## President's Message

### We're Rewarding the Rose Hill Beauties While Trying to Clean Up the 'Uglies'

It's time for the annual Rose Hill Beauty contest! Judges will be looking to reward those residents who keep their property looking great and therefore helping to upgrade the entire community. Winners will be announced in an upcoming edition of the Rambler. Those who are members of the Rose Hill Civic Association will receive signs designating their property as a genuine Rose Hill Beauty.

At the same time, we will be looking for rundown properties that are in violation of Fairfax County laws and ordinances. Those properties will be reported to the proper agency. If there is trash strewn about, grass not being cut, an inoperable or untagged automobile parked on your property, it WILL be reported. And remember, County law prohibits parking on your front lawn.

You can help by making sure the judges don't miss any Beauties or Uglies. Call or e-mail either the president or vice president with your nominations. Beauty is in the eye of the beholder, but we are looking for well-kept houses and yards. Uglies should be easy to spot as they stick out like a sore thumb among all the beauties we have here in Rose Hill.

If you would like be one of the judges, let us know. We'll keep your participation confidential. All violations will be reported in the name of RHCA. If you have any questions, please contact the president or vice president. Please be aware that the wheels move slowly after violations are reported as the County has a process it must follow. Generally though, we have been successful in cleaning up some of the blight that has made our neighborhood look bad. Rose Hill is not a place for those who don't care about their neighbors or community.

### In Memorial

It is with great sadness that we report the death of Terrie Dacales, former RHCA Vice President, long-time Rose Hill resident and beloved Fairfax County teacher for 30 years. She had been ill for several years. When I took over as RHCA president in March of 1999, it was with the condition that Terrie serve as Vice President. Even though she moved into a larger house nearby in order to care for her husband, Gus, who was bedridden with a stroke and died a few years later, Terrie's roots remained in Rose Hill. She continued as Vice President until 2007 when Linda Nichols took over. Terrie touched hundreds of youngster's lives during her career as a teacher, including stints at nearby Clermont, Franconia and Groveton. She helped establish the Gifted and Talented curriculum and has received numerous education and civic awards. Services were held last Tuesday. RHCA sent flowers. If you'd like to personally remember Terrie, send a contribution to St. Katherine's Greek Orthodox Church, 3149 Glen Carlyn Road, Falls Church, VA 22041, the American Heart Association, or the Alzheimer's Association in her name. More about Terrie's extraordinary contributions to her

community, county and country will be added to RHCA's web site, [myrosehill.com](http://myrosehill.com), at a later date.

### **County Budget for 2012**

The Board of Supervisors has passed a budget resolution setting the tax rate at \$1.07 per hundred, two cents less than last year. County-wide the \$1.07 rate will mean that tax bills will remain basically the same as last year. However, in Rose Hill the average bill will decrease slightly. Why? Because the average assessment for Rose Hill properties decreased slightly and the bill is based on the assessed value. The budget holds the line across the Board with a slight increase for the schools. However, the School Board did not get the total increase it requested. Neither school nor county employees will see an increase unless money can be found in the adopted budget. The Board of Supervisors has asked the County Executive to search for additional savings so there can be some small reward for county employees who have gone without raises for three years. Hopefully, the School Board will do the same. Having served on Supervisor McKay's budget advisory committee, I am convinced there is adequate means within the current school allocation to reward our teachers and other employees. Administrators are fairly compensated. One area of concern to me is the large annual carryover (unspent funds) the schools report each year. Seems to me that is a good place to look for as a vehicle to reward employees.

### **Beware of Solicitors**

With spring come the door-to-door solicitors. They try to sell you magazines, furniture or who-knows-what-all. They promise to refurbish your driveway, put on a new roof, paint your house, and so on. They ask for a down payment, do a little work and say they'll be back. But they never are, unless it's to rob you when you aren't there. If their deal sounds too good to be true, it usually is. Ask if they can show you a Fairfax County license. If they can't, call the police non-emergency number at 703-691-2131.

Never, ever allow a solicitor access to your home. Don't share any information about yourself or your neighbors. Of course, all of this does not apply to neighbors who are seeking donations to worthy area organizations or schools.

### **Rose Hill Reserve**

Stanley Martin Homes, builder of Rose Hill Reserve, has begun work to remove the material from the landslide on a portion of the private property on the hill above Split Rock Road and Haystack Road. In addition to the original major slide, several others have popped up and need to be dealt with. Once the material has been removed, replacement soil will be used to fill the holes. Interceptor drains also will be installed to collect the ground water on the hillside and channel it away in such a manner that it does not cause future slides. As soon as the County approves its engineering plan, Stanley Martin will install deep piers or caissons on the hillside that are designed to hold back the soil to prevent future slides caused by the shifting of marine clay. Caissons already have been installed on the other hillsides on the perimeter of the property. RHCA has supported the use of these piers or caissons from the beginning the process. While there is no full guarantee, they appear to be the best way to protect both existing and new homes from future slides.

### **Franconia in the Civil War**

The program is all set for the Franconia in the Civil War program Saturday and Sunday May 14-15 at Lee District Park. It is part of the sesquicentennial of the Civil War and is sponsored by the Franconia Museum and the Fairfax County Park Authority. RHCA is involved as a volunteer organization providing free samples of food of the 1860s at noon on Saturday the 14th. The menu includes Brunswick Stew and corn bread. Various RHCA members are making corn bread for the event. If you can help, call Linda Nichols at 703-971-0755. The Brunswick Stew chef already has been lined up. The schedule of events for the two days is printed in this month's Rambler. Admission for kids 14 and under is FREE. Ages 15-18 and seniors 62 and older are admitted for \$2.50. All others cost \$5 with one admission good for each of the two days. The show is chock full of information, artifacts and music. President Lincoln, portrayed by Dan Storck, will be there both Saturday and Sunday. Confederate General D.H. Hill will preach a Civil War era sermon on Sunday. And, of course, the Gray Ghost, John Singleton Mosby, will be lurking about. Noted local author Don Hakenson will tell of various Mosby raids and skirmishes on each of

the two days. You'll learn about Union troop encampments, food and farms, famous houses and area churches in other short presentations. There weren't any major events here during the Civil War, but the collection of things that happened here will amaze you.

### **Wegman's Update**

The site plan that will allow construction to begin at the new Wegman's grocery and specialty store at the corner of Beulah Street and Telegraph Road either has or is about to be approved by Fairfax County. Also, construction is about to begin on the widening of Telegraph Road from Beulah Street to Leaf Road, just south of Hayfield Secondary School. The road widening will allow the tie in with the new road through Fort Belvoir linking Telegraph Road and Richmond Highway (U.S. Route 1) at Woodlawn. The road construction is scheduled to be completed by the end of 2012 and Wegman's is set to open in 2013. As part of the zoning approval process for Wegman's, opening of the store was conditioned on improvements to Telegraph Road. Plans are being devised to widen Telegraph all the way to South King's Highway, but as of yet there is no money for actual construction.

### **Robbers Target Gas**

The only holdups involving gas aren't just happening at the pump. Recently, a car in the parking lot at Rose Hill Elementary was the subject of gas thieves. If you don't have a gas cap with a lock on it, get one NOW. And don't think just because you have that little lever inside the car that locks the cover that you are safe. Thieves can yank that open easily, leaving you with damage as well as an empty gas tank. If you see anyone suspicious around the gas tank of your car or your neighbor's car, call the police. If you park in the driveway at night, leave an outside light on. If you park on the street, do it as close to a streetlight as possible. In an effort to cut your gas costs, think about combining trips or carpooling with neighbors to the shopping center, etc. Set a goal of cutting out one trip per day. Every little bit helps your pocketbook.

### **Membership Drive**

The last full membership list of 2011 is printed in this month's Rambler. Additional

members will be recognized individually as they join or renew their membership. If your name isn't on the list, either let us know we've made a mistake or send your check to RHCA at Box 10891, Franconia, VA 22310. At this point, fewer than 30 percent of the residences in the community can claim membership. They will get first attention when they need RHCA's support. Unlike communities with Homeowner's Associations with mandatory dues and rules, we are a VOLUNTEER organization and depend on the generosity of our members to help Rose Hill remain an attractive and friendly place to live. The more members we have, the greater our voice when we present community issues to the government for assistance or just the implementation of existing laws. Funny how most everyone thinks they mailed that check and are members of RHCA. If your name isn't on the list, we've either omitted it inadvertently or we haven't heard from you. Hopefully, you will agree RHCA is important to the maintenance of the safety and welfare of the community. Send a check, and you'll see your name in the May Rambler!

### **Proper Disposal of the U.S. Flag**

Is your United States flag soiled or damaged and you would like to dispose of it but don't know how? The Fairfax County Police Honor Guard will help. According to Federal law, the U.S. flag is to be properly and ceremoniously disposed of when damaged or soiled and no longer suitable for display. To help citizen's properly dispose of flags, the police are now accepting worn out flags in bins located in the front lobby of the stations. Flags will be ceremoniously disposed of by Honor Guard members in coordination with the Fire Department. Take your flag to the Franconia Governmental Center, 6121 Franconia Road. Thanks to the Police Honor Guard for providing a respectful end for soiled or damaged versions of Old Glory.

## YOUR REAL ESTATE CORNER: A QUARTERLY UPDATE

Happy Spring to you! There is nothing better than the smell of spring rain. We all love seeing the grasses turn from winter brown to spring green and the blossoms on the trees as well as the sprouting of tulips and hyacinths. Spring time is a great opportunity to spruce up your home for sale. The key to a home selling at a great price and in a timely manner is curb appeal and a well kept interior. I have a great booklet simply called The Home Seller Guide. This compact 24 page booklet discusses every aspect of selling your home from getting your home ready for sale to offers/contracts/paperwork to settlement. If you are interested in receiving this FREE booklet AND/OR A 10% OFF COUPON TO LOWE'S to assist you in completing any home projects please send me an email at Kimberley.Bush@longandfoster.com or call 703-627-7656.

Right now is a great time to sell because inventory is low in the Alexandria. You have a better chance of selling your home when there are fewer homes for sale. In regard to interest rates, as you may know The Fed lowers interest rates as an incentive to businesses and consumers to increase their borrowings.

Analysts constantly monitor consumer credit levels. Economists, market analysts, and traders all seem to have a different opinion about the future state of the economy. But what is certain now is a great time for buyers to take advantage of rates at the still historically favorable levels.

Just FYI, Mortgage Rates U.S. averages as of March 31, 2011:

30 yr. fixed: 4.86%  
15 yr. fixed: 4.09%  
1 yr. adj: 3.26%

Low inventory coupled with interest rates still being at all time low levels is a great combination for successful home sales. WONDERING WHAT YOUR HOME IS WORTH?

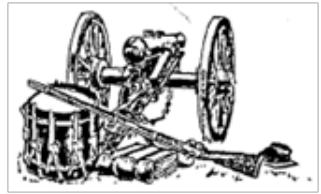

All you need to do is drop me an email or give me a call and we will sit down together and discuss exactly what the market value of your home is. In the mean time take a look at the movement in home sales in our lovely community!
