

What's happening in February with FOOTHILLS SENIORS

To connect seniors to Jesus and each other and help them grow to love and serve Him.

Greetings to all Seniors at Foothills Church~

Recently the subject of family seemed to come up frequently—not the family of our birth but, rather, the family of God. Foothills Seniors is family to those who attend. There's mutual love for our Father and for Jesus that binds us together. As the Lenny Wolfe song says, "Sometimes we laugh together, sometimes we cry. Sometimes we share together heartaches and sighs. Sometimes we dream together of how it will be when we all get to heaven, God's family." And every Wednesday at 1:00 we get together and celebrate the Lord and enjoy each other. Here's the program schedule for February.

February 4: Dr. David Jeremiah: *A.D. The Revolution that Changed the World, "The New Revolution gets a Foothold"*

When we read about Peter, John, and the burgeoning church, we can almost feel excitement in the air. This movement was fresh and active and filled with power by the Holy Spirit. They were unafraid, ready to proclaim the truth in the face of opposition and prepared to confront their adversaries when necessary. It seemed that the hotter things got, the more courageous they grew. Dr. Jeremiah will give us a front-row seat, and we get to discuss what we've learned at our tables.

February 11: Valentin's Day Emphasis: Love Stories

Have you ever looked at a couple wondered, "What does she see in him?" or "What does he see in her"? Hopefully we don't mean it in a negative sense, but sometimes we may wonder what attracted two people to each other and how they managed to stay together through good times and maybe some not-so-good times. To get your questions answered, be sure to come and hear six testimonials of what one spouse loves about the other. It'll be a fun and touching time.

February 18: Pastor Rob, "End of Life Issues from a Pastor's Perspective"

We are all in the stage of life that could be considered "the end." We are going to face some challenging times in our futures. Rob will share some facts and suggestions that will be helpful as you prepare for the end of life--information about legal and medical plans plus some spiritual truths. Hopefully, you will be motivated to address things you have been avoiding and to consider some spiritual issues that will be encouraging preparation for the rest of your life.

February 25: Dr. Roy Price, "The Great Gap Mystery"

As believers, we know we have eternal life. However, we have questions. Paul reassures us that to be absent from the body is to be present with the Lord, but our bodies don't rejoin our spirit until the resurrection, so what will our heavenly bodies be like until Christ's return? And where is heaven anyway? Where is Jesus in heaven? And where has God existed eternally? Pastor Roy will lead us in exploring Paul's answer to these mysteries.

So there you have it – a series of programs that will inform, inspire, and encourage us in our faith walk with the Lord. There's music that we love every week plus warm fellowship over cookies and coffee. We meet every Wednesday at 1:00 pm in the Worship Center. We look forward to seeing you soon!
