but keep our mind upon that which is upright and good and helpful and strengthening. We cannot dwell upon the negative.

We have to review this over and over and over, day after day, many times a day; especially when we are in a struggle or trial, in a lonely place, or in a hurtful situation. We have to review it, or Satan will rob us of the victory. We regain the victory immediately when we say, "Get behind me, Satan. I am going to trust Jesus. I am not going to lean upon my own understanding. I am not going to dwell upon the things that have hurt me, disappointed me, crushed me or wounded me. I am not going to do it. By the grace of God, I am going to keep my mind upon Jesus in praise and adoration and thanksgiving." And He will surely bring you out if you will trust and never doubt. Take your burden to the Lord and leave it there. This is helpful to all the peoples of the church. It is not just for one or a select few, but for whosoever will. We praise Him, knowing that He is able to keep that which we have committed unto Him against that day. He is able to change even that which seems to be impossible as we trust and never doubt. Just keep praising Him for what He is doing, and for what He will do. The Lord gives deliverance to those who will follow these instructions. We have to go over them constantly, or Satan will steal them from us. The enemy will take them away, but we must hold fast to the promise, for nothing is too hard for the Lord! God told Sarah that. She laughed and thought it wasn't possible. All things are possible with God as we trust and believe, keeping our mind upon the good things. The Lord is able to help us at all times and in all situations for His glory and praise. When we rely on Him, it relieves the mind, and relieves the pressures upon the body. Praise the Lord.

Dear Brothers and Sisters in Christ,

We have been sensing a burden for our brother, Loran, and would like to share it with you. We all know of his extreme love for all Loved Ones in Christ. We also know, by revelation of the Holy Spirit, that the work for which he has been called is still ahead of him, the Lord protecting and helping.

Brother Loran has been embracing our prayer requests for guidance and inquiry with little or no prayer support on our part. The Holy Spirit has revealed that if we would seek God's guidance in prayer for at least four hours before seeking confirmation and Divine guidance, through God's servant, it would be many times easier on him. The Spirit revealed that if it were His will, He could then grant guidance or revelation immediately, without much agonizing prayer for our brother. Of great value also, while we are praying about our own burden we will be growing in a knowledge of Himself, and the Lord may reveal His will to us.

Because of these many, many concerns in his heart, and the numerous phone calls he must make, Brother Loran is not able to get his proper rest. God has revealed that he now needs ten weeks of solid rest. The Holy Spirit also has revealed that some 300 dear ones now have the burden to pray daily for Brother Helm: God desires 70,000 to pray daily for him. . . . Over 230 times as many praying hearts are needed! The need is so tremendous beyond our comprehension. We need to keep him lifted up in prayer several times daily.

We love you all, and trust the Lord will reveal to your heart the seriousness of this burden.

In Christian love,

TOM HARMAN, JON CULLUM, and ROGER YODER.

A REPORT OF THE REVIVAL AT PARKWAY CHURCH OF GOD... SEPTEMBER 4-12 WITH REV. LORAN HELM

Difficult it is to attempt to put on paper all that God did in this eight day meeting. The sweet presence of the Holy Spirit and the power of God felt during this meeting defy words to describe. From person after person I heard the expression, "This was one of the greatest meetings it has ever been my privilege to attend.," "We just praise the Lord for revival.....

What I share here is to take nothing away from the meeting, but rather to praise the Lord more, for what happened. Wife and I were praying for several weeks, yes Months, for a real awakening, not only in others, but in our own hearts, when God revealed to us that He was going to give us a Holy Ghost Revival, a genuine spiritual awakening that would go around the World. He promised REVIVAL at Parkway and we were thanking Him for that promise.

On February 18th God began to pour out His Spirit upon us in a wonderful way and both A.M. and P.M. services found the altar filled. Rev. Bob and Dorothy Morgan came on March 18th and we were sharing God's promise to us after the evening services. God was blessing in the meeting so wonderfully. Bob said, "You and Florence just have to meet Bro. Helm so he placed a long distant call to Oregon where Bro. Helm was at that time. While on the phone Bob introduced wife and I to Bro. Helm. I shared with Bro. Helm what God had revealed to Florence and I and asked him to pray about coming to Huntsville. I was so thrilled and it witnessed to my heart, when Bro. Helm said, after we shared with him God's promise about revival, "Oh brother, that witnesses to my heart, I feel it in my heart, when you say a Holy Ghost revival there."

On Wednesday morning, June 19th standing on the Camp ground, Bro. Helm slipped his arm around my shoulders and said, "Oh, yes, brother Alexander, Jesus tells me He will be with me in a meeting with you in Alabama on September 4th through the 12th. Truly God was here... How thankful we are, and praise His name for sending His servant Bro. Helm as His instrument in giving the Holy Ghost Revival.

TUESDAY, SEPTEMBER 3rd

Rev. & Mrs. Helm, Rev. & Mrs. Hogue, Terri & Kathy Hogue were at the parsonage for an evening of fellowship and eating. We had a camp meeting experience sitting around sharing. The fellowship of the precious Holy Spirit is so marvelous. PRAISE THE LORD!

WEDNESDAY, SEPTEMBER 4th

Afternoon: Bro. Helm and I went to visit a lady I needed to visit. When we arrived at the home of Milton and Florence Lott, both of them, and she in particular, were very dejected because of a physical condition in Sis Lott was going to possibly keep both of them out of the services. God marvelously touched her body as we prayed and she didn't miss a service.

Coming back to the City and returning a different way than the way we went, I felt impressed to stop at an insurance office and introduce Bro. Helm to two ladies working there. Sue King was the mother of the young man ##### miraculously touched and brought back from death's door after an automobile accident in June. The prayer of faith was offered in our meeting together at Anderson on Saturday morning, June 22nd. (thats a story in itself, praise Him.)

Both of these ladies said, "We are glad you stopped by, our hearts are heavy." After some sharing they were invited to follow Christ, give their hearts to Him, and they did.....

EVENING

God's presence was so real, right from the opening song of the REVIVAL... almost immediately Bro. Helm began to pray for those in need. Bro. Helm said, I want to preach, but God doesn't want that." Several testified to being touched by Divine healing. Three were healed of stomach difficulty, one person was lifted from depression, one healed in the chest area.

Several received spiritual help and young people testified that they had never seen anything like this. (This happened several times in the meeting)

I asked Bro. Helm if Jesus would let him pray for a man with back trouble and he said the Lord told him to wait until Saturday night at 8:00 P.M. (Later we saw why this proved to be the time) Also the Lord revealed to Bro. Helm that we were to start having morning meetings the next day.

THURSDAY, SEPTEMBER 5th

Praise the Lord for all He did this day! Oh how I wish I were gifted to put on paper what we felt in this meeting. Bro. Helm shared God's guidance and direction upon his life... how he was told to leave all and follow the will of God. How with man it looked foolish, but how everything has shown this was God's will for Bro. Helm's life. God directed in prayer for many needs.

Testimony was given of answered prayer for release of depression, release of bondage, physical healing of the stomach, and some which I cannot remember. A Mrs. Ida Kendall of Memphis, Tenn. stood testifying of a healing some 2½ years ago and was rejoicing of still being healed, just as she sat down Bro. Helm began to pray for her throat condition (he knew nothing about any physical disorder in Ida's throat only as the Lord revealed it to him) We told us that just before Ida sat down God told him about it, Praise the Lord! God touched her throat instantly and then Ida shared with us that God had made it real to her a few weeks before that if she would wait until she came to Huntsville for this meeting God would heal her.

Francis Firestone gave her testimony that after her release at the altar #the night before she received the first full nights rest in Months. (since March)

EVENING Thursday

Month's the men met for prayer in the church office, something they have been doing for several months, God spoke to Bro. Helm during prayer and he immediately began to pray for healing in the head. Alton Calvert and Ken Cope witnessed that God touched them during that prayer. We were blessed and the regular service hadn't even started yet!

The first song for congregational singing was, "Praise Him", after the first stanza Bro. Helm stood and interrupted by saying the Lord was telling him to pray for ear trouble. At the close of the service three people testified of being healed of ear trouble. One little girl, Robin Rose was suffering with an ear ache and her father said the pain left immediately because she stopped crying.

Sis Toon, Fayetteville, Tenn. was so thrilled with the touch of God upon her body that all she could do was raise her hand and cry. Bro. Helm had prayed for someone with a blood condition and Sis Toon was the one healed. Another lady from Memphis, Tenn. was healed of chest pains. Mrs. Spivey of Hartselle, Ala. testified to being healed of chest pains she had been having for years. (These folk brought their Son and Daughter-in-law and both of them were marvelously converted and a home was saved.)

Laura Bailey claimed the healing of her stomach condition, long standing, even though two others testified of being healed also.

Friday Morning, September 6th

The morning sessions were so precious... testimony after testimony of how God was meeting needs in lives. Release from bondage, fear, unbelief, ad a new sense of praise. A Mrs. Gertrude Harding of Memphis, Tenn. was concerned about whether she should stay in Memphis or go to California to be with her daughter. Bro. Helm prayed and the Lord said, stay in Memphis then almost immediately God directed to Bro. Helm that he pray for that daughter... comfort went to her during prayer.....

EVENING

Several were at the altar (It is impossible to count how many because people would come and go after the altar service started) but during this meeting over 100 souls bowed at the altar.

One of the miracles of this service was mentioned above when the young couple from Hartselle, Ala. by the name of Spivey came and their home was restored! "Thank God for this meeting and what it has meant to our home", was their testimony at the close of the revival. The Spivey's plan to be at the retreat in October.

Jack Rehbein, who had been possessed of a spirit of resentment and unforgiveness was marvelously released. I was kneeling beside Bro. Jack and when that spirit left his whole body vibrated, in fact I was wondering if I was going to have to hold him. What a cry of victory was his as the release came. "Praise the Lord", he said... "O Praise the Lord", he continued as he went back to the seat. Again he jumped up and said, "praise the Lord, I'm free, its gone its gone, O thank the Lord." The devil was, and is, a defeated foe in the name of Christ.

How can you put down on paper all the wonderful things God did and for other testimonies of victory. To repeat Bro. Helm, "How can we praise God enough?"

SATURDAY MORNING, SEPTEMBER 7th

Another special time of victory. (I had to be in a meeting at Birmingham so cannot report on this service)

evening How God was in this service..... Glory to God! During the service, as God had revealed

to Bro. Helm on Wednesday after the evening service, He began to pray for the healing of the back of Jr. Fisk.

At the close of the service many came to the altar for spiritual needs.

Jr. Fisk stood to testify, after coming to the altar, of God touching his back and healing it. (In fact on Sunday morning he said to me, "Bro. Alexander, I received the best nights sleep I've had in over a year.")

BUT, three other were healed of back trouble. (That's the reason God wanted Bro. Helm to pray on Saturday, rather than Wednesday)

Harold Lynes, saved back in June, stood up and said, "Just before Bro. Helm began to pray a cloud came down over me and a warmth started in the lower part of my back and spread upward and all the pain left. It happened, but I couldn't believe it." (He is still telling other about his healing)

Louise Free, a wonderful Christian, said, "That prayer was for me, I was healed as you prayed." Louise has had to be in the hospital two or three times in the past to be put in traction. Last Sunday morning, Sept. 22nd. God marvelously touched her again for a pain in her side)

Sis Madie Call, was put to bed for 6 weeks by her doctor, but she wanted to come to this meeting so she got up and came on Saturday evening. She came by faith, and God had Bro. Helm pray on Saturday and she was healed... she attended to rest of the meeting. (Her daughter and son-in-law were marvelously converted on Wednesday night in the drive way at the parsonage. They had attended the service and Morris was afraid to go home, he said that God was telling him its either now or never, so they came back to the church and every one was gone, so they came to the parsonage and were saved. Patsy, Morris's wife, had a patch over her eye because disinfectant had splashed in her eye and the doctor was ##### afraid of permanent damage. Morris said he had sat up with her for the past two nights and that she was wild with pain. Patsy had followed Bro. Helm to the Lord in a prayer while sitting in the car and just as Bro. Helm started to walk away, God said, "Stay". Then Bro. Helm reached in and put his hand on the forehead of Patsy and began to pray for the healing of the eye. At the close of prayer Patsy looked at Morris and said, "Morris its gone, the pain is gone, the scratching is gone, the itching is gone, it is, it is, it is." Immediately she began to peel off the patch and in just seconds all the redness left the eye. Patsy said, "I've got to go look at my eye in the mirror, I've heard of miracles, but it never happened to me, but it has now, praise the Lord." (She told me the next day, "Put me as number one of the praise committee.)

Papela McCarty bowed at the altar and gave her heart to Jesus. (A young widow, whose husband had killed himself just a few weeks before.) At her side two ladies were kneeling. Regina Rehbein to her left and Mildred Ward to her right. As they left the altar and I was getting up, Bro. Helm said, "Oh brother Alexander I can't leave, I've got to pray, Jesus tells me that one of those ladies has a serious blood infection.

I shared with the church what Bro. Helm had felt and Mildred Ward was on her feet telling it was her and claiming the healing. (Sunday morning, her husband, Harold said to me, "Did you notice my wife's color?" Her complexion was pink as if new blood was running through her veins (you know, there was)

SUNDAY MORNING, SEPTEMBER 8th

Many souls bowed at the altar in this service also. (Ever service had souls at the altar)

In the afternoon we went to see Ricky King who had been so marvelously touched after the prayer of faith her at Anderson on Saturday morning of Camp Meeting.) On Wednesday afternoon at the insurance office, Bro. Helm had prayed and God told him to come to the Kings on Sunday afternoon at 3:00 P.M.

Sue's mother had fallen down the stairs late Saturday night and was suffering when we arrived. Bro. Helm offered prayer and God touched her body. (when we were leaving she said the pain was all gone)

God revealed to Bro. Helm as we were leaving and he was shaking hands with Rickey's girl friend, that she had something wrong in her body. Bro. Helm called me when I arrived home and said he could not rest, he had to pray for this girl. I called and had Sue call Bro. Helm.

In about 15 minutes the girl friend called me and said, "That minister you brought over here just had prayer for me over the telephone, now how did he know I had ulcers?" "He told me to put my hand over the spot it was hurting, and while he was praying the pain left," she continued. She was between a laugh and a cry all the time she was talking to me.....

EVENING

Another precious service with the power of God.

MONDAY, SEPTEMBER 9th

No morning service....

Evening

Several souls again at the altar. Sara Brown marvelously saved and gave testimony on Wednesday morning that for 15 years she had been playing at religion, but at this time she surrendered completely to God. Her greatest obstacle was cigarettes.

TUESDAY, SEPTEMBER 10th

About 7:00 A.M. Bro. Helm called to say that he had been praying and felt we should go to a families home that had invited us for coffee soon morning. After talking with Rachel Watson I made arrangements for us to be there at 9:00 A.M. Rachel said Billy, her husband, was quite sleepy until he was told that we were coming.

Sitting around the kitchen table and sharing God's goodness, Bro. Helm turned to Billy and said, "Have you ever given your heart to Jesus?" Billy replied, "No, but I know I should have, but... well someday I hope to." After a few more moments of sharing and Bro. Helm was telling Billy of men who had followed him to the cross, at a filling station, on a train, on a bus, ect. suddenly Billy jumped up and ran from the room. We were not sure what was happening until we heard weeping and crying out to God for God to save his soul, going into the living room we found Billy on his knees at the divan. God spoke peace to Billy's soul and he began hugging everyone. The glory of God began to shine from his face (Happy?, of course we were) Billy placed his hands upon his chest and began to take deep breaths and exclaim, "What is this?, I've never felt like this before." Bro. Helm shared with him that this was the witness of the Holy Spirit....

Later Billy said, "If it hadn't been for my wife and the family, and the prayers of the people I would have gone to hell."

TUESDAY EVENING

Again many souls at the altar. One young man, Clark Dennis from Fayetteville, Tenn, stood up from the alter taking deep breaths and saying between tears of happiness, "I can breath, Oh thank the Lord, I can breath. Clark said that while Bro. Helm prayed for someone with a condition in the chest (in the lungs), God touched him and he couldn't hardly believe it, for the first time in his life he could take a deep breath. He had asthma all his life and had never known what it was to take a deep breath.

WEDNESDAY MORNING, SEPTEMBER 11th

What a great time was had in this service.... how can we tell it? Bro. Helm began praying for someone with a condition in the head and immediately Deanna Petty stood to say, "It's me, God just touched me. # I've had a headache for 7 days and its gone." Deanna's mother, Mrs. Francis Firestone shared with us that Deanna had been having trouble for 7 years, they had been to specialist and none could help her, but now she is healed.... This past Sunday, September 22nd, I asked her how the head was and she said, Fine!)

EVENING

God has been drawing, wooing, leading people in a marvelous way. I have already shared the conversion of Morris and Patsy Crick because of the wooing of God in this service. PRAISE THE LORD for all His wonderful love!

THURSDAY, SEPTEMBER 12th

We went to the hospital to pray for a precious soul on the arsenal. Neither of us had ever met her, but she was a precious soul as Bro. Helm prayed the Shekinah of God lighted up her face. (Last night, Monday the 23rd) I learned that she has come through her operation and the Lord willing I plan to see her today) I shared with her this day a song Sis Helm had sung in the service one night that blessed me, "The Future Is As Bright, As The Promises Of God." To which she replied, "Then I don't have anything to worry about."

EVENING

A wonderful time of victory.... praise... and thanksgiving. A note of sadness prevailed because this was the closing service, but the thrill of hearing positive statements such as, "This did not start now, it will not end now." was a blessing.

AND DO YOU KNOW WHAT.... ITS GOING ON JUST LIKE THE LORD PROMISED....

THE REVIVAL STORY
CLATSKANIE CHURCH OF THE NAZARENE
CLATSKANIE, OREGON
William H. McPhail, Pastor

In August of 1966 we moved to Clatskanie, Oregon to become the first pastor of the Clatskanie Church of the Nazarene which was yet to be organized. A few days before we moved we asked Rev. Loran Helm how long it would be before the Lord would allow him to come to Oregon to hold a meeting for us. The Lord subsequently revealed to him that it would be over one year. So, after a year had passed we called Rev. Helm and asked him when the Lord would allow him to be with us. The Lord then revealed that he could be with us in March. We found out later that the Lord directed that he was to be here beginning on March 24th and continuing through March 31st of 1968.

We then endeavored to prepare our people the best we knew how, the Lord being our helper, for the revival we believed God wanted to begin in Clatskanie.

Rev. Helm and another brother in the Lord, Mr. Kenneth Wagner, arrived a Portland International Airport on Friday, March 22nd after a flight in which God miraculously spared their lives. The first incident occurred just 8 seconds before the plane would have been air-bound when the right rear engine exploded and the second incident occurred when the landing gear would not engage on the first attempt to land at Portland. How thankful we are that God revealed these things in advance to Rev. Helm and for the prayer of deliverance which was answered. Satan was certainly battling in an attempt to keep God's servant from being with us for these most important meetings.

On Saturday evening, March 23rd, our adult class had a dinner at St. Helens, Oregon at which brother Helm and brother Wagner were guests. God graciously came upon the scene and it seemed as though

God gave us a "teaspoon" experience of the upper room. How grateful we are for His presence. Every heart was moved as the Holy Spirit spoke through Bro. Helm and we knew before the evening was over that the revival had begun!

On Sunday morning, March 24th, the Lord directed Bro. Helm to preach on "Thy Kingdom Come". The sermon was used mightily of God and a young women who is about 21 years of age responded to the invitation. While in prayer God revealed to Bro. Helm that she was of the "intercessory body" in prayer. When one of the good women of our church who was standing near by heard Bro. Helm say that, you could see great doubt written on her face. She later said, "I thought he was talking about the wrong person." In my own heart the devil said, "Rev. Helm must be wrong about this woman." I said "get behind me Satan," for although this young woman had only been to our church a few times over a period of months, I knew in my heart that the Lord was not mistaken in what had been revealed to Bro. Helm.

After praying with the young woman she arose and her face was aglow with the glory of Christ. It was wonderful to see the mighty transformation which had taken place. To Jesus glory, within the next few days, everything that the Lord had revealed to Rev. Helm was confirmed in conversation with that young woman.

On Sunday evening she came back to the service and brought her husband who had never known the Lord. As he left the service he shook hands with Bro. Helm and said, "the Lord bless you" for he was so happy what God had done for his wife for she was radiant with the peace that she had found in Christ. A few days later he said, "I don't know why I said what I did. It just came out of me."

On Sunday evening, March 24th, Bro. Helm preached on the subject "Oh, that there were such a heart". At the close of the service no one responded to the invitation. However, the Lord had revealed to me during the service that there were some things in my own heart that weren't all for Jesus and Bro. Helm had said "either we're all for Jesus or we're not for Him at all." Toward the close of his message I recalled another statement he had made when he said, "the heart that it right loves discipline." I told my people that the desire of my heart was that I would be all for Christ and that the Holy Spirit had disciplined me during the message so that inspite of what people might think I was going to bow at the altar and ask God to cleanse by the Holy Spirit anything that was displeasing to Him. After a season of prayer I was aware that others had come while I was pouring out my heart to the Lord and I was thrilled to see that the altar and front pews were filled with people praying and weeping before God. Oh, how wonderful was the victory of that service, we praise the Lord for it. (How important it is to obey God. If we wouldn't let pride stand in the way think of what could happen in the church today!)

One of the women of the church was wonderfully cleansed in that service. She has testified since that she had had the awful habit of swearing but since then the Holy Spirit has even taken away the desire to say the things which she said before.

On Tuesday, March 26th Bro. Helm spoke to the Clatskanie Area Ministers' Association. Present that day besides myself were pastors from the Baptist, Assembly of God, Community Church and Presbyterian churches. The Lord really anointed Rev. Helm and when he concluded speaking the president of the association said, "I don't believe we have any more important business then to pray."

The Lord alone knows what all might be the results of that ministerial meeting!

At the conclusion of the minister's meeting the Lord revealed to Bro. Helm that it was important to get to the home of the young woman who had received victory on Sunday morning. When we arrived we discovered that her husband's work scheduled had been changed late the night before so that he was home. She was happy in Jesus and was really praising the Lord for what He had done in her life. Her husband also said that it was wonderful what God had done. After sharing in the things of the Lord Bro. Helm was able to lead him to Jesus and he was wonderfully converted. (Praise the Lord for that!) The testimonies of this couple since the revival have really been precious. They are really growing in the Lord. God is already using them in our church.

On Wednesday, March 27th we felt it would be alright to take Bro. Helm and Bro. Wagner to the Oregon Coast for it is such a beautiful place and we wanted them to see it very much. As it turned out it was so stormy that they could not see much but the Lord let us go back on Friday.

As we were leaving to go to the coast I felt impressed to ask Bro. Helm about a new car we had ordered. (It was the first time in our lives that we had ordered a car so that we would have just the color and equipment that we wanted.) We I asked "Does the Lord want us to get the car we have ordered" Bro. Helm said "Well brother, I don't know but we can ask the Lord about it." So, after a little while the Lord revealed to Bro. Helm that we were not to have that car even though it had already been ordered and was due to arrive at any time. As Bro. Helm prayed about it the Lord revealed that

there was trouble and death in that car. As he prayed further the Lord revealed that the trouble was in the area of the transmission. So, as soon as we returned to Glatskanie I went to the dealer to tell him I didn't want to get that car. Before I could say anything the dealer* said, "Say, your car came in today but something is ~~wrong~~ with it, there's a vibration in the transmission and we haven't been able to fix it yet." When I told him that is what I had come to tell him he could hardly believe it. Since, however, the salesman from whom we had ordered the car wasn't going to be in the salesroom until the next day they told us to talk to him on Thursday.

On Thursday morning Bro. Helm and Bro. Wagner went with us to the dealer, but the salesman wasn't in yet. After talking to some of the other men and going across the street to look at some cars on the lot one of the owners came up to us and asked us if he could help us. We told him the story about the car and of course he was quite taken back. After conversing for a while he said, "We will have the car fixed in a few days. After we fix it take it out and drive it and then if you still feel uneasy about it maybe we can work something out." He left us then and went across the street to the showroom. After he left Bro. Helm said the Lord had revealed to him that they would not find the source of the trouble easily and that after they thought they had it fixed it wouldn't be. The Lord also revealed that something had been put together wrong at the factory.

When we started to cross the street to leave Bro. Helm said, "Wait a minute" for the Lord didn't want us to leave yet. I said to Bro. Helm "Does that mean the Lord has a car on this lot we are to have?" Bro. Helm walked over to the cars and began to pray and the Lord revealed that we were to have a sports ~~model~~ model.

* Not the dealer himself but one of his men.

The car was bright yellow with a black vinyl top. I said, "Oh, my that's an awfully sporty car for a preach, but the Lord had said that this was the one. To Jesus glory it is the best driving car that I have ever owned. Bro. Helm said it rides in comparison to his car which is a much heavier car."

Today (April 8th) the Lord led me to eat my lunch in town and while I sat there one of the owners came in and sat by me. He told me that they have never had a car where they had so much trouble finding out what it is that's wrong. The first time they thought they had it fixed it wasn't. Now they have discover something was put together wrong at the factory. When I told him the whole story about the car he said, "I think that I am going to get rid of that car after what you have told me."

After the altar service on Wednesday, March 27th the Lord revealed to Rev. Helm that there were three person that were to be healed. After a short prayer our song leader stood and said that he was one of the three that had been healed. I had been with him almost two weeks before when he had fallen off a four foot concrete wall and land partially on a steel wheelbarrow and had hurt his back real bad. But during the prayer the Lord removed all the pain and he was able to sit with pressure on his tail bone without pain for the first time since his fall.

The next night one of the men stood and said that he too had been healed but that he was so stunned when it had happened the night before that he couldn't say anything. He said that 17 years ago he had been in a car which hit a tree going 50 miles and hour and he was thrown through the windshield putting him in the hospital with 40 stitches in his face and that he has also had back trouble ever since. But to Jesus' glory he can now lift things he could never do before because of his bad back.

One of the women in the church then stood and said that she was another one that had been healed for prior to that she had been able to walk up stairs with great difficulty. She said she had to put her foot on a step and then bring up her other foot but could not walk up steps normally ~~with~~ by placing only one foot per step as she climbed. But now because of the healing power of Christ she can climb steps normally.

Never before since I have been in the ministry has a church which I have pastored seen such a revival. Every family which was part of the church has moved up spiritually. There was not one family that held back. To Jesus' glory many others were saved, sanctified and healed during the meetings. A wonderful spirit of loves is present in the church. A first time visitor to the church said, "You can see it on the people's faces, it's wonderful."

Sunday (April 7th) was the first Sunday since the meetings closed and God was present. In the afternoon the Lord told me that Rev. Williams, a minister who attends our church, was to preach. The devil gave me a real battle but God really blessed. When the invitation was given the altar was filled. One man who came to the Lord has cancer and his wife has been praying for him for along time. After he got the victory he stood and testified three times. Others were saved and some came to surrender their wills to the Lord. The revival has just begun.

Time or space does not permit us to tell all the experiences God gave through his servant Rev. Loran Helm. To any and all who read this account I want to go on record as thanking the Lord for the ministry of Bro. Helm. I recommend him unreservedly to any and all who sincerely want to obey God and are looking for God's man.

William H. McPhail

Pastor, Clatskanie Church of the Nazarene

A personal letter from Jon Cullum, now employed in writing Rev. Helm's pilgrimage:

Dear Ones in Christ Jesus,

I'm unable to convey in a few words the high privilege and deep satisfaction I have enjoyed since beginning work on the manuscript of Rev. Helm's pilgrimage, to be entitled "A Walk with God."

In the last months we have culled many wonderful experiences from the numberless precious guidances and directions of the Holy Spirit through His servant over the years. These experiences have been gleaned from numerous tapes of past revival services and the sharings of individuals. I must tell you that the Holy Spirit is so much within these tape recordings that I often laugh while I am transcribing them--laugh with a joy similar to that when I was first converted; or I weep at the sacredness of God's sweet love to His children. Sometimes I just lift my hands and praise the Lord for His great faithfulness. Jesus is truly continuing to work through the retelling of His guidances and directions in years past.

I believe that this is how the Holy Spirit can anoint the individual passages of the completed book, "A Walk with God." In fact, He has witnessed to men of God that a very great number of people will be drawn to Himself while they read the pages of this pilgrimage. Some will be healed; others will be greatly encouraged; and still others called back from straying to a humble, consistent walk with Jesus. Isn't that precious?

My, how I wish each one of you could be with me as I edit tapes of services and sense again the same sweet power of Jesus radiate from that tape recorder! I'm certain that this happens only because God's servant has been obedient at every small point in his life to the leadings of the Holy Spirit. And because Jesus Himself was ordaining and directing that original service, the power of God operates again through the tape recorder! I regret that each one of you can't share in this particular privilege along with me. I know that you would be thrilled and lifted in your heart.

However, I also have another regret--I do not have a record of what God has done through His servant for you. While traveling with Rev. and Mrs. Helm in revival services these past two and a half years, it has been my high honor to see God work miracle after miracle to dear ones in the congregations. Bodies have been healed at the direction of the Holy Spirit. Those healed often were not seeking healing; but Jesus knew the need and simply revealed it to His servant in order to give all glory to God. It has been marvelous how He has revealed! Because of His sacred guidance burdens have been lifted; hearts have been transformed; lives have been rearranged for Christ; tragedy and death have been averted--all because of the leadership of the Holy Spirit through a faithful servant.

I WOULD LIKE TO KNOW YOUR STORY. How has God touched your life through His servant, Rev. Lorcan Helm? Since you are receiving his

monthly letter I am certain that at one time, and perhaps more than once, you have experienced the wonderful touch of God upon your life through His servant in some specific, memorable way. This precious touch to you or to a loved one is probably why you first requested to be placed on Rev. Helm's mailing list. Isn't it amazing how Jesus works often in seemingly small, insignificant ways?... But what He does is always monumental and refreshing and redemptive. Praise the Lord.

I would like to have your testimony of how God worked in your life through Rev. Helm as a possible section for the book, "A Walk with God." We have only a small idea of what is to be included in the final draft, and we are trusting the Holy Spirit to select and finalize all materials. We know that there will not be space to include all guidances and revelations and answers to prayer, even though we would want to do so ourselves. We believe also that we should seldom include personal names in the testimonies. Instead, initials will be used more often than not in order to give all glory to Jesus and not draw attention to individuals.

But each one of you is so very precious; and what God has done for you is a Divine gift, in which many can share. We want to hear of the way God worked through Rev. Helm to you only to encourage all peoples that God can and wants to operate through human vessels, if those persons are wholly yielded, hide lowly at the foot of the cross, and seek only to do God's will. This book is being compiled only because the Holy Spirit has revealed it, and only to completely and in every paragraph glorify God and exalt Jesus.

"But nobody's interested in my little story," I can hear some of you say. "Besides, I can't write well and I'm a terrible speller." Believe me, I know exactly how you feel, dear ones. If I were writing this letter by hand, scarcely any of you could make it out, my handwriting is so poor.

However, I know that if you earnestly pray, "Jesus, help me...anoint me in sharing what you've done for me. Help me to exalt your Name, for I'm nothing and you are Everything." --God will send help abundantly. Please don't worry about grammatical structure or spelling. If you cannot type or write your experience, perhaps you could record it on tape for us to transcribe. Either the cassette tape or the reel tape will be fine.

Most important, time is so very short. Jesus has witnessed that this book should have been compiled several years ago. I will need your sharing very, very soon so that I can try to arrange and select those experiences to be included in the completed manuscript. It will take Jesus to help in every detail, for Satan opposes this project at every turn. So don't become discouraged if it seems difficult to recall how God worked through Rev. Helm in your life.

PLEASE TAKE NOTICE!--The devil will rage to

(over)

to make you indifferent to this request for your testimony in proportion to its importance in the book! If you are unimpressed by the seriousness of this book and the significance of your testimony in it, please know that this is Satan trying to rob you of a rich reward and deny God's people of a deep blessing.

There are only two Voices speaking to you-- the one trying to deceive you, the Other desiring to lead you to the very best. Jesus would never make you indifferent or unimpressed to share what God has done for you. Since Satan fights only that which the Holy Spirit is in, the more your mind is darkened to recall how God worked in your life, the more your testimony will probably be used to lift God's people and touch the hearts of sinners.

I know that it may be difficult to find time to write this personal testimony, but please press in the Spirit to complete it. I believe your testimony will reach more people than you would think possible! It is encouraging to know that the harder the battle, the greater the victory. Praise the Lord!

May I suggest that, as you write, you include all the little details that you can remember? Sometimes it is a specific word spoken in prayer that exactly fitted the need at hand. Often it is the exact revelation of sickness or spiritual problem that made God's inter-

vention in your life so miraculous. On other occasions it is what God has been able to do since He first touched you that is equally thrilling and uplifting.

We want simply to tell what Jesus did, just as He did it. Nothing could be more exciting to the hungry heart than that. We want to add nothing to what He has done, nor do we want to omit anything.

Thank you for your kindness in talking with me these few moments. I truly look forward to hearing from each one of you (and it will take the Holy Spirit to let you know how deeply I really mean that). Please send your praise-filled sharing real soon, won't you? Some have already sent their testimonies, and I wish to thank you for this.

But it would help so much to have every testimony to me by the first of March. I know that March 1st will come very swiftly, but I believe that it can be done for His glory.

Please send all materials to:

Jon Cullum
Box 311
Parker, Indiana 47368.

Above all, please don't become discouraged. Just write or record a little at a time. Perhaps you could even sit down right now or this evening and make a few notes about your experiences with Rev. Helm, so that you can get started right away.

In the meantime, will you please remember me in prayer as the Lord helps you? I am a very limited and needy servant...this assignment is serious...I need your prayers.

Thank you again.

Your brother in Jesus,

Jon Cullum

Dear Ones,

Elect according to the foreknowledge of God the Father, through sanctification of the Spirit, unto obedience and sprinkling of the blood of Jesus Christ: Grace unto you, and peace be multiplied.(I Peter 1:2)

How I long to adequately appreciate and give proper thanks to God for the guidance, help, and faithfulness of Jesus through the Holy Spirit. Yet, I sense within me an utter failing to reach even the first plateau up the mountain of the thanksgiving due the Father. How worthy the Lamb! How wonderful the Kingdom of God!

Before I make an important announcement, I want to share with you how we have been privileged to see the Lord work in recent days.

We had occasion to be in Alabama recently and desired to fly home, but the Holy Spirit said to take the bus which is nearly a 20 hour trip. It seemed as though there was to be some encounter along the way. Sure enough, while at a cafeteria we had opportunity to share with a dear lady employed there. She was obviously tired, so we spoke a few simple words of encouragement, how Jesus could help her and give her strength, and how we were thankful for His help and that we were trusting for her. Her eyes lit up, the tired look left...as she responded that she believed me. I helped her carry some trays to the back. I was touched when, in a little while, she came over and gave me two post cards of that town to remember her by. Wasn't that precious?

Then in Nashville a change of bus was necessary. As I stepped onto the new bus, the Holy Spirit said to sit on the left side. As I sat down in the empty space I said, "Jesus, this seat by me is empty, please get the right person here if you want me to share." There seemed to be only one other solitary person getting on--a young soldier--but he sat down in the empty seats directly behind me. It looked as though there would be no one with me. But just then a couple, who had been looking for two seats together, asked the soldier if he minded sitting with me. He said, "No" and slipped into the seat by me.

Revival For Our Day, Inc.
Mr. John K. McAdams
Parker City, Indiana 47368
May 2, 1976

Glory to God! The meeting was on! For lack of space here, I'll only share that I found that he had just given his heart to Jesus three days before and although he was thrilled, the enemy had been assaulting him. He was confused and badly needed encouragement and some council, which Jesus proceeded to pour through this poor vessel for the next two hours.

I found that he was soon to receive a medical discharge due to a condition of epilepsy. Near the end of our sharing, Jesus said He would allow prayer for this boy's healing. I asked him if he believed with all his heart that Jesus could heal him. He emphatically said..."Yes".... I took his hand and quietly asked Jesus to heal and deliver him. I felt the Holy Spirit working in my heart as I prayed this humble little prayer.

The young man was thrilled. I told him that if he would repeat very often, in the coming days, "Jesus healeth me." and continue to give God all the praise and resist the enemy, that I believed Jesus would complete the work of healing and deliverance. Please pray for him to be faithful. The Lord may use him in some way in the Kingdom.

As we parted, I gave him A VOICE IN THE WILDERNESS, and told him I would let him know when the next Waiting on God would be. We are in debt for the Holy Spirit's help in this meeting. You see, if we had not wanted God's will in our method of travel, these precious meetings would have been missed.

Last week, a man came to remove some awnings from our home. When he finished, we stood in the yard and shared for 90 minutes about the Lord. Suddenly, he started to weep. I could tell that the Holy Spirit was calling him to repentance, but as I started to lead him in a prayer of confession and repentance, someone walked up and broke the mood of the moment. I trust to be able to pray with him another time or that he will in some way answer the call of Jesus.

Then, last Tuesday, we were privileged to be with the Mentone fellowship group. The Lord was wonderful to help during the

evening, but when the usual adjourning time came, Tom Harman had a strong leading to continue. When he shared this burden--that the Lord was leading to continue, that perhaps someone needed to confess something or return to the Lord,---a young lady sitting with her husband, a business man in Bourbon, Indiana, with her eyes bright, hand over her heart, said intensely, "It must be me, my heart is pounding. I'm not a Christian, but my heart is pounding so hard. I've put off being a Christian for a long time. But I think now is the time."

There was victory in the camp! Her husband wept and rejoiced. He had been shown two days before that she would be saved within five days. Praise the Lord!

Well, there are other things we would like to share but I must get to the main reason for this letter.

Jesus has revealed we are to have a WAITING ON GOD Tuesday, June 22 starting at 7:00 a.m., continuing through and ending with a fellowship breakfast on Friday, June 25, 1976.

Due to the National Jaycee convention being held in Indianapolis that week, we must meet in another city. This meeting will be held at the beautiful AMERICA'S HOST INN, Jeffersonville, Indiana (on the banks of the Ohio River across from downtown Louisville, Kentucky. It is the first exit off Interstate 65 north of the Ohio River on Riverside Drive in Jeffersonville.

While this facility has a meeting room large enough to readily handle our group, they can provide only 150 guest rooms. Once these rooms are taken, the overflow reservation requests will be made at the Marriott Inn, about 1 to 2 minutes away by auto. Both of these inns are commonly owned and work closely together.

I would encourage you to send your reservation requests immediately. Any one that must be housed at the Marriott will be notified by America's Host that such is the case.

Rev. Helm made special mention that only those persons striving to be obedient in

every area of their lives should make arrangements to attend. Those living in any degree of disobedience (this means known disobedience) will pull the meetings down and quench the leadership of the Holy Spirit.

Also, please come seeking nothing but God's will--not anticipating any particular movement of the Spirit. May we be very careful not to put our emphasis on any gifts, manifestations or blessings, but on the real need of each child of God, that is, the need to die out to our own desires in obedience to the leadership of the Holy Spirit,--to think on heavenly things, to let Jesus slay us in the inner man and in so doing, fill us with His agape love.

This is the proof that we are filled with the Spirit of God (if we have love one for another). It is in this love for all people, given by God to those who continually surrender their own will, their own rights, to do His will, that the real Kingdom of God is come on earth. The Kingdom is not evidenced by emphasis on gifts, manifestations, experiences, or doctrines. Oh that we could really hear and understand this seemingly simple fact. Oh that we would strive with all our power to deny Self to make this love a reality in our fellowship.

Wouldn't it be wonderful if we could be so slain, so in the spiritual man and dead to the carnal man that we could receive some meat without choking, that the servant wouldn't have to feed us milk. Perhaps the power could fall.

Pray for safety in travel, that all facilities will be sanctified, that the Holy Spirit may have right of way, and that our hearts may be cleansed.

We love you and desire the very best in Jesus for each one.

For the Kingdom,

John McAdams

God's love is a garden
Of fragrances so rare,
Each flower a pilgrim redeemed
That He has planted there.

How great is God's love, how wonderful is His kingdom. The kingdom that is within the heart and soul of the cross-bearing pilgrim.

The following is a sharing from God's Word which the Lord gave us as we were praying about what to write for this letter.

There is in the Word quite a bit said about stones. Some were used to build alters, to commemorate a certain spot where God delivered His children or revealed Himself in one manner or another. Some were used in slings to fell giants, there were tables made of stone, images made of stone, stones used for milling grain and for casting about the neck of the offenders of the children of God. There are stumbling stones, brimstones, headstones, cornerstones, hailstones, chalkstones and hearts of stone. There were stones that could be made into the children of Abraham and stones ready to give God praise. There were also stones used for throwing and casting, as in Lev. 24:16.

What we wish to discuss here is the latter, "stone throwing" dealing with the person of Jesus in the Gospel of St. John.

In the 8th chapter, Jesus uses some of the strongest language in dealing with the Jews. Telling them because of the hardness of their hearts and the callousness of their tradition that they were indeed the servants of sin and of their father, the devil (vs 34 & 44). In their darkness they could not see beyond the grave to the Light of the World. Jesus then declares to them that He is the Son of the Father, the Eternal God and the Jews were so infuriated that they took up stones to cast at him (vs 59). They thought to use the law, which had provisions for death by stoning for certain offences, to appease their carnal rage. Without the revelation of God, the Law becomes of non-effect. Because we tend to bend it toward our own self interest and exultation. Only as God interprets the law can we have true justice.

Then again in the 10th chapter of John, the 31st verse says, "Then the Jews took up stones again to stone Him". Why in this instance? Because He again declared His divinity (vs 30). He met the Jews, God's own people, with the greatest challenge that they would ever face, a confrontation with the holy divine, pure Son of God, God Himself in human flesh. Their problem was in recognition. They knew the law and the prophets, many by heart, but they knew nothing of the Spirit. They were just coming out of 400 years of darkness, there was no prophet to interpret the revelation of God to man.

In times of darkness, as we are waiting for the light, if we do not remain tender and submissive to God, we will become hardened in our theology and get into such a pattern that if light comes in any way varied from our boxed-in ideology, we will get the idea that it can't be true and we will fail to recognize that for which we have been waiting. Instead of embracing it by faith, through the promise and revelation, we will doubtless throw carnal stones at it.

As the Jews sought to stone Jesus, they proved that:

1. They did not understand the scriptures though they knew them by heart. They, as we (if we are not cleansed in our inner life, dying out second by second) will throw stones of one kind or another at that which is new or that which we fail to understand.
2. They saw Him as something different; different in doctrine, different in dealing with sinners, different in that He caused the halt, maimed, and blind to be whole and come away seeing. We always tend to throw stones at that which is different. Someone with a different color, different hair, or speech. There is a quality in us that fears change. That which is different poses a threat to us.
3. They wished to stone Jesus because they saw Him as a threat to their comfort and security. They were comfortable in their offices of indifference. They had no wish to be bothered. When one came claiming to be the Son of God, upsetting their theology by saying that we must deny ourselves and be inwardly crucified, their carnality would not let them believe. That spirit within them became so enraged that they thought to stone Him--legally murder Him.

If we were to write a contemporary church history, one thing that could be written might be that we were great stone throwers; hurling stones of criticism at that which is new or misunderstood. Rolling stones of doubt and unbelief over the truth because it doesn't fit into our theology box.

Any time we criticise or find fault with anyone for any reason, whether true or not, we are in effect throwing stones at them just as surely as if we were to reach down and grasp a stone and physically hurl it in their direction. Stones of criticism never miss their mark. Criticism always hits its object and does irreparable damage. The mark that it always strikes is the tender heart of Jesus. If we find fault with the least person on earth, we are of a truth standing alongside the Pharisees of Jesus' day with a stone in our hand.

Be encouraged, God is able. We love you all so very much.

Dear Ones in Jesus,

Because of the marvelous work of the Holy Spirit to my heart, I AM EXCITED!

Here's part of the reason...A precious person in Parker City had suffered one affliction after another throughout the winter and had been unable to fellowship regularly with others who loved Jesus. In her desperate hunger for the Kingdom of God in operation, she began to play the tapes of one of the Waitings on God.

After some time of listening, she came to a place on the tape where Rev. Helm had been led of the Holy Spirit to pray for someone suffering in the bowel. He said, "Jesus...just walk right in the room where they are..." And when those words were played back on the tape, Jesus stepped right into the room where this person was listening. He laid His scarred hand on that affliction and it was instantly gone! Praise the Lord!

God's loving faithfulness to heal a dear One at a previous Waiting on God was still operating through the tape months later, miles and miles away from the original scene of the prayer! Isn't that almost too marvelous for our minds to comprehend?

The Dear One whom Jesus healed while listening to the tape was so wonderfully startled and thrilled she scarcely knew what to do. She had heard Rev. Helm ask Jesus to go into someone's sickroom before; but she had no idea of the wonder of God's presence when such a prayer was answered. She was not only healed in her body, she was greatly lifted in her soul, and a brooding oppression was instantly driven away like some black storm. When she shared this miracle of God's Kingdom continuing to operate in power through tape recordings of services months before, her face was shining with the joy and victory of Jesus. I wish you could have seen her. It is quite a simple matter to read these feeble words about such a rare event. But if you only could have seen her face and heard the tears of great appreciation, your heart would be more than slightly moved, I am certain.

Oh, how we want to give God praise for this! He alone can make taped recordings of a service where God is leading as meaningful as the actual service. And sometimes one receives much more from the recording than from the actual meeting. I have heard many respond in amazement (and have experienced it repeatedly myself) when they first heard the tapes of a Waiting on God which they attended: "Why, I didn't recall that happening!" So much escapes us while we are waiting together on the Lord which He so kindly reviews with us as we hear the tapes over and over again.

I am so excited to get these fifteen tapes from the September 1976 Waiting on God to each of you...AND I REALLY MEAN EACH OF YOU!

Consider, if you will, this hypothetical situation: What if you or I received through the mail a little postcard with this message on it: "The recipient of this card is eligible to receive the sum of \$1000.00 Cash Tax Free. To receive this sum, this card must be returned to sender within 10 days of date marked above." ?

Do you think that either you or I would fail to quickly seal that homely little postcard in an envelope, rush it down to the Post Office, and speed it back to this mysterious sender clearly marked: AIR MAIL SPECIAL DELIVERY ?

Of course not. In terms of much needed cash, we usually respond swiftly and enthusiastically to unexpected opportunities.

But I wish to send you a much more important "postcard" with an offer which far exceeds the earthly equivalent of \$1000.00, or even \$100,000.00!

I believe that the treasury of God's guidance, revelation, instruction, healing, exhortation, and fellowship in the Spirit to be unearthed within these fifteen tapes will not only purchase you more joy in a few moments than the \$1000.00 could give you in days of spending, but they could be the key to unlock that hidden door of secret longing in your soul unknown to anyone but God.

I would surmise that the majority of those who were privileged to hear the masterful sharing on Noah by Rev. Helm on tape #2 can barely remember the poignant significance to each of us as we are endeavoring to walk with God and permit Him to use us to fashion a vessel of salvation the likes of which the world has yet to see: for there will never be another vessel fashioned just like the one He wishes to make out of us or out of each of the precious fellowship in Jesus across this land and around the world.

Or how could one put a price tag on the anointed sharings of "The Great Supper", "The Witness of the Spirit", or the brief but brilliant sharing on "Hearing"? Any one message would have been worth a journey of thousands of miles or more, not to mention the unusually anointed Word by Pastors Lester Alexander on a "Thankful Spirit"; Robert Morgan on "The Roadsides of the Kingdom"; Leon Nunley on "God's Masterpiece"; Paul Hill on "Jonah"; and James Wright getting shovel in hand to "dig some ditches" for God to fill with torrents of blessing.

Woven throughout the three-and-a-half days there is such an excellent Spirit of Christ Jesus, such hallowed blending of joy, thanksgiving, agony, and utterance that it was nearly impossible to leave out any portions. In themselves, the musical selections which the Holy Spirit requested stand as some of the finest which Rev. Helm has heard anywhere in the earth, to Jesus' glory:

for God selected the numbers; He appointed the musicians; and He gave unction to the presentation.

I would default in loving each of you greatly if I did not do my best to persuade each of you to SOMEHOW get access to these fifteen tapes before this coming Waiting on God in June.

THE INSTRUCTION CONTAINED IN THE SEPTEMBER 1976 WAITING ON GOD TAPES YOU WILL FIND INDISPENSABLE PREPARATION FOR THE DAYS OF WAITING SOON TO ARRIVE IN JUNE.

I know there is little time. The fault is greatly mine, and I apologize for this great delay in editing them. But I have done my best, though that be delayed.

I know that money is short and that a number of you are saving for the June Waiting on God expenses.

BUT PLEASE DO NOT LET TEMPORARY TIGHTNESS IN YOUR BUDGET CHEAT YOU FROM WHAT THE HOLY SPIRIT WANTS YOU TO RECEIVE FROM THIS LAST WAITING ON GOD IN SEPTEMBER!

HERE ARE 3 WAYS YOU CAN GAIN ACCESS TO THESE HOLY GHOST-LED SERVICES NOW:

1. Order your complete set of 15 tapes today. Send only a small down payment or nothing, if you have no money to spare. Simply check the blank "PLEASE BILL ME" and you will be charged the outstanding balance on account at no interest. You may then make payment against this outstanding balance as finances are available.
2. Go together with one or more persons to purchase a GROUP SET OF TAPES. Share the expense and the tapes among you. Each can be listening to different tapes at the same time in your separate homes.
3. Churches or Fellowships may wish to initiate TAPE LIBRARIES, ordering two or three sets of each Waiting on God for their constituents to "check out" tapes or sets of tapes on a regular basis.

ABOVE ALL, PLEASE DO NOT FAIL TO GET HOLD OF THESE GOD-FILLED TAPES! Don't let Satan convince you that you are not supposed to be in debt and therefore cannot charge the tapes. Don't let him persuade you that you are already too indebted to start another charge. I BELIEVE WE CANNOT AFFORD TO MISS THE INSTRUCTIONS OF THESE WAITINGS ON GOD AT ANY COST.

Now I have done my best to persuade each of you in passionate honesty of soul to get hold of these tapes by some method or another. I personally believe that few of us will be able to stand in with God's servants. I personally am convinced that we need the anointing and review and refreshment contained within these simple

recordings of sacred times much more than we know. I wouldn't want a single one of us to miss that for which we were born.

And now...will you mail your order at once before it is forgotten? Thank you for doing it.

Because of Jesus,

Jon Cullum

CONCERNING THE WAITING ON GOD-----

Praise the Father, the Son and the Holy Spirit. It is surely marvelous to be a part of the Kingdom of God, to share in His fellowship and that of the fellowship of believers.

I trust it will be helpful to explain the eating facilities and arrangements at the America's Host Inn for the coming Waiting on God, June 19, 20, and 21st. Please consider the following:

1. The Inn will offer no special menu or price in the dining room. Any meals purchased there will be at the regular rate.
2. The Inn does not have space in their regular dining room for very many of us to eat. This is due to the large number of regular dining patrons.
3. There are no close-by outside eating facilities.
4. The possibility of a substantial daily charge for the meeting room exists if we have too few eating the banquet meals.

At this time, 600 people have pre-registered for the Waiting on God and we have only an average of 105 persons eating the meals. As you can understand, this is really not enough meals for us to have the meeting room without charge.

I know that buying all the banquet meals is very difficult for many of you and that often a sacrifice is made just to attend these important times of Waiting on God. So, we would ask only that you do your best to help in this matter.

The America's Host Inn is located immediately off I-65 at the Jeffersonville, Ind. exit on the banks of the Ohio River. (Going South --take the last exit before crossing the Ohio River into Louisville. Going North--take the first exit off I-65 after crossing the Ohio River.) The first meeting is scheduled to begin at 7:00 a.m. (C.D.T.)

Thank you for your understanding and patience. Trusting Jesus will give help and protection to each one of you. We love you.

REVIVAL FOR OUR DAY, INC.

Parker City, IN 47368

March 2, 1977

We wish to share with you concerning the recent meeting at Asbury College, Wilmore, Kentucky. John McAdams and Roger Yoder write the following accounts of the meeting held February 12 and 13.

John McAdams
Parker City, IN.

To Every Precious Citizen of the Kingdom of Peace:

We give praise unto our God for your love and faithfulness to His Kingdom and His servant. We thank Him for the times you have stood with called men of God, steady and stable through the battle, not fearing man, and resisting the enemy of our souls.

We honor the Father for every time you have ministered to the widows and orphans, for every time you have served one another, preferred one another and for each demonstration of a gentle, childlike spirit.

All of the glory must go to God, for without the transforming, efficacy of the Blood of the Lamb and the work of the Holy Spirit, we are little able to be faithful, strong, and childlike. I desire such attributes in my own heart. Oh Lord, help me to submit.

The Lord privileged Roger Yoder, Edward Helm and me to meet with dear ones at Asbury College recently. It was so precious, so holy and wonderful how the Holy Spirit led and manifested Himself to our hearts. At times, it was as though the walls of the Gordon Lilly home had been transformed into the walls of the Kingdom, as though a portion of the Kingdom had descended upon us; not in great glory but in peace and gentleness, in rest and intimate sweetness.

Roger and I both felt that unless Jesus did a miracle we would have nothing to share after the first fifteen minutes of the first meeting. We went crying out for the guidance of the Holy Spirit to know what to do and say; to be in holy order and meet the needs of the dear ones. We needed help and Jesus sent the miracle! Praise God!

We met Saturday evening, Sunday morning and afternoon, each time from two-and-one-half hours to three hours and the Holy Spirit directed without any pressing, awkwardness, or uncomfortable straining. The times of sharing, song, prayer or testimony flowed easily and wonderfully together. It was all because of Jesus, not us.

I marvel at how the Lord helped Roger and me together. Consider how much confusion and pressure could be created where two persons are in charge of conducting a meeting. If the two were trying to exert themselves rather than yielding to one another and letting the Holy Spirit lead, it could be disasterous.

The Lord blended us together so perfectly, however, that, to Jesus' glory, we were able to compliment one another. For example, at one point, on Saturday night, the Lord said, "prayer", and as I went around the room to see who was to pray I couldn't find the specific one God wanted to pray but I knew in my heart it was on the left side of the room. Roger was sitting to my left and could see that side of the room better than I. He was able to see Betty Bishop and knew that she was the one to pray. How God helped her!

We had dinner in the campus dining room on Saturday evening. It was the annual Valentine dinner with steak, candlelight and entertainment. We were thankful that the precious Holy Spirit would witness to be at Asbury at this time. We enjoyed their best meal of the year.

Edward Helm told us on the way to Wilmore that he felt led to take a certain family to dinner the evening we arrived. He did not learn until later that that family had no food provision or finance to provide food for that evening's meal. Praise the Lord.

Our hearts were stirred as we entered the dining room to see these several hundred beautiful young men and women. Oh, the potential for the Kingdom of our God. What could be accomplished if each of them would give every desire and decision of

their heart and life to Jesus? If even a handful would deny self and come to nothing, God could send the Power upon the world. I was stirred then and I'm no less stirred as I write this. Hallelujah! I pray that each of us will not fail to take up our cross and follow Jesus.

I am still marveling how the Holy Spirit continually had us sharing in the areas where dear ones had need. Jesus directed it all for we had no notes or preconceived ideas as to what to share.

Saturday night's meeting led into two areas of sharing. Through Cindy Brant's testimony we were led to II Corinthians 12: 9-10 where Paul tells us to glory in our infirmities, that the power of Christ may rest upon us, for our strength is made perfect in weakness. As we are placed upon the rock of bodily affliction, locked in the lion's den of adverse opinion, tied to the stake of life's consuming problems, we begin to see that our strength is not sufficient. We are humbled, reduced and broken. We are made ready for the Forger's crucible of self-refining. We find less offense in the cross of self-denial. As the impurities of self-sufficiency, intellect, and self-esteem are burned out, a deposit of pure alloy develops, it's strength made perfect in weakness, tempered by the gentle Lamb of God. Here is found the POWER of Christ, here is the JOY of the Cross and, by God's grace, we can say with Fenelon, "Oh cross, good cross, I embrace thee."

Bill Pursley began to share how he was beginning to see that we really can't depend upon our own understanding; he was seeing that he had reached the end of his own resources. That is where the Holy Spirit operated, "own resources".

I asked Roger to sing, "He Giveth More Grace." One stanza says, "When we reach the end of our hoarded resources, He giveth ..." It was sung so sweetly and with a precious anointing. It fit so perfectly but we especially marvelled that Roger and I were singing that very song just before the meeting. Jesus wanted us all to get that in our hearts. He will give the grace only when we reach the end of our resources. God is to be praised for His guidance.

On Sunday, we were led into a precious area of claiming our inheritance. Although the sharing was very poor and halting, God helped us catch a glimpse of some of the wonders and privileges that are ours if we will claim them. I was delighted when, trying to illustrate the journey to the land of our inheritance by stepping on the rocks (Jesus), the Lord showed me that if we miss our step and get in the mucky quicksand, we need only to lay back and rest and let Jesus pull us out as the mire loses its sticky grip on us. If we fight and struggle, the suction only increases its hold upon us and continues to pull us down toward darkness.

Dear Ones, we are so in debt how the Lord, through Roger, brought us, during the Sunday afternoon meeting, to the subject of love and choosing a companion. This is such a desperately important area in which to allow God to make the choice. Before we knew it, we were in an atmosphere of humanly personal and yet somehow holy intimacy that only the anointing of the Holy Ghost could create. We are trying to be thankful and trusting to remember some of the preciousness of it all.

We praise God that as He led, questions were answered, encouragement received, burdens lifted, bodies healed and personal guidance provided. Hallelujah Jesus! You did it all. Glory be forever unto the Most High God.

Janet and I love you dearly in Jesus, you are so precious to us. We are humbly grateful to be your servants and are trying to really know in our hearts what is true, that we are the lowest and most nothing of all.

We are unworthy to ask, but we feel a desperate need for your prayers that we will be faithful in all things. Thank you for each petition. Until we have opportunity to see you, may the Lord of Heaven, the very God of the universe, guide you into paths of righteousness for His name's sake; may your burdens be lifted and your body healed as you follow Jesus down the path called Straight, the Highway of Holiness.

Glory to His Name,

John K. McAdams

Roger Yoder

To God be the Glory, Great Things He Has Done:

"It is good to say, 'Thank You' to the Lord, to sing praises to the God who is above all gods. Every morning tell Him, 'Thank You for Your kindness', and every evening rejoice in all His faithfulness. Sing His praises, accompanied by music from the harp and lute and lyre. You have done so much for me, O Lord. No wonder I am glad! I sing for joy, O Lord, what miracles you do." (Psalm 92:1-5, Living Bible)

It is a miracle story how God helped us sell our home in Ohio and find just the right one in Indiana. We were not to go through a realty or put a "For Sale" sign in the yard, and Jesus said not to sell for six weeks. At that time, we put a \$3.00 ad in the local paper and the first couple who came bought it. In spite of the cold and snow, He led us to a house between Parker City and Farmland, again not going through a realty.

Brother Terrance Helm was so very helpful to us. Jesus had led him to a friend's house and while he was there, a call came from a lady saying she just lost her husband and she would be selling her home. Terrance told her he knew a buyer and asked if we could come and talk with her. We felt such peace as we walked into this home. The Lord helped Roger to pray a most precious prayer for comfort for this dear one. He asked that Jesus might help her and take away the terrible grief she was feeling. It was worth it all just to pray with her. Not wanting to add to her burden, we left with the promise that we could have first chance when the property was sold.

She called us a week-and-a-half later saying she had found a place to rent and would sell the house right away. When we prayed, the Lord witnessed that this was the place ...saying, "The Lord hath need of it". There is a Prophet's Chamber with a private bath on the second floor. The desire of our hearts is that this home will be

dedicated and used to God's glory. We feel so unworthy and yet so thankful.

Jesus sent John McAdams, Edward Helm and me to Asbury College in Wilmore, Kentucky the weekend of February 12 and 13. Jesus gave us a precious fellowship on the trip there. Our timing was perfect for as we arrived at the Lilly's home, Gordon pulled up to the house. Praise the Lord.

The Lord came in a marvelous way in the meetings, which were held in the Lilly's home. We felt so empty and didn't see how we could last five minutes, but after we got started we could hardly stop. The Holy Spirit was so wonderful to help us.

At one time during the meeting John was sharing how it is so important that we seek God's will for our lives and this led to a song by Edward (the Lord witnessed it was number 6 on Edward's list), "If With All Your Heart Ye Truly Seek Me". He sang it beautifully and it went along perfectly with the sharing. Later, the quartet (Edward, Rebecca, Tim and Gordon) sang, "My Sheep Know My Voice" and I got blessed. This song followed the sharing on the thought, "Is God really our Shepherd?".

The Shepherd will take us where there is plenty to eat, if we will deny Self and obey always His leadings. Then and only then is He truly our Shepherd. It was so good how one thought triggered another and it all fit together so well.

Karen Pumphrey had a date that night. She shared with the young man that if he wanted to date her that evening, he would have to attend the meeting with her. He went with her and was encouraged. Later she had several burdens and Jesus permitted us to pray and they lifted from her right away. Jesus is to be praised.

Sunday afternoon the Holy Spirit led to bring a message on the importance of waiting on God's choice for a companion. His choice is wonderful--better than we could ever dream. But if we make the choice in the

flesh, it will affect the rest of our lives and the consequences will never end. Even though God can forgive, the cost is great.

The Lord put it on Edward's heart for John and I to sing, "Holy Spirit Be My Guide" and he asked David Loran to go out to the van to get the music. While David was getting the music, he saw one of the girls going up and down the street trying to find the meeting place. He was timed to the second. God never leaves anyone out. Praise the Lord.

We felt that it was important for us to be there. The students all seemed so very appreciative of our coming. Several of the young people shared that it was the very thing they needed and that questions were answered. Precious ones were helped and blessed. Glory to God.

Toward the last of the meeting, the Lord revealed that I was supposed to sing, "To God Be The Glory" and just as we were finished and ready to leave, we were, by God's grace, able to counsel with a dear daughter. She told us that all the things which were bothering her just lifted right out. Later, in a phone call to her father, she shared something very precious and encouraging concerning how much she was helped. Praise the Lord. We were surely thankful for this victory.

We wanted to share also that we felt the sweet Spirit of Jesus on the campus--we have not felt this other places we have been. We were privileged to enjoy, with all the dear ones sitting together, some very good food at their beautifully decorated "Sweetheart Banquet". And as we went to rest in their lovely guest house, we found that none of us had an alarm clock. I asked Jesus to waken me at quarter-till eight Sunday morning. He, who is always faithful and mindful of our every need, awakened me out of a sound sleep at seventeen minutes till eight. We praise Him for this for there are no small things in the Kingdom of God--and it is very important not to be late.

Jesus truly helped us from the beginning of the meeting to the end. Praise the Lord.

We want to thank each one of you for your concern, your prayers and your support. Please continue to pray much for us as we feel we are the least in the Kingdom. The desire of our hearts is to be true, faithful and obedient, by God's grace and with His help.

Yours in Jesus,

Roger and Virginia Yoder

Dear Ones in the Fellowship of Jesus Christ:

Greetings in the name of Jesus who's name is Wonderful, Counselor, the Mighty God, the Prince of Peace. Peace be to each of you who love God's will.

As I prayed about writing this letter, the following is what the Lord laid on my heart. I submit it with much trembling and in the fear of God.

CIRCUMCISION OF THE HEART

(Deut. 10:16) Circumcise therefore the foreskin of your heart and be no more stiffnecked.

(Deut. 30:6) And the Lord thy God will circumcise thy heart and the heart of thy seed, to love the Lord thy God with all thy soul that thou mayest live.

(Jeremiah 4:4) Circumcise yourselves to the Lord and take away the foreskins of your heart...lest my fury come forth like fire...

(Romans 2:28 & 29) For he is not a Jew which is one outwardly neither is that circumcision which is outward in the flesh, but he is a Jew which is one inwardly and circumcision is that of the heart, in the Spirit and not in the letter, whose praise is not of men but of God.

(Colossians 2:10-12) And now ye are complete in him which is the head of all principality and power: in whom ye are circumcised with the circumcision made without hands. In putting off the body of the sins of the flesh by the circumcision of Christ, buried with him in baptism wherein ye are also risen with him through the faith of the operation of God who hath raised him from the dead.

The heart is the center of life. It is that which comes from the heart that defiles a man (Matt. 15:18). Keep thy heart with all diligence for out of it cometh the issues of this life (Prov. 4:23). As a man thinketh in his heart so is he (Prov. 23:7).

Circumcision denotes a taking away, a tearing away of that which is impure to make the whole pure. The circumcised heart is the heart that has been sanctified by the Spirit of God. It is dying out second-by-second and consistently obeying the Holy Spirit. If ever it refuses to obey it embraces that which is polluted and becomes immediately stiffnecked. The heart that disobeys immediately becomes spiritually deaf and blind. We must, of course, obey the written Word, but also the revealed will of God. He has promised to guide us if we will trust Him with all of our heart; leaning not to our own understanding and by acknowledging Him in all of our ways. What greater privilege to man could there be than to be led by the Spirit of God! But, God is holy, God is pure, God is righteous and He will only reveal Himself to those who are like Him. As the song says, "O Come and Dwell in me" ...He will only come if He can have first place: He must have all control, all preeminence. If He doesn't have all of our heart, He is not there at all. We cannot be half circumcised, it is all or nothing.

Once we disobey, unless there is a reinactment of spiritual circumcision, we will remain in spiritual darkness. We must proceed to God's operating table through humbling ourselves, open confession of our disobedience and crying for His blood to be applied and for His Spirit to cleanse us from the accursed thing.

The foreskin of our heart is SELF. Self is that fallen adamic nature which controls us, unless it is brought to submission and we are cleansed from it by the fire of a Holy God. The thing within us that keeps us from walking with God is the Self of us. That which says, "I am going to do what I want to do." is Self. That which makes us shy away from obeying God, that which causes us to think, "I have some rights." is Self. The enemy of our souls

works through the Self of us to cause us to flee from the center of God's will for our lives and causes us to doubt, criticise, disbelieve, murmur, find fault and complain.

If we would walk with God, we must submit ourselves to God for divine surgery for our hearts must be circumcised. We must be cleansed from this carnal nature. This is a continual cleansing; it has a beginning but it never ends. Unless we recognize the need of our heart, we will most times not know that our heart is embracing that which is impure or polluted. God alone is able to reveal to us the deep need of our heart. God alone can convince that we must needs be cleansed and strive at all times to be holy unto God.

We must be spiritually circumcised or we will never be able to obey the command of Jesus when He said, "Thou shalt love the Lord thy God with all thy soul, heart, mind and strength and thy neighbor as thyself. This love is not natural to our nature. Only as we are cleansed from Self, from the carnal nature can we experience this holy love of God. It is love not of this world. It comes from above and flows through these clear channels who have been washed white by the blood of the Lamb and the fire of the Holy Spirit.

This is the way to life eternal--believing God, believing what He said is true. This is the Way to know God, Who He is, to know the Holy Spirit, who He is.

This is the circumcision of Christ, the circumcision made without hands. The putting off of the body of sin, dying to ourselves, our own way, all hope, desires and every earthly tie. Coming to life in Him who was resurrected from the dead. It may seem as though we are losing all but really it is just the opposite--we are finding all. We are finding God's will for our lives and walking with Him day by day, being led in paths of light. We have no choice but to submit.

Lord it's hard to say
Crucify me today
But there is no other choice
For I long to walk with you
And do just what you'd have me to do.

O Lord, I long to be one
So as are the Father and Son
So Cleanse me Make me pure
That You may use me as your own
And sow through me what you'd have sown.

Lord, it's hard to say
Crucify me today
But there is no other choice
So crucify me
That I may be empty of all but Thee.

Thank you for all of your love, your prayers and for your support in the ministry of Rev. and Mrs. Helm.

In His Kingdom,

James Flora

Dear Ones who love Jesus:

Praise the Lord! The 24th of February we have been living in Parker City one year. It has been one of the most wonderful years of our lives; bringing much happiness and fulfillment to our hearts and lives as we labor here. Truly it has been a labor of love. We have so much appreciated your prayers in our behalf, for we know without them, we could not have been helped and blessed so wonderfully in this place. We want to praise God for His faithfulness.

We praise God for healing our bodies, renewing our minds and spirits, and for daily guidance and direction. Also, we are grateful for your support. We thank each one of you who have given and sacrificed so that we might obey God. We deeply appreciate what God provides through each one and we pray that God will bless and restore four-fold. There have been times when Jesus would guide for us to give to the needy, but there is always enough. To God be all the glory and praise for making it possible for us to be full-time in the Lord's work.

We believe the home Jesus has put us in is special and want to thank each one who had a part in it. The verse Jesus gave the men of God who prayed was, "The Lord hath need of it." Already we see why; we have had the privilege of having men of God come and rest here. Oliver said it was the best rest he had had since he was a child. Like the Shunemmite couple in II Kings 4:10, we too have prepared a guest room with bed, table, stool and candle-stick, "and it shall be when the man of God cometh to us, that he shall turn in thither."

We count it a high privilege to be here with the man of God. Rev. & Mrs. Helm could not have been sweeter to us had we been their very own children. They never make us feel that we have failed, but always encourage and love us with a true love growing out of sincere devotion to God. I Cor. 16:16 says, "Pay all deference to such leaders and be subject to them as well as to every one who joins and co-operates and labors earnestly. Deeply appreciate and thoroughly know and fully recognize such men. (Amplified)

We read in I Samuel, the 15th chapter that Samuel came to King Saul and told him to utterly destroy the Amalek and all that they had. The chapter goes on to say that King Saul, because of the people, brought back Agag the king, the best oxen and sheep. Saul disobeyed God. His heart was not prepared for the instruction God had given. So it is with us if we do not wait on God and let Him work with our hearts; we will not be prepared when He comes to us with instruction. We will not know how to carry it out and will need more revelation to know what to do with the first revelation.

We live in a push-button age where everything is instant and quick. If we are not very careful and cautious, we will also be caught up in this idea in the Kingdom. We will want God to answer quickly. We will want the answer the instant we ask. While we are waiting on God for the answer, He is preparing our hearts to know how to adequately respond when we get the answer.

When I first met Rev. Helm in 1966, he was preaching about waiting on God and the message has not changed. We cannot emphasize enough how very important and vital it is to wait on God. If we do not wait, if we are always seeking for the answer, then our hearts will not be prepared when the answer comes. We will need more than one revelation to know what to do with the answer after it reaches us. He could give instant answers and sometimes He answers before we call, but if we get the answer before our hearts are prepared we could fail in the application of it.

Rev. Helm has said many times that he is not called to find answers. When he began to wait on God he was not trying to find out anything from the Holy Spirit. He was just praying and trusting and looking to Jesus, but in the waiting, God gave all the answers to all that he needed to know. Usually when he was not expecting it, God gave exactly what he needed. It never came too late.

I believe that one of the most important jobs (if I may use that word) for us as a team is to pray for Rev. Helm and his precious companion. Pray that they will accomplish the mission that God has ordained him for and called him to do on this earth. We all need to concentrate on prayer for Rev. Helm, for the devil will try his best to get us busy doing good things and we will miss the very thing we are here for.

We, as a team, need your prayers so much that we will not fail to pray for the Helms and that we will not fail to help them in every way possible. Pray that we will be faithful in anything and everything that we can assist or aid them in. Pray that we, instead of trying to find the answer, may become the answer. We are all called to be waiting on God for He will reveal Himself to a trusting heart.

It is stated in the VOICE IN THE WILDERNESS that if we are trusting, there are no questions. Just trust and wait on God and He will reveal the answer in His time and this will be after He has prepared our heart for the answer. Sometimes, the Holy Spirit has allowed us to pray and He has revealed wonderful things to us. We are very unworthy of this because we feel ourselves nothing.

We are very thankful for the many times God has helped us to pray about things, but I feel it is very important that we in this R.F.O.D. fellowship learn to wait on God.

We must learn to wait in prayer and let Him prepare our hearts. How can He send revival or trust us with the Kingdom of God if we don't have a trusting heart? Proverbs 3:5-6 says, "Trust in the Lord with all thine heart and lean not to thine own understanding. In all thy ways acknowledge Him and He shall direct thy path." There are no questions in these two verses. We can find many verses in the Bible on trust and none of them concern questions.

We tend to feel that we do not have time to wait on God. Well, it is true that we live at a rapid pace, and yet, we have more leisure time now than ever before because of shorter working hours and modern conveniences. The world will try to press us into doing good things and we will surely miss the best. Waiting on God in prayer is one of the most important things we can do. I trust God will help us all to see that if we truly love Jesus and want to do His will and know His guidance, then we have no choice but to wait on God in prayer. Oh, we are trying to praise Jesus and be very thankful, for it is because of your obedience and support that we have been able to do this. Praise God.

Our ultimate aim is to trust for the Holy Ghost Awakening. We are praying that our hearts will be prepared and cleansed so God can trust us with the Kingdom. The children of Israel while in the wilderness were constantly asking Moses and Aaron questions, murmuring, complaining and forgot what God had already done for them. If the children of Israel had been thankful and praying as much as they complained and grumbled, how long do you think it would have taken them to get to the promised land? There is a lot of controversy about this, but I am convinced it would not have taken 40 years. They would, also, have missed a lot of suffering and heart-ache.

Only two of the whole multitude believed. Joshua and Caleb came back from spying and said, "We are able to go, God has promised He will be with us." The majority said, "No", so Joshua and Caleb had to stay with them and try to encourage them till the younger generation grew up and they were able to go across. The disobedience of the people caused Moses to miss the promised land. We don't want to do anything that will hinder Brother Helm in any way, or cause him to miss his calling. We can do it if we fail to pray enough, or if we constantly ask him questions and try to find out why and how-come. If we do this, we will deter him from what he is called to do: to wait on God and endeavor to know God's will and to do it. Likewise, we are to wait on God and find God's will for our life.

We will only find God's will as we wait on Him, die out to self every day, every second, trust Him, pray, be obedient to the Holy Spirit and rejoice in all things.

Many of us have heard Rev. Helm say that he needed so many prayers on a certain day. God reveals this to him and the Holy Spirit bears witness to our hearts. But I am sure that, unless you really have some insight to what his responsibility is in the earth, you will not feel like he needs that many prayers. His responsibility in the earth is so great and we must pray for him.

Please hold Rev. Helm up in prayer every day. Pray for his and his wife's physical needs. God's word says, "Many are the afflictions of the righteous but the Lord delivereth him out of them all." Jesus also said, "I will never leave you nor forsake you." These promises are true. They are in God's Word, so we believe it.

Many people think that, since they do not have the gift of discernment, they cannot pray, but God is faithful and He will reveal Himself to the trusting heart, to the humble and submissive, to the one who is trying to be obedient in every way. God is trying to get a people together that He can trust, who are not always trying to find out things, but simply praying and waiting till God sees fit to reveal it. Many times, revelation comes to us when we least expect it. We may not even be thinking about that thing and suddenly God will reveal it to us. Praise the Lord.

We can look at nature and see what God is trying to do with us. The eagle will not let her babies stay in the nest any longer than they need to be, but removes the feathers causing them to rest on the uncomfortable sticks until they will be willing to leave the nest. Then she will get them on her wings and fly and suddenly swoop out from under the baby, letting it plummet toward the ground, catching them again and again till they learn to fly. I believe, Dear Ones, that God is trying to do this with us. He is trying to get us out of the nest of Self. He is trying to give us a trusting heart so we will be willing to do that which is required of us as a fellowship of God's people.

The Holy Spirit is trying to get us to fly, to pray on our own. The baby eagle would be happy to stay in the soft nest with the mother bringing its food, but it would never learn to fly, to soar, or to see the sights God has for it. Likewise, we will never see His will for us till we learn to wait before Him in prayer. He is trying to make eagle saints out of us that we may soar with Him and from this high altitude, we can see what He has for us. I believe what the Lord is trying to do, is to get us to lean on Him and not on others. He wants us to lean on Him, trust Him, rather than having others pray to find out what we are to do. He is trying to prepare our hearts for the task ahead; whatever that may be.

I might say a word here to the young people who are waiting for God to reveal their mate. While you are waiting, God is refining your heart. As you breathe out Self and breathe in Christ, He will refine and cleanse

your heart, helping you to know that it is just as important to be the right companion as to find the right companion. It seems as though the longer we have to wait, we tend to become more impatient. Jesus is trying to cleanse that impatience out of us so that when the right one comes, we will be able to love them in tenderness and in kindness.

We love you all so much and just want to encourage you to be willing to truly wait on God; trust Him and let Him guide you as He sees fit.

Jesus can only trust us as we obey Him. Until He can trust us, I don't believe He will allow the Holy Spirit Revival to come. He could do that over the top of everything, but He is in search of a people that will trust Him with all their heart. By God's grace and help, we want to be that people.

We want you all to be encouraged to WAIT ON GOD. We have heard it time and time again, but how many of us really

know what waiting on God is, and how many of us really know about becoming nothing? If we are something, we will require and will ask questions, but if we are nothing, there are no questions in us.

In closing, we want to say again that we deeply appreciate your financial support and prayers for the team and for Rev. Helm. We know our assignment is great and yet, we do not fully realize the extent of it. We know God is able and we believe with your prayers and your help, God will truly accomplish, through us, His purpose by His grace and His mercy.

We love you all in Jesus and we entreat you to please pray earnestly for Rev. Helm and for each one of the staff, for the team, for we need it very much.

For the Kingdom's Work,

Roger and Virginia Yoder

Greetings to All the Faithful and R.F.O.D. Family;

Through the years, from the beginning of R.F.O.D., I have had the privilege and high honor of serving as Treasurer. Rev. Helm and I rejoiced in the Lord when we had only a very, very little. We have rejoiced as God, through your generosity made a way for more financial help.

As mere mortals, we all need reminded of the task that is before us because we can forget so easily. If we want to continue our ministry, we must feel the burden to be faithful. Our needs are great and I am sure God will bless you as you continue to send in your gifts of love. We have not been able to reach our budget recently and so, I urge you to pray and do your best for Him.

Beloved in the Lord,

It is with a feeling of great joy in the Lord that I write this letter, because of how God has been leading and working during the past few weeks. Your name and address were given me by Brother Loran Helm; and this letter concerns him and what God has done and is doing in his be-half.

Some time ago, last July in fact, God laid on my heart to do something about Brother Loran's financial needs. As I began to pray about it and inquire of others, I found some who were also concerned as I was. So I began to investigate what could be done. I went to an attorney and he explained what could be worked out.

To make a long story short, a Corporation has been formed, similar to that of Billy Graham and other evangelists of our day. As the incorporators: Rev. J.R. Boggs, Jr. Rev. Paul Hill, Rev. Dwight Stoner, and I formed, "Revival For Our Day, Inc." This Corporation shall be the sponsoring agency for all revivals conducted by our evangelist, Rev. Loran Helm. Bro. Loran is the employee, according to legal terminology, of the Corporation. However, he will still be free to follow the leadings of the Holy Spirit as he always has. This is simply the kind of relationship the law requires, which is the same as that of other evangelists to the corporations they work with.

The Articles of Incorporation of Revival For Our Day, Inc. have been approved by the Secretary of the State of Indiana and the Corporation is now in operation. We have a Code of By-laws which set forth the organizational frame work of the Corporation and govern its activities. The first Board of Directors has been elected: Rev. J.R. Boggs, Jr., Mr. Keith Frye, Mr. Ned Harness, Rev. Paul Hill, Rev. Emory Reece, and Rev. Dwight Stoner. According to the By-laws, two more Directors may be elected later. This Board of Directors will be meeting December 1, 1962 at 3:00 at the Evangelical United Brethren Church in Selma, Ind. to conduct business and set the Corporation in motion. YOU are invited to attend this meeting where all details of the Corporation will be explained. We also hope you will join us in a dedication service of the Corporation. Rev. Loran Helm will officiate at this service. I know some of you who receive this letter live many miles away and will not be able to come, but join us in prayer at this above time.

I would also ask you to consider the financial aspect of this newly formed Corporation. In order to meet the budget and pay Bro. Loran the salary we have set, we will need to hear from you as well as depend on churches where revivals are held. The Internal Revenue Service has told us that we cannot file for tax exemption until we have been operating for one year. But we are confident from information received from Indianapolis, that the Corporation will be recognized and that such recognition will be retroactive after we file next Nov.

Would you please pray for the success and usefulness of Revival For Our Day, Inc.? And if you feel led of the Lord send a contribution, payable to: Revival For Our Day, Inc., to Rev. Paul Hill, Treasurer, Selma, Ind. Bro. Loran is on a weekly salary, so it would help so much if we could hear from you soon and often. May God bless you indeed!

If you have any questions about the Corporation or any of its purposes or functions, please write me or Rev. J.R. Boggs, Jr. President, Parker, Ind. If you know of any one whom you think would be interested in the work of the Corporation and its support of Bro. Loran, please send us their name and address. Is the address we used for you, your correct and complete one?

To All Our Friends:

Greetings,

It surely was wonderful how God did bless us at the Dedication Service last Saturday! The presence and power of the Lord were marvelous, beyond description! Every one who was there was richly blessed as each one shared his testimony for the Lord's glory. Several commented how they felt this Corporation was long overdue and how thankful they were that it had been formed. Brother Loran said the Lord dealt with him in a precious way as he led in the Prayer of Dedication.

We are so sorry some of you could not attend. Some of you have already indicated how you regret your having missed the Dedication. We know you were praying with us at that time.

We are rejoicing at what God is doing already as the Corporation is just starting. Officially, it began Nov. 2, 1962; and at that time Bro. Loran W. Helm was "hired" as our evangelist. Since that date, as of Dec. 5, we have received:

From one church where Bro. Loran served:	\$200.00
From you friends.....	528.00
Total	\$728.00

Expenses in forming the Corporation 122.00

The Balance has gone to Bro. Loran.

However, most of these monies have come in in the last two weeks; and Bro. Loran has been on salary since Nov. 2nd. Therefore, this means that we are behind some \$300.00 in Bro. Loran's salary. By faith we believe this can be met. We know you will want to pray and trust with us that Bro. Loran's complete salary and travel will be met and all expenses of the Corporation.

Praise the Lord!

Dear Friends,

Brother Loran has just recently been in evangelistic services in the Wesleyan Methodist Church, Kirklin, Ind. God did some wonderful things there, for Jesus' glory! Since then Brother Loran has been going to pray with several persons in various places. Souls have been led to Jesus, bodies have been healed, believers have been encouraged. We would share names and answers to pray, but these are kept in confidence.

We are rejoicing at the way God has been supplying the needs of the Corporation! Until two weeks ago we had been meeting Bro. Loran's weekly salary & expenses. Even though he is not preaching every night, Bro. Loran is fulfilling the purposes of the Corporation through personal contacts. Our purposes are: 1.) To conduct evangelistic services. 2.) To reach men through Jesus Christ. 3.) To assist Christians to a deeper experience of purity and power for service in the Kingdom of God. 4.) To help through prayer and faith persons to be whole in Christ.

Will you pray with us about the need for funds, and respond as you feel led? We need \$175.00 per week to operate. None of us Directors receives any income from the Corporation. It is all used for the salary of Bro. Helm and the operating costs of the Corporation.

Some of you are sending weekly contributions. This has been a great help! Would more of you consider doing this? A check of \$5. or \$10. each week or month would mean so much in our meeting the budget each week. A few have sent a sizeable gift, and we are so thankful for these. Make your checks or money orders payable to: Revival For Our Day, Inc. Send them to the treasurer: Rev. Paul Hill, Selma, Ind. Thank you in advance for what you are going to do.

God bless you,

Emory Reece, Sec.

P.S. Some of you are just being added to the mailing list. So we are enclosing a copy of our first letter of explanation of the founding of the Corporation.

Dear Friends in Christ,

Greetings in our Saviour's name! Surely this past Easter time has served to remind us all how great is God's gift to us through His Son, Jesus Christ. What blessed hope He offers to all who will receive Him.

Rejoice with us in the victories God has given recently. Rev. Helm was in Circleville, Ohio a few weeks ago and God gave a wonderful Revival with more than 80 victories at the altar. Persons were healed and helped in other ways to draw closer to Jesus. The pastor says this was the revival he had been looking for for several years. Rev. Helm is with his brother Edwin at the Zion Methodist Church at the present time. God has been blessing there in a wonderful way!

We are also rejoicing because of the way God has been blessing the Corporation in a financial way. Thanks to each of you who have been giving so faithfully, we are now caught up in all our obligations!! We are certainly grateful to God and each one of you for this victory.

As you already know Rev. Helm is hired by the Corporation to represent its purposes. The date he was officially employed is Nov. 8, 1962. Until this week we had been in arrears in meeting his salary which was agreed upon when he started. But now we are thrilled to report this victory.

The following is a financial report for Nov. 8, 1962 - April 13, 1963:

Offerings from personal contributors	\$2513.60
Offerings from churches(Revivals)	<u>936.76</u>
Total	3450.36
Salary, Travel, Exp. paid to Rev. Helm	3289.01
Operational expenses of the Corp.	<u>161.35</u>
Balance	0.00

Please pray for Revival For Our Day, Inc. Thank you for your share through prayer and giving which has made this VICTORY REPORT possible!!

Dear Brethren in Christ,

Praise the Lord for His great and wonderful love and power to us the children of men. Recently, the Lord called and saved two precious souls in the car of our evangelist as he was traveling in the Lord's work.

We are also rejoicing at God's leading for revival services at Parker, Ind. On May 1st union meetings of the churches in Parker began with Bro. Loran as the evangelist. God has been doing wonderful things there, to Jesus' glory. Souls have been saved. We are trusting God for many more soul victories and for a mighty outpouring of the power of the Holy Spirit in this revival. The services are in progress as I write to you now. Pray much for this revival that God will be able to have His way in the hearts of all the people of Parker.

We are so thankful for God's blessing on the work of Revival For Our Day, Inc. We have been able to meet part of our expenses during the last month. But we have not been able to meet Bro. Loran's full salary. At present we are behind about \$350.00 on this item of our budget. We would like so much to get caught up to date on this. But we know that in order to do this it will take the prayer and financial support of all our friends.

It is on our hearts that the Corporation should get a tape recorder for use in services and meetings so that some of the precious things God reveals could be recorded and saved for future use. However, we feel that we cannot do this until we are able to meet all the salary that is due Bro. Loran.

We have discovered that only 25% of those on our mailing list have been responding to the financial needs of Revival For Our Day, Inc. We know that all of you love Bro. Loran and are interested in what the Corporation is doing through his ministry. We feel that if the Corporation is really to be used of God in the way He has directed it, we will need the consistent prayer and financial support of all of you, our brethren. Will you write us today and let us know you are standing with us in this venture for Christ and for real REVIVAL FOR OUR DAY? Thank you so much.

Yours in His Service,

Emory Reece, Sec.

P.S. Bro. Loran is scheduled to go to Bartlett Texas on June 8 for a revival with Rev. Homer Pumphrey. Please pray for this meeting and help us meet the expenses of the trip.

Dear Friends in Christ,

It has been some time since we have shared with you what God has been doing through Revival For Our Day, Inc. and the ministry of Bro. Helm. God has given us much to rejoice about!

The Lord gave such a good meeting at the Corinth Methodist Church, 3 miles north-east of Knoxville, Tenn. during the first part of this month. Jesus gave a number of victories. A few of these persons have a call to special work for the Lord! The pastor and his wife said this was, to Jesus' glory, the best Revival they had ever been in. Some of the older members said it was the best Revival in that church for 40-50 years. For this we thank God!

The meeting at Cassopolis, Mich. in early Aug. was a very precious one. The church was revived through the Lord Jesus Christ. Several persons found victory in Jesus' name! Three of these should be in the ministry or mission field.

Also, in the last 7 months, one man was saved in the home of our evangelist and two men in his car. Scores of persons have been helped through prayer by Bro. Loran in their homes and in various places where he met them.

Bro. Loran has travelled over 27,000 miles in the last 9 months or so, doing the work of Revival For Our Day, Inc. This has been at considerable expense to him. The Corp. pays Bro. Loran a travel allowance of \$125.00 per month (if we have it) But you can readily see this does not send a car over 3,000 miles per month. Therefore Bro. Loran has had to use part of his salary to go where the Lord wanted him. We do not want to embarrass Bro. Loran by making public his financial needs. But they are great; and we are in arrears \$603.16 on his support.

We are so grateful for the way God has blessed you and us through your faithfulness in prayer and giving. Church offerings and personal gifts to Revival For Our Day, Inc. are \$6752.83. Expenses of the Corp. and Bro. Loran's support are \$6615.12, as of Aug. 31st. By Oct. 31st we hope to be able to have paid Bro. Loran his full salary of \$6000.00 plus the travel allowance of \$1500.00 and utilities of \$500.00. To a few persons this may seem like a big salary. But we know it is not meeting Bro. Loran's expenses. Will you join with us in trying to meet this goal by Oct. 31st?

Bro. Loran is to be at the Jonesboro Methodist Church (with me in a meeting beginning Sept. 28th. Pray for us that God may visit us with an old-fashioned Holy Ghost Revival!!

In Jesus' Name, such prayer! Please send your gifts to me and Rev. Paul Hill, Tr. Emory Reece, Sec. Selma, Indiana

November 2, 1963

Dear Friends,

Today we are celebrating the first birthday of Revival For Our Day, Inc. The annual meeting of the Corporation was held at Jonesboro, Ind. with eight persons present. We bow in adoration and praise before our Father for the marvelous way He has blessed the Corporation this first year. As you have responded to the Lord's leading to pray and share, you have had a vital part in the victories of this venture of faith in our unfailing Lord. Surely you have been blessed by the response you have made.

While we are celebrating our birthday, today, Bro. Loran is in a revival at Bright Hope Methodist Church near Knoxville, Tenn. During this first year Bro. Loran has been in revival meetings in various parts of the U.S. We have not tried to count those who have been saved, but there have been some 300 or more persons who have met the Saviour in the past twelve months!! Praise His Name!! Fifteen to twenty persons have been called to be ministers or missionaries!! How wonderful!!

It would be hard to estimate how many believers have been helped, healed, encouraged, and led to a deeper walk with Jesus. We wish all of you could hear the testimonies Bro. Loran has on his tape recorder. A friend in Knoxville, Tenn. gave him the recorder in September. Some of us have heard these and rejoiced in the Lord for these who found victory!

Our Treasurer's report shows that we came within \$238.86 of meeting Bro. Loran's salary and travel. We praise the Lord for this wonderful victory!! Without the necessary finances which have come from many of you, Bro. Loran's ministry would have been limited to fewer people. He has traveled about 32000 miles in serving the Lord this past year with the Corporation. The travel allowance we have paid him took care of less than half of the cost involved. Bro. Loran used his salary to meet the balance in order to be able to go where he was sent.

We think there is one way that Bro. Helm's travel expenses can be reduced. If the Corporation could get a travel trailer that would be adequate, much driving could be eliminated. Bro. Helm has not asked us to get a trailer. However, it was pointed out in the October meeting of the Board of Directors some of the advantages of a trailer. The one we have in mind would cost about \$2600.00. It is 21 feet long and has facilities for two to four persons. It is not elaborate but uniquely arranged so it will make two separate bedrooms.

If you would like to help us get this trailer, send your gift so designated to Rev. Paul Hill, Treasurer, Selma, Ind. All monies received for the Trailer Fund will be used for that purpose. This trailer would be a great asset to Bro. Helm's ministry and enable him to be nearer the revival meetings.

Our budget for 1963-64 is changed only slightly. We have decreased Bro. Helm's salary and increased the travel allowance. We would like to expand the outreach of Revival For Our Day, Inc. in this coming year by getting our evangelist on the radio, if possible. We believe this would greatly multiply the 'sowing of the Seed' for a greater spiritual harvest of souls. We have made allowance in our budget to begin this but to continue it would require more financial help from all our friends. We trust that new friends would respond from the radio audience to help meet the cost too.

It was noted in the meeting today that so far, there are only six members of the Corporation and these six are the Directors. The By-laws limit the number of members to 500. But we are a long way from that number now. Enclosed are selections from the By-laws which deal with membership. If you are interested in becoming a member after reading this, write to the secretary for an application form.

The officers of the Board of Directors for last year were elected to serve another year, since the Corporation is just getting started. We trust that the wonderful victories of this first year are just the beginning of greater things for Jesus' glory!

We ask all of you to continue to pray for and serve the Lord through Revival For Our Day, Inc. for the salvation and encouragement of many souls. We invite you to trust with us for R E V I V A L for our day!!!

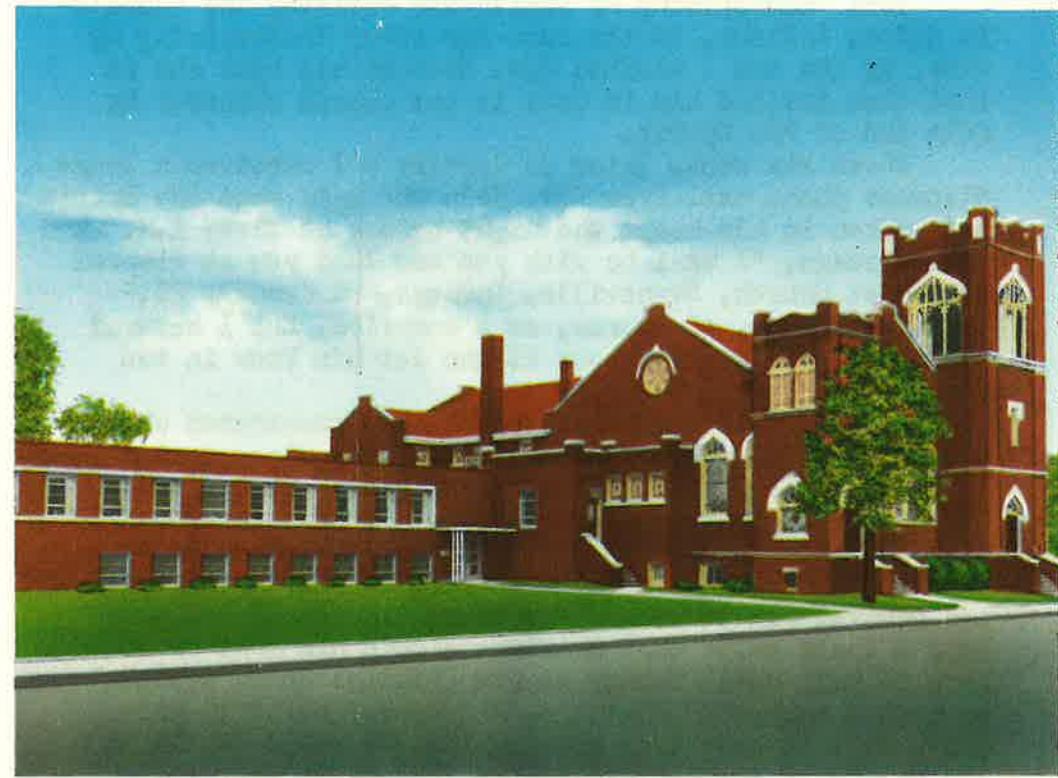

Most cordially yours,

Emory Reece

DEPART TO SERVE

January 20, 1964

Dear Friends of Revival For Our Day, Inc.:

We have just finished an unscheduled, unplanned, and unpublicized Revival Meeting with Rev. and Mrs. Loran Helm of Parker, Indiana. It was Spirit-led and Spirit-filled from beginning to end. We had more than 20 definite victories in salvation, re-dedication and healing. Praises be to God for His blessing.

Last Thanksgiving my family was visiting the Cline's in Selma, Indiana. So the next day after Thanksgiving my wife, my son and I visited Rev. Helm in his home and at that time invited him to come to our church whenever he felt led of the Spirit.

About six weeks later on January 9 I received a long-distance phone call from Rev. Helm who said that the Spirit had spoken in his heart the night before at 12:35 A.M. with this message, "I will be with you and lead you at Simpson Methodist Church, Evansville, Indiana, on January 26." This came to me, of course, as a surprise, but I assured him that I would pray about it and let him know in two days.

After prayer and heart-searching I remembered what God had said to me at the Ashram at Santa Claus last August----He said, "I will manifest Myself at Simpson Church during this conference year." I felt in my heart that the phone call from Rev. Helm had something to do with this promise of God. So I wrote to him the next day and invited him to preach for us on January 26 and to hold a Youth Rally that evening. I told him that we would have to wait until Monday to get Official Board approval to have a series of meetings. I prayed that if it were God's will to have this meeting that He would lay it on the hearts of the Official Board members to approve.

I was not sure what they would do since we were then in the midst of our Annual School of Missions held each Sunday evening during January. Also we had already scheduled a week's meeting with Dr. Byron Deshler of Nashville for this coming April. Besides this, Simpson Church had not had a real revival for almost 30 years. I had given many altar calls in the church services but no one ever came forward. However, the Board voted blanket

approval with no strings attached.

The meetings started on January 26 with the thought in mind of going for one week. But the Holy Spirit began to bless and to fall gently upon us and precious souls were brought to Christ. There were eleven at the altar the first week. So we felt compelled of the Spirit to continue for another week. And we give all glory to God for pouring out His Spirit upon us so gently and graciously, yet with deep conviction and definite results.

Although it is difficult to measure the work of the Holy Spirit, yet we can see that lives have been changed, homes are different, people have been healed, faces look happier, two young men have been called to the ministry, people have testimonies of the grace of Christ, the church has a warmer spirit and more concerned.

We trust that this is just the beginning of an awakening in our church that will continue until every life is touched by God's Spirit and filled with His power and love. We cannot praise Him enough for this visitation and for this manifestation of His power and grace.

Rev. Helm's coming to Simpson Church has opened the way for other meetings in Evansville. He has already received calls from other pastors to come to have meetings for them. In fact, five days after our meeting closed, Rev. Helm, under the leadership of God's Spirit opened a revival at Asbury Methodist Church here. On the very first night there were souls at the altar and they have had a tremendous time in the Lord there.

Last Sunday night we took our Junior High Youth Fellowship to the meeting at Asbury. Eleven of our youth were converted and gave their lives to Christ, most of them being from the Hillcrest Home, which is the County Home for Children from broken homes. Also our youth sponsor went forward to dedicate His life to Christ.

We are thankful that God is using Rev. and Mrs. Helm to His glory in bringing many lives to Christ and in reviving His church. May their ministry be ever increased and blessed in ways yet undreamed of and for many years to come. Our prayers go with them.

Yours in Christ,
Van Ness Chappell, Pastor.

Dear Friends in Christ,

There have been several victories for Christ, since our last letter of November 2nd and Rev. Helm's letter of thanks last Dec. Persons have been healed in hospitals while awaiting surgery. We know of at least 5 persons who have been won to Christ!! Each one of these is worth all this world, Jesus implied in Matt. 16:26.

Rev. Helm is in a revival now at the Simpson Methodist Church, Evansville, Ind. Please pray much for victory in this meeting!

After the close of our fiscal year last Oct. 31st, gifts came in to make it possible for us to pay Rev. Helm's full salary for the calendar year of 1963. We give God all the praise for this victory. The directors feel this is a sign that God is directing Revival For Our Day.

As you know whenever there is victory for God's glory, the devil begins to fight harder. Rev. Helm has not been able to be in any meetings for the last several weeks, because of illness and cancellations. Also the number and amount of gifts from you our co-labors has been below normal. We realize that with Christmas buying and taxes to pay there has not been as much available for you to give. We appreciate more than we can express in letter your support of Revival For Our Day.

In the November letter last, we mentioned the need of a travel trailer which Rev. Helm could use to enable him and Mrs. Helm to stay near the location of revival meetings. We said that the one the Corporation would like to get costs about \$2600.00. So far \$100.00 has been given toward this project. Could you send an extra gift this month to help us get the trailer soon?

We also mentioned in the November letter that we would like to get Rev. Helm on a radio program. We are still praying about this. Will you pray with us? We want God's will about this. If He should lead us to attempt it, we trust He will lay it on someone's heart or hearts to give the amount needed to underwrite the cost.

The secretary shared with the directors last week a burden on his heart for the advancement of the Corporation. It was his feeling that we need someone who could make personal contacts with some of our friends to explain in more detail why the Corporation was formed and what we feel God wants us to do. We directors felt this could be helpful to the growth of the Corporation. However, we see the need for the Lord's leading in making personal contacts. We do not want to let our ambition get ahead of God's will and thus offend or embarrass someone. It was agreed that the directors would send the secretary and/or the president, upon the Lord's leading, to contact individuals on behalf of the Corporation.

If any of you, or someone you know, would like to talk with us personally about the Corporation, please let us know.

Yours for Souls,

Dear Brothers and
Sisters in Christ,

God has given many precious victories for which we praise Him. He has used Bro. & Sister Helm in a marvelous way in recent revivals. Enclosed are reports from two pastors in Evansville, Ind. where the Helms have been. We know you will be thrilled as we have as you read these victories.

As we prepare this letter, the Helms are in a revival at the Charter Oak Methodist Church near Churubusco, Ind. God has given several precious victories there. I attended the service last night and the Holy Spirit was manifested in a quiet yet powerful way. Bro. Loran was anointed in preaching. On Monday night, Sister Florence sang under the anointing of the Holy Spirit and several people were richly blessed.

On March 10 the Helms are to begin a meeting at the Oak Grove Methodist Church north-west of Columbia City, Ind. Pray much for this meeting. If you live near there, you would be more than welcome to attend.

We are asking you to join in a united prayer for Loran and Florence for their physical needs. Both of them have been afflicted in different parts of the body in a considerably greater degree lately. We believe that if enough of our friends pray at the same time, God's servants would be delivered from these afflictions and enabled to serve Him better. Will you pray as often as you can and as much as you can? Especially, will you pray for them between 4:00 and 10:00 P.M.?

Progress is slow on the Trailer Fund. Could you send an extra gift this month to help get this soon?

We are trusting and waiting about the Radio program. Will you pray with us about this also?

Dear Friends,

Since our last letter in June, the Lord has been doing some wonderful things through Brother & Sister Helm. Bro. Helm will share with you later a more complete account of the victories.

God manifested His presence in a dynamic way in the meeting in Mishawaka, Ind. with Rev. Wise. There were 10 who met Jesus the first service. The people there want Bro. Loran to return when he can.

The meeting in Clifton, Texas with Rev. Pumpfrey was precious. The Lord helped in every service and the people asked Bro. Loran to return as soon as the Lord would lead him. We have several new friends as a result of this meeting.

At Johnson City, Tenn. there were several soul victories and several people healed, to Jesus' glory. Rev. Dicken is the pastor; and this was Bro. Loran's 24th revival with Rev. Dicken.

Praise the Lord for each & every one of these persons who experienced victory in their hearts and lives.

Bro. & Sister Helm have been "on the go" for weeks and they need rest. Please pray for them that they may be refreshed in the Lord and healed of afflictions.

At the present time, The Helms have no meetings scheduled for the next several weeks. You all know that your expenses do not stop even though the income does. So it is with us. We need to hear from you now.

During this summer most of our friends have not been sending tithes and offerings for the work of the Corporation through The Helms. In fact, of our more than 300 friends on the mailing list, only about 30 have been standing with us. We know that over 100 of you are new on our list, so you have not had as much opportunity to share with us.

We want all of you to know we appreciate your prayers and gifts. We have known from the beginning of Revival For Our Day, Inc. that Christian people like you receive many appeals for your tithes and offerings. The reason we have been writing to you is that you know The Helms personally; and we are sure that many of you have been blessed richly by their ministry. We do not want, even to suggest that the gifts of God are "bought with silver or gold" but we believe that no servant of the Lord is more "worthy of his hire" than Bro. & Sister Helm.

The Corporation needs \$600.00 right now, to catch up. Every week that passes the need increases. Would you ask God today what He would want you to send? May we hear from you as soon as possible?

We believe that all of you can help us pray for The Helms. We ask you to pray 1 minute each day for Loran & Florence. That is not too much to ask, is it? If all of you would do this there will be more than 5 hours of prayer for them.

God bless you,

October 1964

Dear Brethren,

Rejoice with us as you read the "victory report" from Bro. Helm which we are enclosing. Truly, the Lord is doing marvelous things in our midst through His servants, Bro. & Mrs. Loran Helm.

God has been blessing our hearts as you friends are standing with us in prayer and giving. On Oct. 31, 1964 we will come to the end of our second year of walking with God by faith as Revival For Our Day. If we meet the budget which the Lord led us to adopt, we will need \$1500.00 by Oct. 31, 1964. This figure will still be short of the total budget, thanks to fewer administrative expenditures than was anticipated. Could we hear from you this week, so that we might reach the goal before Oct. 31st? Thank you in advance.

In the last Revival which closed Sept. 27th, the offering was \$163.20 for 2 weeks and 3 days. That church was small in number of members. The gifts from our friends have not been sufficient to bring up the balance needed in recent weeks.

We think you might be interested to know how many persons have been sending gifts for the work of the Corporation. From Jan. 1 - July 31, 1964, out of 300 on the mailing list, there were 8 who sent gifts once per month. Of these 8, three sent gifts more often than once per month. So you see only a few persons have been sending gifts regularly. During this 7 month period, 47 of the 300 have sent a gift. This 47 includes the 8 mentioned above. Perhaps there are many good reasons why we have not heard from more of the friends of Revival For Our Day and Bro. & Mrs. Helm. Your help is desperately needed now.

It is our prayer that no one will be offended by the factual report above. Rather we ask all of you to continue to pray for and with us daily. Send an offering as soon and as often as possible, the Lord helping you. Please send it to the Treasurer.

It is our conviction that the Lord is looking to all of us for the usefulness of Revival For Our Day, Inc.

Please pray for these Revivals:

It is in the Name of our Lord Jesus Christ that we come to you with greetings: Praise be to Him who has called us, who also will perform the work of His Kingdom. What a joy it is for Him to invite us mortals to have a part in the work of His precious Kingdom. The cry of our hearts is that more people of our nation and world will really let Him have His way in their hearts and lives. If men could only realize how wonderful it is to know and serve the King of kings and Lord of lords, even Jesus Christ.

The months of November, December and January constitute the first quarter of our fiscal year of '64-'65. It hardly seems possible that $\frac{1}{4}$ of the year is gone already. We are sorry that we have to report that our goals of this ministry have not been met during this quarter. It seems that many of you who are friends of Bro. & Mrs. Helm have forgotten to write us and let us know you are with us by your prayers and your gifts. We realize that some of you are hearing from us for the first time, since your name has just been added to the list of friends.

Bro. Helm has been in revivals almost constantly this winter. Some of our friends have been giving regularly, but we are still falling behind in the goals set by the members of the Corporation at the annual meeting last November.

We directors do not apologize for asking you to support this ministry. We are convinced there are no more worthy servants of the Lord than the Helms. We also feel you believe with us that these dear ones render a ministry that is truly led and used of the Lord.

We assume that you who read this letter love the Lord and are concerned for the salvation of the souls of men. We urge you to pray for a vision of what God could do in mass evangelism if only the financial means were available for us to "launch out into the deep and let down our nets for a draught." Pray with us that God will move upon hearts to trust and obey Him to direct and make possible a greater outreach of the ministry of Bro. & Mrs. Helm and this Corporation.

Write us today and let us know you are praying with us for REVIVAL FOR OUR DAY!!

Dear Friends:

The most triumphant season of Easter is here. We greet you in the name of our Risen Lord Jesus Christ.

Bro. Helm has been in revivals almost continuously for the last several weeks. He and Florence are growing weary from the constant demands upon them. Will you pray with us that they may be strengthened by Christ Jesus? They have not said anything to the Board, but we think they should have some rest in the next few weeks, as the Lord would lead and make possible.

During most of this fiscal year since last Nov. 1st, most of the income has been received from churches where Bro. Helm has been in meetings. The individual gifts from our friends has been sharply on the decline. Only a small percent of those on the mailing list have been hearing the need and responding to the letters.

We need to hear from our friends this week and each week. The offerings from the revivals are not meeting the need. We are behind on Bro. Helm's salary as of the end of March.

We know that each of you who receive this letter is interested in the ministry of Bro. Helm and this Corp. Perhaps "Uncle Sam" has demanded your attention in recent weeks. This we can easily understand. Now while you are thinking about it, did you know that you can deduct up to 30% of your income for gifts to churches and religious charitable organizations? So why should God's people pay needless taxes when God could use this money in a much better way in the work of His Kingdom?

Will you help us continue this God-directed ministry through Brother & Sister Helm? We are depending on you. Send your gifts either to: Rev. Paul Hill, Treasurer, Selma, Ind. or to the home office here in Jonesboro, Ind.

May God reward your faithfulness,

J. R. Boggs, Jr., President

Emory Reece, Secretary

P.S. Your gifts make it possible for Bro. Helm to be in some smaller churches who cannot give large enough offerings to meet the expenses. Thank you.

Dear Friends,

It hardly seems possible that two months have slipped by since we last wrote you. Truly, "the day of our redemption draweth nigh.." It is later than most of us think. Every Child of God should be earnestly about our Father's business, for the night cometh when no man can work. These are also days of unparalleled opportunity for proclaiming the Gospel of Jesus Christ. No other generation has had available to it the wondrous means of communication that this generation has. Will God hold us accountable for what we have done with this opportunity?

God has opened doors and poured out His Spirit on His servants, The Helms and the people where they have been. The report from Bro. Loran will relate some of the victories he has been privileged to see.

Brother & Sister Helm are quite weary. They have been in meetings almost continuously since last Sept. They have been in several smaller churches which could not afford to give offerings large enough to meet the needs of Revival For Our Day, Inc. Therefore, you who have stood with us in prayer and giving have helped to make possible the ministry of The Helms in these smaller churches.

While some of our friends have been faithfully standing with us in prayer and giving, yet a number have not written or sent an offering for weeks. We are getting farther behind in our budget with the passing of each week. It would help so much if our friends would send in \$600.00 by June 9 or as soon after that as possible.

The schedule of meetings for the summer months is lighter at the present time. Please keep Bro. & Mrs. Helm on your prayer list and lift them to God every day in prayer. Also pray for the Corporation, that we might be used for the glory of God in Christ Jesus in these days of opportunity.

Striving to be faithful,

Dear Co-laborers,

The International Sunday School lesson for July 4th reminds us that all God's children are laborers together with God; and it is He who gives the increase. This is certainly true of Revival For Our Day. We are holding on by faith that God will send Revival For Our Day in this land and around the world. We trust you are believing this with us.

Another Scripture from the lips of Jesus reminds us that the laborers are few. This seems to be true in our time also. It is true of Revival For Our Day, Inc. at the present time. For some months now there have been fewer and fewer persons who respond to the prayer letters.

We are at a critical time right now. God has been giving the increase faithfully through His children's obedience to His promptings. However, the needs of this month and next month will be greater, for Rev. Helm has no meetings scheduled.

For the benefit of those of you who have been recently added to our list of friends, no Director or Corporation member receives anything for the time he invests in this work of faith. The Helms receive a salary(if it comes in) and there are minimum operating expenses.

We need 300 people who will send in \$5.00 each, right now. Will you be one of these? Make your check or money order payable to Revival For Our Day, Inc. Send it to Rev. Paul Hill, Tr. at Selma, Ind. We invite you to be "laborers together with(us and) God." Praise the Lord for victory through our Lord Jesus Christ.

Fathfully in Christ,

J. R. Boggs, Jr. President

Dear Praying Partners,

The end of our fiscal year is three days away. God has marvelously blessed this ministry the past year and since its beginning. He has given many precious victories to our friends on the mailing list and many others through the obedience of Brother Helm and all who have believed God with him.

God has sent His servant, Loran Helm, many thousand miles in the last twelve months to pray with people and preach the unsearchable riches of the Gospel of Jesus Christ. Many "signs that follow them that believe" have been given by God to help men believe in Him. If only one soul had been saved it would be worth more than the World. Scores have met Jesus as their personal Savior.

Last April, several hundred persons escaped death in the tornado that swept Indiana and adjoining states, because God gave the burden to Brother Helm and others to pray for deliverance before it struck. Praise our God who knoweth all things and is able to deliver thee.

There is no way of placing a monetary value on what has been done for Jesus' glory through the faithfulness of Brother Helm. God did these things, but He chose to do them through His servant.

YOU have been a part of this ministry, if you have prayed, believed, obeyed and given tithes and offerings to God through this Corporation. While we know you love and appreciate the work of Brother Helm, we trust you feel that your part in this ministry is for Jesus' glory and your gifts are given to God.

As our year closes, we are some \$700.00 short of meeting our budget. A number have sent gifts during the year. But the giving has not been regular and sufficient. A few have sent gifts every week or month. We praise God for every one who has helped and been obedient to Him. Some small churches have been able to have Brother Loran with them, who could not afford to meet the Corporation budget while he was there. You who have given have made this possible.

ALL OF YOU are invited to the Annual Meeting of Revival For Our Day, Inc. at Selma, Ind. E.U.B. Church, Nov. 6, 1965 at 2:00 P.M. The Church is located on Main St., which runs east and west, in the west part of town by the school building. We hope you will be with us to help commemorate the 3rd anniversary of the founding of Revival For Our Day, Inc. which was in this church.

To Jesus' Glory,

Beloved Friends In Christ Jesus,

It is a wonderful privilege to greet you in the Matchless Name of Jesus. The Lord has been doing marvelous things thru Revival For Our Day. He has blessed us in many ways in recent weeks, especially.

Brother Loran has been in some wonderful meetings lately. The most recent meeting was with Rev. Mark Brewer and the people at North Star Christian Church in Ohio. The Holy Spirit worked there in a precious way. One layman said he felt this was the best meeting the church had had for several years.

There is not room in this month's letter to tell you all the things the Lord has done with and thru Brother Loran, recently. He has told you of some victories which the Lord gave some months ago. Many other victories have been won since these. He will be telling you about some of them as the Lord leads in future letters. We hope you will save his letters and compile a sort of diary of what the Lord is doing for Jesus' glory.

At the annual meeting last Nov. it was decided to meet with anyone who could come for fellowship in the Lord, once each quarter. The next meeting is set for Sat. Feb. 19th at 11:00 A.M. at Brother Lorans. When we prayed about the time and place of this meeting, this is what the Lord witnessed as His will. So we trust you will be able to be there as He leads. We will meet at Brother Loran's home and if there is not room for the meeting there we will go to a more spacious place. Perhaps we could eat a late breakfast and then get lunch at 2:00 or so when the meeting is over.

Brother Loran's schedule for the next few weeks is:
January 27 - Feb. 3 with Rev. Wm. McPhail at Burr Oak, Mich
Feb. 13 - 27 Methodist Church, Matthews, Ind.
March 4 - 12 or 14 at Willshire, Ohio
March 18 - ? Trinity Methodist Church, Richmond, Ind.
Please be praying for these meetings that the Lord might be able to find obedient persons to see Revival.

Yours for Souls,

J. Robert Boggs, Jr., President

Dear Brethren in Christ,

We greet you with joy and thanksgiving in our hearts this month for the marvelous way God has been blessing and using the ministry of our Brother and His servant, Loran W. Helm. How will we ever be able to praise God enough for all He has done?

God richly blessed the fellowship meeting of friends of Revival For Our Day. It is beyond human description how God worked and led. You will remember, this was last Feb. 19th at Bro. Helm's. There were about 50 persons there.

The next fellowship meeting for friends of Revival For Our Day, Inc. is May 28, 1966 at 11:00 A.M. at the Parr Memorial Methodist Church, Cr. of Wabash & Broadway, Kokomo, Ind. Everyone is invited. No meal will be served, but we are trusting God for a great spiritual feast.

May 6th Bro. Helm will be at the Methodist Church, Roll, Ind. for a meeting. This is on s.r. # 18 east of Marion.

Brother Helm has no meeting scheduled for the month of April. So, we are trusting to God to lay the need of his support on your hearts to give as He leads. We are deeply grateful to each one of you who have stood with us these past months. For without your faithful gifts we could not meet our budget. Will you pray about what God would want you to do?

In June of 1964 the Lord revealed to the Board of Directors that we should purchase a travel trailer in June of 1966. This would be for Bro. Helm to use whenever the Lord directed him to be in a meeting where it would be impractical to drive each night. We already have some money for this. If we get the kind we need, it will take about \$2400.00 more. Will you pray about this also, and ask the Lord to send in the needed finance? The Corp. will own the tlr.

Trusting to see you May 28th,

In Jesus' Name,

J. Robert Boggs, Jr.

Dear Friends,

We are rejoicing at the way God has been using Brother Helm and the way He has been supplying the needs of hundreds of precious souls.

Brother Helm's ministry in smaller churches has been possible because you who love the Lord and His servant are sending your tithes and offerings to Revival For Our Day. We could not meet Brother Helm's needs if you did not stand with us.

It is in our hearts to get a trailer for our evangelists. Mrs. Helm will be going with Bro. Helm this summer and all next year if we can provide a trailer which will make a comfortable place for them to rest while they are in meetings. We need several hundred dollars to get one. We believe God will lay this need on some heart or hearts if it is His will that we get the trailer. Please pray with us about this.

Our Secretary is taking a year away from the pastorate to do evangelistic work as the Lord opens doors. He is an ordained elder in the Methodist Church, North-Ind. Conference. If any of our friends are interested, write him at the address on the letterhead.

Your daily prayers and continued support are vital to the effectiveness of this organization. Praise the Lord for your faithfulness to Him and this work of His Kingdom.

Your Servant and His,

J. Robert Boggs, Jr., President

Dear Friends,

We are truly rejoicing in the Lord with you for His work thru Bro. and Sister Helm. We have heard that some of you have been saving Bro. Helm's reports. If any of you wish to have "back copies" we have them available.

God has been wondrously supplying our needs. Yet it is amazing how this is being done. Some of our friends who helped us at one time have not been giving much for some time, but God has laid it on others to obey and receive His blessing by sharing in this ministry. Bro. Helm has been in meetings almost continuously for the past several months. The churches where he has been have met the larger share of the budget lately. The gifts from our friends have been few the last several weeks. We need to hear from all our friends as often as possible. We need your prayers, if you are unable to give, we understand. Only 30 to 40 of our friends are sending regular offerings. We are so grateful to each of you. We hope the other 400 who receive this letter will pray and ask God what part He wants you to have in this ministry. We know that several of you have only recently become friends of Revival For Our Day.

When several of us were at the Kansas Ashram we met a brother in Christ who has a burden on his heart which we told him we would share with you. He feels God wants 120 people to pray every day for the college youth of the world asking God to help them to seek the will of God and the Holy Spirit to be their teacher. If you will be one of these prayer warriors, send your name and address to: Mr. James R. Simmons, Box 16, Ogallala, Kansas.

Another prayer request- We are in need of a typewriter for our office work. The one needed costs \$160.00. If you would like to help us get this, please send your gift so designated to Bro. Hill, Treas. Selma, Ind.

Your most prayerful attention please. At the Kansas Ashram, Mary Webster said to Bro. Helm, "You need to have a meeting for spiritually mature Christians wherever the Lord leads you. My friends and I are hungry for this; and we will come. Some of my friends will come from half-way around the world." God has revealed to us this should be in Elkhart, Ind. on Nov. 28 - 30, 1966. This will be a spirit-led meeting with Bro. Helm as the director. God has given us the order of the day by the precious witness of the Holy Spirit. The invitation enclosed, we trust is self-explanatory.

May God help us to pray much for Brother and Sister Helm as they seek to serve Him in this ministry to which He has called them. We are trusting God for great and wonderful things ahead.

Please pray much for Revival For Our Day. Remember the fellowship meeting at New Paris Methodist Church, Ind. on Oct. 8th at 11:00.

Prayerfully yours,

Emory Reece, Secretary

Dear Friends,

"Life Abundant in Christ", John 10:10. This is the motto of Revival For Our Day. This is true in our own personal lives if we are earnestly seeking to follow Jesus Christ. This is our hope for the meeting in Elkhart on Nov. 28 - 30.

Some of our friends have seen the vision of God's will for this meeting. One man said the other day, "I will quit my job if necessary so I can be there; I feel it is that important." This man has a high position.

If YOU have not caught the vision of this meeting yet, will you earnestly pray and seek God's leading about it? We are confident the Lord has witnessed to us to have this meeting and He has worked out the place and the agenda. All that is needed now is the leadership of the Holy Spirit and obedient and praying people.

Some may feel the expense is too great for them to come as couples and they do not wish to come alone. If you wish, you may make your own room and meal arrangements and just attend the meetings. Some ladies may want to come but not stay alone. If you will write to me (Emory Reece) I will direct you to another lady with whom you may share a room and possibly transportation to Elkhart.

In the first letter we asked for expression of your interest by Oct. 12th. Since we have learned that you can get reservations to the Hotel as late as Nov. 15th. It may be possible to get a room even later than that. If you can be with us please follow these suggestions:

1. Send the enclosed room reservation card to the Hotel with a \$5.00 deposit. Indicate your roommate if you plan to share a room.
2. We plan to start at 10:00 A.M. on the 28th and continue thru Wed. evening. There are 8 meals involved which will cost \$23.00. Bring this with you and we will take care of the meals. We will try to arrange it so no one will pay for meals they do not eat.
3. Notify me (E.R.) when you have made your reservation at the Hotel, indicating the number of meals you plan to eat.
4. A free-will offering will be taken to cover the costs of the meeting, which will be about \$400.00. If you have further question, write or call me.

The annual meeting of R.F.O.D. is Nov. 5th, 2:00 PM at Wesleyan Methodist Church, Gaston, Ind. Everyone invited.

Dear Friends,

We are looking forward with eager anticipation to the meeting at Elkhart. We have begun to look upon this as a "waiting on God" experience. We are utterly dependent on God in Christ. We want him to be exalted; and without Him we can do nothing in this "waiting on God."

REV. LORAN W. HELM
EVANGELIST

As of Nov. 15th nineteen room reservations had been sent to the hotel. Brother Helm and I were there and made final arrangements with the manager. It is our hope that those who come will not find cause to complain about the arrangements or costs. We originally thought we would not have the meeting at Hotel Elkhart, but God said, "This is the place and I will lead you here." So we are trusting. We believe this entire experience will be a great adventure in "waiting on God".

There is only one requirement of those who come - that we love Jesus with all our heart, mind, soul and strength and desire to do His will.

URGENT- It is urgent that those who plan to eat at the hotel with the group get word to me by Fri. Nov. 25th. Tell me which of the 8 meals who plan to eat, from Mon. noon thru Wed. eve. Bro. Helm is anxious that we will not miss this fellowship in eating. He hopes we will not look at the cost(\$23.00) in comparison to what God may do in our midst. People of the world spend many times this for an evening's entertainment and think nothing of it.

Hotel Elkhart is located in downtown Elkhart on Main St. which is also U.S. 20. If you are in doubt how to find it enquire when you reach the edge of the city. You can park behind the hotel for 50¢ per day; the hotel pays for parking from 4:PM - 10:AM.

Remember the meeting starts at 10:00 AM EST on Mon. and continues thru Wed. evening's meeting at 7:30. Come for all or any of the meeting you can.

Single ladies may share a twin or double room and save on the room cost. A few requests have come in for room-mate information. I am sending answers as soon as possible. It is possible to change rooms when you arrive for the meeting- if there are not too many changes. Mr. Casavant and Mr. VonBlon have been so cordial in making arrangements for us. So we hope everyone will be co-operative and grateful to them.

Please get your mail delivered to me by 11/25. Thanks.

Emory Reece

Beloved in Christ Jesus,

It seems there are no adequate expressions to praise God as we should for what He did at Elkhart. The Lord witnessed to our hearts that the meeting was in the realm of the sacred. Praise His glorious name. The manager of the Hotel told Rev. Helm and me that our group had made a deep impression on the workers there. He said, "They have said these are a high type people." Praise the Lord for helping us. The Manager also said that if we would come back at the same time next year they would give us a flat room rate of the same per person.

A number of us met at Kenneth & Vera Wagners' for lunch on Thurs. God gave an after-meeting that was surely precious. Sister Cressie Wood had such a blessing at her home Thurs. morning that she shouted and praised the Lord for a few hours. She had gone to wait for the Revival and God gave her one of her own.

We trust all of you are remembering the working of the Lord and the instruction and revelations given us at Elkhart. Pray for each one on this list as often as you can. Thanks to everyone who helped to make the "waiting on God" so precious.

Beloved in the Lord,

With thanksgiving and praise to God we greet you in this new year of 1967. When we look about us it seems that the time is so short to win men to Christ. In fact, it may be later than we think. Bro. Helm has been telling us to pray much for the churches of the land and surely the need for prayer is great. If the people of the church do not get a burden for lost men and women, who will?

Brother Loran and Sister Florence are going soon to Texas for a meeting that is somewhat missionary in nature. As he has told you in his letter, Bro. Helm does not expect much if any offering from this meeting. This means that we will need the financial backing of you friends to make this trip possible. Will you send in an extra offering this month yet to help us keep up?

The offerings have been low the last six (6) weeks particularly. Did you do your best? According to our financial secretary's records only about 10% of the friends on our mailing list send in offerings with any degree of regularity. We do not hesitate to ask you to give to this work. This is God's work and Bro. Helm is God's servant. Many of you have benefited materially and/or physically from Bro. Helm's faithful ministry. This is not suggesting that you "pay for his services". We do believe that many have forgotten the high cost of living faces Bro. Helm every day as well as every one else. Will you now ask God what you should give regularly to help provide this servant's needs?

Last month we shared with you the burden we feel about helping Bro. Helm get another car. His present car has served its useful life. We are not paying Bro. Helm enough salary to make it possible for him to trade cars. The travel expense we pay him is consumed by the many miles he drives to serve the Lord. It is nothing for him to drive 300 miles just to pray with some one in need. Do we want him to have to stop this? Of course we don't. If he is to continue it, he will have to get another car soon. A few gifts have come in totaling about \$100. Please pray much about this and then do what God lays on your heart.

There have been several new friends added to our growing circle in the last few months. It may be that we have accidentally missed a name. If you know of someone who wants to receive our monthly letters, please send us their name. Have you moved? We know that several of our friends have moved and forgotten to tell us, because we get a few letters returned each month marked "moved left no address". Please send us your new address if your letter is being forwarded to your present address.

Your continued prayers and offerings make this ministry possible. Again we remind you that all offerings sent in are used as designated. There are funds as follows: Regular Budget for Rev. Helm and operating expenses, Trailer Fund- to buy a trailer for Rev. Helm's use, and the Automobile Fund- mentioned above.

God bless you,

Dear Friends,

We are sorry it has been so long since we contacted you to let you know how the Lord has been working. You have undoubtedly been blessed with us by reading Bro. Helm's account of the Wilshire revival. Of course he has been in several meetings since that one. God has given wonderful victories. In the last meeting at Port Jefferson, there were 4 victories one Sunday morning. Praise the Lord. We have prayed this week with a Bro. in Jesus who had a serious physical need. We are believing God has touched him for His glory. It would be impossible to relate all that God is doing, because He is working in some way to meet some one's need almost every day.

By joining us in prayer and sharing with us as God has blessed you, YOU are a vital part of this ministry. Surely without the prayers of God's people, we could do nothing. Be encouraged to know that Revival For Our Day is depending on your faithfulness to obey the Lord in prayer and giving.

Love offerings from revivals and gifts from you have brought the operating budget up to normal. We will need to hear from you again this month and especially next month. Bro. Helm will not be in as many meetings these next two months. We have felt he should have a rest for several months, but the Lord has led him to be in meetings continuously all winter. Here is his schedule:

We are sorry to have to report bad news concerning the Auto Fund. Apparently only 4 or 5 persons have the vision for this need. Less than \$300.00 has come in since last Dec. Frankly, we do not know what more to say about this. Bro. Helm is in considerable need of another car, but the salary we are paying him is inadequate to provide this need. His present car is causing more and more trouble and expense. Will you pray with us about this need? Ask God to help you share with us in getting our Brother another car. Your gifts for this cause are deductible the same as your regular gifts. Be sure to mark your gift for Auto Fund when you send it for that purpose, otherwise we will not know you are sending a gift for this special need.

May God richly bless you and encourage you as you continue to have the part God asks of you in this ministry for souls and bodies whom Jesus may touch and heal for the glory of God.

Your brother in Jesus,

Emory Reece

Dear Friends,

When we read John's evaluation of Jesus' ministry in his Gospel chapter 21 verse 25, we think this is an exaggeration. Those of us who have had the privilege of being with Bro. Helm for any extended period of time know that John was not exaggerating. We have witnessed Jesus at work today thru the Holy Spirit doing so many things that if all of these were to be recorded it would take volumes of books to get everything recorded. There have been many times when God has led, revealed, blessed and healed thru the obedience and faith of Bro. Helm and members of Revival For Our Day Fellowship.

This statement is not intended to call attention to Bro. Helm. Rather we would hope all of you who receive this letter would see that God is working in our day just as He did thru His only begotten Son, Jesus Christ. Furthermore, Jesus said that greater than this shall ye do because I go to my Father. Many Bible scholars agree that the many miracles Jesus did were for the purpose of helping the people recognize who He was, the Messiah. But we know that only a few really knew Jesus. Could it be that the same thing is happening today? Do you suppose that God is trying to get us to see that He is at work in the things we are witnessing to prepare us for Jesus' return?

Some ^{of us} believe that the real ministry of Revival For Our Day and Bro. Helm is yet ahead in time. Oh that none of us may allow dullness of hearing nor slowness of obedience to cause us to be left out of what God wants to do thru us. May we be quick to realize that the devil is working hard to remove everyone from Revival For Our Day Fellowship that he can. Some who are closest to Bro. Helm may feel this the keenest. We must pray one for another and resist the devil steadfast in the faith. We must pray more for Bro. & Sister Helm that God will deliver and keep them close to Himself. We must obey the Holy Spirit as He shows us our part in the ministry of R.F.O.D.

The Holy Spirit has witnessed to some of us that He has been dealing with 47 people about the finances of R.F.O.D. but they have not obeyed His promptings. Only 12 persons have the real burden for the financial load of R.F.O.D. and Bro. Helm. May none of us be a part of the problem, rather a part of the answer, so God's work will not be hindered for lack of funds. Very little has come in for the Car Fund, much more is needed.

We would be most ungrateful if we did not express our deepest thanks to those who have stood with us faithfully. We are confident God has blessed you as you have obeyed His leadings. If more persons would join you, who knows how much the outreach of this ministry could be expanded- perhaps radio or even television or city-wide campaigns. May God help each one to be faithful to the part He has for us to fill.

Yours for Souls Sake,

Emory Reece

P.S. The Pastor at Ansonia called Bro. Helm Mon. 11th and told him there were 240 in church Sunday morning. He did not get to preach because the people were praising God in testimonies. Several persons were at the Altar and received victories. The revival is still on, even though Bro. Helm is not there.

Brothren in Christ Jesus,

URGENT REQUEST-- Just this morning the Lord revealed to Bro. Helm that he would need special help in his body within 8 days from now. We are asking all of you to pray as never before for our Brother that God will deliver him, raise up a standard against satan, and apply the merit of the stripes of Jesus for the healing of Bro. Helm's body. He did not indicate it in his letter (enclosed), but he has been seriously ill recently. We know that only God's mercy has spared him. Please pray earnestly !!

God has been blessing and using the Helms in the Kingdom of God. You will notice they have a busy schedule coming this fall. Pray that God will strengthen and guide them. Also pray that people in these churches will obey God and seek the revival He wants to send.

We are sorry to have to report that our offerings have been steadily decreasing for the past 4 months. The Lord has revealed to us the reason why. There are only 12 families who have the real vision and burden for faithful giving to Revival For Our Day. God has shown us that it is His will that 58 families should embrace the burden of the finances of the Corporation. Forty-six families are resisting the Holy Spirit who is trying to get them to be regular and faithful givers. Some have told us they have obligations to their churches. We do not want any one to curtail their giving to their home church. We believe that God knows who He wants to obey Him in their giving to Revival For Our Day. If you are honest with God you will know if you are one. Please do not be offended at us for being so frank about this matter. We have known from the beginning that God has directed and still continues to direct this Corp. If He can only get a few people to obey Him and do His will always, no more and no less, He will do great and mighty things for His glory and souls' salvation. We urge you to honestly seek and earnestly do God's will about this.

Our most sincere thanks to those who are faithful in supporting Revival For Our Day in prayer and giving. We are thankful to every one who has helped us in the past. You will want to know that the Car Fund which was started last Dec. has reached a total of about \$1000.00. Thanks to all of you who have this burden. Much more is needed to raise this fund to the amount needed. Bro. Helm will have to get another car within a few weeks.

Those of you who have just recently become a part of this Fellowship, we welcome you and trust these letters will be a blessing and help to you. Pray earnestly for God to help and use us for His glory.

Fraternally yours,

Emory Reece, Secretary

Brethren in Christ Jesus,

Brother Helm just called us from Vienna, Va. Thank the Lord for directing him to call because we needed further information for this letter. He shared with us that a Brother had called him to pray with him about a burden. The Lord revealed the burden was for Brother Helm concerning a need in his heart and arteries which would come in 11 months. LET US all pray that God will undertake and deliver Brother Helm so that he will not have to experience this affliction. God is able to do this.

In our letter last month we shared the revelation concerning the financial burden of Revival For Our Day. Some may have misunderstood our explanation. The Lord has shown us that He wants 58 families to get the real burden for the support of this organization. This does not necessarily mean that these are the only ones who should give as the Lord leads them. When we stated that only 12 families have the burden we meant that these are the ones whom God has shown to send regular and sizeable offerings. A few are sending regular offerings in amounts which they feel God has directed them, others are giving occasionally as they feel directed. May God reveal to each one of you that we are deeply thankful for every offering sent in.

Since our last letter 3 families have said or written that they feel God wants them to be one of the 58. I am sure that He will help them to know what part they are to have in this ministry. My wife and I always are blessed richly by every thing we do in relation to Revival For Our Day. Praise the Lord for the privilege of serving.

Several of you will be glad to know about the progress of the Car Fund. Brother Helm was able to get a car recently through a Brother in Christ who is a Chrysler dealer. The amount in the fund was applied to the cost but Bro. Helm had to borrow about \$4500. to complete the transaction. If the Lord would lead any of you to send an offering for this purpose it will be applied to the loan. This Christian dealer has indicated to Bro. Helm that he will arrange it so Bro. Helm can trade in his car each year at cost. This will make it much more practical to have a dependable car without costly repairs and considerable depreciation. Also this Brother will be contributing several hundred dollars of his profit in this arrangement.

The next Fellowship meeting will be Nov. 4th at 11:00 A.M. at Rehoboth Methodist Church- 2 miles east of Parker and 2 miles north; or 2 miles west of Farmland and 2 miles north, Parker & Farmland are 4 miles apart on s.r. 32.

Most sincerely in Christ,

Emory Reece

Dear Friends,

We invite you to rejoice with us this Thanksgiving Season as we begin our sixth year of trusting the Lord for His leading and blessing. We have a few vital matters to call to your attention this month.

First of all is the need for much prayer for Brother Helm, that he might be delivered from the affliction that God has revealed to several of us that will come in the next 8 to 10 months. Sister Joan Redding of Pendleton, Ind. has shared with us that she feels led to find 10 people around Pendleton who will pray 10 minutes each day for Brother Helm. If 150 of you would do this also, the necessary volume of prayer might be achieved. Will YOU be one? Here are two promises-I Peter 2:9 and Psalm 91:

Secondly, is the matter of gifts enclosed in Christmas cards to the Helms. For the past few years friends have sent cash or checks in their Christmas greetings to Brother Helm. He did not know if he was to forward them to R.F.O.D. or not. If you plan to send a personal gift to Brother Helm in your greeting, please indicate to him that you do not want him to forward it to our Treasurer. Thank you.

Next, we feel we should call to your attention that our income has been steadily declining for the past 7 to 8 months. Only a few persons are giving regularly and frequently. We are deeply grateful to everyone who is sharing with us in this ministry of Brother Helm. If we are to continue to meet the financial needs, we will need to hear from more of you more often. Will you pray and see what the Lord might impress you to give? Please designate your gift: General Expense Fund, Car Fund, or Trailer Fund.

If we can continue the Car Fund we will be able to get another car for Brother Helm next Fall(68) at cost. This will be a great saving, both in initial cost and upkeep. About \$140.00 has come in for the Car Fund the last two months.

Finally, we know you are anxious to know where Bro. & Mrs. Helm will be in the near future:

Dec. 3 to ? at Knoxville, Tenn. cr. Luttrell & Haines St.
Jan. 8 to ? at Manassas E.U.B. Church, Va., Rev. Richard Ruth
Feb. 3 to ? at So. Webster E.U.B. Church, Ohio
March 4 to ? Urbana Church of God, Ohio

Pray much for these meetings that God may be able to work mightily thru the Holy Spirit. The closing dates of these meetings are not settled at this time, but most of them will be at least one week. May God help us to be faithful to the calling He has given us.

Prayerfully and gratefully yours,

Emory Reece

We TRUST you are remembering to pray every day for Brother Helm's deliverance and health. May God help us not to fail in this trust. He has been so precious thru the Holy Spirit to reveal the need in advance (John 16:13). So may we express our thanksgiving by being faithful to hold Bro. Helm up in prayer.

Brother Helm has shared with you in his letter his appreciation for your support in prayer and giving. We of the Board of Directors also want to thank you for your part in this ministry. We know that unless you stand with us, we fall. Some new friends have started giving and praying, but we do not hear any more from some of our friends of years past. If everyone who receives this letter would send just \$2.00 this month and each month, we could meet our expenses. When you look at it this way, it would seem there is no good reason why the needs could not be met. Will YOU do your part?

The schedule of meetings for the near future of the Helms is:

Feb. 3 - ? So. Webster E.U.B. Church, Ohio

Feb. after ~~7~~ Church of God, Huntington, Ind.

March 4 - ? Church of God, Urbana, Ohio

We will try to keep you informed of meetings where Bro. & Sister Helm will be.

The next R.F.O.D. Fellowship meeting will be March 2, 1968 at Parr Memorial Methodist Church, Cr. of Wabash & Broadway, Kokomo, Ind. Time is 11: A.M. For those of you who may be interested, Rev. Boggs, our host for this meeting, has invited us to come a few minutes early for coffee, donuts, and snack before the meeting.

Several of you have been asking where our Sec. is to be in revivals. His schedule is: Jan. 17-28 Spring Hill Methodist, n.e. of Berne, Ind.; Feb. 4-11 (or longer) Hopewell Methodist, n.e. of Farmland, Ind.; March 3-17 Christian Church, Losantville, Ind.; March 24-31 Friends Church, Farmland, Ind. We need your prayers much.

Dear Friends in Christ Jesus,

No doubt your heart has been blessed by Bro. Helm's letter and Rev. Clemens letter also. We trust you will be further blessed to know that God is helping each step of the way. We thank you who are remembering to pray for all of us. Especially, we thank you who are praying for Bro. Helm's deliverance from the affliction that God revealed would come in August unless sufficient prayer is made. We are confident God is able to deliver our Brother if we are faithful and obedient to His leadings.

In the recent Fellowship meeting at Kokomo many of us felt that God worked more than any other time we have met. There isn't room in this letter to tell all that God did. He relieved some of weariness at the beginning of the meeting. Some were healed of infections. Some received spiritual help. God heard requests for loved ones not present. Surely without exception, all of us were so richly blessed we could hardly leave even though God had worked for some 5 hours as we waited together before Him. Praise His holy Name.

The financial status of R.F.O.D. was mentioned at one point in the meeting. It was shared that only a very few who receive these letters have really received a burden for the support of the work. We tried to point out that this does not mean that several are not giving as they feel the Lord wants. Rather only about 12 families are giving weekly, semi-monthly or monthly and in fair sized amounts as God has given them a burden in their hearts to give. We believe God has revealed that He wants 62 more families to get the real burden of regular and sizeable giving to Revial For Our Day. Some may have misunderstood our President, Bro. Boggs when he said that we do not want any one to send us their tithes they should give to their local church. As he explained to me later, what he meant was that we don't want any pastor to feel that we are trying to get R.F.O.D. Friends to withdraw their support from the local church to give to this work. We do feel this work is as important as the work of any local church. And we know that without the tithes and offerings of God's people we could not continue. So we trust that each of you will earnestly pray and lay the matter before God and then give as He leads you.

The Lord has just witnessed to some of us that He wants Bro. Kenneth Wagner to accompany Bro. Helm to Oregon. Bro. Kenneth is willing to sacrifice several days work in order to go. We bring this to your attention asking you to pray and if God lays it on your heart to give an extra offering to R.F.O.D. it will be used as you designate to meet the plane fare and expenses of Bro. Wagner's trip with Bro. Helm.

Bro. & Sister Helm's schedule for the coming months:

<u>Clatskanie, Oregon</u> - March 24-31.	Begin April 24 at Free Methodist
Parr Memorial Methodist, Kokomo,	Kokomo, Ind.
<u>May 10-14.</u>	Big Lake Church of God, May 21-29,
West End Bible Tabernacle, Newport,	7 miles no. Columbia City on s.r.109
<u>Tenn. June 5-13.</u>	Attend 5 days of Ch. of God camp mtg

Dear Friends in Christ,

I greet you in the Name and through the blood of Jesus Christ our Lord. Would you please stop here and ask God to help you get the message of this letter? I do not ask you to do this because I doubt your comprehension, rather my ability to use the right words in writing.

The Lord hast just dealt with Bro. Helm, Tom Harmon, Howard Field, William McPhail, Kenneth Wagner, Claude Swartz, Keith Frye and me on a conference call. It is so precious and marveleous what He revealed. For one thing, the Lord wants to save and reclaim over 100,000 souls in the meetings where Bro. Helm is to be this coming year!! Also He has directed us with power that NOW is the time for R.F.O.D. to employ a Song Evangelist to travel with Bro. & Sister Helm.

This latter revelation means that we will need much more financial income for this additional personnel. But God also revealed to us on this conf. call that if everyone the Lord impresses would send the offering He directs, there would be more than enough to pay Bro. Helm, pay a song evangelist and meet the operating expenses. In fact, He witnessed to our hearts how much He would send in thru His children, if they would do as He directs them. Isn't this amazing and wonderful?

At this point I really need God's help to know how to write this next word to all 800 + of you. For some months past in our letters we have mentioned how many God has revealed He wants to get the "Burden" for R.F.O.D. Apparently, some of you have mis-understood what we mean. What we mean by "Burden" might best be explained by sharing with you two experiences recently.

1. Some weeks ago a certain man was attending a revival meeting where Bro.

Helm was preaching. After the service he came up to Bro. Helm and said, "The Lord impressed me to endorse a check I have in my pocket and give it to you. I asked the Lord if I could give one-fifth of it. The Lord said, 'No, give it all, Bro. Helm needs it.' After talking to the Lord quite a bit about this, I have endorsed it; here it is." The check this man gave was a large amount and it was turned over to R.F.O.D. as an offering from this brother.

2. Recently, a person told Bro. Helm, "The Lord has impressed me to send a check to R.F.O.D. several times, but I have kept putting it off."

Now the first example is what we mean by getting the "Burden" and doing as God directs. The second example is how God is trying to get persons to accept the "Burden" but they are rejecting it.

If God could get those He is dealing with to accept His revelation to them, and if they would do as He prompts them, they would get the "Burden" for Revival For Our Day. As we see it there are 3 things envolved in getting this "Burden". We need:

1. Much prayer for The Helms especially and for all connected with this work.

2. Your attendance and obedience in R.F.O.D. meetings.

3. Tithes and offerings- even sacrificial giving.

God has revealed to us that He is dealing with 118 persons about the "Burden" for R.F.O.D. However, only 14 have the "Burden" at the present time. There are over 800 who receive our prayer and praise letters. So you see that only a very small per cent are really vitally interested in this ministry. And this is God's work and His organization. In fact, the Holy Spirit witnessed to the Directors at our meeting last Sat. that this Corporation is far more important to the work of the Kingdom of God than we realize!! Praise God. The cry of our hearts is that we will not fail Him in any way. That Directors' meeting was so blessed with the presence of the Lord we could hardly conduct the business at hand.

Please understand, we are not rebuking anyone by writing to you about the few who have the "Burden"; we are just trying to show you the situation. The income of R.F.O.D. has been steadily declining the last 12 to 16 months. Yet God is leading us to trust Him for more finances this coming year than we ever have. We know, by the inner witness, that if everyone would get the "Burden" God is trying to give them, this would be the greatest year we have seen for His Kingdom.

We are doing our best to get this letter to everyone who was at the "Waiting Before God" at Anderson, Oct. 28-30. However, we may not have all the names and addresses. So if you know of someone we missed will you notify us? Also, we think our mailing list has many omissions and incorrect names and addresses. If your name and address did not appear correctly on the envelope, will you please notify us? Thanks.

God has revealed to us that the next "Waiting Before God" is to be May 24-25, '69. At The Holiday Inn, Anderson, Ind. Please make your room reservations with the Inn IMMEDIATELY. The manager has informed us that he expects all the rooms to be taken by mid-January, because of the 500 mile race in Indianapolis. He is holding as many rooms open for reservations as he can, but he can not hold them indefinitely. We know that everyone who was with us in Oct. will want to come in May.

The Lord revealed to Bro. Helm and some of us brethren, that if everyone had obeyed as they should have at Anderson in Oct., the power and presence of the Holy Spirit would have been 3 times greater than it was. This would have been "At" the Holy Ghost Revival to the world. God is wanting to send this mighty revival; and He will- if we are willing to be surrendered and brought to nothingness in order that Jesus may be enthroned in our hearts; and if He can have the pre-eminence and receive all praise, glory and honor for the GOD HEAD ALONE! The Holy Spirit witnesses to us this last sentence is the KEY, but only a very few people in the world can really hear this in their heart.

Yours for Christ's sake, *Emory Reece, Sec.*

Dear Friends,

Greetings to you in Jesus' Name. Truly the Fellowship meeting at Selma was a precious time. One person who has attended nearly all the fellowship meetings, said that he felt this was the best one yet. During the afternoon there was a consecration service for Roger and Virginia Yoder who are now going with the Helms as song evangelist. They shared with us how excited, thrilled, and humbled they felt that God should choose them.

The Helms and Yoders (also the Tom Harmons) are now in Alches, Oregon (near Portland. From there they go to the Church of the Nazarene near Clatskanie, Ore., February 8-25. (Your secretary was privileged to be there with Rev. McPhail and his people last November. In that meeting the Lord showed what He could do if everyone there would let Him have His way.) Rev. McPhail and I believe God could send one of the greatest revivals ever witnessed in the Northwest, if people will obey God. PRAY for these two meetings as you never have prayed before. Ask God to pour out His Holy Spirit in sweetness and power. Pray that God will anoint the Helms and Yoders in each service. Pray that God will help the KEY people to obey Him.

"Waiting Before God" --- May 24 and 25--- Holiday Inn, Anderson, Ind. Have you sent your room reservation to the Inn yet? Do it today, if you want to be sure of a room. We will be sending out further information in a few weeks.

Following the "Waiting" last October, we asked several ministers to share with us their feelings about this time with the Lord. Most of those who replied could not express in "a few words" how much the Lord did for them. Here are some selected statements from them.

Huston Bever, Jr., pastor of Marshall Road Church of God writes "I cannot tell how God made Himself known to me and others. It was really something that requires you to be present and experience for yourself before you can really know. Still, there is something more important to me than just what happened as we met together. The greatest testimony of the significance of our meeting is in what has been happening since our meeting together. This is another story in itself that only time and eternity will completely reveal. But let me speak for myself, that God has blessed and filled my heart and life with a greater measure of His presence and power. May His name be praised." This pastor lives in Dayton, Ohio.

From Hartsell, Ala., Rev. T. Everitt Hogue, pastor of the Church of God, says, "The 'waiting before the Lord' in the Holiday Inn Motel at Anderson, Ind., was one of the most exciting times of my life. I have attended all kinds of religious meetings in our movement as well as other movements but nothing to compare with the 'Prayer Retreat' that many of us were privileged to attend."

Rev. Howard Field, pastor of the First Evangelical Methodist Church, Knoxville, Tenn., writes, "I am glad to share my testimony regarding the 'waiting on God' at Anderson. This may well be the closest to heaven some of us will know until by His grace we reach that blessed land of eternal bliss and joy.

"After anticipating this meeting for many months, we were so grateful that God permitted us to be there and share in the unity of spirit and love that permeated every service. Such a time of waiting on God for direction, with no planned program, is exciting and never dull. Each song, testimony, prayer, and sermon were so anointed and in order. We rejoiced also as Jesus touched and healed many bodies as He walked in our midst. It was a rich, rewarding three days for us, a time of drawing nearer to God and each other, which is so needful today. We can only praise the Lord for being able to be a part of this wonderful fellowship." So writes the Robert Morgan of Lansing, Mich., evangelist in the Church of God.

William H. McPhail, pastor, Church of the Nazarene, Clatskanie, Ore., says "The three days of waiting on God, ... were three days of unparalleled spiritual blessings in my life. The times we had the privilege in sharing in there were too precious to me to resort to adjectives which would tend to hide the significance of those days rather than to edify the experiences we shared there -- God was with us."

Lester E Alexander, pastor of the Parkway Church of God, Huntsville, Ala., says, "The three days in Anderson were the most precious days of my entire life. As I sat in meeting after meeting and witnessed the moving of the Holy Spirit in such a marvelous way, I was made to think of the upper room in Jerusalem when another group waiting before God had the visitation of the Spirit. I was thrilled with the many answers to prayer, for the miracles of healing, for the songs which blessed our hearts, for the many testimonies of spiritual victory, but the most precious thing to me personally was that which happened in my own life. God has been teaching me new dimensions of trust and obedience for some months (starting Oct. '67) but in this meeting, Rev. Helm was used of God in helping me walk more completely in obedience. Truly I am aware that I am not worthy, but I am so grateful and praise God for every truth which witnesses to my own heart."

J. Carl Rouintree, pastor of the Burke City Church of God, St. Louis, Mo., writes, "... the greatest continuing worship experience of our lives! The great emphasis of treading softly and cautiously so that the Lord might direct each step, has opened up a whole new chapter in our Christian life. The fellowship and oneness of God's people, which broke through all denominational walls, was a prize experience, also."

Dear Friends in Christ,

We greet you with a heart filled with joy and expectation this month. As the "Waiting Before God" approaches, our hearts cry out to Him in anticipation of reunion with you and meeting new brothers and sisters in Christ. We know that we cannot foresee, nor should we presuppose what God will do in our midst if we truly come to "one accord" in Christ Jesus.

Please follow these suggestions and the "temporal arrangements" may not be a hindrance to anyone at the "Waiting":

1. Meal reservations- We must know by return mail if you plan to eat with the group. we believe it is very important that everyone in the group "keep together". The cost is \$12.90 for all (4)meals. we can accept reservations for less than the (4) meals, if necessary. You need not send the money now; but please send it to me(Rev. Emory Reece, R.R.# 1, Parker, Ind.) by May 21st. If you cannot possibly do this, then you may pay for your meals on the 24th at a time we will announce. We ask you to do this because we begin at 7:00 A.M. (EDT) on the 24th.

Please make checks payable to: Revival For Our Day, Inc.

2. The daily schedule is:

7:00 A.M. (EDT) Begin	4:30 Eat
10:30 Eat (smorgasbord)	7:00 Meeting
1:00 P.M. Meeting	Any change will be announced.

3. ROOMS- The Holiday Inn is filled. You may be able to get a room at one of the following Anderson Motels:

Anderson Motor Hotel	912 Meridian St.	Phone- 317+ 642-9956
Johnson Motel	3711 State Road 9, North	317+ 642-8008
Kings Crown Inn	583 Broadway	317+ 643-6685
Mar-Jon Motel.	1327 East 53rd St.	317+ 644-7766
Mark Motor-Inn	2400 By-pass 109 S.	317+ 642-9966
Town Motel	1002 Main St.	317+ 643-6938

Mrs. James(Frances) branch, 2803 Forest Ave., Evansville, Ind. is willing to share her room with a sister; if you are interested, please contact her.

4. We hope you can bring an offering to help us meet the expenses of the "Waiting". we expect these to be about \$150.00.

Recently, Mrs. John Langdon volunteered her services to R.F.O.D. to serve as our Financial Secretary. This is a great help to our Treasurer. You can help to make her work easier by sending your gifts directly to her at: 105 South Cook Rd., Muncie, Ind. 47303. If you appreciate her doing this, you might tell her so.

In view of the current financial situation, it is necessary for me to share this burden with you. In spite of our appeals in recent months, the offerings are continuing to decrease. With Bro. & Sister Helm and Bro. Yoder now going as a team the need is greater. The offerings from churches have not been sufficient to support this team ministry. At the end of April we are in arrears in Bro. Helm's salary by \$1019.00. Bro. Helm has asked us to pay Bro. Yoder a reasonable amount even though there is not enough left to pay Bro. Helm's sal. Surely you do not want this trend to continue, so will you please give as the Lord directs you?

In Jesus' Name,
Emory Reece, Sec.R.F.O.I

P.S. (Bro. Helm's letter)

Brother Yoder's singing has been such a blessing to many in Oregon, Florida, Ohio, Indiana, and Kentucky. Sister Yoder has been so encouraging and appreciative in everything in these services. She has had a very difficult time since she was 2 years of age with her digestive system. She would be sick after each meal. While we four were eating in Florida in March, Jesus revealed to me that this was caused by an over secretion of the glands and organs. Jesus heard our prayer for this to be regulated normally and she hasn't been ill since, by God's grace and healing. Praise the Lord! We have many things to share which have taken place, but must wait to tell them.

A few words of testimony from the Yoders:

Words cannot express how wonderful it is to be with the Helms in their ministry. To see God working in lives, to seek His will, and to be fully and completely surrendered. We feel so unworthy that God would call us to go for Him, for in ourselves we are nothing. How can we praise Him enough for all His goodness to us for the peace and Joy in our hearts?

The past two months have been the happiest of our lives. Our love for the Helms has grown and blossomed. They are God's choice people. Truly it has been thrills, romance and adventure to work for God. He blessed in the Oregon and Florida meetings. One Sunday morning at Clatskanie the Spirit came down and it was the greatest Sunday morning service we have been in. It was close to the spirit in the Anderson "waiting".

We marvel at how the Holy Spirit works to make His will known to us. The Spirit witnessed in our hearts what songs I should sing and the sermon Bro. Helm was to preach, and it all fit together so perfectly that we know only God could have done that. Only eternity will reveal all the good that was done in people's lives because of His sweet presence.

We received a sweet letter from a precious little girl who was so shy she could not ask for food at the family table or answer in class at school. Bro. Helm talked with and prayed for her. She wrote to tell us how the Lord released her. We could fill page after page telling of people who were helped. The Lord has blessed us so much personally that there are not words to tell, for He has performed many miracles in our lives both spiritually and physically. We praise Him for it. We feel we have had a bit of heaven here in God's will. The time has gone so fast.

The Lord has given us so many precious new friends and we find it difficult to leave when a meeting is over for God gives us such a love for all His people everywhere. It was so good having the Harmans with us in Oregon. We spent many wonderful hours in fellowship and prayer.

We are unworthy of the crumbs and yet God has showered us with blessings and put us in a garden of delight. When we arrived home after the Oregon meeting everything seemed unreal and we felt detached from our possessions. The things of God were so real and our hearts are singing His praises.

We are especially grateful to the families who took us in their homes, to you who have sent contributions so that we might be obedient to the will of God, and most of all for the prayers which have helped us so much.

Dear Friends in Christ,

The Lord Jesus Christ is so precious to help us day by day. Surely if we would endeavor to praise Him continually as the Psalmist suggests, we still could never praise Him enough. We are rejoicing with the Helms, Youders, and Hammons because of the presence of the Holy Spirit with them in Oregon.

We would urge you to pray earnestly for the meeting now in progress at Clearwater, Fla. It is marvelous how God led for this meeting. The pastor heard about Bro. Helm through the meeting at Huntington, Ind., a year ago and prayed that God would send him to their church.

The next RFOD Fellowship meeting is April 12 at 11 A.M. at the United Methodist Church, Cromwell, Ind. This is located on S.R. 5 north of U.S. 30.

We know you are interested in knowing the financial status of the treasury. The present balance is in the red. The offerings in the two meetings during Feb. and part of Jan. totaled \$944. It was God's will for Bro. Yoder to have \$400. The train fare, food, and car travel for the Helm's was \$390. So this left only \$154 for the Helms for six weeks work. If it had not been for the giving of our brothers and sisters to RFOD the Helms would have had no other income.

We trust this will show how much we are depending on YOU to give as the Lord directs. There are only a very few who are carrying the main part of the financial burden for this work. One dear sister sent a check designated for the Yoders; otherwise we would have had nothing to pay them before they left for Florida.

Apparently most of the persons who are receiving our letters are thinking that some one else is supporting the work so they do not need to give. This is not true. We have said many times that only a few are supporting the major part of our budget. If their giving stops or decreases we will be greatly hindered or perhaps stopped in the work the Lord has directed for RFOD to do.

We are so grateful for every gift and we are trusting that you will pray much concerning this.

The Helms' schedule is brief at this time.

March 8-? Clearwater (with Rev. Albert Sempfrott and people)

April 4-11 Parker Friends Church, Parker, Ind.

Pray much for the Lord's work through RFOD as we serve Him together.

Dear Brethren in Christ,

So many wonderful things have happened since we last wrote you. The "waiting" in May was so precious. From my observation the group really began to approach "one accord" in the evening hours on Sunday. The desire of several to be "in order" before speaking or making a request was truly precious. Many proposed requests were revealed to be "out of order" by the witness of the Holy Spirit. Yet this did not seem to discourage those who had ask. Rather each time the Spirit witnessed "out of divine order", the acceptance of God's answer seemed to bring a new wave of sweet accord over the group. Praise the Lord for helping each of us to be willing to wait.

Those of you who were at the "waiting" in May will remember what I shared with you about the finances of RFOD. At that time we were \$1000 in arrears on Bro. Helm's salary and travel expense. Our brothers and sisters gave enough at that time to enable us to become current. However, the gifts for the month of June have been very few. Again we are \$1000 in arrears. One might think that this is a lot of money for one month. Most of what we pay Bro. Helm goes for travel expense. In fact his expenses usually exceed the allowance and he must use his salary in order to obey the Lord's leadings for meetings and trips for needs of prayer.

About 150 of you who are reading this letter have just become a part of the RFOD fellowship in the past three months. About 400 of you have been a part of this fellowship for 4 to 5 years. Approximately 300 have been with us from the beginning or shortly after in December, 1962. Many of you have helped us financially during the years of 1963-67 but we have not heard from you for 1 to 2 years.

If everyone who receives our letters would send in just \$2.00 per month, we could meet all our budget - with the help of revival offerings from churches. Surely with the Lord's help almost everyone could do this. On the other hand, if 400 of you had the burden and vision of giving that a few have, RFOD could reach out more. May God help us to obey.

Remember the fellowship meeting on July 19th at 11:00 A.M. at Huntington, Ind., Church of God, 608 E State St. The by-pass on the east side of the city connects S.R. 5 and 224 on the south with 24, 37 and 9 on the north. The name of the by-pass is Broadway. Coming in from the north, south or east take the by-pass to the Texaco Station on the north side of the river, turn west at the Texaco. This is State St.

The next meeting Bro Helm has scheduled is Aug. 19-27 with Rev. Carl Rouintree at St. Louis, Mo.

Your attention, please! If you have moved and your letter was forwarded, please send us your new address. After each mailing letters are returned because they could not be delivered at the address we have. If you know of anyone who has not received a letter for sometime, please let us know. We may have lost the address in our recent move and change of processing addresses.

Beloved in the Lord,

These words of greeting are not just words. Each one of you is more precious to the Lord than you may know. You are more precious and vital to Bro. Helm and RFOD than you probably realize. I have been convinced for some few years that this organization and the call of God to Bro. Helm is far more important than most people realize. If you all knew in your heart by the Holy Spirit what Bro. Helm's calling and ministry really is, you would know how important it is to be a part of RFOD Fellowship. I am sure there are not very many who really know what is ahead of "us" if we will come to the place of complete surrender to Christ.

A few of us were in fellowship at Bro. and Sister Helms on Sunday evening, July 27th. Bro. William McPhail made a few statements that opened to all of us an insight into what God is waiting to send. Sister said, "When the Revival comes we are looking for there will need to be several who will know what is going on and what to do." As we talked on this subject the presence of the Holy Spirit was so wonderful. I have only witnessed His presence a few times in this measure. (When I began to write this letter, I had no thought at all of telling you these things. It just seemed that these words have flowed from my pen.)

I feel impressed to say this about our finances. We are several hundred dollars in arrears. Bro. Yoder has not traveled with Bro. Helm for several weeks now--mainly because we have no finance to pay him a salary. I am persuaded that if enough of you could see the importance of Bro. Helm's ministry, you would make any sacrifice necessary to help us meet his expenses and to send Bro. Yoder with him full-time. I believe that if 160 of you who are not already giving regularly would send in \$10 per month, we would have enough for the Helms and the Yoders for a liveable salary and all their travel expenses.

NOTE We don't have space to share the details leading up to this but the Lord has witnessed that Bro. and Sister Helm are to go to Palestine on a tour. The Lord seems to be leading that a group of interested ones may go with them. One sister said, "Call the next "waiting" in Jerusalem." We will try to pray with each interested to see who should go. Please read these items carefully if you are interested.

1. Date: Dec. 29 to Jan. 1, 1969
2. Cost: \$570 per person which includes trip and meals. If you wish you may pay \$57 down and take as long as 24 months on the balance at \$24 per mo.
3. As many as 120 can go together.
4. If eleven (11) go, Bro. and Sister Helm can go free.
- ***** 5. We MUST hear from you by Aug. 29th if you want to go. We will send you complete information as soon as we hear from you.

DATES: Aug. 19-27 Revival with Rev. Carl Rouintree in St. Louis, Mo.
Oct. 25 RFOD Fellowship quarterly meeting at Rehoboth United Methodist Church (2 miles east and 2 miles north of Parker).

Nov. 8 and 9 "Waiting before God""The place will be announced later.

ADDRESSES Please check your envelope to be sure that we have your correct address. This may be the last letter we send by first class mail. We will be using the bulk rate postage in the future to save on operational expense. Thank you. In future letters we will be enclosing a "business reply" envelope for you to send your offering in.

We praise the Lord for each one of you and trust you will continue to remember RFOD in prayer each day.

We're sorry for the delay in getting Bro. Helm's letter to you.

August 25, 1969

Dear Friends in Christ:

I am writing you at the prompting of the Holy Spirit as the result of a burden the Lord has placed on my heart regarding the ministry of our brother in Christ, Rev. Loran W. Helm. I was not asked by anyone to write this letter.

You have been on the mailing list of Revival For Our Day, Inc., which shares with you the ministry of Rev. Helm, because you have expressed an interest in his ministry and have personally requested that your name be placed on the mailing list. Thus, it is with the realization that you are interested in this ministry that I write.

All of you who receive this letter have at some time been the recipients of spiritual blessings or Christian renewal through the faithful ministry of Rev. Helm. Many of you have been saved, sanctified, or healed. Some of you are even in the ministry as a direct result of the way God has used his servant.

I could not begin to enumerate to you the way in which God has used Rev. Helm to revitalize my Christian life and ministry. I am confident I would have left the ministry some time ago had it not been for the unlimited spiritual reservoir I found in the presence and leading of the Holy Spirit. I can truthfully say that had it not been for the ministry of Rev. Helm I would never have discovered the precious ministry of the Holy Spirit which has made my life and ministry meaningful. Perhaps you could give a similar testimony.

I am sure that you would agree with me that seldom, if ever, have we seen anyone more dedicated in his obedience to God and the leading of the Holy Spirit than Rev. Helm. I believe, as do many of you, that the ministry which God has entrusted to his servant is of vital importance in the church today!

Yet, in spite of the unquestioned value of his past ministry and the certain importance of his future ministry, very few of us have taken an active part in the financial support of this ministry. How thankful we are for the few who have carried the burden! If you are like I was, it took me several years to actually see the financial need of work. It has come to me that most of us have followed this ministry for the "loaves and fish" without realizing that we are needed to stand in the gap financially. I am afraid that what the Lord said about Israel is all too true about us at times, "Ye have not gone up into the gaps, neither made up the hedge for the house of Israel to stand in the battle in the day of the Lord." (Ez.13:5)

I firmly believe the time has come to stop following for the "Loaves and fish." We need each one to pray that the scales of darkness which have blinded our eyes to the great financial need of this ministry shall be removed.

I am confident that the financial needs of Rev. Helm's ministry must be resolved before the time of the next days of waiting on God, Nov. 8-9. The blessing we receive from such "waitings" tend to be superficial and thus transitory in nature if it has cost us nothing. Today, I am calling on God's people who dare to be concerned with this ministry to help with the financial burden. If you will join me at once in filling this gap with your prayers and consistent monthly giving please drop me a line saying, "With God's help I will stand in the gap."

Sincerely In Christ,

William H. McPhail

Dear Friends:

We greet you in the Name and through the merit of the Blood of Jesus. He is our only hope and stay. By Him and through Him we have victory over the devil and all his ways of destroying us. In these last days it is urgent that we plead the Blood of Jesus to deliver us that we be not turned aside from the Kingdom of our God.

Since there are some enclosures with this letter, we feel that if you read this first, it will help eliminate some confusion.

First of all is the communication about the Holy Land Tour. We are enclosing a descriptive folder (as the supply lasts). It is still possible for you to enroll as a member of the group if you have not yet indicated that you wish to go. Anyone who has not already decided to go, should write immediately for an enrollment blank—DO NOT use the one which is a part of the folder. We are enclosing an enrollment blank to those who have indicated they are going. Please enroll as individuals even though both husband and wife are planning to go. If you prefer, you may send one check for both Husband and wife's enrollment fee. If you are not at all interested in the Tour, we would appreciate your returning the folder, as our supply is limited.

Secondly, the "Waiting Before God" is to be Nov. 8 and 9 Bro. Helm's request in his letter that we keep together is extremely important. You who have been receiving our letters for some time will know that this is the first time Bro. Helm has been led to write in this manner about the "Waitings". We trust that no one will take offense at our sharing with you in this way. It is more urgent as the time slips away that we do not hinder or stop the work God is wanting to do by our neglect or disobedience. If you were hurt by Bro. Helm's writing, would you please pray for God to help you and prayerfully read his timely message again?

Arrangements for the "Waiting" in Nov. are as follows:
1. Make your room reservations as soon as possible and no later than Oct. 15. The Holiday Inn Number 8, I-70 and S.R. 100, Indianapolis. There are 6 floors, so some of you may need to ask for ground floor rooms if they are available.

2. The schedule will be comparable to the one last May. We will begin at 7:00 A.M. Nov. 8th. We will eat at 10:30 and 4:30 each day. Please send reservations for your meals by Oct. 20th. We do not know the exact cost but it will be about \$15.00 for the 4 meals. We will inform you of the amount in the next letter and you may pay for the meals after that.

3. Please direct all requests for information about the "Waiting" to me (Emory Reece) at our letterhead address and phone number. Please DO NOT call Bro. Helm for this puts extra responsibility on him. If it is urgent that your request be shared with him, I will gladly do this. We are only asking this in an attempt to free Bro. Helm of some of the detailed work that takes his time and energy.

Finally, we are delighted to share with you our rejoicing over the recent increase in the number of personal contributions to R.F.O.D. After Bro. McPhail's letter the offerings increased considerably for a while. A number expressed their appreciation for his sharing his burden with them. However, in the last two weeks the

number of contributions has dwindled to only a few. We know that some send their offerings once each month; and we take this into consideration. Surely we all can realize that the work to which our Brother Helm and R.F.O.D. are called can only continue and expand as each one of us is willing to become completely involved as a vital member of the R.F.O.D. Fellowship. May God help us to see the true role of Bro. Helm and this organization in these times in which we are living.

The next Fellowship meeting will be Oct. 25th at 11:00 A.M. at Rehoboth United Methodist Church, where I am pastor. The church is located 2 miles east of Parker and 2 miles north, or 2 miles west of Farmland and 2 miles north. For those who have never been in this area, Parker and Farmland are located on S.R. #32 east of Muncie.

Pray much for the meetings and experiences God has scheduled for us in the coming days.

Please consider these thoughts in relation to your prayer requests and seeking for God's guidance about needs and decisions. Several have called or asked for direction as to what they should do about certain matters and some have written asking if God would heal if they came to Bro. Helm. The Holy Spirit does not lead reveal, or work when we are expecting it. Rather just as we are trusting and waiting. Therefore, we can only ask God to heal or guide or work as He allows us or reveals the time to pray. When we press to know we may get the wrong answer.

Most cordially in Christ,

Emory Reece, Secretary

Dear Ones in Christ,

Jesus Christ is our only hope for this age. Only as we put our complete trust in Him and give Him our loving obedience, can He be our hope. Our world is needing Him more desperately every day. Of course the devil has most men so blinded they cannot see their need of Jesus. May He help us to do as St. Paul was sent to do in his age - "To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me." Acts 26:18

The "Waiting Before God" is near at hand. It will be November 8th and 9th at Holiday Inn #8, at I-70 and 100, Indianapolis, Ind. The "Waiting" begins on the 8th at 7 A.M. (prevailing Ind. time). We will eat buffet style meals at 10:30 A.M. and 4:30 P.M. The rest of the time we will be in meeting and resting. If you are coming, please follow these steps:

1. Make room reservations immediately with Holiday Inn. Prices are:
Room with 1 double bed - 1 person-\$12.00, 2 persons-\$15.00
Room with 2 double beds: 1 person \$13.50; 2 persons-\$16.50. Each extra person \$3.00 (eg. 4 persons-\$22.50 or \$5.63 each). Remember we begin at 7 A.M. on Sat. and may not dismiss until late Sunday night. You should take this into consideration as to the number of nights' lodging you may need.
2. Meal reservations are to be sent to R.F.O.D. (address above). We trust you will be eating with the group for the 4 meals. Send your request for the number of meals you will need by return mail if possible; and no later than Oct. 25. We must confirm the number with the Inn. You need not pay for your meals until Nov. 5th. However, if you cannot send payment by then, please pay when you arrive. The total cost for meals and gratuity is \$16.80. By our eating as a group (minimum 75) the Inn does not charge for the use of the meeting room.
3. If you come by car, most of the Interstate highways leading into Indianapolis will intersect with I-465, which is the Interstate around the City. I-70 and 100 is on the north-east side of the City. Weir Cook Airport is on the west side of the City. Anyone flying in should notify me (Emory Reece) in advance and I will arrange for someone to meet you.
4. Please re-read Bro. Helm's last letter in preparation for coming and share it with anyone who is coming that may not have read it. We are not wanting anyone to feel excluded, rather that everyone who comes should see the need of being of one mind in Christ and waiting together as those were in The Upper Room.

If any more of you are thinking about going with Bro. Helm to the Holy Land, departing Dec. 29, you should notify us immediately. It is our understanding that all financial arrangements must be completed by Nov. 15. Prior to this date you should be enrolled, have your passport, and the required smallpox vaccination. Write for an enrollment form and complete information, immediately.

R.F.O.D. Fellowship meeting is October 25th at 11:00 A.M. at Rehoboth United Methodist Church - 2 miles east and 2 miles north of Parker. Everyone who can come is invited to the Reeces' after the meeting for a salad supper. Bring your favorite salad. Meat, rolls and beverage furnished. Refrigeration is available at the church.

Dear Ones in Christ,

It is with a great deal of anxiety that I write you this time. This anxiety comes because so few have responded to the call of the last two letters for reservations for the "Waiting Before God" which is just two 2 weeks away.

The Holiday Inn has informed me that only a few room reservations are in. You should have reserved your room by October 15th. The manager is willing to hold 60 rooms until October 30. This does not mean that you have until then to make reservations, rather after October 30th there is no guarantee that you will be able to get a room. Write to Holiday Inn # 8, I-70 & 100, Indianapolis. Be sure to make your reservations for this Inn, or you may get the wrong place.

As of October 23, I have received only 29 reservations for meals. In order to have the use of the meeting room and the dining room adjacent we must have a minimum of 75 persons eating each meal. In the last letter I asked that you notify me by return mail of your meal reservations. We will eat at 10:30 & 4:30 each day. The cost of the 4 meals is \$16.80.

Some have complained in one way or another that the meal cost and the room cost is too much expense for two days. My answer to this is- what price are we willing to pay for the calling of God to Wait Before Him for the Holy Ghost Revival to the World? God has revealed to several of us that He is waiting and wanting to pour out His Holy Spirit upon a group of qualified believers. Will He ever find this group? We sincerely believe that He could do this thru the Revival For Our Day Fellowship. But each one of us must qualify.

In prayer with Bro. Helm last night, the Holy Spirit dealt with us that it is urgent that every one who comes to the waiting should have all criticism, resentment, strife, bitterness, unbelief, analyzation and all tendencies of the flesh and carnality cleansed from his heart; or this will hinder the meeting and prevent the power of the Holy Spirit's falling on us. God also revealed that He wants 232 persons at this "Waiting". He will kill 68 cancer cells during the two days if the ones are present whom He wants there.

It is also urgent that everyone who comes should come praying and in humble submission to God asking that He will deliver each one from allurements and distractions of the enemy. Bro. Helm has asked for much prayer that he will have the strength and guidance needed for these days of Waiting.

We have not heard from any of our friends in Alabama or Tenn. Are you coming? We have heard from no one in Missouri; only one in Michigan; none from Virginia or West Va. Any future "Waiting" will depend on the response to Nov. 8 & 9.

Holy Land Tour
By Rev. Loran Helm
Parker, Ind.

November 30, 1969

Dear Fellow Travelers,

We want to share a few suggestions with you which we believe will help us all to derive the most from our Tour. Please read and re-read this and keep it with you for future reference.

1. Let us keep together not lag behind.
2. Let us keep silent while the guide is talking. If you need to, whisper after he is finished. Please! Please!
3. Be sure to get to bed by 10:00 not later than 11:00 P.M. in order that we may be up at an early hour. I am to have everyone in the group ready for breakfast on time. I will let you know the exact time later. We want to be ahead of time, not late! I know many wonderful people who are late at about every thing. If we are not on time in every thing, God can't trust us with very important things; and this could help to defeat us in many areas of our lives and souls.
4. If we have questions let us ask the guides not one another. If the Holy Spirit reveals anything to me I will be delighted to share it with you as the Lord lead
5. Do not mis-place your Vaccination Certificate. Keep this with you in a safe place. You must have this in order to re-enter the United States. Be sure to get the required health office stamp at the right of the doctor's name.
6. Miss Clara Bishop was in the Holy Land recently. She suggests that you not try to take too many pictures or you will miss much of what there is to see. You will see so much so fast it will be difficult to keep up if you take too much time for pictures. One man in her tour worked so hard taking pictures that when the tour was over he had not seen the things he went there to enjoy. She also suggests, take a few pictures of the important places, there will be many beyond our thoughts at this time.
7. There will be a number of places where we will be walking or standing on the same spot where the prophets and many of God's servants were in different centuries. Just take in what you can and don't get confused trying to get every thing. Just relax and enjoy it. Praise the Lord.
8. Personal questions and burdens There will be 71 persons with me on this Tour. So you can see it would be impossible for me to answer everyone's questions or pray about every one's burdens. Questions that are in the flesh are difficult to deal with, but a question that is in the Spirit is fine and helpful. Some questions in our minds can be answered thru one's own prayer life. If one will pray at least one hour about any question he may have and still cannot get the answer then he may ask me and I will pray about it with him. If there are serious problems or heartaches, we want to help as we can. If you will first ask if your question or request is in order or out of order, this will help so much. For you see I can only pray about matters as the Holy Spirit leads me, not when persons ask or when I want to ask. We want to help everyone. Let us remember that in the life of Trust, He answers the questions. Our claim is that we are nothing and He is everything.
9. Please remember to pray for everyone that all foods and water will be agreeable. Please pray that everyone will be well and no one will fall or be hurt in any way as we go. Please notice on the last page of your folder, "Tips On Travel", that health, personal, and luggage insurance may be purchased at Kennedy Airport before we leave. It might be wise to have this.
10. Those who are flying to New York, check your baggage from your home airport to New York only. Do not check it thru to the Holy Land. Be sure to be at J.F. K. Airport between 3:00 and 4:00 P.M. New York time, Dec. 29th. We will all meet at the Air France Departure terminal. We will be writing you again soon with information on departure time and the complete schedule of where we will be and at what time. Also we will inform you as to where you may receive mail while you are on the Tour.
11. When we return, customs will want a list of all items you have purchased. It will save you time and trouble if you have all these in a separate "tote" bag.
12. In an earlier letter we said that each one of us would be expected to pay airport taxes. This amount is \$6.00. Please send Rev. Helm a check for this, as he has been charged by the airline for this already.

Tips We also mentioned that we are expected to tip guides and others. Please send Rev. Helm \$8.00 for this. This tipping does not include any personal tip you may wish to make for meals, bell hop, etc. You might take \$5.00 in quarters for this.

Dear Ones in Christ Jesus,

Truly we do have much for which to be thankful to God this most glorious Christmas Season. He has given us health and strength thru another year. He has helped us in R.F.O.D. to meet the budget to Bro. Helm each month. He has visited us in two wonderful "Waitings". He has done so much for each of us that we can not begin to tell it all. But most of all He has given us His only begotten Son and Life Abundant to those whose heart keeps right with Him.

Those of you who have been a part of R.F.O.D. Fellowship for some time know that Bro. Helm and Sister Helm have been on a very busy schedule for many months. Some of us who are close to them have felt that they need an extended time for rest. The Holy Land Tour and all the responsibilities of it are yet ahead of them. So we urge every one of you to pray earnestly for them.

The Lord revealed on Oct. 1st it would take Bro. Helm 32 days to really get rested. Now the Lord says 2 months. After the Holy Land Tour, we want Bro. Helm to take the rest of January and some of Feb. to rest. But we know that unless you friends send in the offerings there will be no salary for Bro. Helm during Jan. nor the rest of Dec.

Our Financial Secretary's report shows there has been a considerable drop in the number and amount of personal gifts in recent weeks. We do not have enough on hand to pay Bro. Helm his Dec. salary. No revival meetings are scheduled until Feb. 6th. SO we need your help NOW more than ever.

Of those who have been a part of this Fellowship for some years, there are not very many who feel any financial burden to see Bro. Helm's needs supplied. Yet we know that nearly everyone would not hesitate to call Bro. Helm for prayer and help. I have been personally convinced for quite some time that most people really do not know who Bro. Helm is nor the magnitude of the work to which God has called him. I am also convinced that many persons who have known him, as a man, will never really KNOW him until it is too late to do anything about it. By God's grace I do not want to be left out because of neglect or any other fault or failure- do you?

I have been acquainted with Bro. Helm for almost 20 years. I have never met nor heard of any mortal who walks with God as this man with such a call as God has given him. I believe that if a chosen 300 of you could see what God wants you to see in Revival For Our Day and Bro. Helm, every present and future financial need would be supplied. The devil has been and is working every way he can to stop what God wants to do thru this ministry; and cut off all the finances.

We are trusting God to deal with each of your hearts, as He sees best and knows your situation, to enable you to fulfill your part in this work. We know that some of you do not have finances to give, yet if you still know the Lord you can pray. We need more praying friends now than ever before. All we ask is that you obey the Lord, as your heart is clear with Him to know His leadings.

The Helms will be in Okla. Feb. 6-12; Mich. late Feb.; the next R.F.O.D. Fellowship meeting will be Feb. 28th- place and time to be announced in the next letter.

Yours for Revival,

Dec. 9, 1969

To: All who are flying
in the group from Indianapolis

Greetings:

We need to share a few suggestions with you concerning the flight to N.Y. As near as I can recall, I have contacted all of you about this flight. It is possible in all the planning that I have forgotten to tell some one some detail. There are 32 of the 72 who are going from Indianapolis. If you will read carefully these suggestions, I think everyone will be at Indianapolis on time and without too much anxiety.

1. The TWA flight number is 454, departing Weir Cook Airport at 12:00 noon, Dec. 29. The return flight number is 559 on Jan. 7, departing N.Y. at 9:45 P.M. and arriving Indianapolis at 12:42 A.M.
2. The round-trip fare is \$80.85, which each of you will pay at the TWA group desk at Weir Cook on Dec. 29
3. We would like for everyone to meet at the TWA Group Desk at 10:30 A.M. on Dec. 29. (If there is any change in this time we will let you know.)
4. Arrangements have been made with Bro. George Whitmore (a friend of Bro. Helm and me) for those who drive to Indianapolis to park their cars at his home, which is near the airport. In order to facilitate the transportation of everyone to Indianapolis and not have too many cars, we are suggesting the following grouping:

Jack & Joyce Miller (drive)
Mrs. Lottie Yunker (pass.) 643-6205

Emory Reece (drive)
Wesley Bullis & Terry Helm (pass.)

Robert & Dorothy Morgan (drive)

Paul Hill & Harold Woolard
Emmet & Sam Harris (you decide)

Artley, Ruth, Jon Cullum (drive)

Claude & Jessie Swartz 856-2692
Dick Gilbert 693-3882
(you folk decide who drives)

Gene & Audra Piner (you folk
John & Jane Langdon decide)

Kenneth Wagner (drive)

Loran, Florence, Martha Helm
Herschel & Claudia Johnson

Mark Brewer (drive)

Richard & Mary Moore (drive)
Mrs. Hobert Adams (pass.) 284-5625

With this arrangement Bro. Whitmore can take all the cars that will be left at the airport. There will be no charge for parking. Please call each other and decide on the time you will leave home and all details.

As you can see it is quite a task to make arrangements for this many persons to take a trip of such magnitude. So Bro. Helm and I are grateful to each one of you for your co-operation and helpful suggestions. We will be writing you again to give you foreign addresses and time schedule.

Fraternally yours,

Emory Reece

Parker, Ind. 47368

Dear Fellow Travelers,

We had mentioned in the November 30th letter that we would be writing you again with final information. This information is enclosed with this letter. Please read this letter before you read any other enclosure.

1. The letter from Wholesale Tours about name tags and luggage stickers mentions that these are enclosed. We will get these to you in New York on Dec. 29.
2. Please follow the instructions about your foreign address at the bottom of letter showing the flight schedule and hotel names.
3. We have heard two differing opinions about our taking American coins (quarters and half-dollars). Wholesale Tours says that coins are of little or no value in Israel. No one should give individual tips except for room service or similar personal services. If individuals tip in addition to that given by Bro. Helm as the host, this may cause problems.
4. We suggest that each one take a few American dollar bills- not more than 25. Take the rest of your spending money in travelers checks of \$10.00 denomination.
5. Prices will be marked in the foreign exchange and the American dollar as well. (You may get a better bargain with American dollar bills.)
6. It is urgent that no one spend too much time in gift shops while we are out sightseeing. This will delay the group and limit the amount of time for seeing what we are going there to see. There will be plenty of time to shop when we are not sightseeing.
7. Since our group is so large, it is necessary to divide the group into two groups for the purpose of traveling on buses from the airports to the hotels and to go sightseeing. The buses will be together and we will be altogether except in riding the bus. Bro. Helm, Bro. Harman, and Bro. Reece are praying about who should be in the two groups. We trust that however the Holy Spirit witnesses as to who should be in which group, you will be satisfied with the way the Lord leads. We know that all persons, who are in spiritual victory, will be satisfied to be any place.
8. It is suggested that you write your passport number on a card or something to which you can easily refer. You will need this number several times to fill out documents and registration cards. In this way you would not need to handle your passport so much nor risk losing it. We will want your passport number when we meet in New York.
9. The orientation meeting will be at the Air France Departure Terminal at JFK at 8:00 P.M. EST, Dec. 29. We urge you to be there much ahead of this time.
10. One minister who has gone to the Holy Land twice, shared with us that on the last tour he had a member who smoked. This created considerable difficulty for his group. We do not know of anyone in our group who smokes. If there is one who smokes, we ask him to refrain while the group is together.
11. It seems that some have mis-understood the paragraph in the last letter about the airport taxes and tips. This amount is \$14.00 per person- not \$14.00 per couple. Please send this by return mail because of the heavy Christmas mail. We must have this by Dec. 27. Only about half of those going have sent this. Bro. Helm has to pay this expense. We cannot handle this in New York- that will be too late.
12. Those who are flying from Indianapolis, please re-read your letter of Dec. 9. In addition to these suggestions, we suggest that each person take his fare (\$80.85) in cash or bank money order payable to Trans World Airlines. Also we suggest that those who leave their car at Bro. Whitmore's have an extra ignition key on a tag identifying the car to be left with Bro. Whitmore. Be in Weir Co. airport by 10:00 A.M. Dec. 29th.

Your flying brother,

Emory Reece

Dear Friends,

Surely the recent trip to the Holy Land was the greatest experience in the lives of the 72 persons who went. After one of the meals everyone expressed in unison that this was the highest point in their lives to date. We wish everyone of you could have been there. We are convinced that every child of God should visit the Holy Land as soon and as often as possible. A number of those who went have said that they are ready to return as soon as possible.

Some of the ministers who went may be going as host of a group in the future. We (Rev. Helm and Rev. Reece) are not sure we will go again as host. If God were definitely to lead, then we would trust to obey.

R.F.O.D. Fellowship- Feb. 28 - 8:00 A.M. - Parker United Methodist Church. We will have a carry-in meal at noon in the nearby Lions Club building. There will be further meeting after lunch. We are asking that you pray and bring one or two of the following food items:

Meat loaf	Baked beans
Chicken	Salad
Egg salad sandwiches	Desert
Chicken salad sandwiches	Drink will be furnished.
Sweet potatoes	

The personal contributions to Rev. Helm thru R.F.O.D. have not been sufficient to meet the needs. We mentioned in the last letter that Bro. Helm would have no revival meetings until Feb. 6th. So we have had no offerings from churches for several weeks.

We need your help now.

We wish we could report every month that we have met the entire budget for that month and have a surplus on hand. This will never be possible until each one to whom the Lord is speaking, gives what He wants him to give. We are confident that God is woking hearts to give. Are you one of these? Are you doing what He wants you to do?

With this letter we are enclosing an envelope for you to use to send your offering. No postage or address is needed. Just enclose the offering God asks of you and mail it TODAY. No offering is too small or too large. Thank you.

The Helms will be in Oilton, Okla., Feb. 6-12.

We are sure you all will want to know that Bro. Helm's father, Rev. A.E. Helm went to be with Jesus on Jan. 19th in the afternoon. Please remember his precious wife, six sons and their families in your prayers.

In His Service,

Emory Reece

Dear Fellow Believers,

Surely all around us in this area we can see the hand of God at work to beautify His world with many flowering plants and bushes. My soul cries out to Him in praise for His handiwork. Also the Hand of God is working in salvation, healing and wondrous works through our Brother Helm. One lady said just the other day, "You are like Elijah to me and Brother Yoder is like Elisha, helping you." Praise the Lord for He is doing it all through the power of the Holy Spirit.

We are looking forward to the day of Waiting on May 16th at 8:00 A.M. E.D.T. It will be at Bro. Edwin Helm's church, Emmanuel U. Methodist, 4100 S. Main St., Anderson, Ind.

If you come on I-69, come to S.R. 109, exit by the Holiday Inn where we had two waitings. Go north on S.R. 109 or (Scatterfield Rd. to S.R. 67 to Main St., turn right or north to 4100.

Please bring a sack lunch and drink with you. There is a large parking lot behind the church. We will try to have someone there to direct your parking so we can get as many cars as possible parked in the lot.

The offerings in April were a little more than in March. However, the offerings in February were almost as much as March and April combined. So you see the income for March and April is below average.

We need your help even more during the month of May. May we count on you? Will you send a little more this month? Could we hear from those of you who have not written us lately? It would be amazing what we could do for the work of the Kingdom of God if each one who receives our letters would send an offering every month. Why do we limit God's work so much by our lack of financial support? What will we say to God when we meet Him at the day of Judgement? Oh, how urgent it is that we be faithful to God in every detail of life. Isn't it wonderful how He helps us, if we are just willing to obey? Praise the Lord!

Dear Beloved in Jesus,

Since our last letter your secretary has moved to a new pastorate, Bethel United Methodist Church, R. R. 1, Dunkirk, Ind. 47336. Any correspondence concerning For Our Day that is not of a contribution nature should now be addressed to me here. Please continue to send your offerings to Mrs. Langdon, our financial secretary. We have three items to share with you this month.

As you know the Lord was so precious to reveal that the Day of Waiting set for Sept. 19 should be cancelled for the sake of the safety of a number of our brothers and sisters. The Lord has revealed that we may have a Day of Waiting on Oct. 10th at 11:00 A.M. Rev. Helm will be in a revival at the South Meridian Church of God where Rev. Forrest Richey is pastor. So the Day of Waiting will be there. The Church is located at the Corner of 7800 South Meridian and Stop 11 Road. To get there take I-465 around Indianapolis to the Louisville Exit, Rt. 31 south. Continue south for seven stoplights to Stop 11 Road (there will be a Volkswagen dealer and a "Sizzler Steakhouse" at this corner.) Turn right (West) on Stop 11 Road and go to the next stoplight (about one mile) to Meridian Street. The Church will be right on this corner. So you should have no trouble finding the church. Since we begin at 11:00 A.M. we will continue thru without eating until dismissal.

The next Waiting is Feb. 19-21. The place is The Holiday Inn No. 7, 6330 Debonair Lane, Indianapolis, Ind. 46224, phone (317) 293-3220, Burt Smith, Innkeeper. Make your room reservations now. We will inform you later about meal reservations. We will begin at 7:00 A.M. on the 19th and each day at the same time. We will eat at 10:30 A.M. and 4:30 P.M. with the rest of the time Waiting before the Lord. We trust that everyone who comes will want only God's Will and the leading of the Holy Spirit. Every one's heart should be free from doubt, criticism, resentments and any thing that would hinder the precious working and freedom of the Holy Spirit. Your secretary is more convinced than ever that unless we can really come to nothing and be completely His and give Jesus and God all the praise for everything He does, God will not do thru us what He has promised in His Word He will do in the last days. I am sure there is far more to this than I can begin to see. Pray for me.

The final matter is our sharing with you a report of the financial status of R.F.O.D. I believe every one who is really burdened for this ministry will read this paragraph as eagerly as the preceding ones. It is really amazing to me how easily so many are "turned off" at the slightest mention of money. I have seen this happen in every Waiting in the past. It is exciting to see how God works to provide for His servants. So far this year we have been able to pay Bro. Helm the full salary plus paying the song evangelists their share of the church offerings. But we are far from supporting these servants as we believe God wants us to. The individual contributions have declined considerably in recent weeks, according to a report from our financial secretary.

We are deeply grateful to each of you who are faithfully contributing to this ministry. If it were not for these regular offerings, we could not have written the above report of up-to-date "victory." May God help you to continue. Some have told me personally how richly God has blessed them as they have given, sometimes sacrificially, to R.F.O.D.

In Jesus' Matchless Name,
EMORY

P. S. — These two meetings are now scheduled for this month: October 8 to 15 — South Meridian Street Church of God, Indianapolis, Indiana; then beginning October 18, Emmanuel Methodist Church, Anderson, Indiana. Pray for God to accomplish His will in these services.

Beloved in the Lord Jesus Christ,

"Glory to God in the highest" sang the angels on the Bethlehem hillside long ago. We invite you to join with us in praising and glorifying God TODAY for His wondrous Gift, His only begotten Son.

Also we are praising God for each of you who have been praying so earnestly these last few weeks for our brother, Loran Helm. Had it not been for the volume of prayer the experience of surgery would have been much more difficult for him. Because of the presence of Jesus, the Holy Ghost, Bro. Helm was able to arrive at the Logansport Memorial Hospital, Logansport, Ind., on Fri. November 27th with a precious calmness and rest. As he went to surgery the following morning all the anxiety and apprehension of some 50 years melted away and a sweet presence of Jesus was all around Bro. Helm.

During the days of recovery, the enemy has fought severely. As you have prayed, God has brought our Brother thru areas of suffering that he hopes no mortal will ever have to experience. Only by God's helping each of us can we understand or know how intense the pain has been in the body of our Brother in Jesus. We know that many of you have gone thru times of extreme pain, but not very many human bodies are as extremely sensitive as that of Bro. Helm. Why God chose to give him such a body is not for us to question, rather we should praise God all the more for doing it.

The Lord did many precious things for people in the hospital while our Brother was there. The Holy Spirit witnessed to some of our hearts when Bro. Helm shared the revelation of what Jesus was doing for others while Bro. Helm was there in the hospital because of His presence and His children's cries to God for help.

All the hospital personnel who were in contact with Bro. Helm were very kind to him. He felt that he was in one of the best hospitals in the state of Indiana. Some of the staff said that he was a blessing to them as they ministered to his needs.

The last few days our Brother has been in severe pain which starts in the tissue of the upper left leg and continues like a hot or burning sensation upward to the incision and then around into the left hip. Some relief was felt Thursday night(12/10) Then on Friday(12/11) from 5:30 to 7:30 P.M. much relief/came. Praise the Lord for this help. The pain is continuing now this morning(12/12). Much prayer is needed to seek for God's help and healing.

The Doctor says that because of the severity and length of time Bro. Helm was in distress before surgery, the repair necessary was quite extensive; and this could be part of the cause for the pain now. We feel also that the enemy is intensifying this pain and we need to continually lift our Brother in prayer for deliverance.

As we mentioned before, we are depending entirely on God for the finances needed for these days. Brother Helm will not be in any revivals for several weeks. This means then, that our only source of income is personal gifts. We want to especially thank each of you who sent in gifts for the hospital expenses. We do not know the total cost yet, but we are trusting that enough extra gifts will come in to meet this, so Brother Helm will not have to use his salary to pay these bills. We will try to share a report of this with you in a later letter.

Remember the Waiting Before God in Feb. I have heard that some have made their room reservations at the Holiday Inn, but as yet not one person has made meal reservations. Please send this to me, Emory Reece. I must report the number expecting to eat by Feb. 5th.

In case we do not write again before Christmas, may I take this opportunity to wish each and every one of you a Joyous, Christ-centered Christmas; and may we give our loving obedience to Him who gave His all for us. Brother and Sister Helm send their loving wishes to you and want you to know how very grateful they are to each one of you for your prayers and help. May the Prince of Peace fill your hearts with His Peace that passes all understanding.

In Jesus' Wonderful Name,
Emory Reece

The Lord did many precious things for people in the hospital while our Brother was there. The Holy Spirit witnessed to some of our hearts when Bro. Helm shared the revelation of what Jesus was doing for others while Bro. Helm was there in the hospital because of his presence and His children's cries to God for help.

In the beginning was the Word, and Word was with God, and the Word was God. The same was in the beginning with God. All things were made by Him; and without him was not any thing made that was made. In Him was life; and the life was the light of men. And the light shineth in darkness; and darkness comprehended it not. There was a man sent from God, whose name was John. The same came for a witness, to bear witness of the Light, that all men through Him might believe. He was not that Light, but was sent to bear witness of that Light. That was the true Light, which lighteth every man that cometh into the world. He was in the world, and the world was made by him, and the world knew him not. John 1: 1-10.

Glory to God in the highest said the angels on the Bethlehem hillside long ago. The Lord is my light and salvation whom shall I fear; the Lord is the strength of my life, of whom shall I be afraid. Make a joyful noise unto the Lord all ye lands, serve the Lord with gladness, come before His presence with singing. Know ye that the Lord He is God, it is He that hath made us. We are the people of not we ourselves. We are the sheep of His pasture. We are his people the sheep of His pasture. Enter into His gates with thanksgiving and into His courts with praise. For the Lord is good, his mercy is every lasting and his truth endureth to all generations. Psalm 100 I love to tell the story of unseen things above. REVIVAL FOR OUR DAY, INC.

R.R. # 1

Dunkirk, Ind. 47336

Dear Friends,

As we begin a new year in the work of the Lord, we look back with a deep feeling of thanksgiving and adoration to our Heavenly Father, Jesus Christ and the Holy Ghost for the great and wonderful victories and blessings they have bestowed upon us. We look forward to even more wonderful and precious experiences, to the glory of God.

The main concern we want to share with you this month is the preparation for the Waiting Upon God, Feb. 19-21. If everyone who is coming will follow these suggestions it will help all of us, I believe.

1. Please fill out the enclosed Registration Card- carefully and completely. (Even though you may have already sent your meal reservation and money, we need the other information also.)
2. Please be prompt so we may start each session on time and not have distractions of persons moving about as we begin. We do not wish to seem harsh in asking this, rather we know it will help so much when everyone is present and "Waiting" as the session begins. Would you please fill the seats in the end of the room opposite the entrances first? Thank you for remembering this.
3. When we are going to our rooms and in them, let us be quiet and thoughtful of others. We have mentioned this before and during every other Waiting, yet someone forgets about it.
4. There will be expenses we must meet, so it would be so helpful if each one could come prepared to share as the Lord leads in an offering. (Checks should be made payable to: Revival For Our Day, Inc. These are tax deductible.)
5. We all know that Rev. Helm has been thru quite an experience of surgery. We are trusting that he will be able to be there. We ask everyone to be extra considerate of the limitation of his strength. If it is necessary for him to be seated during the sessions, we trust everyone will understand. Also, it would help so much if anyone has a suggestion to make about anything they feel should be done during a session, that the suggestion be made with the condition that it be carried out when and if the Lord leads. (In a session once before a request was made that put Rev. Helm under pressure and bondage; and several persons indicated they could feel this too.)
6. If anyone needs transportation from any point to the Waiting, please let me know. We will also try to meet anyone at the Weir Cook Airport, which is nearby.
7. Remember- if you are not able to come after you make your room reservations, you must cancel with The Holiday Inn by Feb. 11th.
8. Please return the Registration Card by Jan. 31st. Please send payment for your meals, as this will eliminate much work at the Waiting.
9. The Schedule of the Waiting Upon God is:

Opening Session each day	7:00 A.M.
Smorgasbord meal	10:30 A.M.
(\$3.75 each day)	
Afternoon Session	1:00 P.M. (Subject to change)
Smorgasbord meal	4:30 P.M.
(\$4.55- Fri. & Sat. \$6.05- Sun.)	
Evening Session	7:00 P.M.

Remember- the cost of our meals makes possible the use of the two rooms for our Waiting Upon God. If similar facilities were rented for three days the cost would be considerable.

We may not be dismissed until late Sunday night, so you may want to stay Sun. night if you can arrange it.

10. Meal tickets will be used this time. Please pick up your envelope at the table marked with the initial of your last name eg. A - H etc. Please get this before the first session or immediately after.
11. Holiday Inn of Indianapolis Northwest # 7 is located on the West side of the City at the junction of I- 74, I-65 and I-465. We will send you more detailed instructions early next month.
12. Last of all, but most important, we want everyone who comes to be most prayerful and receptive to the working of the Holy Spirit. We trust this Waiting Upon God will be a precious time to each of you and that we will leave all guidance and results to God Himself.

In conclusion, may I ask you to remember me and each of the Directors of R.F.O. D. in your prayers. We are trusting the Lord to supply our financial needs and that of our employees during this time when Rev. Helm is not able to be in revivals. Your faithfulness these next few months is most sincerely appreciated.

Yours in His Fellowship,

Emory Reece for R.F.O.D.

REVIVAL FOR OUR DAY, INC

R.R. # 1

Dunkirk, Ind. 47336

Brethren,

I wish I could write that all have made their meal reservations. But I know of several who have made room reservations but have not sent in meal reservations. I have heard of several who said they are planning to come, but as of today I have only 110 meal reservations. At the last Waiting there were 150 to 170 who ate in the group.

To those who have not made
meal reservations before 2/1

Friday, Feb. 5th I must report to the Holiday Inn the number we anticipate. At this point all I know to do is guess. If you are coming, please call me or notify me otherwise by Feb. 5th. If you cannot send your payment for the meals immediately, you may send it as soon as possible after notifying me that you are coming. It will be so helpful if we can have all meal monies deposited before Feb. 18th. PLEASE DO NOT send payment unless we can receive it by Feb. 18th; bring it with you to the Waiting.

I realize this procedure is a change from what we had said in previous letters, but I do not want to keep anyone away by requesting that payment accompany meal reservations.

The Lord has brought a few suggestions to our attention that we believe are important to our being at our best during the Waiting.

1. We all love each other so much everyone wants to fellowship every minute possible. This is so precious, but if we over-due it we will be so worn out we will not get what God has for us in the sessions. It may be alright to fellowship together after the first session. We believe it would be best if everyone will go to his room and rest after the second session.
2. We know that many will have questions and burdens to request pray about. Brother Helm will probably not be able to pray about any personal requests between sessions. We ask you not to bring too many request to the other brothers. We welcome what the Lord wants to bring to us, but everyone has his limitations. Many questions and burdens may be answered during the sessions, if we will "cast all our care upon Him" and listen prayerfully.
3. We are nothing. Jesus is everything. God can do anything. We come to this Waiting just to trust Jesus like little children. The results of the Waiting will pivot upon everyone's obedience to the Holy Spirit.

Let us remember that R.F.O.D. is not an institutional church organization, it is not a "new denomination in the making", it is not in any way an end in itself. The Corporation itself is just the required legal body that handles the business matters. The Waitings and quarterly fellowship meetings are open to anyone who feels at home with Jesus, and the working of the Holy Spirit.

We are, by God's grace, governed by and responsible to fulfill the leadings of the Holy Spirit, no more and no less. We need more prayer than ever before, that we may know exactly what God would have us do with each dollar and about every matter. At our last Board of Directors meeting, the presence of Jesus, the Holy Ghost, was so precious we could hardly conduct the business for shouting His praises. Glory!

Just For Jesus, the Father and Holy Ghost,

Emory Reece, Sec. of R.F.O.D.

Dear Friends,

Our wonderful Lord and Savior, Jesus Christ said, as Matthew records it, "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." Undoubtedly most every Christian is familiar with these precious words, but how many of us really try to practice them daily? We are crying out to the Lord for help that we may be able to make it, by His grace.

We are still rejoicing in the sweetness of God's presence with us since the Waiting. I cannot explain what has happened, but I know something wonderful has happened to me since Sat. evening, because of the marvelous working of the Holy Spirit. As Bro. Helm has said in his letter, there is no way to tell about the Waiting, it must be experienced.

A question was asked by one at the Waiting which may be on the minds of others as well. It relates to Bro. Helm's income. From the beginning of R.F.O.D., Bro. Helm has been paid a salary by R.F.O.D. All the offerings from churches where he serves in revivals are placed in the treasury of R.F.O.D. All personal contributions, except an occasional one will give Bro. Helm something and request that he use it for himself, are also deposited with R.F.O.D. The salary is set by the Board of Directors each year, after prayer and trusting God to guide us and reveal what He wants Bro. Helm to receive. Also the song evangelists, Bro. Jon Cullum and Bro. Roger Yoder are paid a very small salary (beginning Jan. 1971) as funds are available, plus a share of the offerings where they serve with Bro. Helm. We trust this clarifies the matter, if any of you have questions any time, we welcome them.

We would like to share a report with you of a project in the making; and ask you to pray with us about it. The Lord laid it on Jon Cullum's heart some time ago to write a book of Bro. Helm's pilgrimage. He has been working on it for months as well as working some in his father's print shop. Mr. Cullum has been paying him for both. The Lord has witnessed that "many will be convicted as they read this book and perhaps many will be saved." So you see this is not just a venture to write about someone's life.

The cost of setting the type is about \$2100.00. This of course does not include the paper, binding, labor, etc. of printing it. It will take several hundred dollars to get this book ready. So we ask you to pray about it and if the Lord directs, send a gift to help make it possible, send it to Mr. Artley Cullum, Country Print Shop, Bourbon, Ind. 46504. Mr. Cullum has not asked us to do this, the Lord put it on our heart to share it with you.

I wish I had time to write each one of you a personal letter, who are faithfully supporting this ministry, to express my appreciation to you and praise to the Lord for helping you. We are deeply in debt to Jesus for helping you get the burden you have for making this ministry possible- so far as financial support is concerned. We are trusting the Lord will help others to obey Him and share as He leads. There almost 1000 persons on the mailing list now, yet we never hear from most of you. We hope you are not hurt at us. We trust you have not given up the faith. We pray you will not forget what God has done for you. We welcome many new friends with this letter and pray you will keep praise in your hearts to God. An envelope is enclosed for you use.

In Jesus' Name,

Emory Reece for R.F.O.D.

A hymn writer has said, "How great is our God, How great is His Name, He's the greatest One, Forever the same, He rolled back the waters of the mighty Red Sea, And He said I'll lead you put your trust in Me." How many times we have heard or read precious truths like this, yet are we experiencing them in action in our daily lives?

As I write to you I am listening to the tape recording of the Sat. morning session of the last Waiting. Bro Helm is exhorting on the hymn, "Jesus, I My Cross Have Taken." - remember? Are we doing it TODAY? May God help us!! This is so wonderful.

Oh, how quickly and easily we mortals forget the things God shows us in His Word and thru His servants. Or perhaps, we never really get the message when it is given, because satan fights us so hard.

A precious word just came to my ears- "When we take the Cross, 94 out of 100 church people will forsake us." This was in that Sat. morning message and the Holy Spirit witnessed it is true. One dear brother pastor just said, "This is what we have needed the most, Bro. Helm." Then immediately three men of God received the inner witness, this statement is true.

All true men of God are not known in this world; never have been known since the fall in the Garden of Eden. The only way you can tell a true man of God is not what he says so much; it's whether the Holy Ghost witnesses in the interior life.

Jesus, Jesus, help me to obey what my ears have heard of thy truth, is my heart's cry.

We are happy to announce the next time of Waiting Before God will be June 12th at 10:00 A.M. at Christ United Methodist Church, Selma, Ind.

The next revival meeting is May 12-18 at Scott Depot, W. Va. with Rev. & Mrs. Oliver Hogue and their people. Then June 4-11 The Helm Team will be at Emmanuel U.M. Church, Anderson, Ind. with Rev. & Mrs. Edwin Helm and their people.

We are so thankful to Jesus for those of you who are faithfully bearing the burden of the financial needs of R.F.O.D. We simply cannot praise Him enough.

It would be wonderful if everyone of the nearly 1000 who receive the letters could help us in this work- even a little bit. If each one could send just \$1.00 each week, this would be enough to meet all the budget for 1971 for all the workers and the administration expense

If it were not for the 20 to 30 persons or families who help so much each month, the needs probably would not be met at all.

Will you pray and trust God to help you share what He directs you? Please send your contributions to either:

Mrs. John Langdon, Fin. Sec. R.F.O.D. Headquarters
105 S. Cook Rd. or c/o Rev. Emory Reece
Muncie, Ind. 47303 R.R. # 1 Dunkirk, Ind.

We encourage you to use the postage paid business reply envelopes we have been sending. Our current supply is low so some letters will not have one of these in them this month.

Above all, please pray for The Helms. The Lord revealed to us at the Waiting at Indianapolis in Feb. the need is for 70,000 praying each day and some days many more than these are needed.

Yours for Jesus and Revival For Our Day,

Emory Reece, Secretary

We have prayed recently about the writing of the book of the pilgrimage of Bro. Helm's life. The Holy Spirit witnessed that it is late now in getting this started.

Martha said to her Dad the other day, "This is all Jon has really wanted to do ever since his conversion." We feel Jon is gifted and called by God to do this.

The Lord has revealed some time ago that many will be convicted as they read the book- thousands. God will use it to save many. So we URGE each one of you to pray much that God will anoint the writing and compiling of the material.

In order for Jon to do this we(R.F.O.D.) are putting him on salary. We feel this will be as great a service as one could perform for the Kingdom. We will need to trust the Lord to provide the extra funds, above the regular R.F.O.D. budget. We feel Jon should have at least \$120. to 140 per week; this is not really sufficient in these days of inflation.

Please pray earnestly for us in this venture of faith. Any extra help you can give will be appreciated so much.

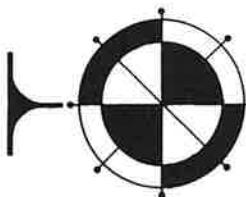

We are deeply grateful to God and you our Brothers and Sisters who are supporting faithfully the ministry of Bro. Helm and R.F.O.D. (which are in reality one in the same). Every dollar that is received is used for the support of God's servant, beside that needed for office expenses and communications. Any special gifts are used as designated by the giver.

We just wanted to share this explanation with you since many of you are new friends on our mailing list.

- * We are trusting the Lord to guide us about another trip to the Holy Land and Rome. We are not yet certain of the date but it may be late Jan. or early Feb. of 1972. We are hoping to take at least 120 of our Brothers and Sisters with us. Let us know if you want more information.

Greetings to you in the wondful name of our Lord and Savior, Jesus Christ!

This letterhead will not be familiar to some of you, who do not know of my recent em-
ployment with Wholesale Tours. This is in addition to the other work I have been in.

We are happy, thrilled, excited, and priviledged to announce to you that the Lord has
revealed the date for our next R.F.O.D. Fellowship tour to the Holy Land! By His
grace, mercy, protection and guidance we will be departing J.F.Kennedy Airport in New
York City on Monday Feb. 7, 1972.

Many have told Bro. Helm, "We want to go with you whenever you go to the Holy Land again."
THIS IS THE TIME DON'T MISS IT. We are trusting that as many as 120 R.F.O.D. Friends
will be with us. Think of that- 120 "Waiting Before God"!!!

By God's mercy and guidance we will be free to visit some of the places where the Lord
will lead us and reveal to us the locations where He was when He was here. We will
also see some places where the men of God of Old Testament times were.

Our Tour will be arranged by WTI, but we will be free to alter the itinerary as the
Lord leads us. This time we will see Rome as we start back home.

We are so thankful the Lord has directed concerning the date and schedule. Because of
His leading, we are trusting for His protection for everyone who wants to go with us.

We do not want Brother Helm to be burdened with the responsibility of arrangements for
the Tour. Therefore he will not be the host; he will be our spiritual leader in the
Lord Jesus. Bro. Helm is not responsible for anyone's tour arrangements. I (Emory Reece)
am the host. Bro. Helm will be a paying passenger. He probably will be speaking to
people and inviting them to go, but I will handle all arrangements.

Since the Lord has revealed He will be with us, we do not feel it is necessary that any
one call Bro. Helm for prayer for guidance about his going. If some of you want to go
but you cannot feel clear after praying about it yourself, then you might call one of
the brethren or Bro. Helm for prayer.

In my role with WTI, as indicated by this letterhead, I am able to arrange this tour
under special considerations(which are revealed in the enclosed information sheet and
enrollment form). This is one reason I feel that the Lord witnessed to some of us last
spring,when we were praying about my becoming envolved with WTI, "It is an open door".
Praise the Lord- He knows what is ahead.

Please read carefully, line-by-line, the enclosed information sheet and enrollment form.
Complete the enrollment form and send it with your check for one of the three amounts
indicated, to me at the above address in Markleville.

Thrilled in Jesus,

Emory Reece, D.S.M.

Dear Friends,

Praise the Lord for His goodness and deliverance. It is only by His mercy that we are able to live each day. Surely our Heavenly Father watches over us in many ways beyond our realization.

There are four items we want to share with you:

1. We would like to invite all of you who can come, to help paint Bro. and Sister Helm's house on Sept. 4th. Come as early as possible. Bring any of these items you can and a sack lunch. Ladders(ext. & step), large sheets of cardboard, rubber sole shoes or boots, brushes(3-4 in), scrapers, canvas or plastic.
2. Today we have 82 meal reservations. There were many more reservations by this time at the last two "waitings". Please send your reservation today. Be sure to make your room reservations also.
3. I forgot to indicate that the Holy Land-Rome Tour is a 10 day tour. ~~We leave N.Y. Feb. 7, 1972, and return Feb. 16~~ Both departure and return will be in the evening. The exact times are unknown at this time. Send your enrollment and -\$25 NOW. Send \$664(full price) by Nov. 1, 1971 and save \$27 (taxes and opt. tour) If you did not receive an enrollment form or you need another for a friend, let me know.
4. We are deeply thankful to those who have been faithful in consistent giving these summer months - and some for many months, to years. We regret that some who indicated their desire to help at the last Waiting, seem to have forgotten their promise. The number of persons who are giving becomes fewer each month.

We know that these are difficult times financially for many. It seems the devil is doing everything he can to cut off finances for all God's children. Let us pray earnestly (as the scriptures admonish) for each other, pleading the Blood of Jesus for deliverance.

As God helps you, will you share with us as He prompts you? We do not want any one to take from their local church giving, rather trust Jesus to help make possible a "second mile" gift.

An additional note about the Waiting-- the individual meal prices are: Luncheon each day is \$3.75, dinner Sat. and Mon. \$4.55, and Sunday dinner \$5.45.

Dear Members of His Church,

what a privilege and great responsibility to be a part of His Church. If all peoples of the church were truly in The Church, what a Church it would be!!

How can we ever praise God properly for all He did at the Waiting and in the small groups which have been meeting here and there since? It surely would be wonderful if everyone of God's children would quickly and reverently obey Him always and in every matter.

For R.F.O.D. Inc., I am happy to report the offerings at the Waiting helped become current with the needs. However, the balance last Sat. was near the bottom again.

We are truly grateful for you who are being faithful to help us. The problem is, there just are not enough faithful ones to carry the financial load. Would you join us in prayer that God might help others to become faithful in supporting this ministry?

Those of you who were at the Waiting may remember that one dear minister in our Fellowship mentioned that perhaps our biggest problem in R.F.O.D. Fellowship has to do with our stewardship.

Some persons apparently think that God is pleased when we give Him our "all"-- except control of our finances. It has often been said, "If God is not Lord of all, He is not Lord at all."

Experiences of some in our day have shown that when God is allowed to have control of our finances He can bring millions of dollars thru human channels. He is still the same TODAY!

I get more excited and thrilled every time I think about or do some task in connection with the Feb. 7th Tour of R.F.O.D. Fellowship to the Holy Land and Rome.

However, it seems that some of you who received word from us two months ago do not yet realize the importance and significance of this Tour. What more significant place than Jerusalem, could there be for God to pour out His

Spirit in these last days?

We are not inferring this will happen to those who go in this Tour. But, some of us know that God has witnessed to our hearts time and again that He has been looking for a group on earth for several hundred years, who would totally and utterly depend upon Him and do always and only His Will so that He could pour out His Spirit upon them. (As I started to type this last line the song "Behold the Bridegroom Cometh" started playing on my tape recorder. Praise God- how He can time things.)

God has called His servant, Loran Helm, and sent him out in search of such a people as this.

Please pray for God's guidance as to your being in this group. If you have His answer, send your enrollment and fee-- better still your enrollment and reservation guarantee (\$125.00), so we can make more definite arrangements for the Tour by knowing how many will be going. It would help greatly if you could send this within a week from the time you read this letter.

Considerable time is required to make all arrangements for an experience like this Tour. To great extent, your response will determine what we can do and where we can go in Israel. If we have a sufficient number, we can set up our own itinerary (within physical limits) as the Lord reveals.

Please forgive me, but I cannot remember who are helping me or planning to help me as Co-hosts. Will you send me a note if you are working or planning to work with me? Thank you. This will help me to properly co-ordinate the enrollments.

Remember- you save \$27.00 by sending full payment to me by Nov. 1st. Please refer to the enrollment sheet we sent you last July for full financial data. If you need another sheet or a brochure, write me.

Trusting to hear from you soon,

Yours in Jesus,

Ernest J. Foy

TO: R.F.O.D. Friends
In Indiana

SUBJECT: Part-time or Full-time Employment with WTI

Greetings to you in Jesus' Name. I wish I could some way open my heart to you so you might know the joy and excitement I have found since I obeyed the Lord's leading me to work for Wholesale Tours.

Last Sat., 9/4, I prayed with Bro. Helm and some of the Directors of R.F.O.D. about writing this letter of invitation to you. They felt in their hearts it would be alright for me to do it. In no way do I want to do anything that could cast any reflections on Bro. Helm or hinder the work of R.F.O.D. So I wanted to check with him and the Directors first.

As Divisional Sales Manager for WTI, I am looking for persons in Indiana who would like to work with me as salesmen, on a part-time or full-time basis. Age nor sex is any problem so far as your being eligible is concerned.

Wholesale has 21 different Tour programs going to the Holy Land, Europe, The Orient, the Caribbean, Hawaii, and around the World. WTI does not operate as a "write in" company. It operates on the policy of passengers making personal arrangements thru a "Tour Host". WTI handles all the actual arrangements for departure of the Tour. The "Tour Host" serves as a liaison person between the passenger and the World-wide staff of WTI.

As a salesmen for WTI you would have several distinct advantages you might not find with another travel company.

1. WTI is the largest travel company arranging Holy Land travel. We are second only to American Express in European travel.
2. WTI is the only travel company with exclusive offices in Europe and Middle East. We also have trained, experienced guides for all tours who work for no one else.
3. WTI has local sales people to work with, such as me, Lem Johnson, Joe White.
4. WTI provides each salesman with complete training and regular sales seminars.
5. WTI offers free travel to salesmen-tour hosts, and other special bonuses.
6. WTI offers a generous commission on each tour passenger travelling with a Tour Host whom you book as a salesman. It is easy to earn \$300 to \$400 and up each month as a part-time salesman, with the training and techniques WTI provides.

Ever since I became affiliated with WTI, I have felt here is an opportunity I can share with my brothers and sisters of R.F.O.D. Fellowship.

The potential of tour passengers in Indiana is great enough to keep 30 to 35 salesmen busy full-time. Greater Indianapolis could keep 5-10 salesmen busy alone.

I would like to talk with each of you further, personally, if you are interested in learning more about working for WTI. Please call or write me for an appointment. If you feel the Lord's leading you to become a salesman after we have shared more with you, I would be happy to have you working with me.

I have scheduled a meeting on Sept. 23 at 9:00 A.M. and 7:30 P.M. here at my church in Markleville for the purpose of sharing with interested persons how to work for WTI. The Markleville United Methodist Church is located on S.R. 38 just 8 miles east of I-69, at 201 East Main St. If you cannot attend this meeting, I will be scheduling other meetings in areas where the greatest interest is expressed.

Dear Friends in Jesus,

We have so much to praise the Lord for every day, don't we? He never leaves nor forsakes us. If we fall or fail it is our fault and not His. The Lord has been doing many precious things thru His servants, the Helms, the Jon Cullums, and Roger Yoder. They have been in several meetings in the past few weeks.

Brother Helm mentioned sending your enrollments for the Holy Land Tour, Feb. 7-16, 1972. You received, or should have received, an enrollment form with the first letter of announcement we sent out last summer. If you have mis-placed yours or given it to someone else, please write to request another.

In order to save the cost of the airport taxes and the optional tour, a total of \$27. you should send the full amount of \$664. by Nov. 1, 1971. Rather, you should send it so I will have it by Nov. 1st.

If you want to go but you cannot get the full amount to me by then you can still get enrolled after Nov. 1st but not with the saving of \$27.

In summary:

The cost of the Tour is \$664. prior to Nov. 1st

The cost of the Tour is 691. after Nov. 1st

In either case I will send you a rebate of \$65.

as soon as the full amount is in.

Some other costs you will have in making preparation for the Tour are:

1. A passport- usually about \$12.

2. A smallpox vaccination.

3. Personal tips, which the Host gives for you. \$10. (due by Jan. 1st)

4. A flight or other means of getting to New York or Chicago. At this time we are ^{not} sure which will be our departure point.

At this date there are 16 who are enrolled to go on the Tour. We trust no one will miss this opportunity.

In the past Mrs. Langdon has sent yearly receipts for income tax records to those whom she would be sending monthly receipts to on Jan. 1, plus those who send cash and do not have cancelled checks. There are a few who have indicated they do not want a receipt during the year, but a summary receipt at the end of the year.

If you desire a receipt for the full year's giving, please tell Mrs. Langdon when you send your next contribution. Otherwise, she will not send a receipt showing the full year's giving. Thank you.

I want to assure each of you, that I do not write Rev. Helm's letter for him. What is in his letter is his own writing. I just put it in printed form. This month we are grateful to Tom Harman and the Country Print Shop staff for printing Rev. Helm's letter.

We hope you will keep standing with us in prayer and giving. Jon is at work on the book; so, please pray for him in this great task. We continue to depend on God to meet each need, thru you who will help us as He leads you. Praise His wonderful, holy Name.

His and yours,

Emory Reece

Dear Friends in Jesus,

I regret that I was unable to get Bro. Helm's letter out to you nearer the time of his writing it. I was in Texas with Rev. Pumphrey for revival Nov. 9-14. God gave us a wonderful time of victory for souls in their seeking Him for salvation, reclamation and help. Bro. Brit Myers was with me, and God helped us to know what He wanted each service. Praise the Lord.

Sharing this prompts me to say that I am available for revival meetings as the Lord leads and opens doors. These churches where I am pastor have given their blessing for me to serve as an evangelist, wherever the Lord leads. I am deeply grateful for this opportunity.

It is encouraging to watch the Lord send in the finances of R.F.O.D., thru the obedience of His children. The needs and the supply have just balanced in recent weeks. That is the needs of Bro. Helm and Bro. Jon, not the needs of other items. If funds were available, it would be wonderful all that God would do to expand this work of His Kingdom. Will you pray with us about it?

The remainder of this letter, I need to devote to the Holy Land Tour arrangements.

1. Those who should be going- Last Sept. 4th the Lord helped us pray for guidance for several who had requested it. So far to this date, we have not heard any response from 24 of these whom the Lord revealed they should go with us. I sent a letter to each one, so you should know. We trust you have not become discouraged and given up trying to press thru all the obstacles.
2. The last date for sending in full payment is Jan. 1, 1972.
3. The price of the tour and related costs is now \$691. (since the Nov. 1st deadline for savings is now past.)
4. All tips given in your behalf by the Tour Host (E.R.) is \$10. (due by Jan. 25, 1972, this is a different date than previously mentioned.)
5. - Bro. Helm has mentioned to some of you about his feeling concerning the \$65. rebate. This is still offered to you.
6. Get your passport and smallpox vaccination as soon as possible. It may take up to four weeks to get a passport.
7. If you are wanting to go, but cannot send any money now- please send me your name so I can forward some vital information to you, now.
8. We are making flight arrangements for everyone who is enrolled from your nearest hometown airport to N.Y. on a group rate. If you want to make your own arrangements please notify me by return mail.
9. As of today, there are 53 enrolled. We need 80 in order to fill two buses and be free to stop or go as the Lord leads.
10. Pray for those who are being buffeted by the enemy about going, also pray for, "the best planes, the best guides, the best weather, the best health for everyone, and the best time in the Lord."

If you need an enrollment form, write and I will send it. Thank you all.

Yours in Jesus,

Emory Reece

P.S. The next Day of Waiting will be Dec. 11, at 10:00 A.M. at Emmanuel United Methodist Church, 4100 S. Main St. Anderson, Ind.

Dearly Beloved in the Lord,

It has been said many times and in many ways, but we Directors of R.F.O.D. pray that this will be the most precious Christmas Season you have ever experienced, thru the working of God, the Holy Ghost, in your inner spiritual being.

We are so in debt to Jesus for revealing that Bro. Helm *MUST* get away for a much needed rest. You will notice he said something about this in his letter. Of course this means there will be no income from meetings in churches. So, we will be entirely dependent on the Lord sending in the monies needed thru His obedient children.

Several hundred dollars are needed each month for R.F.O.D. to meet the amounts the Lord has witnessed for the support of Bro. Helm, Jon Cullum, administration expense and a new project which the Lord revealed last Sat. we should undertake by faith to support.

May we remind those of you who know, and inform those of you who are new on our mailing list; Revival For Our Day strives, by God's grace, to find and follow the Lord's leading about how all monies are used, which He entrusts to our care. From the beginning, we have endeavored to seek God's guidance about every expenditure. If you could have been with us last Sat. in the meeting of the Board of Directors meeting, you would see clearly what I am trying to say.

In this meeting the Lord revealed to us the amount He wants in the treasury right now. He also revealed in what countries He would be having us to send monies for the support of missionaries and His Kingdom's work. All of these needs could be met if *the funds would be sent in that He is trying to lay on persons' hearts to send.* The amount God revealed He wants to send thru R.F.O.D. is tremendous.

Recent church offerings where Bro. Helm and the group have been, have been hardly enough to pay our musicians. Bro. Helm has been paying the travel, meal, and motel expense to and from these meetings, which means there is nothing left from the offering for his support. In a few cases Bro. Helm has spent money for the privilege of preaching to people, rather than receiving support for his labors. If it were not for God's sending in thru you brothers and sisters, R.F.O.D. would have had no money for Bro. Helm's support. We do not want to offend anyone by mentioning this, we just felt it is important that persons know what the situation is.

We want to ask all of you to pray for Sister Dorothy Morgan. Perhaps God will help some one to touch the Throne of God for her healing.

In case we missed some one who is interested in going with us to the Holy Land, we want to mention this again. The last date for sending your enrollment and full payment (\$691. from N.Y.) is Jan. 1st. Your application for a passport and your smallpox vaccination should be taken care of immediately. We can arrange a flight from your nearest airport to N.Y. if you want it. If you wish to come to Indianapolis to be included in the group fare (@ \$68. r.t.) I *MUST HAVE YOUR RESERVATION AND FULL DOMESTIC FARE by JAN. 3rd.* (This date is earlier than that mentioned in the Dec. 16 letter.) Flight bags for small items, to carry with you, are \$2. If you want one, send your order and money by return mail.

Finally, will you pray with us about some office equipment? As the Lord leads we would like to get this so we can do a better job of communication. If you compare the style of this letter with previous ones, you will notice a great difference. We are thankful to Bro. Edwin Helm loaning us his typewriter.

Prayerfully yours,
Rev. Emory Reece

Holy Land Tour
Feb. 7-16, 1972

There is so much we need to share with you, we cannot get it all on one page. Please add these suggestions to your list of "CONDUCT ON THE TOUR".

1. Please do not lag behind when we are moving on foot. Please do not try to do too much shopping for souveniers while we are sightseeing. There will be places and time for this. Be sure to save some of your money to buy souveniers at the "Olivewood Factory", which is on the return trip from Galilee.
2. **SPECIAL NOTE** Be sure to take your Vaccination Certificate to the county health office to have the Doctor's signature verified. The Certificate is void without this!!!
3. Carry your Passport and Vac. Cert. with you at all times.
4. We have learned from experience that it is wise not to try to take too many pictures. You will feel urged to do this- but you may miss some wonderful sight or explanation.
5. Please pray that all food and drinks will be healthful to everyone. If you are particular sensitive in your diet, it might be wise to take tablets with you to purify all water. You can get these at most drug stores. It would be even better to drink only hot coffee, tea, or water.
6. When you return, U.S. Customs will want a list of all your purchases and the amounts paid. Unless the law has changed, you may bring souveniers totalling \$100. in value, into the U.S. duty free.

The following is the list of persons for each bus, and your roommate for the Tour. Rev. & Mrs. Helm will rotate on the buses, one half day on each.

Dear Ones of the Faith,

For various reasons, we will attach our letter this month to the back of Rev. Helm's letter. We are sorry if you have difficulty reading the letters this month. We have discussed the problem of our letter production in the last meeting of the Board of Directors. But until funds are available, we will have to continue to do the best with our present facilities.

It would be a wonderful thrill to be able to report to you that we have sufficient funds for all the needs of the Work, God has called us to do. However, the reverse is true of the situation. We did not have enough to pay Rev. Helm in full for Feb. (so I am told).

I must confess to you that my faith is the weakest when it comes to trusting for finances. I cannot understand why the work, which God has revealed to so many who receive this letter, is His Kingdom's Work; yet so many who have been touched by the power of God in one way or another, seem so unconcerned about the financial support of God's Work thru Revival For Our Day, Inc.

Unless God, by His Holy Spirit, clearly, and sharply leads me, this is the last time I will say anything about the financial needs of R.F.O.D. - except to report simply that there is or is not a balance in the treasury.

I have been asked to announce that the next quarterly RFOD Fellowship meeting will be:

Date: March 11, 1972 at 10:00 A.M. EST

Rev. Helm will be

Place: Central Wesleyan Church (Rev. William McPhail)
62 Irwin Ave. Muskegon, Mich.

here for Revival
March 8-12.

Directions: If you come in from the South on U.S. 31, when you come near Muskegon, take Business U.S. 31 - West, take this to Southern Ave., turn right on Southern and go past Mercy Hospital and the high school to Peck St., this is a one way, turn left about $1\frac{1}{2}$ blocks to Walter's Pharmacy, turn right here onto Irwin Ave. the church is $\frac{1}{2}$ block.

Also please note: Rev. Helm and group will be in revival services at Pendleton, Ind. Emmanuel U.M. Church, Rev. Richard Applegate, March 23-31.

If any of you is interested in going to the Holy Land at a future date, I would be happy, as a representative of Wholesale Tours, to supply you with complete information. If any of you might be interested in the work of being a tour host, I will be happy to show you how you can go on any tour with your full expenses being paid by Wholesale Tours.

Longing to obey Jesus,

From: Rev. Helm

Our first morning in Rome we had a lady guide named, Tina. She marvelled at the beautiful weather. She said that we were specially blessed to have such good sunshine and blue sky in which to see Rome. This made such a difference as we went thru the Sistine Chapel and St. Peter's Church.

We were in the underground prison cell where Paul had been kept for about two years. It was here that he wrote to Timothy and here he also led some 43 Roman soldiers to Jesus thru the grate covering the hole above him, which was the entrance to his cell. The part of our group which I was with at this time began to sing, "Alive! Alive" After this and another song, our guide, Tina, said, "Oh.. you are a choir?" I replied, "No, these are people to whom I have been lead as I have walked with God over the past 39 years." Then we sang the "Doxology", and she said to me, "You are a musician." She then said to our group, "This is worth all my guiding today."

The buildings, the streets, the architecture, the works of art in the ancient city of Rome exceeded my expectations. I enjoyed it very much.

Our hotel, The Plaza, was very, very gorgeous. The lobby and the dining room walls were decorated in three-dimensional frescoes of exquisite variety and beauty. This work was equal to some of the artistic works in the rooms leading to the Sistine Chapel. Some information we received indicated that a queen had once entertained some high churchmen in this hotel many years ago. We were told the hotel was 250 years old and that it had been declared by the Roman government as a national museum site. Our meals here were very good.

When we left Rome for our flight to Geneva, God wiped all the clouds from the Alps and displayed them in rare beauty. We were privileged to see Mt. Blanc, the highest mt. in all of Europe. No pictures could ever portray the wonder of this sight. The sun was just right to bring into proper perspective the cascading ridges, the flowing lines of snow and rock, the lovely little villages. Even the little trails up the mountain edges were clearly visible, as were the rivers and glistening streams. We are not able to tell the wonder of it all.

Because of space problems with the airline, 40 of our 92 had to return to N.Y. on a late flight from Geneva, which meant they would have additional expense of staying over-night in N.Y. When we learned of this before we left home to begin our journey, we were so sorry but there was no burden in our hearts about it. So...

When we arrived in Geneva from Rome, there was a huge 747 waiting to take us home! These dear ones with us were about as thrilled as little children with a rare treat. The plane's capacity is about 350, but there were only 80-100 passengers aboard. So we had plenty of room to move about and some even laid down in the 4-seat section by raising the arm rests, and went to sleep.

When we disembarked at J.F. Kennedy airport, we looked back up at the huge 747, and somehow

it looked so especially beautiful. Others remarked as well that even though they had seen other 747 planes, this one appeared to us at that time to be so particularly lovely. It seemed to be the Lord's saying to us, "Do you see? I have given you the very best on this journey home. Satan has tried to discourage and accuse and tell you awful things. But I have provided this lovely, comfortable, spacious plane for you to let you know that I love you and I am watching out for you." It was a precious time.

The other part of our group, 51, left from Zurich on an earlier flight in a DC-8 and they enjoyed a good flight home as well.

I want to give the Lord special thanks for helping our 93 people from all over the United States to return to their homes safely from this long journey. It would be impossible to praise Him for all that He has done and all that He has accomplished within the lives of every individual that pressed to obey the leading of the Holy Spirit in this sacred pilgrimage. We owe everything to God.

We are grateful to each of you who has prayed for us; and to the few who have been faithful to assist us in our need for funds in R.F.O.D.

Lovingly, Your unworthy servant,
Loran W. Helm

A note from Jon Cullum, employed in writing the manuscript of Rev. Helm's life pilgrimage, "A Walk With God"

Dear Friends in Jesus,

I want to thank those of you who have responded so well with testimonies and sharings of how God has used Rev. Helm in your life. These have been so encouraging and honoring to Jesus. I know the devil has buffeted many of you since my request for your testimonies. He has told some of you that no one would be interested in your story; he has whispered to others that how you were saved or sanctified or healed or reclaimed isn't really important. Still others have been fearful to share in detail for fear that glory would be given to man and not to God.

So I wish to urge and encourage you simply to tell the devil that he is a liar. Now sit down right away and write about the wonderful touch of God on your life as enthusiastically and energetically as you would tell it to some of the angels in heaven.

The angels know that Rev. Helm cannot do anything of himself, so they will not be concerned about how specifically and wonderfully God worked thru him to help you.

As God's servant, Rev. Helm wants to do only His will and glorify Jesus. Because of this, God has been able to work miracles thru him, for Jesus's glory. There is no glory to man in any of this. The glory belongs wholly to Jesus for His wonderful love in manifesting Himself so sweetly, and with such specific understanding of our needs. I look forward to hearing from you soon.

Your brother in Christ,
Jon Cullum

TO: All our Friends

FROM: Rev. J.R. Boggs, Jr.
Pres. of the Board

Dear Friends,

Let me join Brother Emory and the Board in thanking you:
1.) for your prayer support and
2.) for your giving that has enabled R.F.O.D. to carry on the
ministry to which God has called us!
Thanks again, and God bless you.

We are excited and grateful to invite you to be with us
here at Trinity for the June 10 R.F.O.D. Fellowship meeting
at 9:00 A.M.

Would you please let me lay on your heart a very im-
portant concern? Here it is, again:

Would you please not call Bro. Helm about matters
for prayer, unless it is something of truly great con-
cern and of an emergency nature? In things of lesser
importance you should not call any of the other brothers
to request them to pray about these things- until you
have first seriously engaged in prayer and in waiting
on God for a sufficient time.

Many "emergency" situations (as they may seem at the
time) can be answered by one's own Waiting upon God.

We do not bring this to your attention to dis-courage
you from this Fellowship. Rather we feel urged to share
this burden with you because of the tremendous amount of
strength that is drained from Bro. Helm and others by the
many requests for God's guidance thru prayer. Quite often
the request comes for an answer now. We cannot expect God
to answer just because we ask. He may want us to wait awhile.

This has been said before by others, may I say again,
God did not call Bro. Helm to "get answers for us". He has
called him to help and lead the Church to REVIVAL. This
great calling may be jeopardized if persons persist in taking
Bro. Helm's strength and time with questions.

So, will all of you please pray for us and help us in this
burden? We know that many of you never call- or very seldom.
So it is not you to whom we make this plea.

May God help us to come to the place of trust and obedi-
ence, that He might be able to trust us with REVIVAL (to the
World) FOR OUR DAY- before Jesus comes!!

Your Brother in Jesus,

Dear Ones Who Love Jesus the Christ,

Greetings in the Holy Ghost. Praise God for all His many benefits. We are so unworthy of all God's gifts and blessings and help in every respect. He is so wonderful; Jesus is so precious. The Holy Spirit is so dear and sacred and always ready to help and reveal God's will to the trusting heart.

The Lord revealed to me to go to Michigan on March 8th. I was trusting for travel without snow in the "Snow Land". God gave us 300 miles without slick roads. The last 4 to 6 miles had a little snow on the road, but not much. It was very good. We thank the Lord for the way He took care of all.

God revealed to us that we should have the quarterly R.F.O.D. Fellowship meeting there, on March 11th. Many of our friends came 400 to 700 miles one way and without snow. The weather was so very good for all who came, because of Jesus' working. On the way home for Roger some snow fell.

Jesus led this service on March 11th, for God's glory, by the Holy Spirit. After a while, the Lord witnessed in my heart that we should sing hymn number 251. When they told me the title, "Brethren, We Must Be Holy", I exhorted and preached on this for a few minutes. It was precious in the Lord, indeed.

One of the ladies there in Michigan, who had never been in the Fellowship meeting before, left the service to go out into the city to get some dear ones to bring them in. She wanted them to feel the Love of God in Christ that she realized was operating in the meeting. We thank God for this.

We have at hand a letter from a precious family in Michigan telling us about some of what God did for them. They drove 25 to 30 miles each service to be with us, for seven night and two day services. They sat on the front row most of the time. It was as if we had always known them. The wife writes:

"Our lives have never been the same since we were in your meeting in Muskegon. Myself, all three of my children (Rick about 20, Mike about 16, and Kathy about 14 I would approximate) and my sister, Donna have been blessed of the Lord with the witness of the Spirit. It is so wonderful we can hardly believe it.

My husband got into one of your services through Christ, and about two weeks later was saved here at home. He has gone to church all his life. I began to think he never would be saved, but thank God he is. He sees the Spirit lead us and sees that it is true but he can hardly believe it.

My brother was healed that Sat. March 11th, in the Waiting upon God service. Praise God! He is so happy. He was a diabetic.

The doctor says he has it no more. P.T.L. Also he had a leg injury for almost a year; and he said in three days after the Waiting, the sore was gone. So he is praising God for that."

This was some of her letter. May I say that once you are a diabetic, so far as the earth is concerned, you are always on insulin. But God can, and does, heal when He wills to do so. Praise the Lord for this truth!

Our next meeting was in Portland, Ind. The pastor told me after two days, "Now I know why the Lord sent you to us in these services." One older preacher said that the Lord had us to proclaim things that he had never thought of before. He was so grateful to Jesus for what God did for Christ's honor and praise. God gave some of the most precious services. P.T.L.

Rev. & Mrs. Boggs sent us a letter telling us:

"We are still rejoicing in what the Lord did while you were here in the meetings, even though I'm sure He would like to have done more. He did much while you were here for the services.

Last night, Velma Sholer told me about her marvelous healing in her throat. She thanked you for praying for her (I had prayed for someone with throat trouble). She said she still had a little sore spot, and you prayed again and it was all gone immediately and has not returned. All praise to God! For His glory, I want to tell you that Velma said her throat had been sore for six years; and doctors could not find a cure. But our Father did! Glory! I get happy about this. And she was just beaming when she told me this."

So reads a part of this letter from the pastor and wife. Praise the Lord for all His precious answers to prayer. For, you see, the Lord revealed to pray for the throat first of all.

We have a number of things to share about God's working in the services in Alabama, in Tennessee, and in West Virginia, if we can recall a part of what God has done, for Christ's sake and glory. Our experience and leading of the Holy Ghost at the Ball Hospital in Muncie last Thursday was so precious, sacred and wonderful.

Thank you for all you have done for us. We express appreciation to Rev. Reece and his family, to Rev. Hill, to John and Jane Landen, to son Jon Cullum and to Roger Yoder. May I say that the printed sermons by Mr. Artley Cullum and Mr. Tom Harmar were what prepared the family in Mich. to really be ready for the services there seven weeks ago. We are grateful for their printing these four sermons

In Jesus' Name,
A needy servant,
Loran W. Helm

R.F.O.D. FELLOWSHIP NEWS

NEXT FELLOWSHIP MEETING Mark the date of June 10 on your calendar now! The place- Trinity United Methodist, Portland, Ind. (Rev. J.R. Boggs, Jr) The time- 9:00 A.M. to ?? The church is located on S. Meridian St. or U.S. 27.

NEXT WAITING UPON GOD Aug. 27, 28, 29, 1972 at Holiday Inn # 8, I-70 E. Indianapolis, with manager, Mr. Jim Peacock and his staff. He was more than delighted when Bro. Helm called him. So, let us show him our best co-operation ever. Make your room reservations direct with Holiday Inn and be sure to tell them that you are coming to the R.F.O.D. Waiting. It would be best to write directly to Holiday Inn # 8, Indianapolis, rather than make reservations thru another inn. The complete address is on the enclosed registration card. Do not send the yellow card to Holiday Inn. If you will read the Registration Card carefully, it is self-explanatory.

Please note- The Waiting will begin at 11:00 A.M. on Aug. 27th. Evening meetings will begin at 6:30 P.M. On the 28th & 29th we begin at 7:00 A.M.

There will be two meals(buffet) each day at 10:30 A.M. & 4:30 P.M.- except Sunday- only one meal Sun. at 4:30.

This was an over-sight in our printing of the Regis. card. So, when you send your check for the meals, please send \$22.05(not \$25.80).

When Bro. Helm called Mr. Peacock, he said that all prices would be the same as last time- which is really the same as Nov. 1969. Now who could ask for more thoughtfulness than this!

Therefore the room price schedule is:
 1 person per room with one bed- \$13.00 per night.
 2 persons per room with one bed- 15.00 " " plus tax
 2 " " " two beds-17.00 " " plus tax
 (each extra person per room is 3.00 " ")

Meal tickets will be used again this time as before. Your payment by Aug. 10 will assist us in registration greatly. Meal tickets may be picked up at the time of registration.

The money you pay for the meals not only gives you some of the finest of food, but this also pays for the use of the meeting room and other facilities. As in the past, we anticipate meeting the expenses of those who minister to us. We will be so grateful for your help in this.

NEXT HOLY LAND TOUR We have no definite guidance of the Lord on this at the present time. Some have been asking about another Tour. So, will you pray with us about it, for God's guidance? Thank you.

FINANCE REPORT Praise the Lord for what He sent in just a few days ago thru a few of you friends. We ask you to continue to trust with us that gifts will come for the support of God's servants and the missionaries whom we believe R.F.O.D. should support. They are not supported by a particular denomination. This will take \$40,000 extra, by Dec. 31, '72.

Dear Friends of Bro. Helm
and R.F.O.D.,

Since many of you have become a part of this fellowship in the last few months, I thought it might be helpful to you if I shared a very brief history of Revival For Our Day, Inc.

It is thru Bro. Loran Helm that I(Emory Reece) came to know Jesus in Jan. 1950. Twelve years later in July, God led Bro. Helm to be with me and my people in a parish in northern Ind. At the close of these services, God began to burden me about his need of finances. A few days later, as I was reading about the Apostles in the Acts, God showed me that Bro. Helm's needs were not being met.

To make a long story short, after contacting two attorneys, I found out how to proceed. After sharing my burden with a few close brother pastors, Revival For Our Day, Inc. was founded by four of the present Board of Directors.

From the exact name to the last word of the By-laws, God revealed to the four of us and Bro. Helm just how each item should be. We can never praise Him enough for this. We believed then, and now that God has a purpose for bringing this organization into being. Also then, as now, we want no glory for the corporation rather, we want only to glorify God and His Son, Jesus Christ.

So far as the function of the corp. and our relationship to Bro. Helm is concerned, the Board meets annually to prayerfully establish a budget; of which Bro. Helm's salary and expenses are a part. All revival offerings and most personal gifts handed to Bro. Helm are receipts of the corp. as well as the individual contributions of you friends, thru the mails. In recent years the latter has been by far our primary source of income. In fact, if it were not for what God puts on your hearts to give, our funds would be far short of what is needed. (For example: after travel expenses were deducted from a recent church offering, there was \$20. each for Roger, Florence, and Bro. Helm; from another church about \$65 each for each week of services.)

Several times God has shown us in Board meetings that He would work thru R.F.O.D. to support missionaries and supply the needs of a number of His servants, if those who know about this corporation would be able to get the real burden of the work He wills to do thru R.F.O.D.

Sincerely,
Emory Reece

There are three matters we want to share with you this month. So I will use three different type styles to help you identify each one.

Praise the Lord for the way He has helped you to share His blessings so that His servants (Bro. & Sister Helm and Jon Cullum) who are our full-time employees, could receive their full check each week so far this year. This was made possible in recent weeks, however, because a few dear ones helped so much with some "extra gifts". As our treasury stands now, there is barely enough to finish June in the "black". If you could send an "extra gift" this week, it would help so much.

Registrations and meal reservations for the Waiting, Aug. 27-29 should be sent to me (Emory Reece) as soon as possible - with your check for \$22.05. This is the price of the five meals. It will help so much if you can send your check in advance, so we do not have to handle it at the Waiting. Use the "yellow" card which you received in last month's letter. Make your check payable to: Revival For Our Day, Inc.

Room Reservations Enclosed with this letter is a card for you to use to make your room reservation at Holiday Inn # 8, I-70, Indianapolis. Do not make your room reservation thru another Holiday Inn. So often in this process the clerk at Indianapolis never is informed that you will be with the R.F.O.D. Fellowship Waiting Before God. Send your card THIS WEEK!!

The manager has been so gracious to us in the past and he has been very generous to us for this Waiting by holding the prices the same as a year ago. So we should express our appreciation to him and the staff by getting our room reservations in early. At the last Waiting there were several who did not make their reservations until a few days before the Waiting began. This is not a good witness as people who love God and are trusting to win men to Him. So with this word of loving exhortation, we know you will endeavor to be as prompt as possible in doing this. Thanks.

Bro. Helm mentioned in his letter about the revelation of the date for the next Holy Land Tour - Dec. 4-13, 1972. This will be the same Tour we were on last Feb. Enclosed is an enrollment Form with further information.

You will notice the price is \$35. more than the Tour of last Feb. On April 1st the IATA airlines were granted a 7% fare increase by the International Board. About May 1st there was a 10% increase of land costs. So the \$35. increase in the price of the Tour is still considerably less than the increases in the costs of the Tour.

We trust those who wanted to go with us last Feb., but did not get to go, will be with us this time. We also trust that some of you will want to go again. It was revealed on one of the previous tours that one would need to be in the Holy Land 5 or 6 times to begin to get "tuned in" to the great past of God's working in this Land.

Please note carefully on the enrollment form there are certain savings available by sending a deposit or full payment by July 31st and Sept. 1st. If you have questions, write me.

We just received word (6/22, 1:30 P.M.) that Sister Dorothy Morgan went to be with Jesus early this morning. Bro. Morgan is trusting Jesus for His sustaining comfort. Also word came last night that Bro. Laurence Collins of Knoxville, Tenn. was miraculously healed of stomach trouble he had had for 10 years, at the ALL GIFTS ARE TAX DEDUCTIBLE

Praise the Lord,
Emory Reece

Dear Brothers & Sisters
in the Fellowship of Jesus,

REVIVAL FOR OUR DAY, INC.
Business office:
203 E. Main St.
Markleville, Ind. 46055

What better time than Thanksgiving could we rejoice with you at the greatness of God's goodness to us? It has been so wonderful the way He has been working and blessing and providing for the ministry of R.F.O.D. and that of Bro. Helm. (Which of course are basically one in the same.)

Some of you who are receiving our Newsletter for the first time may not be aware of the existence of this organization. This is primarily an administrative, legal corporation, which supports the ministry of Rev. Helm, incorporated according to state and federal laws and regulations as a non-profit corporation.

Just 22 days ago we began our 11th year of organization. It is certainly amazing what God has done the past ten years. We believe, by God's grace and direction, the best is yet ahead of us.

Since the Waiting last Aug. a few dear ones have expressed how anxious they feel about Roger Yoder's being a full-time staff member of R.F.O.D. and thus enabling him to travel with Bro. Helm and Jon at all times in revivals. We of the Board of Directors would like very much to say to Roger, "You are hired!" But this would take several hundred more per month than we now are receiving.

Would you pray about this with us, earnestly? If God leads, and you will join with us in extra giving, this would be possible.

Jon is busy on the manuscript of the book about Bro. Helm's walk with God. He is also transcribing some recent sermons God has given Bro. Helm, which we believe are urgently needed in printed form as soon as possible.

Since our last Newsletter, only two orders have come in for the sermons by Bro. Helm which are now printed: "How To Walk With God", and "Jesus Christ, His Love Sacrifice". These are 50¢ and 40¢ each, respectively- orders for 10 or more copies, 5¢ discount on either. Make your check payable to: Artley Cullum, send orders to the above business office address.

Continue to remember Bro. & Sis. Helm in your prayers, as they need rest, healing, and strength very much. The coming tour to the Holy Land and Rome will take much energy from both of them. Probably few people realize the burden of responsibility Bro. Helm feels for each one of the 91 who will be going-- from the time each one leaves home until he is back again safely and well.

Praise the Lord!

Emory Reece, Sec. of R.F.O.D.

Brethren in Christ Jesus,

REVIVAL FOR OUR DAY, INC.

P.O. Box 107

Markleville, Ind. 46056

It is truly a high privilege to be "related" to each of you who are, "in Christ Jesus." Marilyn and I were talking at Christmas time about how precious our relationship is with all of our brothers and sisters in Christ. The love Jesus gives us for each other is so wonderful- beyond our ability to describe. Praise the Lord.

We(Revival For Our Day Corporation) want to share a concern of great importance with you:

H It has been called to our attention that certain proposals are being presented
O to the Indiana legislature that should be opposed by everyone who loves the Lord
O and wants to promote righteousness.

S 1. A proposal is pending called, "THE CRIMINAL CODE LAW", which would make it
I difficult for prosecuting attorneys to get a conviction against those who
E commit crimes in our state. It would create evasive means for criminals to
R escape being convicted of the crimes.

S 2. A bill is being proposed that would lower the legal age for persons to
S buy alcoholic beverages, from 21 to 18 years of age.

—b We urge you to write the state representative and state senator of your area, asking
e them to vote against these bills when they are presented. Send your request on a
I post card. It is easier for the legislator to read postal cards than letters. Peti-
o tions signed by several persons do not have as much influence as personal cards.

W Those of you who live in other states should be watching for similar proposals to
be coming up. It would seem that things like this are attacks of the devil to under-
mine our society and bring us into an even worse state than we now are.

The Directors of Revival For Our Day, Inc. would like to share with you how the Lord lead us in our annual business meeting last month(Dec.). We cannot use the space to tell all that He did; we just want to share one leading. The Lord revealed that the time had come that we should employ Emory Reece full-time in the work of this Corporation. His role will be, in general, to: manage the business of R.F.O.D., assist Rev. Helm and the evangelistic team, and preach in revivals as the Lord leads.

There are 5 persons now"employed" as the Holy Spirit has witnessed, by R.F.O.D., Inc. We trust that you know we have not done any of this for anyone's personal benefit, but we have acted in faith as God, by the Holy Spirit, has directed us.that this is His will. We trust that you understand that we have sought to obey the Lord's revelation by acting in faith in each financial commitment we have made. Please know that we are deeply grateful to each of you who is trusting with us in prayer and financial support of these servants of God who are seeking to serve Him as He directs, guides, and helps them.

By God's grace, we want to re-assure you that the business of Revival For Our Day, Inc. is not conducted by our planning, rather by our waiting before God for Him to show us what He wants us to do. We do not want to sound overly pious nor super-spiritual by this statement. We just want to make clear our "method of operation".

Therefore; we prayerfully ask for your prayers and financial help for what God has revealed He wants us(R.F.O.D.) to do to send forth laborers into His harvest. By this we mean, these 5"employees" and various missionaries, as He directs. We mean by the term "Missionary" those persons who are serving God in any denomination or geographical location in a special way of help to needy ones, and who are dependent upon God by faith for their support. We have shared with you in past letters who some of these "Missionaries" are that God has lead us to help.

L A T E W O R D.. after the above was typed on the subject of the proposed legislation, we received more information. In addition to the two proposals above, two more bills are in the process of being presented:

1. "Sunday Sale of Alcoholic Beverages"- HB- 1076 PLEASE TELL OTHERS ABOUT THIS!!
2. Pari- mutual Betting- HB- 1149

Please write your representative and senator and urge him to vote against these also. We believe it would be wise not to refer to Rev. Helm or R.F.O.D. as you write, please. Send your postal card to: Mr. _____, State House, 100 N. Senate Ave., Indianapolis, In.46204.

Would you please help us! It seems to be increasingly difficult to keep our mailing list up-to-date. If you know of someone who did not get this letter, who wants to, please notify us. Also if you received two letters, please tell us. Thank you.

In closing, will you please ask the Lord to anoint this letter and Bro. Helm's as well as you read them. Perhaps it would be good to re-read them again in a few days. May we remind you that whatever God is really in, the forces of evil will oppose in every way possible.

In behalf of Revival For Our Day, Ind,

Most Precious in Jesus,

P.O. Box 167
Markleville, In. 46056

As I was putting the stencil into the typewriter, just now, I was meditating about how I should address you. I felt a witness of the Holy Spirit that I could address you as some of the most precious persons on Earth. For you truly are that.

On be-half of Revival For Our Day, Inc. I have a few matters to share with you and then I have a personal matter to share.

You noticed in Bro. Helm's letter that he told you of the date of the next Waiting. Please do not make any room reservations or meal reservations until we send you the forms to use for this in the next mailing. Last time there were some very dis-appointed people because they did not make or did not correctly make their room reservations.

So for now, please just mark your calendar and make your arrangements to be with us, the Lord helping, on June 23,24,25,1973, at Holiday Inn # 8, Indianapolis- where the last two Waitings have been. Mr. Peacock, the manager, told us Mon.(Feb.12) all meal and room prices will be the same as last time(this actually goes back to Nov. 1969). He also told Rev. Helm and me that he looks forward to our call each year, telling him that the Lord has revealed the next Waiting. He also said that if the call doesn't come, I know why.

Since the last letter, we have moved to a different house, as we have begun full-time work with R.F.O.D. and evangelism for Jesus. We still have the same mailing address. The house is located west of Markleville at the n.e. cr. of S.R. # 38 and Madison Co. Rd. # 250 E. Our new phone number is (317) 533-4545.

This brings me to the personal matter I want to share. I have not yet been able to realize fully that God has so lead that I am now free to go and do just as He directs in the work of His Kingdom thru Revival For Our Day. I still find myself thinking about what night is this and where am I supposed to be. After being in the responsibility of the pastorate for 19 years, it may take a while for me to adjust to meeting only the directives of Jesus.

I cannot find the proper words, but I want to PRAISE THE LORD for what He has revealed and all He is doing, and will do; so that I may be able to serve Him as He called me in the work of evangelism years ago. Thanks to each of you who is praying for me and my family and who is giving of your offerings to Revival For Our Day to make all this possible.

You noticed that Bro. Helm mentioned the approximate need of R.F.O.D. each week. We prayed further about this later and felt in our hearts the witness of the Holy Spirit, that it was alright to tell you how much is needed. A number of you Dear Ones have told us that you would know more about what to send in if you knew what the needs were. So the need is about \$1000. each week for salaries, travel expenses, housing expenses, and administration costs of 5 employees and the Corporation's business. As the Lord has provided extra, we have been sending money to various Missionaries. For example, the Lord revealed just the other day that He wanted us to send \$100. to Kenneth Enright in Africa.

So we invite you to pray for us, whom He has called to the Ministry and Administration of Revival For Our Day, Inc. We believe that God will use this organization in the work of His Kingdom, if we keep trusting and obedient to do His will always in every matter- no more and no less! We feel that God has chosen to work thru each of you who helps us- not in spite of you. So in this sense, you hold the KEYS to what God will do thru R.F.O.D. May He help you to begin to open the great storehouse of His abundance of blessing and supply the needs of many of His Servants as He has called them and placed them in the Earth.

HIS servant and YOURS,

Feb. 14, 1973

Dear Brothers and Sisters
in the Fellowship of Jesus,

We are trying to PRAISE THE LORD for the way He is helping and working thru each one who is striving to obey Him. Our praise seems far short of adequate. It is impossible to tell you of everything the Lord is doing in our daily lives: of guidance, revelations, answers to prayer, phone conversations and just the results of His omnipresence.

To try to say "Thank YOU" seems very insufficient. But on the other hand, as one dear brother put it, "Sharing in this ministry is what God has called me to; and so this is an opportunity for me to be obedient to Him." It would truly be marvelous, beyond description, if everyone in the Fellowship could get a vision like this. Praise the Lord, He is so loving and patient with us.

You will remember that in the last Newsletter we invited each one of the Fellowship to the wedding of: Miss Barbara Spangler and Rev. Robert Morgan. This will be April 2, 1973 at Emmanuel United Methodist Church, Anderson, Ind., 4100 S. Main St. Please be present by 7:15. The wedding ceremony will be at 7:45. After the ceremony, we will have a short Waiting.

Please bring a gift of money and not a wedding present. They have some things already and they could use the money to get what they really need. Bring a check or cash in an envelope. We will gather all this together and then give them a check from R.F.O.D.

You will find enclosed a Registration- Meal Reservation Card and a Motel Room Reservation Card. Please follow the instructions on each one, carefully. It would be better to make your room reservation now and then cancel it if you cannot come, than to wait until time to come to make a reservation.

Please send your meal reservation and a check for the meals you plan to eat with the group, to me. Make the check payable to Revival For Our Day, Inc. You may not be aware of this. The manager, Mr. Peacock, is giving us meal and room prices that were effective in Nov. 1969. So we want to show him our appreciation by registering as early as possible; and by eating our meals there and staying in the Inn.

The date of June 23-25 is vacation time, of course; and yet Mr. Peacock is being very generous and accomodating to us. The place again- Holiday Inn # 8, I-70 and Rd. 100, East side of Indianapolis. We will give you more details in a later letter.

The Lord surely did help us on the recent trip to Cyprus, Turkey, Lebanon, Syria, and Israel. Counting Rev. Boggs' group and Rev. Hogue's group there were 32 of us altogether. A Rev. Devenney from Mich. had 13 with him so this made a bus-load in Lebanon and Syria and Israel. The Lord helped us to have a precious time in Him. Bro. Devenney and his people were of a kindred spirit and our fellowship was sweet in Jesus.

Again this time, God helped us as a choir to sing His praises in many places. The Minister at the church where Elijah's Cave is located, was so blessed and touched by the Holy Spirit working thru the singing. He wept for joy. A minister who had another group brought his group into the church at Bethany as we sang. He was wonderfully blessed and many of his group also. We made a tape recording of this, but it is far from adequate to convey the wonder of this.

We look forward to seeing many of you as you come to the wedding of Miss Spangler and Rev. Morgan and as you come to the Waiting at Indianapolis in June. May Jesus help you to follow Him "second by second".

Dear Friends in Jesus,

April 12, 1973

P. O. Box 167
MARKLEVILLE, INDIANA 46056

We are rejoicing in the wonderful love of Jesus and His power at work to guide, strengthen, heal, and provide. Each week the Lord has helped you, Dear Ones, to send in the needed finances. How can we praise God enough? We are still trusting that the gifts will soon exceed the needs of our staff and operating expenses, so that more help can be sent to missionaries and other servants of God who are in need, as God directs us to send help to them.

WAITING RESERVATIONS- Blue cards for meal reservations and orange cards for room reservations were sent to you in last month's letter. As of today, I have received *only 13 meal reservations!!* Your room reservation should already be sent to Holiday Inn # 8. If you have not sent it, PLEASE SEND IT TODAY. Send the meal reservations to me(Emory Reece) and make your check payable to Revival For Our Day, Inc. PLEASE DON'T DELAY. Thank you.

We are trusting that printing might begin on the book in a few weeks, the Lord helping. There is more to be done on the manuscript to perfect it. It is urgent that every word should be exactly what the Lord wants it to be.

For some time the Lord dealt with Bro. Helm about the management of the production and sale of the book, "A Voice In The Wilderness". After consulting our attorneys, we learned that a new corporation would need to be formed. Revival For Our Day could not manage the business connected with the publishing and sale of the book, without the possibility of jeopardizing its non-profit status. So a new corporation is being formed, "*Evangel Voice Publications, Inc.*"

The amount which R.F.O.D. holds in the "Book Fund" will be turned over to the new corporation on or about May 1, 1973. You may still send contributions to R.F.O.D. for the "Book Fund" until the new corporation is officially incorporated. After *Evangel Voice Publications, Inc.* is official, no more "Contributions" for the "Book Fund" can be handled by R.F.O.D.

Anyone who wishes to help toward the necessary funds for publishing the Book, can buy stock in *E.V.P.* - after MAY 1, 1973. Of course the purchase of such stock would not be a "tax deductible gift" but it would be an investment(in the Kingdom of God for Eternity!!)

We hope we have not confused you by this explanation. We want you, Dear Ones, to be informed and to know that we are endeavoring to conduct all our business in the manner that is legally proper and pleasing to the Lord.

(When I read the last four paragraphs to Bro. Helm, he felt that I should insert here.. PLEASE read them again, so you will understand clearly what we are saying.)

It seems we need to call your attention to this again- *Do not write on your check what your contribution is designated for.* Internal Revenue Service could dis-allow any contribution that is designated. Send a note with your check telling us if you want it used for a "special fund". Undesignated contributions are used for general expenses and the support of God's servants employed by R.F.O.D.

Enclosed with our Newsletter this month is a letter printed by the National Health Federation. We feel this deals with a very critical issue. If you would support it, please sign your name and address to the letter and send it to your congressman in Washington, D.C. We urge your support by writing and prayer.

Remember, your gifts make possible the work of God thru Bro. & Sister Helm and those He has called to be with them at this time.

Fraternally yours in Jesus,

Emory Reece, Sec. for R.F.O.D.

Beloved in Jesus,

It seems but a few days since our last letter to you. The time for the Waiting on God December 21-22-23 is near. We trust you have made your vacation arrangements so you can come. Parents who feel they must bring children are encouraged to review my last letter for assistance in the area of your own personal care of children during the time of the Waiting.

ROOM RESERVATIONS

Your own Room Reservation Card (blue in color) is enclosed. Please check the number of rooms you wish to reserve for the specific number of individuals in your party for the nights you plan on staying at Holiday Inn #8 AND RETURN IMMEDIATELY by mail to the Inn. Use this card to insure your being included in the R.F.O.D. Fellowship group. If you make reservations by phone or other means the desk clerks may not recognize that you are with the Waiting Fellowship. The Room Reservation Clerk has told us that the Room Reservation Card makes it so much easier for them to identify you as a part of this group. *May I again humbly urge you to mail this card immediately.* Mr. Peacock, manager of Holiday Inn #8, has so graciously helped us in these past years, but a number of dear ones of the Fellowship have often waited until the last minute to make their room reservations, which has made it difficult for Mr. Peacock to know how many of the motel rooms to reserve for our group. It would speak loudly of our appreciation for his kindness if we each would immediately send our Room Reservation Card, giving him an early idea of how many rooms he should reserve for the Waiting.

MEAL RESERVATIONS

The Registration-Meal Reservation Card (green) should be filled out properly according to the number of individuals in your party who will be eating at each meal, and sent back to me as indicated at your earliest convenience. *I suggest that you complete it and mail it today if you possibly can.*

You will notice a change in the payment plan for the total cost of the meals, which permits you to make partial payment now with the balance later or at the time of the Waiting. I believe that some persons have failed to return their registration cards until very late because they did not have the finance immediately available to pay for the full amount of the meals. If you do not have the complete finance now, send what you can afford. It is important that you try to mail your registration to me as early as possible. It helps us greatly in our planning with the motel staff. Of course, it will lessen our load a great deal at the Waiting if you can send a check for full payment of meals in advance. **BUT WITH OR WITHOUT FULL PAYMENT, PLEASE SEND YOUR Registration-Meal Reservation Card BY THE INDICATED DATE OF DECEMBER 5.**

At the Waiting in June many did not make reservations for meals, but once they arrived, they decided to eat with the Fellowship. We were so thankful to have them, for the Lord has revealed that much of what God wishes to accomplish through the Waitings is lost if we move out of the Fellowship or away from the motel even for a brief time. The meals together are an important part of our waiting upon God, and it is also by means of the payment for meals that we reimburse the motel to some extent for the use of their lovely meeting room. It is so important

that we can early inform Mr. Peacock of the exact number who will be taking their brunch and dinner at the motel. Thank you for your cooperation in this significant matter.

Fellowship Luncheon — Wedding Luncheon

You will notice on your Registration-Meal Reservation Card a space also to reserve a place for you and your party at the ten o'clock luncheon which will precede the wedding of Nancy Marie Helm and James Flora at two o'clock on Christmas Day. If you wish to attend this time of food and fellowship, you should indicate the number of guests in your party who will be attending, and likewise include the cost of this meal in your payment check. As in previous Waitings, those who feel led to meet for a fellowship lunch on Monday following the Waiting should indicate at this time also how many of your party will be attending and include this amount in your total payment check. Reviewing the Registration-Room Reservation Card, then, there are three separate events which you should note your specific reservations and include in your payment check:

1. The brunch and dinner meals during the Waiting.
2. The Fellowship luncheon on Monday following.
3. The Wedding luncheon on Tuesday, Dec. 25.

WEDDING

Included also in this mailing is a personal invitation from Rev. and Mrs. Helm to join them in celebrating the ceremony which will unite their daughter, Nancy Marie, in marriage with James Flora. Attached to the invitation is an R.S.V.P. Card. You need not mail this card if you will only be attending the wedding. However, in the arrangements with the motel, it is necessary for us to have a fairly exact count of those who plan to attend the reception immediately following the wedding. If you wish to attend the reception, please indicate the number of guests who will be attending in your party, print your name and address, affix a stamp to the reverse side, tear it off from the invitation at the perforation and drop it in the mail to me as soon as you possibly can. We sense that this wedding will be a precious and sacred occasion, but there are certain preparations which must be made, and your cooperation will assist the planning so much. Thank you for your help.

Pack your bags! Fasten your seat belts for take-off! — Yes, praise the Lord, Jesus has recently revealed to Brother Helm that He is "leading by the Holy Ghost" for another pilgrimage to Israel and Rome this coming December 31, 1973 to January 9, 1974. Travel arrangements are pending, but we trust to have three days in Rome on this journey. We will send further information as to price and itinerary as soon as possible.

You may recall that in a previous letter we mentioned that the Lord had revealed the need for one to be with Brother Helm as "a Joshua to Moses." We also mentioned that God had revealed who this one was to be. By God's grace and leading, James Flora is now employed by R.F.O.D. to minister to the many needs of personal assistance to Brother Helm. This assistance has been needed desperately for such a long time, and we rejoice that God has granted guidance in this matter.

Your faithfulness in prayer and giving is so encouraging, and I know very pleasing to God.

In Him,

EMORY REECE

Dear Friends in Christ Jesus,

Jesus is coming-- soon! Sooner, I believe than most people think. In these days He is trying to call people to become a part of His Bride, the true church of born-again believers. What excitement, challenge, and spiritual endurance characterizes these-- the "Last Days". Jesus said that he that shall endure to the end is the one who would be saved.

It is so thrilling and precious how God worked in St. Louis, Copperas Cove and Oilton. Bro. Helm and several of our Brothers and Sisters are now in Willow Springs, Mo. Pray for the meeting there, that people will hear the Word and obey the Holy Spirit.

We had said in last month's newsletter that we would send the reservations cards for the Dec. 21-23 Waiting in this month's letter. However, due to vacations and other involvements, we have not been able to get them printed as yet. We trust to be able to get them to you soon. Remember, do not make any room reservations until we get the card to you for that purpose.

The place and dates again for the Waiting are: Holiday Inn, I-70 E, Indianapolis, Ind. Dec. 21-23 is the Waiting(proper), Dec. 24 will be the noon "after glow" banquet, Dec. 25 is the Christmas Dinner(10:00A.M.) and wedding following of Nancy Marie Helm and James Flora.

We have been asked about the possibility of baby sitting service for the three day Waiting. Bro. Helm, and a few of us discussed this and prayed about it. We do not feel this could be done as a "service". If there are parents who want to bring small children they should make arrangements with other parents before the Waiting to keep the children in one of the parents' rooms, with one couple staying with the children for one session at a time.

If parents who will be bringing their small children will notify me (Emory Reece), I will inform other parents and they can make plans together. Please notify me as soon as possible so there will be sufficient time to make these arrangements.

We ask that no children be left in rooms by themselves. You see, in the final analysis, any damage, noise or other disturbance will reflect back on Bro. Helm in the end. We are really meeting to Wait Before God. If our interest is divided between the Waiting and other cares, we will not be able to attune our hearts very well to God's working.

We do not want anyone to feel excluded from the Waiting because of this. We just want everyone to see that to be in a Waiting is a serious and sacred calling. It is probably more serious and sacred than most of us realize.

So if anyone needs help in communicating with other parents about this, please notify me and I will be glad to help.

May we remind you all again that Revival For Our Day, Inc. and Evangel Voice Publications, Inc. are two separate corporations. We cannot accept checks that are made payable to one which concern both corporations; e.g. some persons have sent checks payable to R.F.O.D. for a contribution and asked that part of the money go to E.V.P.

All checks intended for payment for books should be payable to Evangel Voice Publications, Inc. All checks which are contributions intended to assist the ministry of the Helms and others, should be payable to Revival For Our Day. Thank you for your wonderful help and response to the book. About 1300 copies have been sold or assigned as of Aug. 30th.

TOUR

As you noticed in Bro. Helm's letter, we are trusting to go to the Holy Land and Rome- Dec. 31 - Jan. 10th. We are sorry this is such late notice, but we trust you understand about the recent fighting in the extreme northern and southern parts of "occupied" Israel.

We have sent letters and enrollment information to those who responded with interest to the announcement of the Tour in the Sept. Newsletter.

There is room for about 40 more persons besides those who have told us they are proceeding with the necessary steps in order to go with us. If you did not receive this letter it is because we did not know you were interested in going. If you are interested in going with us, call today, and I will send you the enrollment form... better still, send a \$100. deposit and you will be assured of being included.

The arrangements for this tour are being made with a different travel company. We expect to have a great deal more freedom in the itinerary than on previous tours. The long bus rides are being eliminated by our staying overnight in the area of the Sea of Galilee one night.

We will be in Israel 5½ days and in Rome 3 full days. The total time abroad will be 10 days(as you will notice by the dates).

The airline will be TWA all the way, except for another airline, possibly, being used on the Tel Aviv-Rome flight on the return trip.

The price is \$775. all inclusive, from N.Y. Transportation to N.Y. is the responsibility of each passenger. The full price must be here Nov. 30th. A \$100. deposit by return mail(or as soon as possible) will assure you of being included. This deposit is credited toward the full price.

In the event of unforeseen political or crisis arising at the time of departure, a full refund will be made up to the hour of departure.

Some have missed the opportunity before. We trust they will not miss this one.

WAITING

In case someone is reading this letter

(rather the Newsletter) for the first time, and you do not know about the Waiting, it is Dec. 21-23 plus a noon luncheon on the 24th and a Christmas dinner and wedding on the 25th.

As of today(Nov. 8th) I have received only 94 meal reservations. Please send these as soon as possible. You do not have to send payment, but it will help our registration at the Waiting.

If you, or some one you know, needs a reservation card, write me and I will send it.

WEDDING

There are 96 persons who have made reservations for the reception following the wedding of Nancy Marie Helm and James Flora on Dec. 25th at 2:00 P.M.

We will be able to accomodate only the persons who have made advance reservations for this reception.

The same is true of the Christmas Dinner at 10:30 A.M., this meal will be served. Therefore, all reservations must be made in advance of the time of the Waiting.

We do not mean for this to sound exclusive. It is just that the nature of the Christmas dinner, wedding and reception is such that last minute reservations cannot be accepted.

RECORD & TAPES

Bro. Helm announced in his letter that a recording has been made by the R.F.O.D. song evangelists and Bro. & Sis. Helm.

Please note this- Evangel Voice Publications will handle the sale of the record and tape as they did the book.

The records will be 33 1/3 stereo and the tapes will be 8 track stereo, both with the same musical content.

DO NOT send an order or a check now! We will notify you as soon as the records and/or the tapes are available.

Perhaps you have read or heard about the shortage of the material of which records are made. So you see we have no idea how soon they will be ready for sale. Please pray that it might be as soon as possible.

Revival For Our Day, Inc.

REV. EMORY REECE, Secretary
Markleville, Indiana 46056

Dear Friends of Revival For Our Day,

It is a joy to write these few lines to you this month, for though I do not get to speak personally with many of you often, I am permitted to "drop in" for a visit by means of the Revival For Our Day Newsletter about once a month.

I trust that you are able to sense a little of the preciousness of how God is leading Rev. Helm as just a few of the sacred guidances of the Holy Spirit are shared each time. It literally would take volumes to tell all that Jesus has condescended to do through Rev. Helm for His glory; so I trust that you are able to sense the deep humility and thankfulness which Brother Helm feels for each of God's revelations and guidances.

We who are privileged to be with him and his dear companion more often than you are know how beyond the capacity of words to express are the guidances of the Lord in their lives. But my prayer is that enough of the joy and happiness of the Kingdom of God splashes out of the brief sharings to let you know of God's continuing hand upon these servants as they strive to be ever faithful to the call of encouraging all peoples everywhere to press to Self-denial and the cross, to wait daily upon the Lord, to witness humbly, read the Word, and obey each leading of the Holy Spirit.

WAITING ON GOD — JUNE 21-22-23-(24)

The Holy Spirit has witnessed to Brother Helm's heart that God is privileging us to again wait upon Him at Holiday Inn #8 in Indianapolis Friday evening through Sunday evening (and including the Fellowship Luncheon on the Monday after), June 21-22-23-(24), 1974. Enclosed you will find two cards concerning this Waiting:

ORANGE CARD: Registration and Meal Card. This is to be completed by each of you planning on attending the Waiting on God, especially completing the section regarding how many meals you plan to eat at the motel.

PLEASE NOTE! — The Waiting begins Friday EVENING at 6:00 p.m. EST.

This means that there will be no meal on Friday. Therefore there will be only four regular meals, two each on Saturday and Sunday, plus the luncheon on Monday following the Waiting for all who feel led to remain.

Mail this card, along with your meal payment, to:

EMORY REECE, BOX 167, MARKLEVILLE, IN 46056

If you are unable to send full payment for your meals now, send what you are able. Even if you cannot pay anything on your meals now, complete the registration

card in full and send to me, for this will help reduce our work at the Waiting. **BE SURE TO MAKE CHECK PAYABLE TO: REVIVAL FOR OUR DAY, INC.**

GREEN CARD: Room Reservation Card. If you plan on staying at Holiday Inn #8 (which helps to maintain that unity of spirit so significant to our being called to wait upon God), complete this card and mail it immediately in order that Mr. Peacock, manager of the Inn, can gain an idea of the number of rooms he will be reserving for those days.

Thank you for your cooperation in sending both of these cards out at your very earliest convenience. It will help me greatly to receive your orange registration cards soon, in order that I can give Mr. Peacock some indication of how many persons will be eating each day. If we as a fellowship respond promptly, then those at the motel whom we are privileged to have serve us while we are there, are made aware that we are thoughtful and considerate. If we delay in sending in the registration and cause many last-minute changes, then it hinders our true witness for Jesus. You will notice that Mr. Peacock has maintained the same price on meals and rooms as last December. This is a very special kindness, and I trust we will seek to let him know our appreciation for this thoughtfulness.

We're very grateful to those of you who have responded with extra contributions after receiving our last letter indicating a lack of finances. It would help us greatly if more might sense the call of God upon their hearts to regularly support this ministry, for the expenses continue unchanged from week to week. We trust that you all are aware that five full-time employees have been called of God to serve in this ministry and another is assisted as well. We would desire also to send regular support to those missionaries which the Holy Spirit has directed Brother Helm that we assist, but this has not yet been possible.

We're deeply grateful to each of you who wait before God with us in prayer and in giving. We know that many of you are on a limited income and unable to give as your hearts would desire; but each of us can intercede for this ministry, especially since the Holy Spirit has revealed the need of millions praying for these servants daily. We covet greatly each of your prayers daily.

Many of you would wish to know that Betty (Boggs) Kissinger, the daughter of Revival For Our Day, Inc. president, Robert Boggs, and the wife of our dear Brother, Rev. Jerry Kissinger of Covington, Indiana, bade them farewell on March 29th as she went to be with the Lord in His Kingdom. Her coronation ceremony was held Monday, April 1st, at the Covington United Methodist Church. Please pray for Brother Jerry and the Boggs family that they will continue to be comforted and encouraged.

Your servant in Jesus,

Brethren in the Lord,

"The King is Coming" as Bro. Mitchell says, "Alleluia, Alleluia!!" Jesus said, "Nevertheless when the Son of man cometh, shall he find faith on the earth?"

We are sorry to have ended Bro. Helm's letter so abruptly, but as you can see we ran out of space. He had said in the beginning that he would try to continue the letter concerning the Holy Land Tour next time. There is much to tell. It probably could not all be told in many pages. As the old fellow said, "It is better felt than told". To be there is the only way to really understand what God does.

In our letter we want to share three things: the Waiting, a finance report, and a request.

At this time there are reservations in from 104 people. Only a few of these are eating all 5 meals with the group. We hope that more of you will be planning to eat all four meals on Sat. and Sun. We have never had as many people eating as there are attending the services in recent Waitings. Our eating our meals at the Inn compensate our use of the room for the Waiting.

On the "orange" card you may indicate that you will pay for your meals at the Waiting. Several have so indicated. We trust that you will understand that when meals are paid for at the Waiting, it takes considerable time to handle this. So we ask that you be patient with us.

Since the Waiting starts at 6:00 P.M. on June 21st, we will try to be there at 4:00 P.M. for registration and meal reservations. If everyone who is coming on Friday would take care of registering during these 2 hours, it will relieve some of the situation on Sat. Reservation cards are due here by June 10th.

It would be a thrill to report that we have a large balance in the treasury, all salaries and bills paid, missionaries supported, and God's needy children helped. But we are not able to make such a report, because the Lord has not been able to persuade His people to give in this manner. We have been short of meeting the salaries at the first of the month for the past few months. The Lord helping, each one has received his full salary each month, so far. But we keep getting farther behind each month. We know God is able, but it seems that He wants to work thru His children, and limits Himself to their obedience. Isn't that wonderful!! That God Omnipotent would choose to work thru weak, finite man. Are you letting Him work thru you?

Some time ago Mrs. Langdon told me that a number of persons are sending orders for Bro. Helm's book in the contribution envelopes. This means that R.F.O.D. is paying 12¢ to receive Evangel Voice mail. Please don't do this. Also some still make checks for books payable to R.F.O.D. When this happens the only thing we can do is send the check back. Please help us here.

In Jesus' Love,

Emory Reece, for R.F.O.D.

(Rev. Helm's letter cont'd)

We are trusting the Lord also for all our needs to be supplied. As you know, there are five full-time persons with us in this work of the Kingdom. God has supplied every need thus far. We believe that He will take care of us as we let Him have His way with us and pray. We want to thank Jesus for this in heaven.

In Jesus' Name,

Loran W. Helm

P.S. I wanted to add to this letter a poem written by our daughter, Joyce Miller, following the wedding of James and Nancy on Christmas Day.

(adjacent column)

Praise to thy Name Jesus

Praise to thy name, Jesus,
We rejoice daily in the midst of darkness
Your light does shine a ray of hope
for guidance.

Our heart was filled to bursting
Thy power and love so sweet and lasting
entered our being.

It so thrilled us in a way indescribable.
Gently reminding us of our beings,

How insignificant we are.

Overshadowed by thy splendor

The love we feel surrounds us like a
satin ribbon, smooth, calm, cool, serene.
What a privilege to have just a touch of
Heaven in our hearts as the union of two
Precious souls, linked to Thee and
Intertwined in human love, came together
Before your presence.

Joined by You, Lord, in every way.
Thank you, Jesus, that we could share
in this sacred moment.

Praise to Thee for the faithful ones, hearts
bound together in blessings from Thee.
Hearts overflowing with praises to Thee.
The kindred spirit unites even strangers,
For distance cannot separate us from the
Love Divine, omnipotent.

It heals all wounds, binds up hurts, takes
away all enmity and seals our pardon
forever. Praise His Name!

Dear Friends,

In order to be conservative, would you permit me to add my message to this page? Thank you for your consideration.

I would like to share as briefly as possible about the book, A Voice In The Wilderness, by Loran W. Helm; and the album "My Times Are In Thy Hands", by the R.F.O.D. song evangelists.

In recent weeks orders for the book have dropped to almost nothing. I am confident that many have been helped in various ways by the Lord's working thru this humble writing. There have been many letters written in to this affect.

A few persons have purchased copies and placed them in medical offices and other similar places where persons could find them to read instead of the usual magazines and such. We have reports of some being helped by this. Perhaps others would be interested in doing this also.

In case anyone does not know, the paperback edition of the Book sells for \$3.50 plus 50¢ for postage and packing (plus 14¢ sales tax for Indiana residents). Send your order to the address below.

We announced in our last letter about the recording of "My Times Are In Thy Hands" by Rev. & Mrs. Helm, Jon Cullum, John Langdon, & Roger Yoder. This will be ready for shipment soon.

The 33 1/3 rpm stereo record sells for \$5.50. Eight track stereo tapes are \$5.75. Both prices include postage and packing.

Please use the order form below for the Book and/or the record or tape. These also make wonderful gifts - if you wish to give someone more than just a gift!

Sincerely yours,

Emory Reece for RFOD & EVP

Dear Ones in Jesus' Love,

What better time than this Thanksgiving/Christmas Season to rejoice and praise God for His wonderful love, so manifested by supplying the needs of R.F.O.D. for another year. It has been God's working thru your gifts of loving obedience that has made this year the most abundant year of R.F.O.D.'s history. Many of you have shared in the joy we have known in the times of Waiting as we have sought to obey God's leading to share what He had provided with many of His servants and needy children. Such was especially true of the Waiting last Sept.

This sharing was possible, of course, because you obeyed the Lord in giving. The experience of the little girl in Africa is just one of many. I wish we could tell you of all of them. I believe you would truly be blessed to tears of joy.

While the record of this year shows God's wondrous provision, still we know He desires to manifest His care even more. We believe He will help many in the coming year, as you- His informed, loving, obedient children- share some of the goods He entrusts to your stewardship

There have been times, as many of you know, when the spirit of giving and sharing at the Waitings has closely paralleled that of the Early Church, as recorded in Acts ch.1-5. Yet we have not known what it really is like to "sell all and bring the proceeds to the Apostles' feet". I wonder what that would be like? Do you suppose we will know some day?

I trust you noted at the end of Rev. Helm's letter that he is in the hospital. He is probably in surgery as this letter is being printed. Please remember him in earnest prayer. The days of recuperation were most painful for him 4 years ago. It may be several weeks before he will be able to resume normal activities.

While this has been the greatest year, financially, in R.F.O.D. history, the individual weekly offerings have been steadily on the decline for several weeks. God has supplied the need thru generous offerings at the two Waitings and at some churches where meetings were held. There are no meetings scheduled in the future months. We do not know when Rev. Helm will be able to be in meetings.

So, R.F.O.D. is trusting that the weekly needs of its 5 staff members and other commitments will be supplied thru the love gifts of you who are dedicated to support God's work thru R.F.O.D. As you pray and obey God in giving, we know that each need will be supplied.

Send your offerings to the above address or to:

WAITING ON GOD CASSETTES

Enclosed with this mailing you will find an index and order form for the 12 Waiting on God Cassettes from the December 1975 Waiting on God. I believe them to be some of the most significant tapes that have been made available to you. What God displayed before our eyes in those few days is so significant, I cannot help but believe that every one who receives this newsletter will wish to obtain a copy of these tapes. I say this not to create a large distribution of tapes, but because what is contained within them is so wonderfully and desperately significant.

The ordering procedure is very simple: If you desire the entire set of 12 tapes (which includes two exciting tapes of musical selections), simply check the number of sets you wish and include \$28.00 for each set. In most cases we will try to mail these complete sets by United Parcel Service.

If you wish to select individual tapes, insert the number of each tape desired in the left-hand column, multiply that by the cost of each tape and enter that total amount in the right-hand column. If you order three tapes or less, please add 25¢ for postage and handling. If you want these individual tapes mailed UPS, please add 5¢ per tape. Indiana residents are asked to include 4% of your tape order (not including additional postage) on the total. Please make all checks payable to EVANGEL VOICE PUBLICATIONS, INC. Thank you.

RETURN OF DAMAGED OR POORLY RECORDED TAPES

When duplicating a large quantity of tapes, there is always the possibility of damaged or poorly recorded tapes. If you have a tape from previous waiting on God which has wound up in the recorder or is poor in sound, please return it to EVP with a note of explanation, identifying the tape properly, and we will replace the tape free. But please do this at once, before our one-year guarantee with the supplier of some of our tapes expires.

Some have inquired about copying these tapes for others. You are free to copy any EVP tape to give to loved ones or friends. However, to copy tapes for resale is not permitted by law.

TAPES OF THE TEXAS WAITING ON GOD AND APRIL 1976 WAITING ON GOD

The Lord being our Helper, we are proceeding as swiftly as possible in preparing the tapes from these two Waitings upon God. We will send you information and order forms as soon as they are completed.

A SPECIAL "THANK YOU"

The response to purchasing entire boxes of A VOICE IN THE WILDERNESS at this last Waiting upon God was wonderful. Over 70 boxes of books have already been distributed. If for any reason you do not receive, in the next week or two, books you ordered at the April Waiting on God, please write or call us immediately. Our assistants in the EVP booth did such an admirable and dedicated job in serving each of you, but mistakes are very possible when things are so rushed. Where we have made clerical errors or misplaced an order, we wish to correct it as swiftly as possible.

For those of you who were not privileged to attend this past Waiting on God at the Pilgrim Inn in Indianapolis, the Lord spoke through Brother Helm that if each of us would order a box of A VOICE IN THE WILDERNESS by faith and go from door to door in our communities simply offering the book for sale in love and humility, (we have included this sharing below for your reference and encouragement) though many will refuse, some will wish to buy a copy. And through this obedience on our part, millions will be saved in eternity.

Now that is truly exciting revelation from Jesus to us! We may not be able to do much, but we can do this little bit in our local area. And God has promised to honor this response of faith on our part with redeemed souls in eternity!

We encourage each of you to pray how many books God would have you order to begin this ministry of love to your own community. A box contains 48 books, but you may order any quantity of books you wish. The price per book is \$4.50. Shipping, handling and postage is \$6.00 per box or 10% of the total on orders from 1 to 10 books.

WE ARE ANXIOUS TO MAIL YOUR ORDER AS SOON AS IT ARRIVES, FOR WE KNOW THAT GOD HAS GIVEN US A PRECIOUS PROMISE THAT INCLUDES YOU AND NEIGHBORS NEAR YOU!

(Summary of Rev. Helm sharing what God revealed to his heart at the April Waiting on God concerning each of us selling A VOICE IN THE WILDERNESS door to door:)

If there would be one to two hundred people who would take a box of books (that is, 48 or 50 books) and get them to your community--I mean distribute them: go from door to door and say, "Would you like to purchase a little writing here? It might encourage you someday."

They may say, "No thank you," but you can respond with: "Thank you very much for your time. It is good to see you today. Isn't this a wonderful day today? My, how beautiful. Did you hear the birds sing? Oh, it is beautiful."

They may say, "Yes, I did."

"Well, isn't this marvelous. Say, We sure are glad. We are thankful you have a lovely home here. It sure is nice to see you." Take a little time with them.

What would it mean to individuals if you would go to people and cheer them up even though they didn't choose to buy a book? You would be surprised what will happen in eternity if you were willing to go from door to door and see the book--and most of you will have to fight hard to even get there.

Hardly anyone can hear what I'm saying. But God has shown me that if 100 to 200 people would take a box of books from door to door in your community and say, "Hello there. How are you? I have a little book that has been such an encouragement to my life, and there might be a little something in it for you. It is a little humble writing, but there is a lot in it."

"Well...no, I don't care for it."

"Well, sure am glad to talk with you. I'm thankful for your taking time to talk with me. It has been sweet. It's been precious to see you today. May the Lord encourage you along your way."

Depart with a spring and a song and they will say to themselves, "Where in the world did they come from? They have such beauty, such wonder, such sweetness, such joy, such love, such light. I believe whatever they have got...I believe..."

where can I get ahold of them? I believe there is something...If what I heard in their voice and saw in their face is in that book, I believe I had better get it."

And when they get hold of the book, and what is in there begins to jump out and jump inside saying, "You need to walk with God; you need to give up everything; you need to lose all to find all..." --You get 200 people like that! --How many souls would be in eternity because of that for Jesus? I don't know whether it would be thousands or millions. I BELIEVE IT WOULD BE MILLIONS.

IMPORTANT NOTICE TO EACH PERSON OBEYING THIS REVELATION TO SELL A VOICE IN THE WILDERNESS DOOR TO DOOR:

Many, if not most, communities and villages have local ordinances prohibiting door to door selling without written license or permission. PLEASE BE CERTAIN YOU HAVE LEGAL PERMISSION from the recognized local authorities to go house to house lovingly presenting A VOICE IN THE WILDERNESS for sale.

If a "peddler's license" is required, you may need to obtain such a permit. If the cost of such is prohibitive, it might be possible that a local businessman could be the official representative for A VOICE IN THE WILDERNESS and because of his local business position then have the privilege of selling the book from door to door as a part of his local business.

We must simply be certain that we have met all the local legal requirements before we begin, lest we bring discredit on an endeavor which Jesus has revealed will result, through our humble obedience to God's word through His servant, millions of souls in eternity.

But don't let this important preparatory assignment discourage you from your purpose. Press on with great joy, for this is an assignment from the King of Glory Himself! You may feel as if you will be a terrible failure at selling the book. But accept no negative idea or feeling. You may not experience great immediate selling success, but you will be able to love a number of precious people in the short minutes you will have with them. We pray you have wisdom and grace in this sacred assignment.

Thank you

SPECIAL NOTICE TO THOSE SELLING "A VOICE IN THE WILDERNESS" DOOR TO DOOR

We have already received several reports of unusual victories as dear ones have pressed to present A VOICE IN THE WILDERNESS door to door. The good news is: great joy follows obedience to God's spoken commands. Praise the Lord for these witnesses of inner joy.

To assist in the technical matter of keeping the accounts of your sales, permit me to make these suggestions:

1. Maintain a careful record of your sales and the monies brought in from each day of sales.
2. If persons write checks for the books, please do not have the checks made payable to Evangel Voice Publications. Consider your book sales as a small personal business. Have all checks made payable to you personally. You may then cash the checks and place the cash in your book fund. If checks are made payable to Evangel Voice, we must make a double accounting in order to credit these individual entries to your account.
3. PAYMENT ON YOUR ACCOUNT--It would be wise to make regular weekly or monthly payments on your account...\$10, \$20, \$30, or as much as you can, on your outstanding balance. You should pay in check, money order, or cashier's check if possible rather than in cash. Those of you who had your boxes of books mailed to you will have the added postage, handling & insurance cost of \$6.00 added to your invoices. We trust to notify each one personally of their final charges as soon as possible.
4. Please review the suggestions for selling the book made in the last newsletter, especially the part about obtaining official permission to sell the book door to door.

DECEMBER WAITING ON GOD TAPES

With the delight of another time of Waiting upon God coming soon, I urge you to quickly return your order form for the December Waiting on God Cassettes. We have received less than ten orders since our last mailing. This tells me that the Powers of this Earth are determined to keep this precious fellowship from the inspiration and revelation of this sacred time of Waiting upon Him as are recorded in these humble tapes.

May I again say that I humbly believe that each family in this fellowship of Jesus would benefit many times above the slight cost of these tapes? One person recently said to me, "There is no price one can put on these tapes. God is in them in such a special way."

The fact that a number are already enjoying their December tapes purchased at the last Waiting on God does not make me less concerned that few persons have ordered since the last Newsletter. I am more burdened because the dear ones who are not able to attend the Waitings on God seem to feel little urgency to experience a little of what the Holy Spirit is wanting to share with all of God's children.

Our desire is to make available for all people just a taste of the splendor of God's presence during the sacred times of Waiting on God which the Holy Ghost has ordained.

I earnestly urge each of you to take advantage of this rare opportunity to review over and over the works of God in our midst.

Greetings in Jesus' holy name to All You
Precious Pilgrims to Israel and Sweden:

I have four specific reasons for writing you and requesting a moment of your time for an instant reply.

ITEM #1

A number of you wished to have copies of the poem on Israel by Brother James. It is included below.

ISRAEL O ISRAEL
THE LAND THAT BY PROMISE WAS GIVEN
TO ABRAHAM AND HIS SEED FOREVER
AND THY CROWN JERUSALEM

JERUSALEM JERUSALEM OF GOLD
THY FAME IS KNOWN FAR AND NEAR
MAY PEACE BE WITHIN THY GATES
AND THY LAND BE WITHOUT FEAR

JORDAN ROLL ON ROLL ON
AS DOWN FROM HERMON YOU SWIRL
SUSTAINING THE LAND AND ITS PEOPLE
AS YOU FLOW INTO ISRAEL'S PEARL

O GALILEE THOU PEARL OF ISRAEL
LIKE A JEWEL SET IN A CROWN
YOU'VE MADE THE DESERT A GARDEN
AND THE WASTE PLACES TO ABOUND

THE GREAT SALT SEA LIKE AN OPEN VESSEL
LYING LOW THERE IN THE EARTH
SHE IS THY TREASURE O ISRAEL
FOR MAN CANNOT MEASURE HER WORTH

MASADA THOU ROCK OF RECKONING
THOU A TRIBUTE TO ISRAEL
YOU'RE A PART OF EVERY ISRAELI
SPEAKING IN SILENCE YOUR STORY TELL

ELIAT O GOLDEN ELIAT
THOU JEWEL OF THE SOUTHERN GATE
IMPRESSIVE YOU STAND A GUARDIAN
AS BY THE SEA YOU PATIENTLY WAIT

O ISRAEL WHAT YET COULD I TELL
OF HAIFA AND THE VINYARDS OF CARMEL
OF MEGGIDO, MOSES AND YAD VASHEM
OF WADI GELT SABRA AND JACOB'S WELL

ALL THESE ARE MONUMENTS IN THE LAND
EACH ONE TELLING A TALE
OF GOD HIS LAND HIS PEOPLE
PROVING THAT HE WILL NEVER FAIL

FROM DAN UNTO BEER SHEBA
AND FROM JORDAN TO THE GREAT SEA
YOU STRETCH FORTH YOUR ARMS OF WELCOME
CRYING COME MY PEOPLE AND BE FREE

James L. Flora

ITEM #2

For those who also requested the sharing God gave me by the Sea of Galilee, it is as follows:

Sweet Son of God.....
Would I have followed Thee
When Thou wert here?
When labor called so loudly
And hunger stood outside my door...
Would I have left it all behind
To hunger more for Thee?
Would I have turned from family ties
And pleasant claims of earth
To go where no one knew,
To do what no man knew?

Ah! ...To follow Thy sacred footsteps
'Round peaceful Galilee!
What priceless privilege for old and
young Bond or free--
Yet, few could see the honor that was
theirs
Few could glimpse eternity in Thee:
For earthly calls and earthly fears
Bound them to weights and chains
Of the mortal paths,
The daily chores...
AND THEY MISSED THEE!--
Embodyed Eternity,
Life Itself!
All Joy
and Meaning
and Mystery,
Yea...

The Very God of Israel
Draped in human flesh...
...Staggering Thought!
Great Son of God...
Would I have missed Thee, too?

Would I have taken a curious glance,
Pressed down a longing pang,
A deep desire to follow this Stranger
Whose gentle voice and kindly ways
Awakened some dim, unremembered childhood
days?
Would I have looked
and longed...
And gone away to my expected responsibility?
Could I have torn free
From clutching fears of hunger,
Poverty,
Ridicule,
and Death
To cling to Thee though I lose all else?

I trust I could...
I trust I would...
I trust I can...
I trust I ~~shall~~!

One year from now you will deeply regret not having this guide in recalling a number of priceless persons and events of this unique journey.

ITEM #4

THE 10 CASSETTE TAPES of your singing, special meetings, and numerous events are ready in cassette stereo. Everyone may not need stereo made, however, if you do not have a stereo cassette player. On the CASSETTE ORDER FORM please fill in your complete NAME, ADDRESS, CITY, STATE and ZIP, and indicate STEREO or MONO with your order. The 10 Stereo tapes cost \$5.00 more because they must be sent out of state for special stereo duplication at additional cost. We are able to duplicate these tapes monophonically on our own equipment at some savings to you.

*Listed below are the names of those in our possession who requested sets of these 10 90-minute tapes. If we do not receive Order Forms from you requesting stereo tapes, we will automatically mail you monophonic tapes and bill you accordingly. If you send a tape order, you may either pay with the order or request us to bill you. (Indiana residents, please note Sales Tax.)

What a marvelous diary these tapes will be to preserve your investment of hundreds of dollars. Some of you were not privileged to enjoy the brief meeting at Kennedy terminal; and most of us missed the priceless words of Amos in his farewell to Bus #4, with Rev. Helm's equally priceless response. And how much can we yet remember of the anointing God gave His servant in the Upper Room or at Ein Karen? Can you recall the glory of the Beatitudes, the power upon the sharing on Mt. Carmel, or the unique "Getting to Know You" in the game rooms of our Stockholm hotel?

I don't want any of you to miss a single moment, and urge each of you couples or congregations to have a representative set of these ten cassettes.

ONE ADDITIONAL ITEM... PLEASE REPLY AT ONCE. William wishes to send your pictures at once, and we need to know of your decision within ten days in order to get our orders completed from our stereo duplicating service out of state.

Thank you, and may each of you have a trust-filled, joyous New Year in Jesus. We covet your prayers for the Helms and for those of us called to assist them.

Because of Jesus,

Jon L. Cullum

Dear Beloved Ones in Jesus,

AT LAST!...Enclosed is your personal Index and ORDER FORM for the WAITING ON GOD CASSETTES of the June 1976 Waiting on God held in Jeffersonville, Indiana.

I believe you will find the Index and Order Form self-explanatory. We are happy to be able to offer a savings of \$3.50 over the individual cost to those who order the complete set of 15 cassettes.

FOR THOSE WHO PURCHASED THE FIRST 10 TAPES of this series at the September Jeffersonville Waiting--to complete the 15-tape series, simply order the last five cassettes (11 through 15). Instead of remitting the individual purchase price of \$12.50, enclose only \$9.00. I REPEAT: If you have already purchased the first 10 tapes of this June, 1976 Waiting on God--instead of remitting the full purchase price for tapes 11 through 15, send only \$9.00 with your order. It would assist us if these completion orders did not have to be billed. Thank you for your understanding in this matter.

The Lord being our Helper, we shall be endeavoring to prepare the selections from the September, 1976 Waiting on God in Jeffersonville as soon as possible.

We are also attempting to bring up to date all accounts receivable in order to let everyone know their outstanding balance on purchases billed with Evangel Voice Publications. These Statements sent to each outstanding account hopes to review all charges and payments made by each person. If our accounting would appear to disagree with your own personal records, please contact us at once in order that we might clarify the discrepancy.

"Thank you" to all you who have continued to go door-to-door selling A VOICE IN THE WILDERNESS. Be certain to place an order for your 2nd box of books in order to have more books on hand when they are needed. We continue to receive very encouraging reports of how Jesus is working through the humble distribution of A VOICE IN THE WILDERNESS through you. Praise God for the witness that this distribution to your community can be used of Jesus to prepare hearts for the coming work of the Holy Spirit in revival!

NEW BOOKS

Included in this mailing also is an order form which includes several books about the interior life by Dr. G. D. Watson, a man with rare and unusually uplifting spiritual insights. I believe you will find any one of these books a treasure to your heart and a down-to-earth manual for your walk with God.

2.

Included also is THE MAN WHO TALKS WITH FLOWERS, a monograph about Dr. George Washington Carver. Bro. Helm has often mentioned as well the classic by John Bunyan, THE GREATNESS OF THE SOUL. And a number of you have already thrilled to the eyewitness reports of individuals who lived in the time of Christ as recorded in THE ARCHKO VOLUME. This is one of the most amazing books I have ever been privileged to read of an historical nature. We are happy to offer these precious volumes for your study.

April 2, 1978

Dear Followers of Jesus!

How excited I am to be able to offer this wonderful set of ninety-minute Tapes from the December, 1977 Waiting on God in Indianapolis!

What could have been a more thrilling challenge to our waiting hearts than the prelude hymn superbly read and played by Sis. Helm: "RISE UP, O MEN OF GOD"?

Then to have the Holy Spirit begin almost immediately to instruct our hearts on how we shall indeed begin to rise up to the sacred call of consistent obedience in this final age by Rev. Helm's resounding witness: "ON TIME--GOD'S TIME"!

PUTTING JESUS FIRST, THE PRIMACY OF HOLY LOVE, AND "LIFTING UP JESUS" were exhortations and anointed messages by Rev. Helm to supplement the initial cry of the Holy Spirit to our hungry hearts, leading to Rev. Robert Morgan's priceless insight into "RECEIVING THE REVELATION".

Just take a glance over the enclosed index at the excellent musical selections Jesus led to be presented to His glory during the first afternoon and evening (Tuesday), interspersed with nuggets of instruction which the Holy Spirit knows we will be needing in coming days, weeks, or perhaps even hours.

And if I could possibly convey to you the glory of God's presence as I began to make the Cassette Master for the second time on Tape#6, I know that every one of you would want a personal copy of these glorious 90 minutes. Do you recall the unique scripture sharing and testimonies or the fellowship God gave His servant with special servants and handmaids during this brief time?

Where could I begin or where would I stop to share of the marvelous messages: "THE TRUE PROPHETS OF GOD" (indeed a classic), "DYING TO SELF", and "THE PRE-EMINENCE OF CHRIST" (exhilarating!). Which solo or duet or piano special could we select as our favorite of all those God chose to be presented?--The Edward Helm family? the Lights? the Moores? the Roots? Jeannie and Ginny? Robert Allen and Jewel's "HERE COME THE BRIDE"? Michael Freeman, Michael Bowers, Shirley Cathy, Jewel Adams? What price could be paid for the sacred and glorious wedding ceremony of Paul Mark and Rebecca Sue?

As you can see, I have experienced a rare treasure in each tape, one I feel you do not want to--and cannot afford to--pass by. That's why we at Evangel Voice have tried to make these sixteen 90-minute tapes available to you Postpaid at less than \$2.00 a tape!

--COMPLETE SET OF 16 TAPES: \$30.00--

You may send remittance in full with your order or we will place you on a BUDGET BILLING of \$10.00 a month for 3 months. Use ORDER BLANK 'A' on the back side of this letter. PLEASE CUT OUT ORDER BLANK 'A' MAKING CERTAIN TO PRINT OR TYPE CLEARLY YOUR NAME WITH FULL ADDRESS, CITY, STATE AND ZIP CODE.

If you wish only selected individual tapes, mark them accordingly on the ORDER BLANK 'B'. The cost of each tape is \$2.25. Please ADD the 50¢ FOR POSTAGE AND HANDLING WHEN ORDERING INDIVIDUAL CASSETTES.

INDIANA RESIDENTS, PLEASE REMEMBER TO INCLUDE THE SALES ON YOUR ORDER.

THANK YOU FOR RESPONDING TODAY. I CAN HARDLY WAIT TO LEARN HOW JESUS HAS TOUCHED YOU THROUGH THESE HOLY SPIRIT-FILLED SERVICES. IT HAS BEEN SUCH A JOY TO PREPARE THESE TAPES FOR YOU.

In Trusting Expectation,

Jon Cullum

Dear Ones in Christ;

Greetings in the name of our Lord Jesus Christ. How wonderful to address those who walk in the fellowship of the Holy Spirit and who recognize that God has sent one to the church and to this world with a vision of what God wants His people to do in these last days--to wait upon Him in order that the promised harvest of the Holy Ghost ingathering would be fulfilled (Joel 2: and James 5:7).

I was privileged to be with Brother Helm recently and oh what an experience in the Lord it was! Increasingly, through these last thirteen years, I have been made aware that he is the most unusual man of God I have ever met or heard of save those in the days of the Apostles. The fact that God has given to the church in our day one who is like the men of God in the New Testament should shock none of us, since we believe that God never changes (Mal. 3:6, Hebrews 13:8). Only those who believe that the days of miracles ceased with the age of the early church should have any difficulty. From the time of early childhood, I looked for such a man and prayed that if such a person existed, that I should be privileged to meet him before I died. The Father Almighty in His sovereignty and omnipotence granted that request in 1966. How can I ever praise God enough. Oh glory, hallelujah!

I thank God also for the privilege of writing to each of you about the need facing all of us at this immediate time. Although I don't try to keep up with the small financial details, I do receive necessary information from time to time about the needs facing Revival For Our Day Fellowship. This, of course, is one of my responsibilities as President of the fellowship. As a result of the comments made by Brother John McAdams in his last writing, I learned by talking to him that the income to Revival For Our Day had fallen more than fifteen percent from 1977 to 1978; that for the second time since Jon Cullum received his first paycheck in 1972, we don't have enough to meet the next payroll. I felt that all of you would want to know, in order that this impending dilemma would be corrected. I was also informed by another board member that Brother Helm will be the first to lose his salary because he will insist that everyone else be paid before himself. Neither you nor I want this to ever happen or if it does happen this time--never again.

Let me urge each of you and all of the fellowships to respond to this need quickly. Perhaps what God led me to do, as the pastor of the Scott Depot Christ Fellowship, will help all of us to avoid a problem in the future if we respond adequately. Last summer, before our missions convention, we asked the Lord what He wanted us to give to Revival For Our Day for 1979. The witness of the Holy Spirit was on \$35,000. That is 17½% of our combined church and missions budget which is \$200,000 (our building fund budget amounts to \$100,000 more).

When Brother Helm came last December, we were privileged to add a \$5,000 love offering to the \$35,000 which will bring our total giving to more than \$40,000 for this budget year. This means that the Holy Spirit has led for us to give more than 20% of our combined church and missions budget for this year. All of this while we are building our new \$800,000 sanctuary. As we have no rich people here, for I am one of the highest givers in the church, sometimes the highest, you can see how important it was for us to see the Lord's guidance about what we should give. By the way, our people went on to give, five days after the \$5,000 love offering, more than \$8,000 to Sister Jaya's project, the home for the poor in India. The important thing to notice is the requirement for the Scott Depot Christ Fellowship is way above the ten percent thought normal. In fact, the Lord has clearly shown me that we must give two mission projects top priority: Revival For Our Day and New Wine Television (we are giving about \$10,000 to New Wine Television this budget year). After we determine and place in the missions budget those two projects in order that their income may be insured, then we are free to consider other projects. But only after the Holy Spirit has witnessed what should be budgeted for them.

Perhaps the above information can be an example for you to follow; however, for the Scott Depot Christ Fellowship it is a matter of obedience. I trust that you will consider this matter, as we all share in the concern for the success of Revival For Our Day.

Thank you for prayerfully considering this matter and I feel that all of you will immediately respond in some appropriate manner.

A trusting servant,

Oliver C. Hogue

P.S. One other thought occurred to me, although there are over a thousand families on the mailing list, only a small percentage have felt any burden to give. Perhaps now all of you can see how important it is. Please do not be buffeted if you have no money. Revival For Our Day is for everyone.

Dear Ones,

We rejoice as we anticipate the privilege of worshipping God with each of you during these days of Waiting upon God!

I want to share a few thoughts with you that may help us mechanically and/or spiritually.

The Hilton Between the Bridges is the former America's Host Inn, located just off Interstate 65 in Jeffersonville, Indiana, across the Ohio River from Louisville, Kentucky.

The Hilton management has been most gracious in allowing us sleeping rooms at greatly reduced prices. Also, the cost of meals is nearly the same as our last Waiting Upon God held there some two years ago. We praise the Lord for this consideration.

Concerning room reservations, we trust to be able to house each overnight guest at the Hilton but if this is not possible due to an "overflow", the Hilton management has made arrangements with the Marriott Inn close by, to provide rooms for our group.

The Marriott Inn room prices are somewhat higher than the Hilton's special room pricing so we desire to house each one at the Hilton if possible.

PLEASE NOTE AND PRAY ABOUT THE FOLLOWING MATTER. The Hilton Inn has assured us that each room reservation card they receive, the small orange color one enclosed, will be stamped with the date and time of day received and room reservations allotted on the basis of those earliest dates and times.

In past times, we have thought that reservations were being made and honored in a similar manner only to find at the last moment, that the plan was not necessarily followed consistently.

Please be aware that while Revival For Our Day staff will do all that we reasonably can to accommodate each one of you in every way, we have no final control over the decisions of the management of the Hilton Between the Bridges. We are all guests in their facility and must finally abide by and adhere to their decisions.

The Hilton wants to please you and we want to please you but even with our very best efforts, errors may occur. The Lord has already revealed to us that, unless we really pray, there will be situations that may hurt our witness or defeat our purpose for meeting, the purpose of letting God further prepare our hearts for revival and the outpouring of His love.

A reservation card could be lost, or some mistake made. Someone could be upset because they were not in a room of their choosing. Someone might be irritated that they had to drive from the Marriott to the Hilton. If we are not spiritually prepared, the fact is that almost anything could upset the carnal nature. Just in the midst of writing this humble explanation, Rev. Helm called and agreed that we must pray for an understanding, rejoicing heart during these times of testing. I know the Lord will help us all.

I would call your attention to the ROOM RESERVATION card. Please note that all rooms have two beds. A single room charge refers, not to one bed, but to one person. If a couple share a room, the double room rate applies, however, there is no additional charge for a third or fourth person. There is a charge of \$5.00 per person over 5 in a room. This arrangement is a special concession of the Hilton management.

Also, if you are handicapped or have a special physical problem that makes climbing or waiting for elevators difficult, please check where indicated on your room registration form and the Hilton will do their best to reserve a lower floor room for you.

We love you and desire the best of God's Kingdom for you. May His wonderful strength flow into your mind and body as you travel to this Waiting Upon God. May the sustaining Arm uphold you in these coming days. May the angels of God protect you and minister to your needs. May our lives count for the glory of God.

We will appreciate your prayers for Rev. Helm and the Revival For Our Day staff in the coming days as we all need it very much. Thank you.

In His Name,

JOURNEY TO ISRAEL

FEBRUARY 26 TO MARCH 7, 1980

The Holy Spirit revealed to me yesterday morning, December 31st, that we would be going back to Israel on February 26th to March 7th. It will be two years this Spring since the Holy Spirit revealed to me that we were to be in Israel. We are very thankful for His revelation and that He also witnessed that He would help, guide, direct and tell us what to do.

The Holy Spirit witnessed strongly to Brother John McAdam's heart when I shared this revelation with him. Rev. McPhail felt the day before that the Lord was going to have us go. Brother Charles Payne, also, felt that the Lord would have us go to Israel before long. We praise the Lord for these guidances.

When I called Tina to give her the information, she was so excited. She said, "What a more wonderful new year's present could we have." She felt it would be a wonderful time to be with Revival. This could only be the Lord doing it, the Holy Spirit leading and Jesus blessing, protecting and directing.

The price of the journey to Israel is \$1425.00 from New York (this does not include your fare to New York) plus \$60 for an optional tour to Mount Sinai (This trip requires different buses, a special visa and all the expense to get there.) We have never been to Mount Sinai and we feel that most all will want to go.

PLEASE CONTACT TINA IMMEDIATELY about the optional tour. All the paper work has to be taken care of two to three weeks before our departure date. It is IMPORTANT to get this information (Whether or not you will be taking the optional tour to Mt. Sinai) to Tina immediately. Address below:

We trust that none of our people will ask Tina to finance their trip. It has occurred on two other occasions, one from an eastern state and one from a southern state. I believe Revival For Our Day finally paid off the one from the south and the lady decided she could pay \$100 every so often. I am not sure whether or not she has it paid off but we wanted to take care of it with Tina. PLEASE do NOT ask Tina to finance anybody. Thank You.

Anyone who can raise the money can go, except I receive a check of the Holy Spirit. If He would check on someone going, it would be because of some complication or illness or situation. We wouldn't want anyone to become ill or be hurt on this journey. The Holy Spirit can check us and help us to know if one should not go but I will need prayer for it would take courage to tell a person or persons they were not to go.

If everyone will, immediately, send their name to Tina, I will check with her as to who is going and trust the Holy Spirit for guidance.

We will depart New York the 26th of February, the Lord protecting us, and be in Israel the entire time until we leave Tel Aviv on March 7th for our return home. We will be going to Mt. Sinai where we have never been in our 11 pilgrimages. She would also want to take us to Ailot where we have been once before. These will be wonderful experiences, the Lord helping, protecting, providing and directing.

We checked with the airlines and found that an ordinary ticket (air fare) to Tel Aviv from New York would be \$1260.00. Of course, the \$1425.00 plus \$60.00 for the optional tour includes air fare, hotels, buses and meals. This comparison is most interesting.

The luggage restrictions are not as great as they were. You may take two (2) suitcases. There is no weight limit on them, but the dimensions of both suitcases (the depth, width and length) cannot exceed 106 inches. The dimensions of the two suitcases together cannot exceed 106 inches.

I trust we will pray together for God's guidance and direction. Praise His wonderful Name.
