Blessings

This month we are reminded of all the blessings we have in our lives. We can often get sidetracked and distracted by the world with what we don't have but God is always blessing us with what we need. Sometimes we need to take a step back and not ask God for more/what we want but to thank Him for what He has already blessed us with. Additionally, we'll take a look into what kind of a blessing we can be for others because we are redeemed and redemption was not only made for us but for everyone. Let the Holy Spirit live within you as you live your life and you will be transformed so YOU can be a blessing to someone else.

March 1st - 7th

Talk to God

Thank God for all He has done in your life

Go Deeper

"You are my God, and I will give you thanks. You are my God; I will exalt you. Give thanks to the Lord, for He is good; His faithful love endures forever."

Psalms 118:28-29 CSB

Throughout all our lives, God has always been there and has been faithful to us even when we weren't faithful to Him and his Word. Sometimes we need to take a step back and look at how much He loved us first and then we can truly appreciate God for who He is.

Take Action

As you go about your day, take a look at your life and the "luxuries" you have: a job, a car, a home, good health, a family that loves you, a spouse, children, etc. and when you add everything up, you'll come to find that you have always been favored by God.

March 8th - 14th

Talk to God

Ask God to see what kind of blessing you can be to the people around you.

Go Deeper

"A generous person will be blessed, for he shares his food with the poor."

Proverbs 22:9 CSB

This chapter of Proverbs speaks a lot about the physical food, wealth/riches and the do's/don'ts but we can interpret the sharing of food in a spiritual aspect. We go to church every Sunday and get poured into and spiritually fed but what good is that if we're not generous with the blessing of deliverance with those around us? We need to share the wealth of Jesus and His love to those who are spiritually "poor".

Take Action

Re-examine your day-to-day actions and see how much you're pouring into people around you. YOU need to be the salt and light in YOUR world.

March 15th - 21st

Talk to God

Ask God to break the chains of bondage in your life.

Go Deeper

"Come to me, all of you who are weary and burdened, and I will give you rest."

Matthew 11:28 CSB

We may be believers but we are all still human and have our struggles. However, we have the freedom to cast everything onto the Lord. This verse clearly illustrates Jesus' open hands. We're not alone with the task of breaking the chains of depression, anxiety, hurt, anger, fear, sin, etc. because Jesus is here to take it from us. He's just asking for us to give it all to Him. Verse 30 famously reassures us that His "yoke is easy" (not only is it easy, but it is sweet and pleasant) and his "burden is light" (literally saying that He takes our suffering and sins away).

Take Action

Dig deep and trust In Jesus' promise to take away all your worries. He is asking for you to do so!

March 22nd - 28th

Talk to God

Thank God for never forgetting about us.

Go Deeper

"For God is not unjust; He will not forget your work and the love you demonstrated for His name by serving the saints — and by continuing to serve them."

Hebrews 6:10 CSB

God is always watching and praise Him for it because it is because of Him that we will never be forgotten and our actions will not be in vain. Let us please God with what we do for the advancement of His kingdom.

Take Action

Live like Jesus is right there next to you and your life will be changed.

March 29th - 31st

Talk to God

Thank God for giving us the Holy Spirit

Go Deeper

“If you love me, you will keep my commands. And I will ask the Father, and He will give you another Counselor to be with you forever. He is the Spirit of truth.”

John 14:15-17 CSB

As we near the month of April and the day of resurrection, give thanks for the Holy Spirit. It was after Jesus died on the cross and resurrected that God released the Spirit to us. As we’ve covered the last few months at church through our preachings, the Holy Spirit is the third of the Trinity and it is the Being that is with us. Jesus called the Holy Spirit the Counselor (another version calls the Spirit the Advocate). It’s through the Spirit that we are continuously connected to the trinity by the conviction and transformation that takes place in us.

Take Action

Let’s work on being transformed by the Spirit and not let the flesh overtake what God generously gave to us.
