

KAIROS

Kairos is an ecumenical Christian ministry to prisoners, providing a three-day spiritual experience for inmates. Our local involvement in Kairos is at Limestone Correctional Facility, Decatur Work Release, and Tutwiler Women's Prison. Besides serving as team members, individuals support by providing cookies, buying meal tickets, providing agape, or through prayer vigils.

CHOOSE LIFE

Harvest Pointe is a strong supporter of this crisis pregnancy center that saves lives on a daily basis! Activities include the "baby bottle" program fund-raising, kitchen and serving staff at the annual banquet, participation in the Walk For Life, building and grounds maintenance, and providing volunteer staff (counseling). We particularly recognize this program on Sanctity Of Life Sunday every January.

FIRST STOP

This Huntsville organization has devoted its energy to passionately advocating for the homeless by providing a path from homelessness to independent, sustainable living. Harvest Pointe provides regular support and conducts an on-site lunch time worship service on fifth Wednesdays.

HUNTSVILLE ASSISTANCE PROGRAM

HAP is a Huntsville-based Christian organization that provides a ministry of assistance and referrals to needy individuals and families in Madison County. Since January 2019, "HAP West" has operated out of Harvest Pointe Church as an extension of this ministry specifically to the Madison and Triana area. Our church provides volunteer and logistical support, assists with program funding, and oversees the extensive food pantry and distribution operation. HAP is open from 1:00 until 3:00 PM every Tuesday, Thursday, and Saturday.

MADISON VILLAGE ASSISTANT LIVING

On the first Wednesday of every month, Harvest Pointe provides an afternoon Communion service for residents at Madison Village. The worship time is led by our pastor and includes a short message, singing, and a time of fellowship. Kids are welcome!

CASA

Care Assurance System for the Aging and Homebound (CASA) is a Huntsville-based organization that provides assistance for the elderly and homebound in the area. Harvest Pointe supports several programs, such as warehouse work, summer yard maintenance, and home winterization. Other opportunities include ramp building, community garden, and transportation help. The first Tuesday of each month is CASA work night.

SALVATION ARMY MOBILE CANTEN

Feed the hungry. Jesus commands you (Matthew 25:31-46). Twice every month, we have an occasion for you to "work out your own salvation" (Philippians 2:12) in obedience to Jesus Christ. The Salvation Army's Mobile Canteen (a complete kitchen on wheels) travels to various stops in Huntsville to provide meals for the needy and homeless. The Canteen operates every day, rain or shine, and Harvest Pointe has the responsibility for its operation on the first Monday and second Wednesday of the month. Harvest Pointe is also an "on-call" church when there is an unscheduled need to operate the canteen. Three or four volunteers are required, one of whom is registered as a Salvation Army driver. Personnel meet at the Community Kitchen/Emergency Shelter located at 305 Seminole Drive in Huntsville at 5:15 pm and proceed to several designated locations to serve free meals to neighbors in need. Typically, 50 to 75 meals are served, and the mission is completed by about 7 pm.

MANNA HOUSE

Manna House is a Public Charity that provides food assistance to those in need. We are supported by contributions from individuals, churches, civic groups, and businesses. While some food is donated and locally grown most is purchased for our distribution programs. Twice a year Harvest Pointe partners with Manna house for Outdoor Church and puts on a worship service, cooks, and serves food for the homeless and needy of Huntsville. There are several opportunities to serve at Manna House Mondays, Wednesday, and Thursdays from 4pm- 7pm

MISSIONARY SUPPORT

Harvest Pointe supports Jeff and Terri Rains in Ecuador, Brandon Watson and family in Mexico, and David and Allie Houle in Thailand. Our support has been primarily with our prayers and funding; however, we have recently sent a small pastoral team to Mexico, a small pastoral and medical team to Ecuador, and are in the planning stages for sending a future multi-tasked mission team to support the Watson's in Mexico with several possible activities (evangelical, Bible School, construction, medical/health programs, etc).
