## LWML Sunday

*For Us  
and With Us*

Romans 8:31-39

Based on Romans 8:31-39, the theme for Lutheran Women's Missionary League (LWML) Sunday 2022 is "For Us and With Us." LWML Sunday is celebrated annually in The Lutheran Church—Missouri Synod (LCMS) churches. Come, join us on LWML Sunday on October 2.

**JOIN US at St. Paul's Lutheran  
on Friday, October 28  
6 - 7:00 p.m. Back Parking Lot**

Come dress in your favorite costume and visit our trunks for some tasty treats! All are welcomed.

## Pastor Appreciation and 20 Year Anniversary Potluck:

We will be honoring the service of Pastor Kenny Hsu here at St. Paul's for the past 20 years at an Anniversary/ Appreciation Potluck Party at noon on **Sunday, October 9** in the school gym. Please bring your favorite dish to share along with some good memories. Thank you Pastor Kenny for all that you do here at St. Paul's!

## 145th Year Celebration

St. Paul's Lutheran has been a vital church in Siouxland for the last 145 years!

Come help us celebrate on **Sunday, October 30th** with one service at 10:00 a.m. and a Harvest Dinner following the service.

Monument, right? Is that what God wants us to do?

Another great hymn to sing for our 145<sup>th</sup> anniversary celebration is "The Church's one foundation Is Jesus Christ, her Lord." Jesus and His Word is the cornerstone of St. Paul's Lutheran and every member in the church.

Dear members of St. Paul's, In the second stanza of his famous hymn "Come, Thou Fount of Every Blessing," Robert Robinson wrote, "Here I raise my Ebenezer."

"Ebenezer" means "Thus far has the Lord helped us." It was the name given to the stone of remembrance that Prophet Samuel raised to God's glory after the defeat of their enemy, the Philistines. (1 Sam 7:12)

This year is the 145<sup>th</sup> anniversary of our church. As we look back on our church history, what do we see?

#### ***"Thus far has the Lord helped us!"***

God has been with us, guiding us, providing us since 1877. It is time to raise our Ebenezer and sing, "Come, Thou Fount of ev'ry blessing, Tune my heart to sing Thy grace," "Here I raise my Ebenezer, Hither by Thy help I've come."

So, let's find a huge stone, a big monument and put it right in front of our church! To show the greatness of God, it needs to be bigger than Sergeant Floyd Monument, or even Washington

*priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ." (1 Peter 2:4-5)*

It would be nice to set up a stone to remember ***"thus far has the Lord helped us"*** for the past 145 years. However, only the people who walk by or drive by our church building will see it and they may not even know what the stone is about.

We are loved by God, redeemed by His Son, sanctified by the Holy

Spirit and called to holy priesthood. We are like living stones wherever we go.

We are to tell the people around us that ***"thus far has the Lord helped us"*** for the

past 145 years at St. Paul's Lutheran, and He will continue to be with us, guide us and provide for us for the years to come. Instead of a stone in front of our church, we are the living Ebenezers everywhere we go.

## Worship

Worship! Worship fills our hearts and souls as we offer to God the glory due His name. My favorite part of worship is singing hymns. On a daily basis, I hear the heart felt singing of the children in our school. They may be singing a song with their devotion, singing a song of thanksgiving after lunch, or singing a final goodbye at the end of the day. But their voices raised in praise also raise my spirit and faith.

We gather each Wednesday morning at 8:30 a.m. for our weekly chapel service held in the church. This week our worship was led by Pastor Flo of the Siouxland Lutheran Hispanic Ministry. He helped the students learn more about Peter. He also had us singing Spanish to the song "Father, I Adore You". When it was time to say the Apostle's Creed, I felt uplifted by the clear strong voices of the students.

The mission of our church is summarized as Making more and better disciples. Through God's grace and guidance St. Paul's Church strives to fulfill that mission in the lives of the children in the congregation and the school. Along with the school we fulfill that mission through Baptism, Sunday School (Which meets Sundays at 9:30 a.m. in the church basement for ages 3 years to 12th grade and two different adults study groups), and Confirmation (Which meets Wednesdays at 5:15 a.m. for students in 6-8th grade). One of our acts of worship is sharing the Gospel with others. We are to plant the seed. It is God who helps it grow. Thank you for your support and prayers for this mission of St. Paul's.

The school children will have an exciting opportunity this month to share their praise in a worship service at Hope. Hope will be celebrating their 75<sup>th</sup> Anniversary on **Sunday, October 23**. The students have been invited to join Hope in worship by singing at their 9:30 service.

### Children's Chapel Service

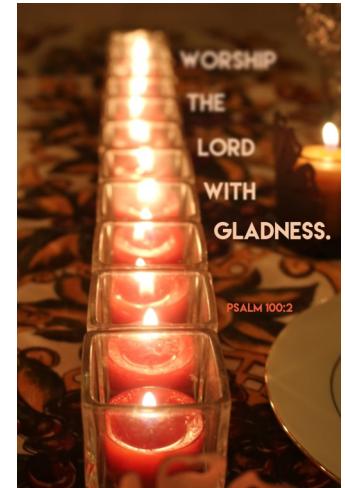

*Pam Whightsil*

P.S. We also want to share with that we will be celebrating the recertification of our National Lutheran Schools Accreditation. District Executive, Rhonda Mohr, will present the certificate at the 8:15 service on **October 9th**. You are welcomed to attend this service.

### Golf Outing Thank You!

The numbers are in for the annual golf outing which was held in August! We raised \$25,000 to support the ministry of the school! A huge thank you to everyone who gave of their finances, time and energy to make this event happen. We would especially like to thank the Hole Sponsors and Corporate Sponsors who year after year continue to help support St. Paul's ministry to reach children with the love of God. God bless your generous giving hearts!

### The History of St. Paul's Evangelical Lutheran Church & School...

The first German Lutheran congregation met in Sioux City in 1877 and was incorporated on January 8, 1879. The first church building was located at 613 Jackson Street and was purchased from Emmanuel Evangelical Church for \$1,300. It was dedicated in October, 1879. The first pastor and his wife died of typhoid fever in 1882 and the congregation became inactive for a period of time.

A seminary student from Springfield, Illinois pulled the congregation together and in 1883, the congregation incorporated as St. Paul's Evangelical Lutheran Church. By 1901, the growth of the church necessitated a new building and it was constructed on the site at a cost of \$5,791.14.

In 1912, the present church property on Jennings Street was purchased. The first parsonage was built in 1914. Talk of a new church began and

on August 7, 1927, the cornerstone was laid. Dedication took place on January 22, 1928.

A school has always been part of the ministry at St. Paul's. The first schools were maintained in the church basement. Two members of the congregation offered to build a separate building if the church would build a home for the teacher. In 1915 the new building was dedicated.

German services were conducted until 1942, when the final German sermon was preached and the transition to English was completed.

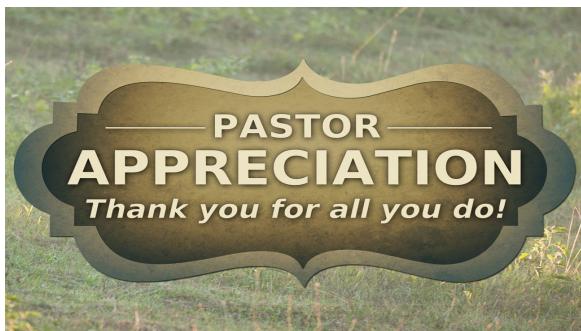

Over the years, additional property was purchased so that current ownership is nearly a full block. Additional classrooms, a fellowship hall, church offices and a new organ have been added.

With the Lord's blessing and many dedicated Christian workers, St. Paul's will continue for many, many more years to come.

### Pastor Appreciation and **20 Year Anniversary Potluck:**

We will be honoring the service of Pastor Kenny Hsu here at St. Paul's for the past 20 years at an Anniversary/ Appreciation Potluck Party at noon on **Sunday, October 9** in the school gym. Please bring your favorite dish to share and another side like a salad, dessert or vegetable along with some good memories. Thank you Pastor Kenny for all that you do here at St. Paul's!

### Turning shoes into opportunities.

At Soles4Souls, we turn unwanted shoes and clothing into opportunity by keeping them from going to waste and putting them to good use. Whether they're new or gently-loved, donate your shoes to protect the planet and help lift people out of poverty.

We here at St. Paul's will be joining forces with Soles 4 Souls and collecting new and used shoes during the month of October. Please bring your shoe donations and place them in the box in the Narthex.

## Siouxland Hispanic Ministry

The last month has flown by especially quickly now that we have returned to our fall routines—Saturday's Faith, Fun, and Food program, our English classes, and young adult Bible studies. This month's newsletter will be short and sweet with some photos from our recent fall picnic. As usual, it was a blessing to simply spend time together as the family of faith.

Sadly, we often become accustomed to only seeing the members of our congregation on Sunday mornings. —this shouldn't be the case! Especially in a culture that is increasingly hostile to Christian values and the Church, we should never underestimate the importance of regularly spending time together! And nothing big is necessary.

In addition to Sunday's Divine Service—which is the very heartbeat of our life together—plan something big, or small, or don't plan at all! Just call

a few members of your church family for a night of board games, a morning walk, golf, dinner... anything and everything. Just time together...that's what matters!

Here you see some mischievous eyes and water balloons. These balloons, however, were not for throwing. They were ammunition for the "Splashmaster 2000"—a water balloon contraption invented by our very own Carl Peterson.

Although I attempted to avoid the inevitable by eating and talking to the adults, the kids eventually tired of my excuses and convinced me to sit down in the Splashmaster chair. As you can see to the left, Megan seemed very concerned about getting her pastor very soaked before my afternoon Spanish service :). If that weren't enough, there was also a slip-n-slide, which the younger kids especially enjoyed.

Thanks to all who participated in making our fall picnic possible! That's it for now. Until next month, may our Lord bless you and keep you. For the Calendar Our next quarterly Siouxland Hispanic Ministry meeting will

## Beckendorf Ministry

Greetings once again,

Well, we are back in the States where we are enjoying beautiful late-summer weather in Wisconsin. We are so blessed to be in missionary apartments very near

Tim's mom whom we were visiting for a little while. We are especially grateful to have this apartment since it means we have our own space in which to isolate while we get over Covid. We had been wondering why jet-lag was worse this time around for us, and surprised at the Fall allergies we were experiencing . . . . Fortunately, we had been masking everywhere we went -- up until our first church presentation where Tim preached at two services and shared about our ministry during the Bible Study. He tested positive the next day. Oops. We are praying we didn't pass the virus on to anyone at church. Thankfully our symptoms have been light; just being tired and feeling like we have colds.

One fun thing that happened while we are isolating is that Tim was able to work with his mentor, Dr. Michael Megahan, and **AFRICA MISSIONS** lead a consultant check via Zoom with a translation team in Tanzania. They spent about two hours going through half a chapter of John 1. Now this may not sound like a good time to most of us, but for Tim "This was the most fun I've had in years!" I guess it's a good thing he wants to be a Bible translation consultant when our project becomes more community-led. We are so grateful Tim has this opportunity to work with Dr. Megahan, who is a good friend, and to 'learn at the feet of a master'. We are hoping Tim will soon become a recognized Bible translation consultant, which will enable him to help in several Lutheran Bible Translators projects.

We are still waiting to get the Khwedam panoramic Bible sent off to the typesetter; we are waiting on maps.

We have finally gotten the maps we need, but now place names need to be gone. Pastoral theology is a through and second course being team-changed to taught to the students. There is a "hiccup" involving our new spelling to first-year students, however. match what is in They are all from Pakistan and

the Khwedam Bible. One map has been finished, but there are still a couple left to do. We are frustrated with how long this is taking, so please join us in praying that this can be completed soon.

Thank you again for all of your  
prayers on our behalf. *Tim, Lisa, Aaron

## **Cortright Ministry - ON THE STARTING LINE**

Dear supporters and friends, Last month's plans are this month's activities—

under the Lord's blessing, of course! The fall semester of the Luther Academy is now underway. On the one hand, what is happening looks outwardly routine: students and teachers gathered via Zoom for classes. (There aren't a lot of "action photos" to be had!) But what is happening—and by whom—is anything but mundane. At the top of the list is the working of the Holy Spirit through the Word. Our students and their teachers are all committed to the Scriptures and to a future of being faithful preachers of the Gospel. There is a singleness of purpose that marks every class session. But what is also of note is that the Luther Academy's instruction is reaching out across miles and time zones, across borders and cultures. Our cohort of second year students has remained remarkably stable. They come

One of the advantages of accompanying the congregation at the serving on-line out of the "Branch organ; I preached the sermon. Jesus' Office" of the Luther Academy in Sheboygan, WI, is the opportunity to visit congregations that support mission work. I worship, the congregation had a meal, recently something they arrange to have every received Sunday! Then, having been fed by the just such an invitation Word and by our daily bread it was time to say farewell and return "down south." via Mission Central to congregation This kind of experience may sound commonplace, but the welcoming of missionaries and supporting them is something that dates back to the apostolic church. # October News & Notes

**LWML Sunday:** Celebrate with Lutheran Women in Mission A special worship service is planned for **Sunday, October 2** to celebrate all that God has done through the Lutheran Women's Missionary League (LWML). The power of God is evident in the dimes, quarters, and dollars you put in your Mite Box, and we celebrate this every LWML Sunday. Thank you! Our new LWML Mission Statement reads — "As Lutheran Women in Mission, we joyfully proclaim Christ, support missions, and equip women to honor God by serving others." The Holy Spirit has been doing this for 80 years through the LWML!

**LWML Mites offering** will be placed on the table in the back of the church on the first weekend of each month. Your donations are appreciated. Mite boxes are used to collect money for missions.
