# COVENANT CALENDAR

## YEAR START & LENGTH

1 Chronicles 20:1 ... After the **year** was expired, at the time the kings go out to battle ...

**Year** H8141 <shaneh>

A year (a revolution of time).

- The sun revolves through the 12 constellations of the Mazzaroth each year returning to the original starting point on the vernal equinox [tequfah]. Dates for Covenant Calendar [worldwide] are marked according to the timing of the spring tequfah occurring in March.
- On the tequfah, the straight line of the sun's shadow marks the completion of the sun's yearly cycle.

Psalms 19:1-6 explains: The heavens declare ... the sun ... going forth from the end of the heaven, and his circuit unto the ends of it ...

- The festal year has 360 days.
- New year's day is the day after the vernal equinox [tequfah].

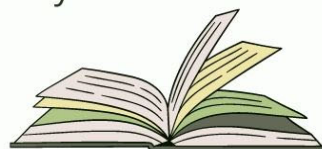

## MONTH START & LENGTH

Exodus 12:2 This month ... shall be the first month of the year to you.

- The first month of each year always begins the day after the spring equinox.
- There are 30 days in each biblical month.
- 30 days per month x 12 months = 360 days per festal year.

**Psalms 90:12 Teach us to number our days, that we may apply our hearts unto wisdom.**

- Covenant Calendar is about "counting."
- Apply the feast & festival dates from the Lev 23 count into the appropriate 30 day month.

Download the current Covenant Calendar from the website:

**[studythecalendar.com](http://studythecalendar.com)**

## DAY START & LENGTH

Matthew 28:1 ... In the end of the sabbath, as it began to **dawn** toward the first day of the week ...

**Dawn** G2020 <epiphosko> To begin to grow light.

### **The first 24 hour day:**

Genesis 1:3 And Elohim said, Let there be light: and there was light ...  
Genesis 1:5[a] ... Elohim called the light Day <yowm> and the darkness he called Night <layil> ...

- **Light** plus **darkness** = the first day [24 hours].
- **Dawn** is a placeholder to show the beginning of Day 2, after the night <layil> has passed.
- Note: For literal time, Day <yowm> can mean either:
  - 12 hours of Light Season.
  - 24 hours including the Light Season & the Night Season.
  - Every Shabbat is a full 24 hours, from dawn to dawn.

# Standing on the Moon

COVENANT CALENDAR CLASSROOM

**Revelation 12:1** And a **great sign** was seen in the shamayim [heaven]: a **woman clad with the sun**, and **the moon under her feet**, and on her head a crown of **twelve stars**.

The woman described here is none other than Bethula the Bride of Yahusha. Bethula is the virgin constellation, one of the twelve constellations of the Mazzaroth. It is an actual celestial event that can be observed in the heavens.

Bethula is clothed/covered by the light of the sun, and upon her head a crown of twelve stars [the twelve constellations.]

The moon under her feet: biblical references for **"under"** positions are not displaying power and strength. They are positions of **voluntary submission** to superior authority.

**What does our Creator and Father proclaim about His thoughts on man's acclaimed authority given to the moon?**

**Isa 1:13 Stop bringing futile offerings**, incense, it is an **abomination** to Me. **New Moons, Sabbaths, the calling of meetings** – I am unable to bear **unrighteousness** and assembly.

The Hebrew nation was most certainly observing all the Sabbaths, Appointed Times and Festivals. What made **Yahuah** express His emphatic contempt for **the way** the Yisra'elites were worshiping Him?

**Isa 1:14 My being hates your New Moons and your appointed times**, they are a trouble to Me, I am **weary of bearing** them.

Heb 10:29  
Rev 11:2

*Amos 5:21 I have hated, I have despised **your** festivals, and I am not pleased with **your** assemblies.*

**Isa 60:20** No longer does your sun go down, nor your moon withdraw itself, for יהוה [Yahuah] shall be your everlasting light, and the days of your mourning shall be ended.

Nor your moon withdraw itself - means no longer changing phases, for it is the withdrawing process which changes the phases of the moon.

This will make it very difficult observing worship practices to Yahuah "from New Moon to New Moon" (Isa 66:23) when a "New Moon" will be an impossibility!

**Isa 66:23** And it shall be that from New Moon to New Moon, and from Shabbat to Shabbat, all flesh shall come to worship before Me, declares יהוה [Yahuah].

How can Isaiah first tell us that the moon will no longer go through the phases creating the renewing of the moon, and then just a few chapters later, tell us that we will be worshipping according to the "NEW MOON" ?

**First and Foremost: The term – "New Moon" does not exist in the original Hebrew manuscript. "New Moon" exists only because of (mis)translators opinions!**

Second: A most definite problem because a "New Moon" can only occur as new if it withdraws and "renews" itself! Therefore, according to Isaiah 60:20, there will not be any "New Moons" in heaven! Neither will there be phases of the moon! The word – chodesh – (the renewing/the rebuilding) as seen in the Tanach (Old Testament), has been (mis)translated as – new moon – in our copies of the Scriptures.

This contamination in translation does NOT CORRECTLY REFLECT the true definitions extracted from the original Hebrew manuscript. It is a false translation derived from the time the Metonic Cycle (the 29.5 day lunar month) was infused into the 2nd Temple worship services of the Hasmonean period, just before Yahusha lived here.

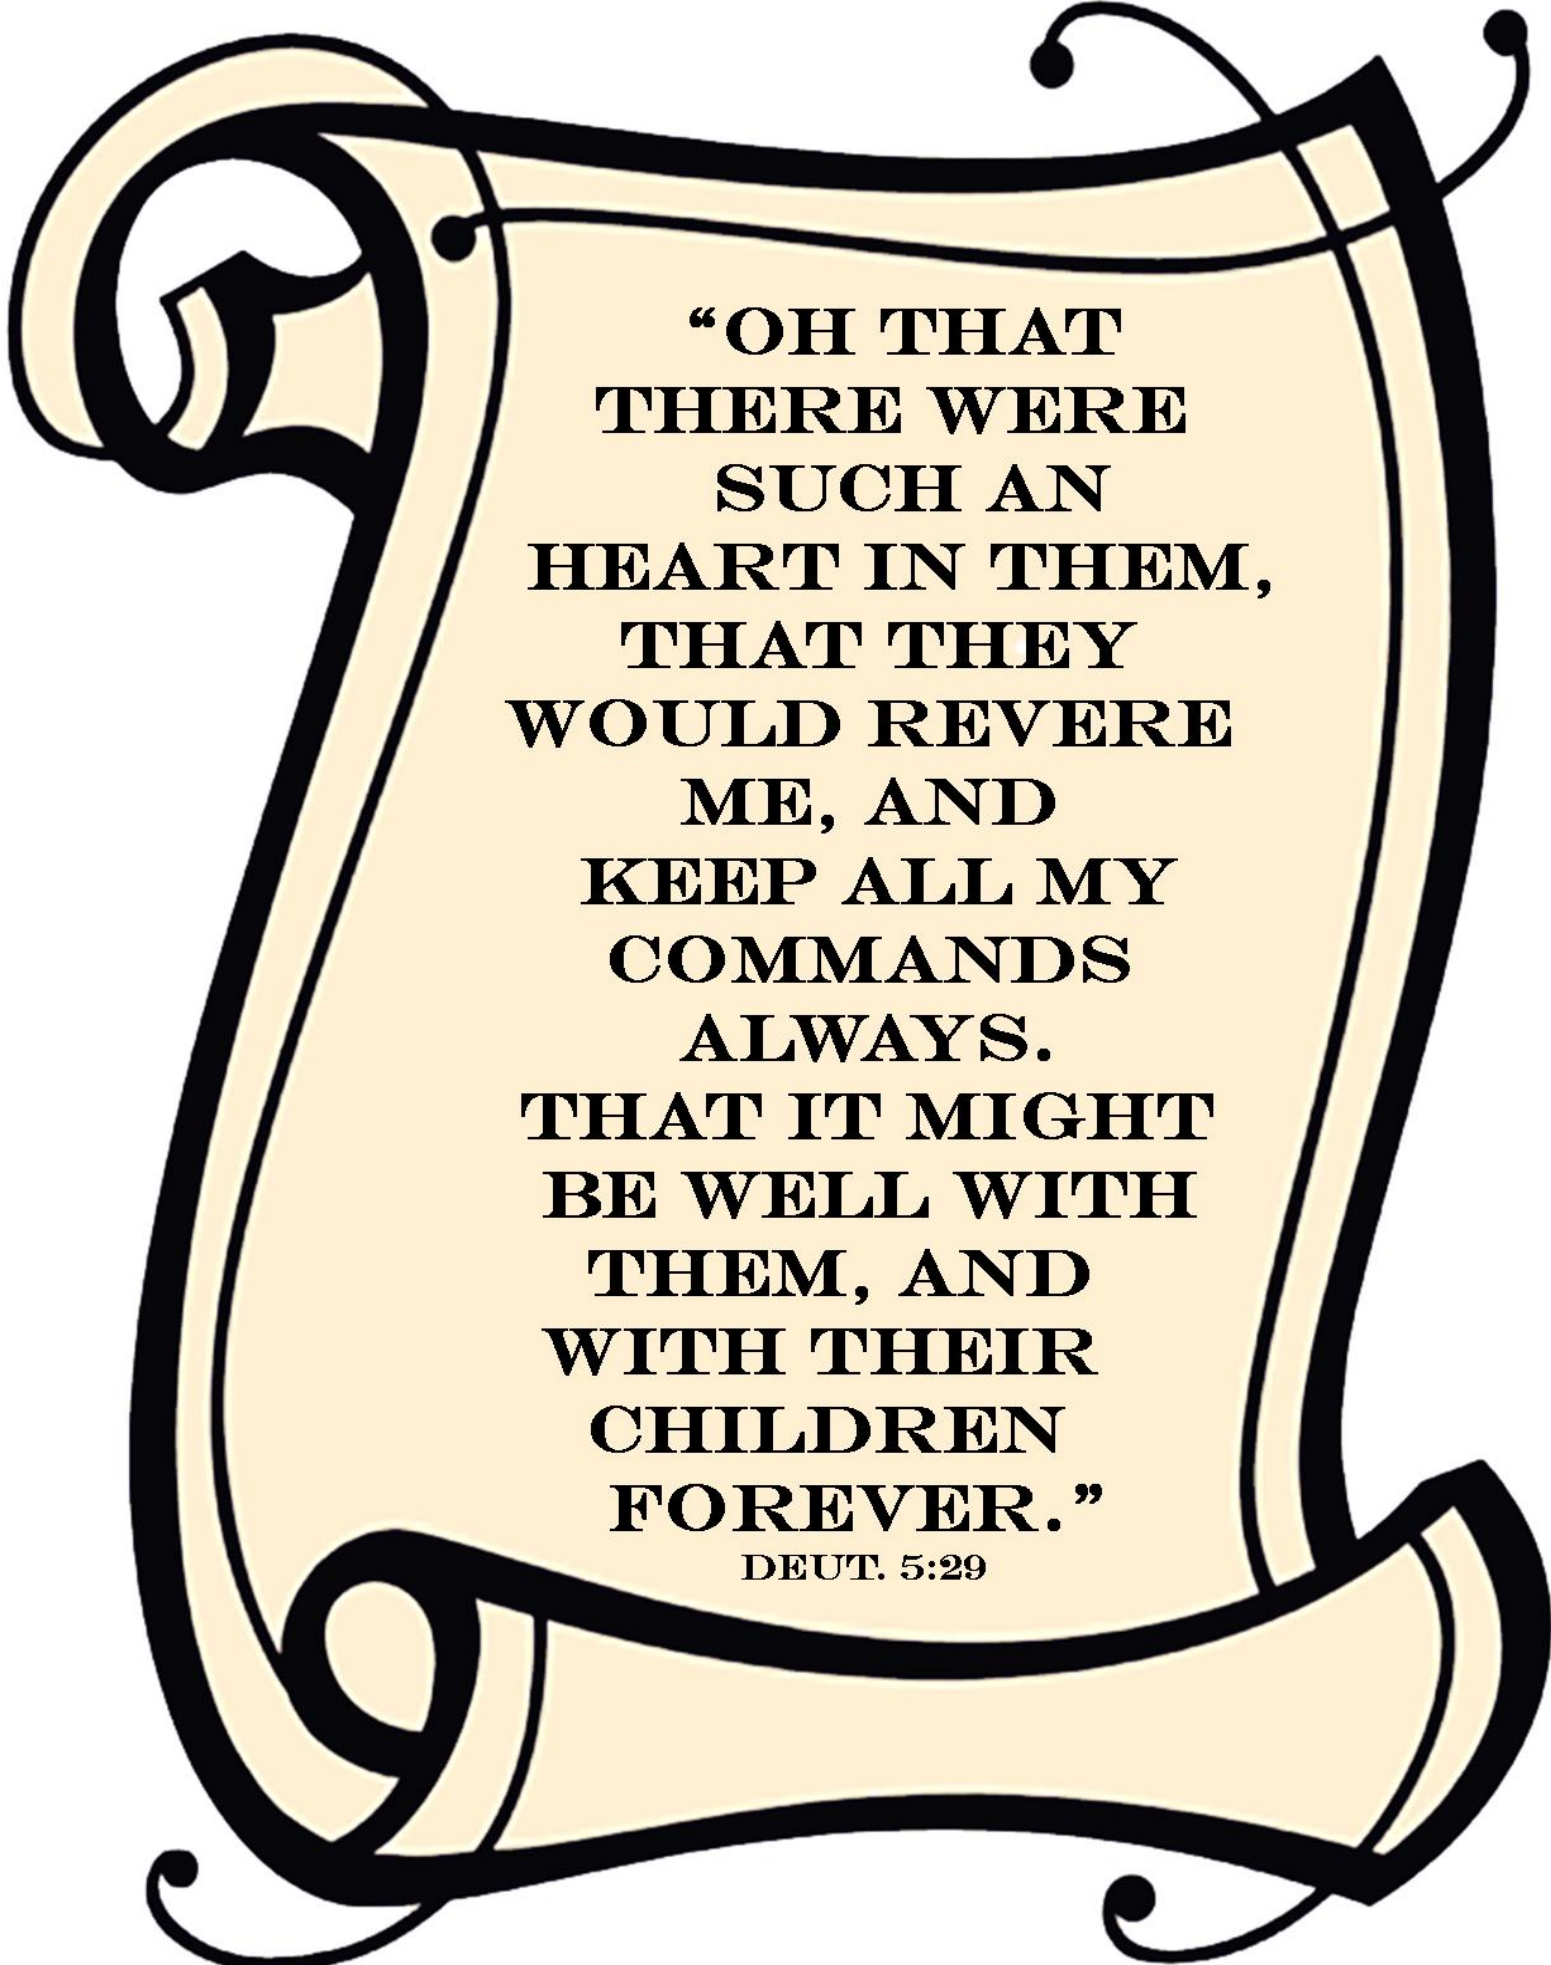

**The word – chodesh – has absolutely zero connection to the moon.**

Chodesh (the renewing/the rebuilding, in its basic form), when applied to TIME, has direct reference to the first cycle, or (first day) of the month. The moon has but an INFERRED CONNECTION ONLY! Starting with the Torah we have ultra clear instruction to the non-existence of the lunar calendar in Yahuah's Kingdom.

What SHOULD Isaiah 66:23 read like with a proper translation according to the Hebrew word Chodesh?

And it shall be that from New Month to New Month, and from Shabbat to Shabbat, all flesh shall come to worship before Me, declares יהוה [Yahuah].

**“OH THAT  
THERE WERE

KEEP ALL MY  
COMMANDS

# Biblical Definitions of Moon[s] and Month[s]

studythecalendar.com

## 1. H3394 <yareach> **Noun**

Refers to the actual literal moon in the sky. This would have been a candidate to begin the festal month. But, Moses does not use H3394 for that purpose.

## 2. H3391 <yerach> **Verb**

Refers to the lunation cycle of the moon.  
<yerach> is not used in scripture to begin the months.

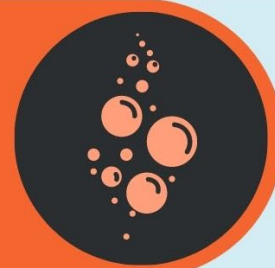

## 3. H3842 <lebanah> **Adjective**

Refers to the colour of the moon, as whiteness. It does not have the potential to begin the festal month.

## 4. H7720 <saharon> **Simile**

Is a comparison of another object to the shape of the moon; a simile: Something "round" like the moon, with no connection to a festal moon month-start.

## 5. H2320 <chodesh> **Noun**

H2320 <chodesh> Refers to a month (not a new moon).

H2318 <chadesh> is the primitive root, or verb that defines how Yahuah's festal month renews and rebuilds.

<Chodesh> is not connected to the moon.  
It is never used for a moon month.

# JOEL YO'ĒL

2

Blow a ram's horn in Tsiyon, and sound an alarm in My qodesh mountain! Let all the inhabitants of the earth tremble, for the day of ~~אָדאָם~~ is coming, for it is near:

2

a day of darkness and gloom, a day of clouds, dense clouds, like the morning clouds spread over the mountains - a people many and strong, the like of whom has never been, nor shall there ever be again after them, to the years of many generations.

3

Ahead of them a fire has consumed, and behind them a flame burns. Before them the land is like the Garden of en, and behind them a desert waste. And from them there is no escape.

4

Their appearance is like the appearance of horses, and they run like steeds.

5

As the noise of chariots they leap over mountaintops, as the noise of a flaming fire consuming stubble, as a mighty people placed in battle array.

6

Before them peoples are in anguish, all faces become flushed.

7

They run like mighty men, they climb the wall like men of battle, every one goes on his way, and they do not break ranks.

8

And they do not press one another, every one goes in his path. They fall among the weapons, but they do not stop.

9

They rush on the city, they run on the wall. They climb into the houses, they enter at the windows like a thief.

10

The earth shall tremble before them, the shamayim shall shake. Sun and moon shall be darkened, and the stars withdraw their brightness.

11

And ~~אֱלֹהִים~~ shall give forth His voice before His army, for His camp is very great, for mighty is the doer of His Word. For the day of ~~אֱלֹהִים~~ is great and very awesome, and who can bear it?

12

“Yet even now,” declares ~~אֱלֹהִים~~ “turn to Me with all your heart, and with fasting, and with weeping, and with mourning.”

13

And tear your heart and not your garments, and turn back to ~~אֱלֹהִים~~ your Elohim, for He shows favour and is compassionate, patient, and of great kindness, and He shall relent concerning the evil.

14

Who knows - He might turn and relent, and leave a bera ah behind Him, a grain offering and a drink offering for ~~אֱלֹהִים~~ your Elohim?

15

Blow a ram’s horn in Tsiyon, qadosh a fast, call an assembly.

16

Gather the people, qadosh the assembly, assemble the elders, gather the children and those that nurse on breasts. Let a bridegroom come out from his room, and a bride from her dressing room.

17

Let the kohenim, servants of ~~אֱלֹהִים~~, weep between the porch and the altar. And let them say, “Spare Your people, O ~~אֱלֹהִים~~, and do not give Your inheritance to reproach, for the gentiles to rule over them. Why should they say among the peoples, ‘Where is their Elohim?’ ”

18

And let ~~אֱלֹהִים~~ be jealous for His land, and spare His people.

19

And let ~~אֱלֹהִים~~ answer and say to His people, “See, I am sending you the grain and the new wine and the oil, and you shall be satisfied by them. And no longer do I make you a reproach among the gentiles.

20

“And the Northerner I shall remove far from you, and drive him away into a dry and deserted land, with his face toward the eastern sea and his rear toward the western sea. And his stench shall come up and his smell rise, for he has done greatness.”

*Continued next page*

21

Do not fear, O land, be glad and rejoice, for **אֱלֹהֵינוּ** has done greatness!

22

Do not fear, you beasts of the field, for the pastures of the wilderness shall spring forth, and the tree shall bear its fruit, the fig tree and the vine shall yield their strength.

23

And you children of Tsiyon, be glad and rejoice in **אֱלֹהֵינוּ** your Elohim, for He shall give you the Teacher of Righteousness, and cause the rain to come down for you, the former rain and the latter rain, as before.

24

And the threshing-floors shall be filled with grain, and the vats shall overflow with new wine and oil.

25

"Then I shall repay you the years that the swarming locust has eaten, the crawling locust, and the consuming locust, and the gnawing locust, My great army which I sent among you.

26

"Then you shall eat - eat and be satisfied - and shall praise the Name of **אֱלֹהֵינוּ** your Elohim, who has done with you so wondrously. And My people shall never be put to shame.

27

"And you shall know that I am in the midst of Yisra'el, and that I am **אֱלֹהֵינוּ** your Elohim and there is no one else. And My people shall never be put to shame.

28

"And after this it shall be that I pour out My Ruah on all flesh. And your sons and your daughters shall naba, your old men dream dreams, your young men see visions.

29

"And also on the male servants and on the female servants I shall pour out My Ruah in those days.

30

"And I shall give signs in the shamayim and upon the earth: blood and fire and columns of smoke,

31

the sun is turned into darkness, and the moon into blood, before the coming of the great and awesome day of **אֱלֹהֵינוּ**.

32

"And it shall be that everyone who calls on the Name of **אֱלֹהֵינוּ** shall **אֱלֹהֵינוּ** be delivered. For on Mount Tsiyon and in Yerushalayim there shall be an escape as has said, and among the remnant whom **אֱלֹהֵינוּ** calls.

# Why I Believe In The Calendar Of The Covenant

Psalms 90:12

Teach us to number our days,  
And let us bring the heart to wisdom.

## ***Manna Bites! || Ma Tovv***

*Having completed the Festival of Sukkot where we are commanded to dwell in a temporary dwelling, one verse and special Hebrew prayer comes to mind as once again we see the "tents of Jacob"! Numbers 24:5 - "How goodly are thy tents, O Jacob, and thy tabernacles, O Israel." In context this verse is quite striking as it is uttered by Balaam a sorcerer and prophet hired to curse Israel prior to crossing into the Promised Land! Yet Balaam's mouth can only utter blessings! This same blessing spoken here is part of the greater Hebrew prayer called the Ma Tovv, spoken traditionally when entering the place of worship. The term for goodly in the Hebrew reveals much more than an empty compliment. It is the Hebrew word Tov which from the Hebrew indicates something that is functioning in the capacity for which it was created. Why are the tents of Jacob, the tabernacles of Israel tov? They were created for one purpose, to house the Presence of Yahweh! And when we gather together for that purpose, then our dwelling is truly beautiful. By praying the Ma Tovv it is not about self praise, or a moment of look at us, instead it is a reminder to each of us gathered to worship of why we have come - we have come to function and fulfill the very purpose we were created for - to become a dwelling for the King! This is highlighted more than any other when we gather together as a body. It is then that we battle the need to promote self, our personal agendas, our desires, or thoughts. To make ourselves seen....yet Ma Tovv. How goodly are our tents when we decrease so that He might increase! What a powerful thought that when we are focused on creating a place for Yahweh to dwell and functioning in the capacity He created us to, even our enemies cannot help but bless what Yahweh has called good.*
