A NOTE FROM DAVE

How has 2026 treated you so far? Are you ready for the shortest month of the year? January went by quickly. I have a feeling February will go by even faster! As we prepare for the second month of the year, let us continue to **testify** to the gospel of the grace of God. I'm curious, do you have the theme verse memorized for this year? In case not, look at it with me right now...

Dave Snyder
Senior Pastor

But I do not account my life of any value nor as precious to myself, if only I may finish my course and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. Acts 20:24

Testify! In just one word, we see the purpose of our existence as a church. This year, as we continue our tour through the book of Acts, my prayer is that God would lead you to testify to others about the glorious hope of the Gospel. When Christ saves us, He gives us a testimony worth sharing...a living account of grace, forgiveness, and new life. Sharing the story of Jesus means sharing how His story has become part of our own. What story will you share with others? Join me as we testify in 2026.

Please join me in prayer over all that is happening in February. Take a few minutes and read through this month's newsletter. Please don't hesitate to contact us with any questions or prayer concerns.

I love being your pastor.

Dave

Gage Gordon
Minister of Students

As we look ahead to UP Weekend, February 20–22, we invite our church family to be in intentional prayer as we prepare to host 20+ churches and nearly 1,000 students on our campus. We are so encouraged and excited by the way God has been moving in our student ministry this past year—with several students making decisions to follow Jesus, take steps toward baptism, and even surrender their lives to missions or ministry. As we look

forward with great expectation to what God will continue to do in the coming year, we are praying that UP Weekend would be a pivotal moment for many students. Throughout the weekend, students will experience worship, biblical teaching, and small group conversations, and we are asking God to use each of these moments to transform hearts and lives. Please pray for our speakers, worship teams, and small group leaders, and that God would provide additional small group leaders to help disciple students well. We also ask for prayer for our volunteers, as we will need extra help with parking and our welcome team, so every guest feels seen, cared for, and loved. Thank you for partnering with us in prayer as we trust God to do incredible things through UP Weekend.
