Bringing Jesus Christ to
your preschooler

Who We Are

3 things that make us who we are:

1 Faithful

We teach children that Jesus loves them, forgives them and will always be with them.

2 Nurturing

Qualified and dedicated Christian staff dedicated to showing children the love of Jesus.

3 Relationship centered

We get to know the child and the family.

We offer preschool opportunities for 2-year-olds through entering kindergarten. Our program follows the school year (Labor Day through Memorial Day).

What We Believe

All children are a gift from God.

God loves them, forgives them, and will always be with them.

Children learn through play.

Art, blocks, drama, fine motor, gross motor, and science both inside and outside.

Parents and families are central.

A child's learning and development revolve around who they are around.

In preparing children to be lifelong learners.

Using age-appropriate curriculum children learn spiritual, social, physical, emotional, and cognitive skills.

Positive relationships.

God, children, parent/families, and teachers create an environment for children to seek their God-given talents and abilities.

Clean, safe, and healthy classrooms.

A healthy place for children to learn and grow is essential.
