Creator God, we thank you for bringing us together in this place, to celebrate the recreation – the re-creation – of enjoying the fun and community of camping. We thank you for all the people in our lives, those who have journeyed this life before us, who will come after, and especially for those who have gathered with us. We also thank you for all of creation; the hills and trees, the rocks, the water, the animals and creatures of the world around us. We thank you for your love for us; the love that we in turn share with one another. Open our hearts to receive your word, to rekindle the spark of love that you have set within us. Guide us in your love and the spirit of your creation so that we might be examples of abundant and multiplied grace for others to see. Amen.
