Cosmic Tubing at YAA - February 23 5:30 - 8 PM

We have been invited to spend some time at Yellowstone Alliance Adventures for Cosmic Tubing. We will gather at YAA at 5:30 for dinner in the Lower Lodge, then head to the tubing hill for some fun & excitement. Dress for the weather. This event is Free, but registration is required so we can manage liability forms and group size. Take a minute to sign up at <http://belgradealliance.com/nextgen>. This event is for all Pier 56, Anchor & Beyond students and would be a great event to invite a friend to join you! If there is not enough snow, YAA will switch it up and we will do Laser Tag & Silent Disco! This is a **FREE** event thanks to a generous donation by the Thompson family.

Grand Prix Race - February 28 @ 10 AM

You are encouraged to create a derby car to race at the annual Grand Prix race! We will be taking some time during our meeting on 2/18 to help you build your car. Registration and all the details are at <http://belgradealliance.com/awana>. Everyone is encouraged to participate in this fun event. Lunch will be provided and we will have some fun prizes! Join us on 2/21 at the Grand Prix Garage 9 am - 12 pm to finish your car and help younger kids.

Destination Unknown - March 16

Destination Unknown is an annual spring break tradition at Pier 56! Students will solve clues to find their next destination. The day is a combination of fun and community service. More details and registration coming soon. Be sure to save this date 9 am - 5 pm.

Adventure Day - April 19 1 - 4:30 PM

We will be adventuring on Sunday 4/19 and heading over to Arts on Fire for some painting, chatting and relaxing. Students should bring money to pay for the pottery piece that they pick out to create. A typical piece is around \$20 and goes up from there. We will gather after the worship service to have lunch and then head out at 1 pm sharp. Bring a sack lunch to church for yourself.

Join the Band!

Pier 56 is using the BAND App to communicate online this year. Be sure to join so you don't miss important communication, plus fun & photos! Students can also join through BAND for kids. Join our BAND here <https://band.us/n/adaaA7w7BbP6Y>
