September 2024

Gracious and loving Lord,

Thank you for the seasons we can count on, find routine in, and that will never cease while the earth remains. As we enter into autumn, when the cooler winds drift in and the days grow shorter, draw us closer to you. Let us feel your warm and loving presence. May we imagine ourselves in your arms, close to your heart, surrounded by your light, and find comfort in your consistency when the world around us seems to be constantly changing. Thank you for your loving kindness that engulfs us and your light that drives the darkness away. We praise you for being a God who loves us and takes care of us. We are grateful you are with us in all circumstances and seasons.

Amen.
