### Crime Statistics, Fireworks, Parking, and Church on April 28 RHCA Agenda

If you follow the weekly crime reports issued by the Franconia Station, you may have noticed the staggering increase in reports of property stolen from vehicles. During 2008, there was a 48 percent increase in such crimes. (There's a related Countywide Crime Statistics article from the Fairfax County Police Department on the next page.) Global positioning devices (GPS) are most likely to be stolen, although license plates, telephones, laptops, tires, catalytic converters, and air bags are on the thieves' list of favorite items.

There have been several cases of vehicle theft reported in Rose Hill in recent months. Most involved items taken from vehicles, such as GPSs, laptops, etc. There were several cases of license plates being stolen. A thief can run two cars off one set of plates (one on the back of one car and the other on the front of a second car until they are noticed by the police). It's a lucrative practice, given the costs associated in registering with DMV.

In the case of GPSs, the police already have recovered a number of them. If yours was stolen, they may

have it. Call the non-emergency number 703.691.2131 for information.

Of course, the police and RHCA urge you to remove portable GPS units when they are not in use. Please keep a supply of moist towelettes on hand to wipe the area where it was affixed to the windshield. That way, the crooks won't see that you have one and then wait for their chance. Always register the serial number with the manufacturer so the police can check ownership.

Rose Hill has a very low rate of crime. We like to think it is because we have a large number of active residents looking out for their block and the entire community. Little happens in Rose Hill that escapes our notice.

We still have a few areas that are in need of watchers. All we ask is that you keep your eye on a small area around your residence and know how and to whom to report suspicious activity (we'll provide you with the information). We also ask that you keep an eye on the seniors who live nearby and make sure they have someone to call upon if they need assistance. Most often, it's just a matter of telling them whom to call. Give me a call at 703.971.4716 or email me at [sellcarl@aol.com](mailto:sellcarl@aol.com). We ask that you take only a small area and keep your eye on it as you and your family come and go. It's a very important step toward keeping Rose Hill crime free.

## Countywide Crime Statistics for 2008

Violent crimes decreased by nearly nine percent in 2008 compared to 2007 while overall index crime increased by nearly 10 percent. Index crimes, reported monthly to the FBI, include murder, rape, robbery, aggravated assault, burglary, larceny, and motor vehicle theft. A breakdown of individual crimes finds the number of robberies and motor vehicle thefts dropped, reported rape numbers were unchanged, and homicides, aggravated assaults, burglaries, and larcenies increased compared to 2007. Violent crimes (murder, rape, robbery, and aggravated assault) decreased by 8.9 percent while property crimes (burglary, larceny, and motor vehicle theft) largely fueled by larcenies, increased by 10.9 percent.

The following is a breakdown of the index crime reported in the fourth quarter 2008 by month.

Crime	October	November	December	Total
Murder	0	6	1	7
Rape	12	7	9	28
Robbery	40	40	46	126

Motor Vehicle Theft	108	120	72	300
<b>Total</b>	<b>1,794</b>	<b>1,564</b>	<b>1,752</b>	<b>5,110</b>

The Fairfax County Police Department releases reported crimes using the FBI's "Uniform Crime Report" criteria. The year-to-date data contained in this release is subject to change due to data revision and updating. These statistics are used in making decisions about deployment of police resources to better respond to the needs of the community, to identify trends and to implement new and continuing strategies to enhance public safety.

## Fireworks Fizzle

The annual fireworks display at Lee District Park, which began in 1976 to celebrate our nation's 200th birthday, are no more! Supervisor McKay reports that budget cutbacks as well as construction of new synthetic fields have made the park unsuitable for a fireworks display. The funds for the synthetic turf were approved in the recent park bond. I don't recall the Park Authority mentioning that the new fields

would come at the expense of our patriotic celebration. The fireworks have a long history. The display started with the all-volunteer Virginia Hills Bomb Squad in the 1960s. The program outgrew Virginia Hills Elementary and was moved to Lee District Park. In the early days, the program was funded by area civic associations, including Rose Hill. However, the increased cost of the fireworks overwhelmed the

*Continued on Page 3*

groups' finances and was then funded by park revenues. Estimated attendance has been in the 12,000-15,000 range yearly. No doubt some will be happy to have a quiet July 4, 2009, without the hundreds of cars that clog our streets for a few hours. Others will lament the passing of yet another tradition and symbol of our freedom.

---

***In place of the fireworks, Lee District Park will hold a musical program from 3-5pm at the park amphitheatre. It is being billed as a program designed as a time for friends and families to come together and celebrate not only our nation's birthday but also to strengthen community ties, according to Supervisor McKay.***

### **Church Proposal**

At our March meeting, we heard a presentation from the pastor of Agape Embassy Ministries and the representative of the engineering firm preparing the case for the proposed church on May Boulevard on what is now the Kindercare site. The pastor has a long-term vision that could bring greatly increased activity to the site. As of this writing, no final decision has been made to locate on May Boulevard and no request for a zoning action has been presented to the County. The church has the option of choosing either the conventional Special Exception process, which includes public hearings before both the Planning Commission and the Board of Supervisors, or the Special Permit process that mandates only a public hearing before the court-appointed Board of Zoning Appeals. In either case, the underlying zoning would not change. Churches are a special use in the R-3 category, the zoning classification for Rose Hill. Given the location of this project within our community, we need to pay particular attention to the intensity of use. Like in the case of the residential development in Rose Hill Section III, conditions can be used to mitigate

intensity and/or concerns. We need to first decide if the proposed use at the specific site is in our best interest, using the comprehensive plan and the zoning ordinance as our benchmarks. It will interest you to know that the County has a coordinator for church zoning applications on its staff. The position was created by the Board of Supervisors in order to help churches work their way through the land use and zoning process. Residents who live in proximity to the property are invited to serve on a committee to evaluate the church's proposal. We will meet again with the church representatives when and if they decide to move ahead with plans to locate on May Boulevard.

### **Upcoming Events of Interest**

The following items may be of interest to Rose Hill residents:

- ★ The Franconia Museum celebration of Franconia's unbeaten 1947 baseball team on May 2,
- ★ The Rose Hill Elementary 5K Rocket Run for Autism on May 9, and
- ★ The Edison High School EagleFest, also on May 9.

The baseball program, featuring several players from the unbeaten team, will be held between 11am and 1pm in the Community Room of the Franconia Government Center, 6121 Franconia Road. There will be free hot dogs, popcorn, and soft drinks. Donations are encouraged. The museum will be open before and after the program. The 5K Rocket Run begins at 8:30am at Rose Hill Elementary of May 9. Registrations mailed by May 1 are \$20. After May 1 and day of race, registration will be \$25. Participants will receive a t-shirt and the satisfaction of supporting a very, very worthy cause. See the flyer on page 7 for more information. After the 5K, head on over to Edison for the class of 2010's EagleFest carnival. Admission is free and the program will be moved indoors in case of rain. Buy some tickets and exchange them for food and games from 10am to 4pm. A flyer on this event is also included on page 8.

### **Community Parking District**

Supervisor McKay is surveying civic and homeowner associations in Lee District to determine whether to move ahead with a Community Parking District that would prohibit large trucks, boats, and RVs from parking on neighborhood streets. It does not restrict small trucks like vans and ladder trucks. Last fall, Rose Hill voted to support the prohibition of

---

*Continued on Page 4*

large trucks on the community's narrow streets. Specifically, vehicles to be prohibited include boat trailers, watercraft, motor homes, camping trailers, trailer or semi-trailer, even if attached to a vehicle, vehicles with three axles and vehicles with a gross weight of 12,000 pounds or more. Vehicles parked for up to 48 hours for the purpose of loading, unloading, or preparing for a trip are exempt. This prohibition applies to streets only. Of course, vehicles of any size parked either on the street or on private property must be in operating condition and have valid license and inspection.

### **Sapp Joins Park County Planning Commission**

**Pine, Col.** — Jim Sapp, [myRoseHill.com](http://myRoseHill.com)'s webmaster, following in the footsteps on long-time friend and President of the Rose Hill Civic Association, Carl Sell, has joined his local planning commission in Colorado. Sell's influence and long career in planning and other County departments, along with the Rose Hill Section III development, apparently whetted Sapp's interest in the future of land development in his (relatively) new home of Park County, Colorado. Sapp states, "Sometimes retired people don't know when to quit."

### **Remembering Larry Fowler**

**T**he Rose Hill Civic Association lost another good friend on April 10 with the death of Larry Fowler, who had lived on Maryview Street since the houses were built in 1964. He was 87.

A World War II veteran with the Navy, Larry served for 41 years as the Lee District representative on the Fairfax County Consumer Protection Commission, including 12 years as chairman.

Larry, Jane, and their three children moved to Rose Hill from Virginia Hills where he was president of the civic association, founded a teen club, and coached youth sports teams. He remained active in Rose Hill with the Neighborhood Watch and delivered *The Rambler* to his neighbors until poor health slowed him in recent years.

A true public servant, Larry shunned the spotlight in favor of getting the job done. The County recognized his efforts several years ago by naming an award for public service on various boards, commissions, authorities, and committees in his honor.

A more complete tribute to Larry is being compiled and will be featured on our website, [myRoseHill.com](http://myRoseHill.com). We will observe a moment of silence in Larry's honor at our April 28 meeting.
