8. Goodbye Fear of Commitment

February 26, 2023 / 1 Chronicles 28:20

Whether it's a relationship, college degree, or career path, so many people are afraid to commit. But why? Why is it so hard to make a choice? In this week's message, Pastor Kevin Moore will tackle these questions head on and give you some tips that will help you both start and finish what is most important.

My _____ + _____ Opinion = My Self Worth

_____ Performance + God's _____ = My Self Worth

If you are on the team, _____.
