A Word from Pastors Nate and Evan

Welcome to Bible School classes! It is not by chance you have committed to these 6 week classes.

We are excited you are here and we expect GREAT things to happen in your life during your time of soaking in the Word and training here, but one thing must be understood: You will receive from this training exactly what you put into it. Sometimes training can be hard and pressures can come to make you second guess your commitment. Recognize the tactics of the devil, and be determined to press through all the way to the finish. We encourage you to make the most of this opportunity.

We are honored and privileged God directed you to BC and connected us together for the building of His Kingdom!

Preaching Jesus.

Everyone.

Everywhere.

Everyday.
